The Guardians - Book 2 continues the story about the human race fighting to survive another extinction event caused by an alien race known as the Tyrax. The Tyrax first tried to wipe the human race off the face of the planet by using a nanobiotechnology weapon to terraform Earth for their own unique DNA makeup. Earth survived with the help of a friendly alien race from Latar who sent a Guardian to

In Book 2 the Tyrax have returned to finish the job with a large warship fleet and a new weapon they call the Destroyer. It is a large asteroid that will do more damage to the biosphere than the meteorite that wiped out the dinosaurs sixty-five million years ago. To prevent this new extinction event, Òmon returns with more Guardianships to defend Earth from the Tyrax attack. Brandon Cole, Mike Wolinsky,

Nicholas St. North, a daredevil swordsman seeking treasure in the fiercely guarded village of Santoff Claussen finds, instead, the great wizard Ombric Shalazar and a battle against the Nightmare King and his evil Fearlings--a battle Nicholas can win only if he finds five other Guardians in time.

The Guardians' powers are put to the ultimate test in their final battle in this thrilling conclusion to the epic chapter book series from William

Joyce. When we last saw the Guardians, they were celebrating their victory during Bright Night, the final great Battle of the Moon, where they defeated Pitch once and for all. Or so they thought. Now, many years later, the Guardians have settled into their final selves, embracing their public images and the Earth Holidays. But the world has not been without evil since Pitch's imprisonment. All the Guardians feel the weight of lurking menace, but Jack Frost—now half human, half of his former self Nightlight—feels it the most.

Jack's transition from Nightlight to Guardian was not an easy one. Always inclined to keep to himself, Jack has become especially isolated from the other Guardians since his transformation. Yet it is Jack who Ombric Shalazar (once a great wizard, now known as Father Time) trusts with a tremendous secret. But for Jack to fully understand this secret, he must revisit his past—and finally tell his story. Jack's story, however, isn't the only one to be reopened; an old enemy whose chapter we thought closed will reappear and with him bring a darkness and destruction that will test
