Beauty and the Beast meets Irish Mythology in this sweeping retelling of the beloved fairytale.

Is this bond a blessing or a curse? My blood binds me to the curse of the summer fae. Am I entwined with the Unseelie's curse as well? I didn't ask to be the key to the survival of not one but two faerie realms, but I can't stand by while others suffer if there's some way I can help. Unfortunately, the ties of my heart to men on both sides may cause more problems than I can solve. After years of violence, will summer and winter even find peace? Neither side is eager to compromise, and my lovers' loyalties to me have turned them into targets. I want to believe that love can win out over hate and pain. But as tensions both between and within the realms rise, it might break me apart instead. \*Secrets of Winter is the fifth book in Bound to the Fae, a new paranormal romance series featuring possessive shifters, dangerous fae politics, and a wounded heroine finding her strength.\*

For fans of Labyrinth, Sarah J. Maas, and Laini Taylor. There are three rules to surviving the Fae-and I'm about to break every single one. Rule #1. Never cross into Faerie. When I'm chased across the enchanted border and caught by its sinister ruler of the sky, the pretty trickster with a clever tongue offers me a deal. Rule #2: Never bargain with a Fae. But I don't have a choice. For thirteen days, I have to survive in his mountainous maze of crooked bridges, deceptive stairways, and devious inhabitants. Refuse, and my sisters will suffer as punishment. Rule #3: Never fall for the enemy. I should have known my sexy captor wouldn't play fair. The deeper I plunge into this dangerous world of Solitary Fae, the more I'm entangled in their ruler's seductive web of desire-and the forbidden temptations he offers. The price of losing this wicked game is everything I love. But winning might just cost me my heart. Step into the Dark Fables World, where defiant mortals and deceitful faeries clash. Kiss the Fae is the first book in Natalia Jaster's romantic fantasy series, Vicious Faeries. If you like slow burns, enemies-to-lovers, angst with heart, and magical plot twists, get ready for a book hangover. NA/new adult: sexual content and language. For mature readers 18+. Cornered Magic Sam, a half-fae Void, is ostracized by her own people, much less the humans who control her home—the Illinois Mystical Reservation. Packed into the Reservation with vampires, werewolves, faes, and mages alike, Sam does her best to travel below the radar, but when her only friend asks for her help she can't say no. Her work to solve a fae's murder brings her to the forefront of vampire politics, and changes her life forever. Misguided Allies Half-fae Sam Gollet is no stranger to solitary confinement—being a half-fae working as a vampire enforcer will do that to you. She is also accustomed to solving the crimes within the supernatural community inside the Illinois Mystical Reservation when the feds refuse to lift a finger. After being released from Solitary, she finds herself quickly embroiled in the mysterious deaths of leading members of the fae community. Despite having been ostracized by the fae community, Sam agrees to solve the murders at the risk of her own safety. As the body count rises, she'll be forced to show her allegiance to the fae and prove that she's not in league with Heywood's vampire gang, all the while trying to rebuild her crumbling friendships, avoid rejection from her family, and dissuade the unwanted attentions of a mage living outside the reservation. It seems like no matter what she does, all they can see is her allegiance to the vampires, leaving her wondering if she is stuck with misguided allies. Balanced Chaos Half-fae Sam never thought she'd live to see the day when she would work with the government running the reservation. But when the National Guard rolls in to stop an underground power struggle from erupting, she quickly becomes embroiled in a web of secrets and lies. Lieutenant Colonel Gallagher of the National Guard needs a meeting with the elusive fae clan leaders. He has appropriated Sam, with her unique powers, to go between himself and the Clan leaders, even if it costs her her life. Face-to-face with an actual clan leader, Sam is given an ultimatum—save his poisoned wife to get a meeting with the fae leaders. Sam's day just got complicated.

