

Awakening Of The Seer (The Gateway Trackers Book 3)

****Winner: 2004 COVR Book of the Year****
"The Shift: An Awakening is an inspiring piece of visionary fiction that takes place in present day America. The earth has grown impatient with mankind's unconscious treatment of her, and sends a prophecy to seers of several different faiths. She has detailed in the prophecy her plan to reset the population on earth if mankind does not meet her simple requirements. At the same time a new political party is born from the confusion of America's last presidential election. A mystic priest, a seer for the Church of Rome is the first to receive the prophecy. He leaves his home in El Salvador to join a group of mystics in Mountain Home, Utah. Meanwhile, the new political party sets out to create a political paradigm that will guide America and the world, away from environmental destruction. Will the group of mystics succeed in igniting the world's consciousness before it's too late? The answers are in" **The Shift**.
At the same time, a brilliant, charming, and shameless young man, Colton Santo, surviving in her family's old pack.On the dawn of her transition pushing her into adulthood, in an unexpected turn of fate, she imprints on the mate she will be bonded to for eternity. Only he isn't the man of her dreams. He is the only one in the entire state she would never have wanted to bond to. Colton Santo is the arrogant, dominant son of the Alpha from a rival pack, which is set to unite the packs and reign in one kingdom. In years gone by, his disdain for her and any from her bloodline has been prominent. Her treatment byhis pack has pushed her to live in near isolation, fearful for her existence. And now, on the dawn of her awakening, before all those assembled, they see her imprint on their future leader. Fate has decreed it, but everyone around her is about to try and stop it. Fate isn't about to make it easy on her either, as a long-forgotten war erupts in their lands, bringing an age-old enemy with a thirst for blood back into the forefront of Lycanthrope life.Will she survive long enough to ever find out why she has borne a black mark on her lineage her entire life? And why Colton's father is so eager to see her dead. Will Colton step up and honor the bond, or will he be the one to deliver the final blow?

A BATTLE LOOMS, AND SHE COULD LOSE EVERYTHING... Again and again, the same dreadful prediction...a remote prison fortress, a fierce battle, an unthinkable outcome. For Jess Ballard, the signs could not be clearer; if the Durupinen have to maintain their control over the Gateways to the spirit world, they will have to battle for them at the ancient Skye Príosún, where even now a rebellion is brewing, ready to burst the barriers of the ancient stronghold. It is a near-impossible proposition. The very ranks of their protectors have been breached, and it is only a matter of time before the trust between Caomhóir and Durupinen has all but disintegrated. The only chance the Durupinen have is to infiltrate the príosún from within-with nothing left to lose, Jess volunteers herself for the job. But the dangers are very real. The Caomhóir of the príosún have been compromised. Jess does not know who she can trust inside-even her once unshakable bond with Finn Carey is being tested. If she chooses wrongly-forms the wrong alliance or makes the wrong gamble-the fate of the spirit world could hang in the balance. The challenges are formidable... but so is the young woman facing them. Heart of the Rebellion is the much-anticipated fifth installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

What is a Seer? Is there a difference between the office of a prophet and the ministry of the seer? The seer (or watchman) prays, intercedes and will prophetically know when the enemy is coming. The Eye of The Seer tells the difference between a (Nabi) prophet and a seer.

Deep in the heart of old London town, spirits are drawn to the tempting lure of a lie... As Jess Ballard is struggling to adjust to her new life in London without Finn Carey to watch over her, she has thrown herself into her role as a Tracker, using her gift to communicate with and help as many spirits as she can. But just as she begins to settle into a new city, the city reveals a mystery too intriguing-and dangerous-to ignore. Something sinister is drawing restless spirits to a tiny old museum, luring them with a promise of salvation it cannot deliver upon. Meanwhile, Durupinen are being brutally attacked, and their gifts are being twisted with a Casting too terrible to comprehend. Can Jess discover the connection between the two mysteries before she-or someone she loves-becomes the next victim? Portraits of the Forsaken is the much anticipated fourth installment in E.E. Holmes' paranormal series The Gateway Trackers.

