

Brothers At War: A First World War Family History

In this blockbusting trade debut, distinguished American professor Sheila Miyoshi Jager interweaves international events and previously unknown personal accounts to give a brilliant new history of the war, its aftermath and its global impact told from American, Korean, Soviet and Chinese sides. This is the first account to examine not only the military, but the social and political aspects of the war across the whole region - and it takes the story up to the present day: for the current wrangles are part of a conflict that has been ongoing for more than seventy years. Drawing on newly accessible diplomatic archives and reports from South Korea's Truth and Reconciliation Commission, Jager not only analyses top-level military strategy but also depicts on-the-ground atrocities committed by both side that have never been revealed. The most accessible, up-to-date and balanced account yet written, rich with maps and illustrations, Brothers at War is the thrilling and highly original debut of a historian comparable to Max Hastings or Antony Beevor. It will become the definitive chronicle of the struggle's origins, aftermath, and global impact for years to come. As North Korea enters the headlines again on the 60th anniversary of the armistice, this book provides a vital and comprehensive account of a war between brothers that shaped the current crisis. 'I entered the prison and walked around and discovered the corpses; they were black and covered with flies. I couldn't believe how cruelly these civilians were killed. I thought that it didn't matter whether this was done by the Communists or by our own troops -- it represented the sorrow of a weak people, the tragedy of a civil war.' Yi Chun-yong, a South Korean prison guard recalls a massacre scene at Taejon prison in 1950
Brothers of War, The Iron Brigade at Gettysburg is a historical novel taking place during the American Civil War. Meticulously researched, the story is based on actual brothers and their squad who fought as members of the famed Iron Brigade, particularly the Nineteenth Indiana Volunteer Infantry regiment. This historical fiction not only puts readers into the middle of the Battle of Gettysburg, but also makes them feel as though they are among the soldiers marching, camping, and fighting in this epic story of the American Civil War.

*Brothers at War*A First World War Family History

Danger and bravery at sea from thriller-master Alexander Fullerton It is early autumn 1943 and a German U-boat supply ship is sailing under heavy escort from Le Havre to the Atlantic. A mixed force of torpedo boats from Allied Coastal Forces is ordered to intercept and sink her. Navigator Ben Quarry has other worries. His girlfriend, Rosie, is set on returning to occupied France as an SOE agent. His former mistress, now the wife of his CO, Bob Stack, has embarked on an affair with another officer. Ben's got to tell him. But in the heat of battle, survival is everything... A standalone naval thriller from a writer who was there, Band of Brothers will keep you gripped. Praise for Alexander Fullerton 'The scene of battle is quite overpowering' Sunday Times 'What le Carré is to the spy genre, Fullerton is to novels of naval warfare' South Wales Echo 'The most meticulously researched war novels that I have ever read' Len Deighton 'His action passages are superb, and he never puts a period foot wrong' Observer 'The finest of modern writers about naval warfare' Manchester Evening News

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Siblings are our longest lasting relationships. Narratives of the Great War abound with the war stories of brothers and sisters. Their emotional experiences span the novelty of departing for war or taking up war work, the turmoil of facing combat, the effort to provide ongoing support for family members, the ever-present anxiety for soldier-brothers, the depth of sibling grief and the multifarious ways surviving siblings sought to preserve the memory of their fallen brothers. This social and cultural history places siblinghood at the heart of our understanding of the war generation and how they balanced conflicting obligations to the nation, the military and their families. Drawing on a range of material, Brothers in the Great War, reveals how sibling bonds sustained fighting men and presents a novel insight into twentieth-century familial life.

Already an international bestseller, A Kingdom Divided continues the epic story of the Moghuls, one of the most magnificent and violent dynasties in world history. India, 1530. Humayun, the newly crowned second Moghul emperor, is a fortunate man. His father has left him wealth, glory, and an empire that stretches a thousand miles south of the Khyber Pass. But, unbeknownst to him, his half-brothers are plotting against him. They doubt that he has the strength, the will, the brutality needed to command the Moghul armies and lead them to still-greater glories. Soon Humayun will be locked in a terrible

battle: not only for his crown, not only for his life, but for the existence of the very empire itself.