When faerie tale dreams come true, nightmare creatures can be deadly. Eve doesn't believe in magic or fate. But when her carefully ordered life begins to unravel, she starts dreaming about the Faerie Queen depicted in a tapestry that hangs at her uncle's family estate in England. The dreams rekindle her passion for history and give her a new plan for her future. Step one in that plan is a Christmas visit with her aunt and uncle at Lydbury Manor that she hopes will earn her an internship with her uncle. Unfortunately, a mysterious handsome stranger is also living at the manor and says he's her uncle's secretary. Liam has been cooped up in Lydbury Manor masquerading as a human for far too long, at least as far as the Fae High Court is concerned. He knows he's close to locating the magical artifacts that will help the Fae destroy the leader of the Wild Hunt. He just needs a little more time. What he doesn't need is Oscar's niece showing up, asking questions he isn't allowed to answer. If he allows her to distract him, the Hunt will ride again at the winter solstice, laying waste to the remaining Fae. As Eve's suspicions about Liam bring her closer to discovering his secrets, the pair are forced to decide between fighting their mutual attraction, or surrendering to a forbidden love that will threaten both their lives. Excerpt: Nic had been restless all day, and it was growing worse. His Irish mother had been a powerful Seer. Nic couldn't see the future like his mom, but he'd learned to trust his premonitions. Trouble was on the way. He dove into the water. The ocean was a seething mass. A wave crashed over Nic's head. Even in his man form, he could hold his breath much longer than a human. But his animal wanted out. Nic dove deep and let the shift take him. Energy rippled over his skin. For a few seconds, his body was a cluster of incandescent lights—blue, purple, green—before shaping itself into the powerful body of his sea dragon. Nic arced in and out of the waves, reveling in the slide of salt water over his skin. He had rudimentary wings and could fly in short spurts, but the ocean was his element. A school of common dolphins scattered at his approach, chittering anxiously to each other. In this form, Nic measured twenty-five feet from nose to tail, and he had the teeth and claws to match. Nic ignored them. He might be a half-savage dragon, but he drew the line at eating something as intelligent as him. In the sky above, lightning flashed, followed by a crash of thunder. Rain slashed down, pelting his dark-gold hide. He dove beneath the waves, stopping a couple hundred feet down. Above him, the storm still raged, but this deep, the sound was muted, the black waters calm. He glided through the midnight liquid, the premonition riding him like an itch that couldn't be scratched, teasing at a part of him buried so deep, he could go weeks without thinking about it. Trouble. Cassidy O'Byrne. Pain sliced through him, fresh as the day he'd left Ireland—and her. He gritted his teeth and bore it. Then his spine prickled. His dragon was racing for the surface before his mind caught up. Cassidy was here—and she was in danger. THE FADA. Shapeshifters created during Dionysus's infamous bacchanals from a mix of fae, human and animal genes. They're ruthless, untamed—and when they love, it's forever. \*BEST SHIFTER SERIES of 2018 ~ PRG Reviewer's Choice Awards\*

On the other hand, releasing Xerxes Blazeborn into the worlds v I am, faced with a choice-Do I save myself, or do I save the realms?

My fated mate is a lethal fae king. And I'm going to kill him. Ever since the Court of Flames banished me, I've managed to hide my true nature--Chosen One of the Fire Fae, destined to save us all. Truth is, I'm not that impressive. I've spent my banishment hunting Potions & Pastilles. But then the lethally sexy king of the Court of Ice finds me. He's been hunting me for years and wants to claim me as his fated mate. But it gets darker. He plans to sacrifice me to save his dying kingdom. One touch changes everything for him. I'm going to use that to my advantage and convince him to return with me to the Court that banished me years ago. There, I will kill him before he kills me. Fae War is the third novel in a modern portal fantasy series sure to thrill you with quirky characters, adventure, and a slow burn story and is meant to be read in order.

My name is Nudd. I'm a trickster... ..or at least I used to be. All pookas are tricksters, just as all banshees are harbingers of death. It's what we do. Only I got tired of playing tricks on humans and decided to stop. Worse, when that snarky banshee, Aednat, tried to help her solve a human murder, I let her talk me into it. Big mistake. Next thing I know, we're both summoned before the Fairie Queen herself, and given an incredible task: find and break the curse that binds the fae to their traditional roles in relation to the human world. Impossible, right? Well, someone in the shadows doesn't think so...and will do anything to stop us. Not to mention I've also angered the Norns just by existing. Seems I bring a touch of chaos to their orderly universe. On a scale of one to ten, how do you think I can we fulfill our mission? Without killing each other, I mean. Frankly, I like the odds, but then I have more than a touch of chaos in my soul. Why not join the fun?

Kiss the Fae

Tin is the most famous fae in Oz for all the wrong reasons. Cursed with a stone heart, he is the perfect assassin: ruthless, efficient, and merciless with thousands of kills to his name. When his old friend, Lion, offers him a small fortune to deliver Dorothy to the South for his lover to wear the girl's head as her own, Tin doesn't hesitate to accept the unsavory deal. Dorothy Gale lost everything-her family to illness, her dog to age, and now her farm to foreclosure. The entire town thought she was crazy for believing in a faerie world called Oz, but even after ten years have passed, she can't help knowing she was right. So when an emerald green portal opens in her wheat field, she jumps at the opportunity to return to the only place she ever felt like she belonged. Tin wasn't expecting a grown woman to step through the portal, just as Dorothy wasn't expecting Tin to have his stone heart back, but Oz holds more unexpected things than either could have imagined. Magic has hidden dangerous lies behind glamour, trapped innocents in curses, and left the land of Oz in turmoil-none more so than the South. As Tin and Dorothy travel together for the second time in a decade, their lives begin to make sense again. Soon, they must decide who to give their loyalties to before Lion takes Dorothy's head and Tin's cursed heart is forever doomed.
