

A Journey In Love: A Developmental Programme For Children In The Primary Years

"In this satisfying, lyrical memoir," an American woman discovers her true faith—and true love—by converting to Islam and moving to Egypt (Publishers Weekly). Raised in Boulder, Colorado, G. Willow Wilson moved to Egypt and converted to Islam shortly after college. Having written extensively on modern religion and the Middle East in publications such as *The Atlantic Monthly* and *The New York Times Magazine*, Wilson now shares her remarkable story of finding faith, falling in love, and marrying into a traditional Islamic family in this "intelligently written and passionately rendered memoir" (*The Seattle Times*, 27 Best Books of 2010). Despite her atheist upbringing, Willow always felt a connection to god. Around the time of 9/11, she took an Islamic Studies course at Boston University, and found the teachings of the Quran astounding, comforting, and profoundly transformative. She decided to risk everything to convert to Islam, embarking on a journey across continents and into an uncertain future. Settling in Cairo where she taught English, she soon met and fell in love with Omar, a passionate young man with a mild resentment of the Western influences in his homeland. Torn between the secular West and Muslim East, Willow—with her shock of red hair, shaky Arabic, and Western candor—struggled to forge a "third culture" that might accommodate her values as well as her friends and family on both sides of the divide. Part travelogue, love story, and memoir, "Wilson has written one of the most beautiful and believable narratives about finding closeness with God" (*The Denver Post*).

"Smiley, a most remarkable Golden Retriever, was born without eyes. He was rescued from a puppy mill and has become a superb therapy dog, providing therapy to people all over the world through social media and television. This is his story."--

Book 3 of *Love Comes Softly*. Clark and Marty's daughter, ready to start her own life, must rely on faith in the face of homesickness and mounting hardships.

Growing up in Jamaica as the eldest of eight children, Valerie Bartley's (née Hancel)

life was hard, having to work the fields to provide for her family while helping to raise her younger siblings. When she received a letter from a man she had only met once, asking her to come and join him in Britain, the pull of adventure and a better life was too strong to resist. In this autobiography, Valerie tells a story of a life between two islands. A life that has been a journey full of hardship, tragedy and adventure along the way to finding love.

The Currency of Love

After eighteen years of devout, okay, unwilling bachelorhood, Robert Forde finally met Iona, the woman of his dreams. With a great job and a perfect wife what could possibly go wrong? Fate, of course, was more than happy to answer that stupid question. Life was going swimmingly until the time arrived to start planning a family but little did Robert or Iona realise just what lay ahead for them both. Against a backdrop of the credit crunch, union strikes and erupting volcanoes they find themselves entering the incredible world of in-vitro fertilisation. Along the way they have to struggle against hideous bureaucracy, terrible incompetence and all those nasty little surprises that life can throw up as well as those quirky incidents you simply cannot make up! "The Journey of Love and Hope" is the story of a book. It is a very particular book of which but a single copy exists and which is aimed at a very exclusive audience. It is the account that Rob Forde wrote for his child-to-be explaining not only the motivations that drove him and Iona on but the struggles they had to endure in their quest to have a child. It is a message through time, a record of events to a very special person, a book which may never be read written for a child who may never come into existence. "The Journey of Love and Hope" is a fascinating bitter-sweet insight into IVF, written from the point of view of just your regular kind of bloke.

Traveling Through Cancer with the Patient and the Caregiver

A Compilation of Talks by Paramahansa Vishwananda

Elizabeth Morrison has inherited a small fortune, but a woman in 1840 doesn't usually go it alone. With her sister Katherine missing and both parents gone to be with the Lord, she has no choice but to find her own way. Her journey takes her through an abandoned orchard, and she falls in love with derelict Sweet Grove – and its previous owner, Jonathan Bryant. His father lost the family land in a bet, and his bitterness hasn't been sweetened by the fruit of his labour. Can Elizabeth carve her own journey and make a home for herself while her sister is still missing? Can Jonathan be brave enough to put the past behind him and find purpose again? Or will they both learn that life never goes in the direction you think, and love is always ready to take you on a different journey? This is a sweet historical Western romance, with no passionate scenes, a happily ever after, and is part of a series that can be read in any order.