Bodhidharma, its first patriarch, reputedly said that Zen Buddhism represents "a special transmission outside the teaching/Without reliance on words and letters." This saying, along with the often perplexed use of language (and silence) by Zen masters, gave rise to the notion that Zen is a "lived religion," based strictly on non-linguistic practice and lacking a substantial canon of sacred texts. Even those who recognize the importance of Zen texts commonly limit their focus to a few select texts without recognizing the wide variety of Zen literature. This collection of previously unpublished essays argues that Zen actually has a rich and varied literary heritage. Among the most significant textual genres are biographic accounts and recorded sayings of individual Zen masters, koan collections and commentaries, and rules for monastic life. During times of political turmoil in China and Japan, these texts were crucial to the survival and success of Zen, and they have for centuries been valued by practitioners as vital expressions of the truth of Zen. This volume offers learned yet accessible studies of some of the most important classical Zen texts, including some that have received little scholarly attention (and many of which are accessible only to specialists). Each essay provides historical, literary, and philosophical commentary on a particular text or genre. Together, they offer a critique of the "de facto canon" that has been created by the limited approach of Western scholarship, and demonstrate that literature is a diverse and essential part of Zen Buddhism.

Salvation lies beyond dreams... Newlywed Helga wants nothing more than a life of peace and bliss; instead she finds herself with a husband dying of an unknown illness and no way to save him. When a mysterious old volva comes to town offering a cure, Helga is forced to travel beyond all she knows to the boundaries of the prim, the border of reality, to barter with fay beings for a substance known only as the water of awakening. Helga soon finds that the journey is more perilous than anyone had thought, with danger coming not just from wolves and men, but from wizards, dragons, and twisted creatures beyond imagining. Surrounded by strange magic, but aided by a group of uncanny talking ravens, Helga begins not only to gain the skills necessary to survive her ordeal, but begins to awaken to her true self... and a power long dormant. A New High Fantasy book from David V. Stewart with plenty of unexpected elements, The Water of Awakening is sure to please fans of classic adventure and heroic fantasy stories.

Once every five years, the Northern Clans of the Durupinen gather at Fairhaven Hall. There at the ancient castle, surrounded by the very spirits they are bound to protect and serve, the clans settle disputes and shape the laws that govern the Gateways to the spirit world. For the first time, Jess and Hannah Ballard have to represent their clan. It is an awesome responsibility-a great honor... and they are sure it's going to be the most boring week of their lives. Oh, how very wrong they are. For something dangerous is stalking the halls of Fairhaven. It lies in wait, striking down victim after victim, undetectable and inescapable. No one knows what it is, or what it wants, but one thing is clear: no one is safe until it is captured. As their fellow Durupinen fall victim one by one, it will be up to Jess and Hannah, the newest members of the Trackers, to solve the mystery before the entirety of the castle is possessed. Plague of the Shattered is the page-turning second installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

There are many people among us who have the ability to see in the spirit; however, lack of understanding and validation causes many of those individuals to ignore or suppress this wonderful gift. Samuel's Awakening offers practical teaching and revelation to help you embrace and navigate through all that you are seeing and engaging in the spirit realm. Seers have an impartation to help believers and non-believers become aware of the activity in the spirit realm, both good and bad. Through Samuel's Awakening you will: - Understand the importance of the Seer's role in the Body of Christ and the world. - Discover the various manifestations of the seer gift. - Develop language and interpretation for the activity you are seeing in the spirit - Create healthy environments for emerging Seers. As you discover the dynamics of this spiritual gift, you will no longer be intimidated by it, and you will begin to walk in greater knowledge, understanding, and authority in the Kingdom of God.

