**Like Edward Cullen in Twilight, Nigel Mullet was transformed into a vampire when he was still a teenager, and will remain this age forever.**

**Unfortunately, Nigel became a vampire at the awkward age of fifteen, and must spend eternity coping with acne, a breaking voice, and an ineptitude with girls . . . In this, his excruciatingly funny diary, Nigel chronicles his increasingly desperate attempts to be noticed by the love of his life, Chloe Sparrow, the constant mortification caused by his vampire parents (not to mention the worry that they might accidentally eat one of his friends), and the frustration one feels when you've got the whole of boring eternity stretching out in front of you and you can't even have a lie-in (vampires don't sleep). Forced to hang out with the Goths and emo kids due to his pale skin and social awkwardness, and constantly battling his embarrassingly overwhelming desire to sink his fangs into Chloe's neck, will Nigel ever get his girl? Fantastically witty and hugely entertaining, this fun and accessible diary will appeal to anyone, teenage or otherwise . . .\*Winner of the Lincolnshire Young People's Book Award 2012**

A family road trip is supposed to be a lot of fun . . . unless, of course, you're the Heffleys. The journey starts off full of promise, then quickly takes several wrong turns. But even the worst road trip can turn into an adventure-and this is one the Heffleys won't soon forget. Readers love The Diary of a Wimpy Kid Series. Hard Luck

Greta's story is about hope, courage and determination. You are never too young to make a difference. It's 20 August 2018, late summer in Stockholm, and it feels incredibly hot in the city. The TV news reports rising temperatures, and there have been numerous fires throughout Sweden. Fifteen-year-old Greta Thunberg decides she can't wait any longer: politicians have to do something to save the environment. Instead of returning to school, Greta takes a placard and goes on strike in front of Sweden's parliament building. Greta's protest began the Fridays for Future - or School Strike 4 Climate - movement, which millions have now joined around the world. Greta has spoken at COP24, the UN summit on climate change, and has been nominated for the Nobel Peace Prize. This is her story, but also that of many other girls and boys around the world willing to fight against the indifference of the powerful for a better future.
