It is a great honor and privilege to have this opportunity of celebrating the 65th birthday of Professor Antonio Ruberti by holding an International Conference on Systems, Models and Feedback. The conference, and this volume which contains its proceedings, is a tribute to Professor Ruberti in acknowledgement of his major contributions to System Theory, at a time in which this area was emerging and consolidating as an independent discipline, his role as a leader of the Italian academic community, his activity in promoting and fostering close scientific relations between Italian and U.S. scholars in Systems and Control. The format of this conference is inspired by a series of seminars initiated exactly twenty years ago under the direction of Professor Ruberti, in Italy, and Professor R. R. Mohler, in the U.S. By bringing together many authoritative talents from both countries, these seminars were instrumental in promoting the expansion of System Theory in new areas, notably that of Nonlinear Control, and were the key to successful scientific careers for many of the younger attendants.

Photographer, writer and intellectual, Lucia Moholy (born Lucia Schulz, Karolinenthal, Prague, 1894 - Zollikon, Zurich, 1989) is a central figure in the 20th century history of photography, although the fame of her husband, the renowned artist László Moholy-Nagy, overshadowed her work for a long time. Through her photographs, an example of the German avant-garde and of the Neue Sachlichkeit (New Objectivity), it is possible to understand the complexity of her artistic personality and to reconstruct the role she played in the cultural history of the past century. Her major photographic work is on the Bauhaus: pictures of the school, of teachers, objects and furniture are considered as true icons of modern times. The essays published in this volume allow us to understand and outline Lucia Moholy's complex artistic personality, thus giving her the correct place she is due in 20th century culture. Exhibition: Museo MAX, Chiasso, Italy (24.11.2012-31.1.2013).

This ground-breaking study of Italian-Canadian writers and artists with roots in Istria and Dalmatia highlights the history of their diaspora, the vitality of their literary and artistic works, and the distinctive multiculturalism that characterises them.

L'autrice nasce in Germania, dove vive un'infanzia felice, ma dopo la separazione dei genitori viene costretta a trasferirsi in Sicilia con la madre. Per fare chiarezza, soprattutto a se stessa, sui rapporti uomo-donna dal punto di vista psicologico, mette insieme una serie di interviste a donne single, uomini single, coppie, donne sposate, uomini sposati, amanti, nonché lunghe istruttive chiacchierate tra donne, spietate nella descrizione delle loro quanto mai pittoresche esperienze sessuali. Tutto in

chiave ironica e dissacrante. Quello che ne risulta è la constatazione che "l'uomo ideale" esiste, ma che spesso ci si accontenta di quello che capita, e che non sono i maschi quelli da combattere ma il maschilismo."

This text is an unbound, three hole punched version. Access to WileyPLUS sold separately. Parliamo italiano!, Binder Ready Version, Edition 5 continues to offer a communicative, culture based approach for beginning students of Italian. Not only does Parliamo Italiano provide students learning Italian with a strong ground in the four ACTFL skills: reading, writing, speaking, and listening, but it also emphasizes cultural fluency. The text follows a more visual approach by integrating maps, photos, regalia, and cultural notes that offer a vibrant image of Italy. The chapters are organized around functions and activities. Cultural information has been updated to make the material more relevant. In addition, discussions on functional communications give readers early success in the language and encourage them to use it in practical situations.

Il grande protagonista è l'amore. Più precisamente Eros, il fuoco di cui ogni vita ha bisogno. Se non c'è fuoco non c'è luce. Non c'è calore né forza. Eros è la scintilla che ci fa sentire vivi e il suo antagonista è Phobos: paura. Phobos ci rinsecchisce... Eros ci fa infiniti. L'amour Fou è un romanzo corale, in cui i personaggi si formano e si trasformano a partire da eventi scatenanti. E mentre si dibattono tra passioni e conflitti, le loro storie si intrecciano sorprendentemente, in modo surreale. L'amore non finisce mai quando termina. Risorge, promette orizzonti... e rende fertile ogni vita.

This volume explores the dense networks created by diplomatic relationships between European courts and aristocratic households in the early modern age, with the emphasis on celebratory events and the circulation of theatrical plots and practitioners promoted by political and diplomatic connections. The offices of plenipotentiary ministers were often outposts providing useful information about cultural life in foreign countries. Sometimes the artistic strategies defined through the exchanges of couriers were destined to leave a legacy in the history of arts, especially of music and theatre. Ministers favored or promoted careers, described or made pieces of repertoire available to new audiences, and even supported practitioners in their difficult travels by planning profitable tours. They stood behind extraordinary artists and protected many stage performers with their authority, while carefully observing and transmitting precious information about the cultural and musical life of the countries where they resided.