For Kivrin Engle, preparing an on-site study of one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin - barely of age herself - finds she has become an unlikely angel of hope during one of history's darkest hours. #1 Wall Street Journal bestseller! This new book of spiritual teachings from international best-selling author and beloved inspirational speaker Dr. Wayne W. Dyer is based on his audio lectures from the 1990s and 2000s, offering a fresh take on mindfulness and enlightenment. Beloved spiritual teacher Dr. Wayne W. Dyer often shared his thoughts on the path and practice of personal empowerment during his writings and presentations. He'd say, "This is not about self-help. It's about self-realization, which is way beyond self-help." In this book, which collects some of his timeless words of wisdom in a new format, the internationally renowned speaker and author offers spiritual tools to transcend your current circumstances and old patterns in order to reach true fulfillment. He will show you how to become genuinely awake, aware of the power you have within to shift your thought processes, release attachments, and tame your ego-to name just a few topics covered in these pages. Wayne will help you understand what an illusion much of life is, so you can see the big picture and spark deep transformation (that is, "the ability to go beyond your form"), resulting in peace and harmony in all areas of your life. He will also take you through the stages of enlightenment and instruct you in mindfulness practices such as visualization and meditation, ultimately helping you reach a higher consciousness. Indeed, as a result of reading this book, you'll feel as if you are absolutely living in the light, in tune with the magnificence of the universe. . . . and yourself.

In Power Seers, a book filled with prophetic words and prophetic strategies to open your spiritual eyes wider, best-selling author and seer Jennifer LeClaire equips you to: position yourself for a seer upgrade, unlock X-ray and peripheral vision, see past the enemy and into God's plans, enter new dimensions of seer glory, tap into auto focus in seer dimensions and more.

A soon to be global phenomenon and cornerstone of contemporary children's literature, E. L. Seer's, Ethan Fox Books series will be both universally adored and critically acclaimed. A delightful story that glows with rare magic, unearthly wonders, and true friendships.**BACK COVER COPY: After barely escaping abduction at the hands of Grimleaver vampires, thirteen-year-old Ethan Fox encounters a girl he is deeply drawn to. The two young strangers discover that they share a bond, both missing memories of their past. Together, Ethan and Hayley are lured away, awakening at The Residence, a mysterious parallel world within our own. There, they unravel the mysteries of their tangled pasts and help the Caretakers protect the human world from the Grimleavers and their evil plans to enslave humanity.COMMENTARY: The series is sure to be a monster hit because in all honesty, Seer is a terrific writer and Ethan Fox and the Eyes of the Desert Sand is an amazingly good book. It is chock-full of characters, creatures, situations, and complications. But what makes it all work is that you just love Ethan, Hayley, Gruggins, and many of the other protagonists while viewing the antagonists, Victor, Daavic, the Grimleavers, and others of the story with equivalent disdain. Everything works because everything is built around them - Ethan and Hayley's situation, their fears, their strengths, and their mistakes. The new worlds, the new beings, the new ideas are wonderful creations but without those people, they mean nothing. Along the way, Seer brings forth an alternate reality, and through his vision, is sure to bring joy to millions.MEET THE AUTHOR: E. L. Seer is a pen name. The Seer's Handbook

The Witch Awakening

Covers the history of seership, what it means, awakening the seer, healing the self, retrieval, dreams, divination, creating your destiny, and other subjects.

Something whispers in the shadows... From E.E. Holmes, author of the award-winning Gateway Trilogy, comes the first in the highly anticipated companion series The Gateway Trackers. It's been several years since Jess and Hannah Ballard foiled a cataclysmic prophecy that could have destroyed their fellow Durupinen, an ancient clan of women who allow spirits to cross between the worlds of the living and the dead. The girls swore, after the devastation and chaos they endured, they would never get caught up in the inner workings of the Durupinen again. They were wrong. After breaking the code of secrecy and facing the judgement of the High Council, Jess and Hannah have no choice but to become Trackers, working to take down those who would exploit the spirit world for profit or power. Their first assignment takes them into the deep South, where Jeremiah Campbell, a self-proclaimed spiritual guru, lures wealthy and desperate devotees with promises of a deeper connection with the dead. As the girls go undercover, it soon becomes clear that Campbell is not merely the con artist they suspected him to be, and that they, and the spirit world they are sworn to protect, are once again in unimaginable danger. Whispers of the Walker is the first spine-tingling installment in "The Gateway Trackers" series by E.E. Holmes.

