Basics of Biblical Greek Video Lectures provides 36 easy-to-follow lessons (on 6 DVDs) introducing the grammar and language of the Greek New Testament. Integrated for use with the fourth edition of bestselling biblical Greek textbook by William Mounce, it is an ideal resource for formal students and self-learners.

Interchange Fourth Edition is a fully revised edition of Interchange, the world's most successful series for adult and young-adult learners of North American English. The course has been revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love, while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, grammar practice, and opportunities to develop speaking and listening skills. Interchange Fourth Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it's used for meaningful communication.

Educators across content areas have turned to Classroom Strategies for Interactive Learning for almost two decades. This fully updated fourth edition delivers rich, practical, research-based strategies that readers have found invaluable in the context of today's classrooms. Doug has written all-new chapters that focus on the instructional shifts taking place as the Common Core State Standards are implemented across the United States. These introductory chapters will help you do the following: Understand the research base for comprehension strategies in content classrooms Learn how to tap into students' background knowledge to enhance comprehension of complex texts and build new knowledge Show learners how to question a text Teach reading and thinking through a disciplinary lens At the heart of this edition are more than forty classroom strategies, with variations and strategy indexes that identify the instructional focus of each strategy, pinpoint the text frames in play as students read and learn, and correlate students' comprehension processes across the phases of strategy implementation. In addition, each strategy is cross-referenced with the Common Core's reading, writing, speaking/listening, and language standards.