Brothers in War is the immensely powerful and deeply tragic story of the Beechey brothers, and how they paid the ultimate price for King and country. All eight went to fight in the Great War on such far-flung battlefields as France, Flanders, East Africa and Gallipoli. Only three would return alive. Even amid the carnage of the trenches, it was a family trauma almost without parallel. Their wives and sweethearts were left bereft, their widowed mother Amy devastated. It is a tragedy that has remained forgotten and unmarked for nearly 90 years. Until now. Kept in a small brown case handed down by the brothers' youngest sister, Edie, were hundreds of letters sent home from the front by the Beechey boys: scraps of paper scribbled on in the firing line, heartfelt messages written from a deathbed, exasperated correspondences detailing the absurdities of life in the trenches. From it all emerges the remarkable tale of the lost brothers. Tragic and moving, poetic in its intensity, Brothers in War reveals first-hand the catastrophe that was the Great War; all told through one family forced to sacrifice everything.

****THE INTERNATIONAL BESTSELLER**** The book that inspired Steven Spielberg's acclaimed TV series, produced by Tom Hanks and starring Damian Lewis. In Band of Brothers, Stephen E. Ambrose pays tribute to the men of Easy Company, a crack rifle company in the US Army. From their rigorous training in Georgia in 1942 to the dangerous parachute landings on D-Day and their triumphant capture of Hitler's 'Eagle's Nest' in Berchtesgaden. Ambrose tells the story of this remarkable company. Repeatedly send on the toughest missions, these brave men fought, went hungry, froze and died in the service of their country. A tale of heroic adventures and soul-shattering confrontations, Band of Brothers brings back to life, as only Stephen E. Ambrose can, the profound ties of brotherhood forged in the barracks and on the battlefields. 'History boldly told and elegantly written . . . Gripping' Wall Street Journal 'Ambrose proves once again he is a masterful historian . . . spellbinding' People

The gripping tale about two boys, once as close as brothers, who find themselves on opposite sides of the Holocaust. "A novel of survival, justice and redemption...riveting." —Chicago Tribune, on Once We Were Brothers Elliot Rosenzweig, a respected civic leader and wealthy philanthropist, is attending a fundraiser when he is suddenly accosted and accused of being a former Nazi SS officer named Otto Piatek, the Butcher of Zamosc. Although the charges are denounced as preposterous, his accuser is convinced he is right and engages attorney Catherine Lockhart to bring Rosenzweig to justice. Solomon persuades attorney Catherine Lockhart to take his case, revealing that the true Piatek was abandoned as a child and raised by Solomon's own family only to betray them during the Nazi occupation. But has Solomon accused the right man? Once We Were Brothers is Ronald H. Balson's compelling tale of two boys and a family who struggle to survive in war-torn Poland, and a young love that struggles to endure the unspeakable cruelty of the Holocaust. Two lives, two worlds, and sixty years converge in an explosive race to redemption that makes for a moving and powerful tale of love, survival, and ultimately the triumph of the human spirit.

From the bestselling author of Normandy '44 and Sicily '43, a brilliant new history of the last days of the war 'Seldom is war so vividly described...An assault on the senses...Painful to read, impossible to put down' Gerard DeGroot, The Times 'Epic and moving...Holland brings this cramped universe vividly to life' Patrick Bishop, Daily Telegraph _____ It took a certain type of courage to serve in a tank in the Second World War. Encased in steel, surrounded by highly explosive shells, a big and slow-moving target, every crew member was utterly vulnerable to enemy attack from all sides. Living - and dying - in a tank was a brutal way to fight a war. The Sherwood Rangers were one of the great tank regiments. They had learned their trade the hard way, in the burning deserts of North Africa. From D-Day onwards, they were in the thick of the action til the war's end. They and their Sherman tanks covered thousands of miles and endured some of the fiercest fighting in Western Europe. Their engagements stretch from the Normandy beaches to the bridges at Eindhoven. They were the first British unit into Germany, grinding across the Siegfried Line and on into the Nazi heartland. Through compelling eye-witness testimony and James Holland's expert analysis, Brothers In Arms brings to vivid life the final bloody scramble across Europe and gives the most powerful account to date of what it was really like to fight in the dying days of World War Two.