She can already see the dead...but is she starting to see the future? Spurred by the injustices that nearly destroyed their family, Jess and Hannah Ballard are preparing to win back a seat on the powerful Durupinen Council. The odds are stacked against them, but that's never stopped them before. But as Hannah faces the harsh realities of political intrigue, Jess must face a frightening new reality of her own. Jess made a promise months before, a promise to help the trapped and tortured Walker, Irina. With Irina's trial looming, Jess has her chance to make good on her word, but the spirit world may have other plans. Jess's gift as a Muse is shifting. Her talent as an artist is now offering her terrifying glimpses into a future she may be powerless to change. Unspeakable tragedy looms ever closer. Will Jess be forced to stand helplessly by, or will she interpret the signs before it's too late? Awakening of the Seer is the page-turning third installment in E.E. Holmes' paranormal series The Gateway Trackers.

Two sisters, haunted by more than their past... Just weeks after discovering each other's existence, Jess and Hannah Ballard arrive at Fairhaven Hall, where they will learn the clandestine ways of the Durupinen, an ancient sect of women who control the Gateways between the worlds of the living and the dead. Though they are considered outcasts by most of their classmates, Jess and Hannah are determined to learn what they can to fulfill their responsibility to the many ghosts that haunt them. But danger, it seems, has followed them as closely as a shadow to their new home, and they have more questions than ever. Who is the desperate child spirit pursuing Jess, and what do her terrifying visions mean? What has happened to Dr. David Ballard, Jess's friend and mentor, who has suddenly and mysteriously vanished? And just what is it about Hannah's unique abilities that has the other Durupinen frightened of her? The Ballard sisters are about to find out, and the answers could destroy their newfound life before it has even begun. Spirit Prophecy is the second thrilling installment in E.E. Holmes' award-winning Gateway Trilogy.

My name is Rick Wald, and I am a seer. My gifts started after my obsession with the paranormal. I began seeing things I would encounter on my job site hours later. This led me to many paranormal and psychic forums. I started reading people from around the world with direct contact information about them or their passed loved one. My abilities grew to be able to connect with past lives and picture readings. I had many helpers along my path that showed me the direction I needed to take. I started helping on missing person cases and I joined a psychic network. I started a radio show where I helped many with their life issues or passed loved one. Many started inviting me to their paranormal conferences. I found out by using my gifts I could give them insight about their haunted location. Reading people can be harmful to you if you do not know how to release the energy you are taking on. Use caution and join others that have been in your shoes. This is not meant to be a game where you just throw information out to people. We have to value what is being given to us from God. It took me years to understand the power of the gift and the responsibility that comes with it. I learned to be confident with the information I am offering to people.

A warning from the future, an impossible choice... For hundreds of years, the Durupinen have carried the power of the Gateway in their bloodlines. Now, a dire warning from the past might mean that power must come to an end. Jess Ballard has often considered her gift a curse - but now it may truly become one, unless she can convince the leaders of the Durupinen world to restore the power of the Gateways where it rightly belongs. The Durupinen have always considered themselves a force for what is good in the world, but has the intoxication of power left them unable to distinguish between what is right and wrong? Jess, Hannah, Milo, and their allies are in a race against time as they together with the most influential Durupinen from around the world to join the fight. As the Necromancer threat looms, and the Durupinen leaders battle over which course to take, Jess must travel her own path, look within herself and ask: How far will she go to right an ancient wrong, and will her connection to the spirit world survive it? Gift of the Darkness is the highly-anticipated final installment in The Gateway Trackers series by E.E. Holmes.

For generations the prophets have foreseen the birth of the Shadow Seer, an oracle of dark visions and fallen kingdoms. Prince Candale has discovered the truth about himself. He is the Shadow Seer, foretold prophet of dark visions and fallen kingdoms. The witch Mayrila tried to teach him control but she lay dead, struck down by Candale's own hand. The ever-watching shadow has begun to speak with him, urging him to go to the Seer's Tower in the kingdom of Iriyan. What he learns there will change everything. The shadow promises rewards for obedience...and severe punishment if he refuses. Does the voice of the shadow belong to the demon Eleniastra and therefore he must obey? Or does it presage the beginnings of Candale's foretold descent into madness?

