What is a property valuation? Valuations give you an accurate idea of the market value of a property – it should always be carried out by a RICS chartered surveyor. An estate agent will give you the recommended asking price that you might hope to achieve when you sell. A surveyor should then carry out a market valuation, where they will use 3 ...

buys a share is buying it for 10.2 times its last published earnings. Therefore, as the target company's post tax earnings are \$200,000, its market value would be estimated at: $10.2 \times \$200,000 = \$2,040,000$. However, just as the listed companies' P/E ratios might be distorted, so might the