The Myth. The Magic. Dominarian legends speak of a mighty conflict, obscured by the mists of history. Of a conflict between the brothers Urza and Mishra for supremacy on the continent of Terisiare. Of titanic engines that scarred and twisted the very planet. Of a final battle that sank continents and shook the skies. The saga of the Brothers' War.

Of Blood and Brothers

When the Akimotos Went to War

The Brothers K

1915: Ben Retallick is asked by a War Office friend to provide two traction engines for a secret expedition attempting to take two gunboats overland from Cape Town to Lake Tanganyika - more than 3,000

miles - to wrest control of the lake from the Germans. He sends engines with young Ruddlemoor as the driver, who meets a Portuguese East African nurse and takes her side against a group of white racist south Africans. Meanwhile Antonia St Anna is influential in having Ben released, when he is arrested on circumstantial evidence provided by a business rival and accused of being pro-German. In *Brothers in War*, E. V. Thompson returns to his acclaimed Retallick saga, immersing the family in the upheaval of the First World War and, through them, creating a captivating tale of love and war, loyalty and betrayal, loss and adventure that weaves its way from Cornwall to the uncharted territory of the depths of Africa - and an eventful conclusion in Cornwall once more.

The brotherly trio of George, Charles, and Edward Parker built the Parker Brothers game brand. George, the youngest, was the inventor of the bunch. His board game Banking set the company in motion in 1883. In this business biography, young readers will learn what can happen when someone rolls the dice with an idea.

An American story of heroism in the face of discrimination The newly released non-fiction book, *When the Akimotos Went to War: An untold story of family, patriotism and sacrifice during World War II*, captures the story of three Japanese American brothers—Victor, Johnny, and Ted Akimoto—who volunteered for military service while their family members were forced into an internment camp.

Despite the nation-wide fear of the Nisei—the first generation of Japanese children born in the United States who were American citizens—the Akimoto brothers pledged their loyalty and bravery to the U.S. military, wanting to prove that being an American ran deeper than race. This story will engage middle school students and above to identify and understand the struggles that Japanese-American soldiers endured during World War II. This content will help students expand their knowledge about U.S. history to include an understanding of training camps, shipping out overseas, loss of life, and prisoner of war camps during World War II.

In the spring of 1927, ambitious cub reporter Calvin Hogue covers a family reunion in the Florida Panhandle. He learns two Malburn brothers fought on opposing sides during the Civil War, and encourages them to tell their stories. Before the night is over, Calvin realizes he has a far greater story than a run-of-the-mill family reunion. Thus begins the first of many sessions with the Malburn brothers. The saga unfolds in their own words with wit, wisdom and sometimes, sadness. Before long the brothers are confronting troubled pasts and conjuring up ghosts laid buried throughout the long post-war years. Calvin is swept along by the harrowing eyewitness account of our nation ' s most trying era, through bloody battles, personal trials and losses, and the mutual love of a beautiful young woman. The South surrenders, but the peace is far from won. Trouble stalks the Malburns in post-war Florida. Amid the violent days of Reconstruction, Daniel and Elijah face continuing conflict, family turmoil and heart-wrenching tragedy as they struggle toward a hard-earned and costly reconciliation.