A seer "sees" more than meets the eye. Ordinary seeing reveals the visible world through one's perceptions of light patterns that we interpret as "the world." Higher seeing perceives patterns and relationships that are invisible to the physical eyes, yet are nevertheless present in our world. This is truly a form of perception, but through the eyes of the soul, or heart. All seeing is a form of cognition, or knowing, and, likewise, higher sight is a form of higher cognition. These two kinds of perception go together. To be a seer is to use the eyes of the soul together with one's physical eyes -- being able to move from one to the other, letting go of one for the other. For those who wish to develop faculties of higher knowing and seeing, The Seer's Handbook is a unique, practical, and extensive guide, filled with exercises, meditations, and insightful commentary.

The odor of burning flesh and the screams of those condemned to the flames disturb the dreams of young Safire of Long Marsh. Safire struggles to keep the curse of her psychic abilities secret, lest she be burned at the stake as a witch in her native land Cormalen. Forced to keep her talents hidden instead of learning how to use them, Safire is ill-prepared to face the evil that awaits her. When she meets the rebellious Merius of Landers, a nobleman determined to escape his overbearing father's influence, she finally finds someone who accepts her. But their romance interferes with court plots and family duty and ultimately leads Safire to confront the dark secrets of the House of Landers alone. What she finds there proves to be a test of her unusual gifts, a test that could free the soul of a haunted man--or end in her death.

A mysterious mark, an ancient spirit, and a message from beyond the Aether... After uncovering and destroying a Necromancer plot to take over Skye Príosún, Jess and Pinn are united at last and longing to move on with their life together. But the Durupinen world has other plans. An enigmatic rune keeps revealing itself to Jess-in artwork, in dreams, and even scrawled upon the ancient stones of the Geatgrims at Fairhaven. No one can identify it, but its warning is clear: something dangerous is coming, a revelation that could end the Gateway system forever. Jess must follow the clues where they lead-forming unlikely alliances along the way. When her journey takes her at last to an ancient creature deep in the heart of the príosún, the truth she learns presents her with the most troubling question of all: what if her Durupinen gift was never really a gift at all, but something altogether darker? Soul of the Sentinel is the much-anticipated sixth installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

The Seer is a compelling account of one man's spiritual awakening, written with extraordinary energy, candour and humility. The first of three books that together comprise The O Manuscript, it is the beginning of a personal and philosophical quest that challenges conventional wisdom and takes the reader on a mystical journey through ancient history and modern times. The book begins with the author at a crossroads, suffering from debilitating health, his personal and professional lives disintegrating around him. Bed-ridden for three years, Lars Mühl was put in touch with a seer who helped him, over the telephone initially, to recover his energy and brought him back to life. The Seer became his spiritual leader, teaching him the inner truths of existence. We travel with him to Montegur, a remote mountain village and castle in southern France, where he meets the Seer and begins his remarkable and challenging adventure. The book is not only a spellbinding introduction to the ancient vision of cosmic interconnectedness, but also a critical evaluation of a long list of limiting New Age dogmas. When Lars and the Seer part, the latter hands an old manuscript into the author's care a doorway to further revelations.

The seer realm lies just beyond what your natural eyes can see. This dimension is full of activity, both angelic and demonic. The Seer Dimensions offers revelation and practical teaching that will help you understand and navigate the heights and depths of the spiritual world. Many people who see in the spirit often don't know what they are seeing, or understand the dimensions of spiritual sight. But this landmark book will help you unlock these mysteries! Bestselling author Jennifer LeClaire helps you: Discern what is from God and what is demonic. Interpret the activity you are seeing in the spirit. Tap into what God is doing in and through you. Manifest breakthroughs for yourself and others. As you discover the dynamics of this spiritual realm, you will walk in greater knowledge, understanding, and effectiveness in the kingdom of God.
