

DK Eyewitness Books: American Revolution

Offers opposing viewpoints on issues associated with the Civil War including secession, slavery, the Emancipation Proclamation, and the President's right to suspend civil liberties.

A stunning visual history of the American Civil War Visually arresting and comprehensive, The American Civil War comes fully reviewed and updated, covering the history, causes and consequences of the conflict, providing eyewitness accounts by soldiers and civilians, key profiles of military leaders and clear timelines that give an instant overview of the developments during the tumultuous war. Packed with galleries of weaponry and equipment, and information on the treatment of wounded soldiers and slavery, this is a rich, detailed account of one of the most controversial conflicts of our time. This updated edition comes with new, highly illustrated pages on memorial sites associated with the Civil War. An invaluable resource for schools and libraries, as well as a perfect companion for anyone interested in military and social history. Become an eyewitness to the American struggle for independence, from the events that sparked the war to the signing of the Constitution. This picture-led guide will take you on a visual tour through revolutionary America. Discover how American soldiers won battles against the

British, plus see the muskets and cannons of the armies, learn how soldiers were drilled, and find out why Yorktown was not the end of the Revolution. Eyewitness American Revolution will bring you face-to-face with American revolutionaries including George Washington, Thomas Jefferson, John Hancock, John Adams, and Benjamin Franklin. This museum in a book uses striking full-color photographs and illustrations of colonial weaponry, the notorious British redcoat uniform, deadly warships, the historic Declaration of Independence, and much more as well as amazing facts, infographics, statistics, and timelines to help bring this extraordinary war to life. Part of DK's best-selling Eyewitness series, which is now getting an exciting makeover, this popular title has been reinvigorated for the next generation of information-seekers and stay-at-home explorers, with a fresh new look, new photographs, updated information, and a new "eyewitness" feature - fascinating first-hand accounts from experts in the field.

When British soldiers accuse Samuel Richardson's father and uncle of being rebellious Patriots, Samuel must work together with his cousin Molly to help the family make an escape. Follow along on their adventure as they witness the early days of the A

World War II Map by Map

The traditional 'knight in shining armor' has become a staple figure in popular culture; the images of bloody battlefields, bustling feasting halls and courtly tournaments have been creatively interpreted many times in film and fiction. But what was the knight truly like? The world of the English medieval knight was complex and ever-changing. From the household of King John to the defenders of Elizabeth I, there was a great alteration in the social standing of knights, their equipment and appearance, and their

Acces PDF DK Eyewitness Books: American Revolution

involvement in politics and warfare. In Knight, author Christopher Gravett, and expert on medieval history, describes how the knights evolved over four centuries of English and European history, the wars they fought, their lives both in peacetime and on campaign, the weapons they fought with, the armor and clothing they wore and their fascinating code and mythology of chivalry. The text is richly illustrated with images ranging from manuscript illustrations to modern artwork reconstructions, and many photographs of historic artifacts and sites. This book contains material previously published in Warrior 48: English Medieval Knight 1200-1300, Warrior 58: English Medieval Knight 1300-1400, Warrior 35: English Medieval Knight 1400-1500 and Warrior 104: Tudor Knight. It also includes a new introduction and new linking text.

Brief text and color illustrations chronicle the history of the American West, from the adventures of Lewis and Clark to the massacre at Wounded Knee.

A visual guide, accompanied by text, to the people, battles, and events of America's war for independence.

parents, teachers, and school-age kids.

Trace the epic history of World War 2 across the globe with more than 70 detailed maps. In this stunning visual history book, custom maps tell the story of the Second World War from the rise of the Axis powers to the dropping of the atom bomb on Hiroshima and Nagasaki. Each map is rich with detail and graphics, helping you to chart the progress of key events of World War II on land, sea, and air, such as the Dunkirk evacuation, the attack on Pearl Harbor, the D-Day landings, and the siege of Stalingrad. Historical maps from both Allied and Axis countries also offer unique insights into the events.

There are timelines to help you follow the story as it unfolds, while narrative overviews explain the social, economic, political, and technical developments at the time. Fascinating, large-scale pictures introduce topics such as the Holocaust, blitzkrieg, kamikaze warfare, and code-breaking. Written by a team of historians in consultation with Richard Overy, *World War II Map by Map* examines how the deadliest conflict in history changed the face of our world. It is perfect for students, general readers, and military history enthusiasts.