Reproduction of the original: *The Brothers ? War* by John C. Reed

A NEW YORK TIMES NOTABLE BOOK Once in a great while a writer comes along who can truly capture the drama and passion of the life of a family. David James Duncan, author of the novel *The River Why* and the collection *River Teeth*, is just such a writer. And in *The Brothers K* he tells a story both striking and in its originality and poignant in its universality. This touching, uplifting novel spans decades of loyalty, anger, regret, and love in the lives of the Chance family. A father whose dreams of glory on a baseball field are shattered by a mill accident. A mother who clings obsessively to religion as a ward against the darkest hour of her past. Four brothers who come of age during the seismic upheavals of the sixties and who each choose their own way to deal with what the world has become. By turns uproariously funny and deeply moving, and beautifully written throughout, *The Brothers K* is one of the finest chronicles of our lives in many years. Praise for *The Brothers K* "The pages of *The Brothers K* sparkle."—*The New York Times Book Review* "Duncan is a wonderfully engaging writer."—*Los Angeles Times* "This ambitious book succeeds on almost every level and every page."—*USA Today* "Duncan's prose is a blend of lyrical rhapsody, sassy hyperbole and all-American vernacular."—*San Francisco Chronicle* "The *Brothers K* affords the . . . deep pleasures of novels that exhaustively create, and alter, complex worlds. . . . One always senses an enthusiastic and abundantly talented and versatile writer at work."—*The Washington Post Book World* "Duncan . . . tells the larger story of an entire popular culture struggling to redefine itself—something he does with the comic excitement and depth of feeling one expects from Tom Robbins."—*Chicago Tribune*

January, 1916. William Redmond, soon to join the Chapelton Rifles, wanders with his younger brother Samuel through the old haunts of their childhood - and, there, at the top of the Moor across which they are forbidden to walk, Samuel, for too long trapped in his brother's shadow, stoves William's head in with a stone.

Miss Minerva Lane is a quiet, bespectacled wallflower, and she wants to keep it that way. After all, the last time she was the center of attention, it ended badly--so badly that she changed her name to escape her scandalous past. Wallflowers may not be the prettiest of blooms, but at least they don't get trampled. So when a handsome duke comes to town, the last thing she wants is his attention. But that is precisely what she gets. Because Robert Blaisdell, the Duke of Clermont, is not fooled. When Minnie figures out what he's up to, he realizes there is more to her than her spectacles and her quiet ways. And he's determined to lay her every secret bare before she can discover his. But this time, one shy miss may prove to be more than his match... The books in the *Brothers Sinister* series: ½. *The Governess Affair* (free prequel novella) 1. *The Duchess War* 1½. *A Kiss for Midwinter* (a companion novella to *The Duchess War*) 2. *The Heiress Effect* 3.

Brothers in Arms

A Story of the Great Civil War from Bull Run to Appomattox

Brothers in War

The Duchess War

Brothers In War

Private Peaceful

This book tells the story of three Black brothers who enlisted in the British West Indies Regiment and served King and Country in the First World War. It follows them from their birthplace in Barbados, via the colony of British Guiana, to the battlefields of Egypt and Palestine. Only two returned home. The book also tells of a daughter's search for the truth about the part her father and two uncles played in the war. This was truly a 'world war' but the role Black people played in it has often been ignored by the history books. This book seeks to play its part in redressing the balance. The author's search takes her from her birthplace in British Guiana, via a library in South London, to Seaford in Sussex and Marseilles in France where, ninety eight years after he died, she was able to visit the grave of her uncle. In telling the story of the three Walker brothers the book makes a unique contribution to the history of Black participation in the war

Friend or villain? Brother or traitor? This compelling story of wartime friendship brings the looming War of 1812 to dramatic life. Jacob is a steadfast Loyalist. Eli is a newcomer to Upper Canada, whose family has just moved from the American South. The two boys become fast friends, but their friendship is tested when Eli's father refuses to pledge allegiance to the Crown. As Loyalists in Upper Canada become more and more suspicious of those with American leanings, the looming war threatens to pull the boys - and their town - apart. Peopled with key figures from the War of 1812, such as General Isaac Brock and newspaperman-turned-traitor Joseph Willcocks, Brothers at War portrays the tense era just before the War of 1812, which pitted neighbour against neighbour as Upper Canada prepared to fend off invading American forces.

From Kabul to London, two young brothers hiding out on the road, running for their lives ...