Arguably the most important American composer of the century, Elliott Carter often has been more highly regarded in Europe than in his native land. Interest in his work has grown in recent years, however, and the celebration of his ninetieth birthday in December, 1998, accompanied by numerous performances and new recordings, undoubtedly won the attention of his fellow citizens to this remarkable figure. Authoritative and gracefully written, *The Music of Elliott Carter* engages composers, performers, and critics, and appeals to all who goers, whether attuned to or alarmed by the formidable difficulty of Carter's music. David Schiff views the music from the perspective of the composer's development of compositional techniques to those nonmusical arts—contemporary American poetry in particular—with which Carter has been deeply involved. The volume benefits from discussions of Carter's works with their most noted performers, including Heinz Holliger, Oliver Knussen, and Ursula Oppens, and from the generous cooperation of the composer. This new edition, a thoroughly reorganized, revised, and updated version of the book published in 1983, accounts for the many new works written by Carter since 1983 and the burgeoning critical literature on his music. Its features include many musical examples and a selected discography. In addition to the new foreword, the composer has provided three-to-six note chords and a note on "Voyage."

Jean Feraca's road to self-fulfillment has been as quirky and demanding as the characters in her incredible memoir. A veteran of several decades of public radio broadcasting, Feraca is also a writer and a poet. She is a talk show host beloved for her unique mixture of the humanities, poetry, and journalism, and is the creator of the pioneering international cultural affairs radio program Here on Earth: Radio without Borders. In this searing memoir, Feraca traces her own emergence. She pulls back the curtain on her private life, revealing unforgettable portraits of the characters in her brawling Italian-American family: Jenny, the grandmother, the devil woman who threw Casey Stengel down an excavation pit; Dolly, the mother, a cross between Long John Silver and the Wife of Bath, who in battling mental illness becomes the scourge of a Lutheran nursing home; and Stephen, the brilliant but troubled older brother, an anthropologist adopted by a Sioux tribe. In a new chapter that reinforces and ties together the book's exploration of the multiple forms of love, Jean introduces us to Roger, a Wildman and her husband's best friend with whom she, too, develops an extraordinary intimacy. A selection of fifteen of Feraca's poems add counterpoint to her engaging prose.

This is a comprehensive guide to research on the American composer Elliott Carter (b. 1908), widely acknowledged as one of the greatest composers of the twentieth century. This essential reference book covers the most significant works in English, French, German, and Italian, from the 1940s-when Carter's music first began to attract attention-to the 1990s.

A Janie La Marche, vedova da quattro mesi, sono rimasti i suoi due bambini e tanto dolore. Poi, un giorno, alla sua porta si presenta inatteso Tug, un carpentiere che dice di essere venuto a costruire una veranda davanti a casa sua. Janie cade dalle nuvole, ma Tug è più che deciso e lei a un tratto capisce tutto: la veranda è una sorpresa che il marito aveva organizzato prima di morire. Ora che i soldi in casa scarseggiano, quella veranda non le ci voleva proprio. E per di più, tutti si prodigano nel darle consigli: la zia petulante, la vicina di casa dispotica e sciantosa, il cugino pasticciare con la torta per ogni occasione, senza contare Tug, il tenace carpentiere, che se ne esce continuamente con splendide trovate. Ma mentre l'ambizioso progetto prende forma, Janie scoprirà che grazie a quella veranda è la sua vita che comincia a rinascere. E forse anche l'amore.

Foreword Amalia is a heroin, a mother and a wife: she retraces the events of her family through three generations. She welcomes their inheritance in a hard struggle to survive between a Country's rural age at its sunset and a working-class Milan in which the war is perceived by apocalyptic aerial bombardments and alarm sirens. Of the war she talks about the anxiety and the horror: she faces losses and mourning with an aching and courageous heart, with the determination to build a future for her and her little daughter and with the certainty of the return of her never forgotten hero, Commander Guido. He, in the meanwhile, is engaged with his patrol in an epic crossing of the Sahara desert through Libya, Tunisia and Algeria, trying to bring his men to safety. Prefazione Eroina, madre e sposa ripercorre le vicende della sua famiglia attraverso tre generazioni, accoglie la loro eredità in una dura lotta per sopravvivere tra l'epoca contadina al tramonto e una Milano operaia in cui la guerra è percepita dagli apocalittici bombardamenti aerei e dalle sinistre sirene di allarme. Della guerra racconta l'ansia e l'orrore, affrontando con cuore dolente e coraggioso perdite e lutti, con la determinazione di costruire un futuro per lei e la piccola figlia, con la certezza del ritorno del mai dimenticato eroe, comandante Guido, impegnato con la sua pattuglia in una epica traversata del deserto del Sahara tra la Libia, la Tunisia e l'Algeria portando in salvo la vita dei suoi uomini.

The first volume of Viaggiatori "Curatele" series seeks to recreate some scientific dialogues, namely meetings, exchanges and acquisition of theoretical and practical scientific knowledge, thus linking the cultural, historical and geographical context of America, Asia, Europe and Mediterranean Sea

between the 16th and the 20th century. More specifically, the main objective is to consider the role of travellers as passeurs, as “intermediaries” for building and allowing the circulation of knowhow and the practical and theoretical knowledge from one continent to another.
