100 Bullshit Jobs...and How to Get Them: Bing, Stanley ...
In Bullshit Jobs, David Graeber explores how this phenomenon - one more associated with the Soviet Union, but which capitalism was supposed to eliminate - has happened. In doing so, he looks at how, rather than producing anything, work has become an end in itself; the way such work maintains the current broken system of finance capital; and, finally, how we can get out of it. This book is for ...