In thirty-one biblical, highly personal meditations, Nancy Stafford leads us to the edge of an endless sea—the vast, incomprehensible ocean of God's love. Nancy reflects upon the terrible beauty of His love, the wonder of forgiveness, waiting in His love, mystery and intimacy, and

the calming reality of love that never fails. Each meditation includes a Scripture to ponder and an opportunity to respond to God in prayer. Here are memorable thoughts to cling to through the hours of the day...and night! A Touch...A Taste...A Testament of Never-Ending Love Imagine what life would be like if you began to grasp the depth of God's love for you. It would change you. It would calm your fears, transform how you see yourself, and ignite your heart with love for Him and others. In thirty one stirring reflections, Nancy Stafford offers a fresh glimpse into the many facets of His eternal love. She invites you to wade into the deep, to venture further into the mystery and majesty of His unfathomable love, to embark on a never-ending journey into the heart of God. Come. Leave the shore. Experience the wonder of His love. Story Behind the Book Within these pages, my objective is to merely begin to help readers "dip their toe" into the vastness of God's love for them. My hope is that each piece will draw the reader closer to the heart of God, where His love crowds out fear, cynicism, loneliness, and apathy. I hope readers will be reminded of—no, ignited by—God's love for them. My prayer is that these thoughts and reflections will give readers new eyes to see God's passionate presence in their own lives and that they will sense His whisper to "taste and see" that He is good, trustworthy, and a lover like no other.

Nicky Bell, diagnosed with Ewing’s Sarcoma at age thirteen, died five years later, with his mother and best friend at his side. *A Journey of Unconditional Love* tells Nicky and Michele’s story, describing the battle with cancer in great detail. However, this book is about more than cancer and its treatment and the fight to survive. It’s about more than a mother and her son who had to face his mortality at such a young age and the despair and anguish that comes in losing that fight. It’s about more than death . . . This book is about life. It’s about how this mother and son approached the everyday moments of life despite the greater story that was playing out around them and was outside of their control. It’s about what each had learned from the other and the influential roles played in their life experiences. It is about how it still affects the life of the one left behind. It’s about the depth of human spirit and the soul’s ultimate survival, along with what the survivor is supposed to do with that energy. The connection between this mother and her son has lived on long after his passing, and it continues to be a force in this mother’s life every day. The inspiration in this story comes from the millions of small everyday moments, the choices made, the words spoken, and the unconditional love that makes such a seemingly senseless experience somehow bearable. This book gives a voice to parents and loved ones, caregivers and patients, those who relate to this loss, and those who know they feel every heartbeat in this story but who also struggle to come to grips with their own experience.

“This page-turning memoir of decadence and faith will resonate with seekers everywhere.” —Publishers Weekly (starred review) “A remarkable story well worth reading.” —Booklist In this courageous and inspiring memoir about personal freedom and spiritual empowerment, Jill Dodd “writes earnestly and refreshingly about learning many of life’s more difficult lessons the hard way” (Kirkus Reviews) through her journey from Paris model to Saudi billionaire’s harem wife to multi-million dollar business entrepreneur. In the 1980s, Jill Dodd determined that her ticket out of an abusive home was to make it as a top model in Paris. Armed with only her desire

for freedom and independence, she embarks on an epic journey that takes her to uncharted territory—the Parisian fashion industry with all its beautiful glamour and its ugly underbelly of sex, drugs, and excess. From there, Jill begins an eye-opening adventure that includes trips to Monte Carlo, sexual exploitation, and falling in love with one of the richest men in the world, agreeing to become one of his wives—until she finds the courage to walk away from it all and rebuild her dreams. *The Currency of Love* is a raw, honest, and inspiring portrait of a young woman's struggles and triumphs from fashion model to Saudi billionaire's pleasure wife to founder and creator of global fashion line, ROXY. This modern memoir with a feminist fairy tale twist reveals how one woman chose to live her life without forfeiting her independence, ambition, creative expression, and free spirit, all while learning one invaluable lesson: nothing is worth the sacrifice of her integrity, inner peace, and spirit.