An up-close look at World War I examines life in the trenches and the devastation of Europe by the Great War.

Do you think your child needs help in understanding 4th grade US history? If so, then this book can help! It has details about the American Revolution. Be an eyewitness to the longest war in American history—a dramatic story of patriotism, tragedy, bloody conflict, and heroism. Not only can you trace the timeline of the war from the Indochina struggle in 1946 to the final offensive in 1975, page after page of real-life photographs offer a unique look at the reality of the Vietnam War. See campaigns in the air and battles in jungles, cities, and rice paddies. Learn about the most powerful combat weapons of the age such as Agent Orange and AK-47s. Discover why America went to war in Indochina and who fought there, the fall of Saigon, the aftermath of the war, and much, much more. Discover the people, places, battles, and weapons of America's struggle in Indochina. Discover the fascinating spouses of the nation's presidents—from early patriots to influential leaders.

Maps don't just show us where to go, but also where we've been. A stunning overview of all human history, side by side with 140 custom maps. Learn how something like the printing press can define a time, or how the Allies in Europe could defeat the Nazis. There is so much to read about in this remarkable history book, and just as much to look at. Maps are more than the topography of the Earth, or the borders of countries. Maps can represent the movement of people and ideas, and they provide a unique way to explain historical themes and explore sweeping periods of time. This stunning visual reference book starts with the evolution and migration of our oldest ancestors out of Africa. You can then look up maps about the Greece and Persian War, the Mongol Conquests, Medieval Europe's trade routes, and the rise of the Ottomans. There are maps about the colonisation of North America, the scientific revolution, Napoleon's advances, and Britain's control of India. There's more in later centuries, such as the Age of Imperialism, the American Civil War,

industrialised Europe and the transformation of Japan. This history book reaching across millennia gives you a broad view of the pivotal events in our past. With 140 maps, complimented with pictures, info boxes and timelines, there's so much to enjoy and learn about. You will gain a strong understanding of some of the forces and movements across continents that have shaped our world. A Map Guided Tour of World History Inside this beautiful cover is concise and fascinating historical information, 140 custom maps and many ways to engage in history that will interest many readers, from students wanting additional resources for school, to history buffs that love a good book and cartography. Go on guided tour through time: - Prehistory 7 MYA-3000 BCE - The Ancient World 3000 BCE - 500 CE - Middle Ages 500-1450 CE - The Early Modern World 1450-1700 - Revolution and Industry 1700-1850 - Progress and Empire 1850-1914 - The Modern World 1914-Present From Roman emperors and gods and goddesses to soldiers and gladiators, step into the exciting world of ancient

Rome. Who were Rome's most famous emperors? What was everyday life like for a soldier in the Roman army? How did the citizens of ancient Rome live? Did gladiators really fight to the death in the mighty Colosseum? Find out the answers to all these questions, and many more, in Eyewitness Ancient Rome. Photographs of real artefacts and detailed illustrations will help you to learn all about the time of ancient Rome, from a small city-state ruled by kings to one of the most powerful empires in history. Find out what a typical Roman house was like and what food Romans ate. Learn about how people spent their free time, whether paying a visit to the theatre, using the public bath, or watching gladiators fight a gruesome battle to the death in the world-famous Colosseum. Packed with fascinating facts, this illustrated guide is perfect for school projects or as an introduction for anyone who wants to know more about the history of ancient Rome. "

new life into an old document, reminding readers young and old why it remains one of the most important documents in world history. It is an ideal teaching and reference tool for homeschooling or school libraries.

Explore the Captivating History of the American Revolution. In an era where political discourse is becoming increasingly polarized, it is worth reflecting on the circumstances of America's foundation. When the British colonists in America got tired of Great Britain's rule, they rebelled against it. This difficult period was the American Revolution. The colonists fought against their country of origin, England, and demanded their independence in the Revolutionary War. Once these colonies gained freedom, they came together to form the independent country of the United States.

Because of these strong men and women, the United States was formed as a democracy, a place where people were able to believe whatever religion they chose, and a place allowing for prosperity of all. Founding Fathers and their brilliance created the United States and gave it the foundation it still sits on.

History shapes the present, and young learners must know about these important periods that formed the land in which they freely live in today. Let Dinobibi guide you through a