From the Children's Laureate of England, a stunning novel of the First World War, a boy who is on its front lines, and a childhood remembered. Includes After Words bonus features. As the enemy lurks in the darkness, Thomas struggles to stay awake through the night. He has lived through the terror of gas attacks and watched friends die by his side. But in the morning, Thomas will be forced to confront an even greater horror. As the minutes tick by, Thomas remembers his childhood spent deep in the countryside with his mother, his brothers, and Molly, the love of his life. But each minute that passes brings Thomas closer to something he can't bear to think about--the moment when the war and its horrific consequences will change his life forever.

These letters, collected and transcribed by Captain Robert Goldthwaite Carter in the 1870s, are among the finest primary sources on the daily life of the Union soldier in the Civil War. Robert and his three brothers all saw action with the Army of the Potomac under its various commanders, Generals McClellan, Burnside, Hooker, Meade, and Grant. At times in pairs but often in neighboring units, they fought on the battlefields of Bull Run, Antietam, Fredericksburg, Chancellorsville, Gettysburg, the Wilderness, and Petersburg.

An account of child soldiers in northern Uganda.

"The Brothers Karamazov" by Fyodor Mikhailovich Dostoevsky. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. The Graphic Novel

In the present world, we are paying witness to a government disparity full of falsehood and hatred. A political environment that has set the tone for public displays of dismay and anger, resulting in a nation's divide. A divide so powerful that some believe the only solution is complete independence from the government that united us, in exchange to operate under their own state law. Dive into the world that is Brothers at War, where secession is imminent, as a crooked and immoral federal government has pushed individual states to its breaking point. Set in the not so distant future of 2032, the natures of sanity will be tested as the country is set to face a revolution of mass proportions! Follow the Evans family as they navigate through the violence and adventure of a nation in transition. Pushing through economic hardship, along with navigating the conflicts of multiple nations, Brothers at War: Corrupt Nation is the first of a series sure to be an exciting and eye-opening read!

On D-Day, Dick Winters took off with 506th Parachute Infantry Regiment and prepared to parachute into German-held north France. Ground troops landing on Utah beach were relying on Easy Company to secure one of the causeways that were vital if the troops were to get off the beaches and reach the solid ground of Normandy. The plane carrying many of the commanding

officers was shot down, leaving Dick Winters suddenly in command of his company. But during the drop he, and many of his men, had been separated from his equipment and was unarmed except for a trench knife. In this remarkable World War 2 memoir, Dick Winters tells the tales left untold by Stephen Ambrose in his 1992 epic Band of Brothers. Starting with an account of the gruelling training designed to make the 506th the most elite unit in the US Army, Beyond Band of Brothers is fascinating account of one man's experience of commanding Easy Company from D-Day, to the Battle of the Bulge and into Germany. Dick Winters gives real insight into leadership under the most difficult conditions - every man in the company had been injured by the time they reached Germany - and tells the real story of the Allies' final defeat of Hitler, from the point of view of someone who was really there.

The Portuguese Civil War of 1828-1834, commonly known in Anglo-Saxon sources as the War of the Two Brothers, was until recently a forgotten conflict, even in Portuguese Military History. This book shows their uniforms, weapons, equipment, and tells the story of the armies involved.

"They are three brothers, all navy men, who end up coincidentally and extraordinarily at the epicenter of three of World War II's most crucial moments. Bill is tapped by Franklin D. Roosevelt to run the first Map Room in Washington. Benny is the gunnery and antiaircraft officer on the USS Enterprise, one of the only ships to escape Pearl Harbor and, by the end of 1942, the last aircraft carrier left in the Pacific to defend against the Japanese. Barton, the youngest, gets a plum commission in the Navy Supply Corps because his mother wants him out of harm's way. But this protection plan backfires when Barton is sent to the Philippines and listed as missing-in-action after a Japanese attack. Now it is up to Bill and Benny to rescue him. Based on ten years of research drawn from archives around the world, interviews with fellow shipmates and POWs, and letters half-forgotten in basements, The Jersey Brothers whisks readers from America's front porches to Roosevelt's White House, from Pearl Harbor to Midway and Bataan, and from the Pacific battlefronts to the stately home of a fierce New Jersey mother. At its heart The Jersey Brothers is a family story, written by one of its own in intimate, novelistic detail. It is a remarkable tale of agony and triumph; of an ordinary young man who shows extraordinary courage as the enemy does everything short of killing him; and of brotherly love tested under the tortures of war."--Jacket.

