four of the vehicle's wheels are on the road. This is referred to as flat towing or four-down towing.

Flat Towing & Dinghy Towing Guide - CURT Group OrderHub  
Same car, Same transmission, just a magical date that Ford will not be responsible for those after 2-27-12. We just went through all this. Bought an escape that was built in March, 2012. Dealer called us the next morning and said we can't tow it flat. They bought it back. We went and bought a CR-V. We love the CR-V.

Plus, manufacturers are offering an array of accessories to help keep it that way: An RV underskirt, fitted beneath the equipment, will safeguard the dinghy vehicle and towing hardware from debris. For more ironclad protection, nearly indestructible rock guards are available that quickly attach to the tow bar and shield the dinghy from road refuse.

Tow Safely | Trailer Life  
Dinghy Towing Guides The practice of towing a vehicle four wheels-down behind a motorhome is still the most convenient way for owners to get around once they've reached their destination. Rather than breaking camp every time you need to leave the RV park or campsite, simply jump in your car and drive off, just like you would at your home.