Brothers in the Great War

The Explosive WW2 Naval Thriller

Berlin 1920 Two babies are born. Two brothers. United and indivisible, sharing everything. Twins in all but blood. As Germany marches into its Nazi Armageddon, the ties of family, friendship and love are tested to the very limits of endurance. And the brothers are faced with an unimaginable choice... Which one of them will survive? Ben Elton's most personal novel to date, Two Brothers transports the reader to the time of history's darkest hour.

A powerful and unforgettable graphic novel, based on true events, about the capture of Ugandan schoolchildren forced to serve as child soldiers in the Lord's Resistance Army. A 2014 Eisner Award nominee. Fourteen-year-old Jacob and his friends are sharing stories about their school break when the door to their dorm is violently kicked in. Blinded by fear and confusion, the boys are abducted from their school in the middle of the night, marched into the jungle and forced to become child soldiers in the Lord's Resistance Army - it's kill or be killed. Based on the award-winning novel War Brothers by Sharon E. McKay, with striking illustrations by animator and storyboard artist Daniel Lafrance, this graphic novel captures the very essence of life as a child soldier. Readers will never forget Jacob's experiences as he struggles to survive, unsure of who he can trust, afraid of succumbing to madness and, above all, desperate to get to freedom.

Tom Hanks introduces the "remarkable" (Publishers Weekly) true story of two inseparable friends and soldiers portrayed in the HBO® miniseries Band of Brothers. William "Wild Bill" Guarnere and Edward "Babe" Heffron were among the first paratroopers of the U.S. Army—members of an elite unit of the 101st Airborne Division called Easy Company. The crack unit was called upon for every high-risk operation of the war, including D-Day, Operation Market Garden in Holland, the Battle of the Bulge, and the capture of Hitler's Eagle's Nest in Berchtesgaden. In his own words, Guarnere gives a gripping account of D-Day from the paratrooper's perspective. Both men vividly re-create dropping into Holland to capture the roads and bridges between Eindhoven and Arnhem, known as Hell's Highway. Through much of 1944 both friends fought side by side—until Guarnere lost his right leg in the Battle of the Bulge and was sent home. Heffron went on to liberate slave labor and concentration camps and capture Hitler's Eagle's Nest hideout. United by their experience, the two reconnected at the war's end and were inseparable up until their deaths. Brothers in Battle, Best of Friends is a tribute to the lasting bond forged between comrades in arms under fire and to all the brave men who fought fearlessly for freedom. Includes photographs

At the turn of the 20th century four brothers were born to the Baker family, Lionel, Arthur, Maurice and Harold. Over a hundred years later Eliza, one of Arthur Baker's great-grandchildren, and her mother, Sarah, decided to find out about these ancestors. They delved into the past to uncover for themselves the story of Lionel, Arthur and Maurice during the First World War. Using letters sent from the Western Front, a diary written in a prisoner of war camp and other documentary evidence, Eliza and Sarah uncover their fascinating family history of the First World War.

Elite paratrooper Sgt. Don Malarkey takes us not only into the World War II battles fought from Normandy to Germany, but into the heart and mind of a soldier who lost his best friend during the nightmarish engagement at Bastogne. Drafted in 1942, Malarkey arrived at Camp Toccoa in Georgia and was one of the one in six soldiers who earned their Eagle wings. He went to England in 1943 to provide cover on the ground for the largest amphibious military attack in history: Operation Overlord. In the darkness of D-day morning, Malarkey parachuted into France and within days was awarded a Bronze Star for his heroism in battle. He fought for twenty-three days in Normandy, nearly eighty in Holland, thirty-nine in Bastogne, and nearly thirty more in and near Haugenau, France, and the Ruhr pocket in Germany. Easy Company Soldier is his dramatic tale of those bloody days fighting his way from the shores of France to the heartland of Germany, and the epic story of how an adventurous kid from Oregon became a leader of men.
