It's the most important mission of his life—because it's the most personal. Once a key player in a clandestine CIA squad, Sam Callahan thought he had finally found a safe, normal life as a rookie lawyer in DC with the woman he loves. But when called to a covert intelligence mission in the heart of Russia, he can't refuse risking it all once more. This time, he'd be joining his estranged father, the Lion, a deep-cover agent Sam never even knew existed. When the operation goes wrong and his team is ambushed, Sam fears a setup. At least he escaped with his life. And so did his father. But why? With a target on his back, he must hunt down the truth behind the betrayal in Moscow—and find the Lion again. Now, crisscrossing Europe under the cover of shadow, Sam is about to come face-to-face with his past—and it's never looked so dangerous.

Kids are wrestling with tough issues these days—peer pressure, purpose, unexpected change or loss, and wondering where their faith fits in with it all. Roar Like a Lion encourages your kids to "run toward the roar" as they face their fears, knowing that God is with them every step of the way. Pastor and bestselling author Levi Lusko is known for making tough topics accessible while drawing his readers toward a richer spiritual life. In his first children's devotional for ages 6 to 10, Levi tackles real issues our kids face with a lighthearted and approachable tone. Kids are equipped to approach both fun moments and tough times with their hearts set on God's faithfulness with the help of fascinating stories and facts, eye-catching art, Bible verses, prayers, and simple action steps. This 90-day devotional covers highly relevant topics such as: facing fears about school and friendships having courage to try something new handling new challenges, past disappointments, and grief dealing with peer pressure and bullying understanding how we each fit into God's great story As a parent and pastor, Levi is able to address real-life situations with compassion, grace, and biblical authenticity. Roar Like a Lion is a great way to spark discussion with your kids on meaningful topics and get them in the habit of reading a biblically-based devotional. Offering practical approaches to faith in everyday life, Roar Like a Lion will inspire your kids to nurture their personal faith in a God strong enough to protect and guide them as they run toward the roar during the challenges in their lives.

The Fig Tree is a novel composed of the intertwining stories of the family of Jadran, a 30-something who tries to piece together the story of his relatives to better understand himself. Because he cannot understand why Anja walked out of their shared life, he tries to understand the suspicious death of his grandfather and the withdrawal of his grandmother into oblivion and dementia. With all his might, Jadran tries to understand the departure of his father in the first year of the war in the Balkans as he also tries to understand his mother, with her bewildering resentment of his grandfather, and her silent disappointment with his father. The Fig Tree is a multigenerational family saga, a tour de force spanning three generations from the mid-20th century through the Balkans wars of the 90s until present day. Vojnovic is a master storyteller, and while fateful choices made by his characters are often dictated by the historical realities of the times they live in, at its heart this is an intimate story of family, of relationships, of love and freedom and the choices we make.

A survey of the world of the wealthy heiress – glittering and gleaming, flawed and fascinating – from the seventeenth to the twenty-first centuries.

The touching, magical story of a boy in a war-torn country and the stone lion that rescues him. Renato loves his home in Florence, Italy. He loves playing with his friends in the Piazza della Signoria. He loves walking home by the beautiful buildings and fountains with his father in the evenings. And he especially loves the stone lion who seems to smile at him from a pedestal in the piazza. The lion makes him feel safe. But one day his father tells him that their family must leave. Their country is at war, and they will be safer in America. Renato can only think of his lion. Who will keep him safe? With luminous watercolor paintings, Barbara DiLorenzo captures the beauty of Florence in this heartwarming and ultimately magical picture book.

Starred reviews for this star author's out-of-this-world new novel! If you dream of going to Mars (or if you just think it's cool), don't miss this incredibly timely adventure. Bell was raised on Mars. But he's still a regular kid - he loves cats, any kind of cake, and he is curious about everything. Especially all the secrets around him. Like, why doesn't the US colony have contact with any of the other Mars colonies? Why are they so alone? When a virus breaks out and the grown-ups all fall ill, the children are the only ones who can help. And suddenly it's up to Bell - a regular kid in a very different world - to uncover the truth and save his family ... and possibly unite an entire planet.Mars may be a world far, far away, but in the hands of Jennifer L. Holm, beloved and bestselling author of The Fourteenth Goldfish, it can't help but feel like home.

Your greatest regret at the end of your life will be the lions you didn't chase. You will look back longingly on risks not taken, opportunities not seized, and dreams not pursued. Stop running away from what scares you most and start chasing the God-ordained opportunities that cross your path. In a Pit with a Lion on a Snowy Day is inspired by one of the most obscure yet courageous acts recorded in Scripture, a blessed and audacious act that left no regrets: “Benaiah chased a lion down into a pit. Then, despite the snow and slippery ground, he caught the lion and killed it” (2 Samuel 23:20 -21). Unleash the lion chaser within! What if the life you really want, and the future God wants for you, is hiding right now in your biggest problem, your worst failure...your greatest fear? Story Behind the Book “Our best days often start out as our worst days. And our greatest opportunities are often disguised as our biggest problems. You can land in a pit with a lion on a snowy day, and it will seem like the end of the road. But God is in the recycling business. He recycles past experiences and uses them to prepare us for future opportunities. That is the story of my life. And that is the story of your life. Look in the rearview mirror long enough and you’ll see that God has purposely positioned you everywhere you’ve been—even when it seemed you’d taken a wrong turn.” —Mark Batterson

On Safari, B.E.A., 16th October 1909. To Sir Alfred E. Pease. Dear Sir Alfred,—I am very much pleased that you are to write a book about lion-hunting. Very, very few people have an experience which better justifies such a book. It is the king of all sports when carried on as you have carried it on, especially when you gallop the lion, and then kill him on foot as he charges or prepares to charge as a lion thus rounded up will generally do. I am peculiarly pleased to have you write the book, for it was under your guidance that I first tried lion-hunting. Sincerely yours, Theodore Roosevelt. This hunting classic contains the following chapters: Foreword by Theodore Roosevelt I. Lions and Lion Land II. About Courage III. Of the Courage of Lions IV. Of Dangerous Game V. Of Sport VI. The Lion VII. The Distribution of Lions VIII. Lion Cubs and Tame Lions IX. The Haunts of Lions X. The Lion ’s Voice and the Lion ’s Eye XI. Some Ways of Lions XII. In the Lion ’s Jaw XIII. The Food and Drink of Lions XIV. Lion-Hunting XV. Hunting with Dogs and Hunting with Horses XVI. Night-Shooting XVII. Hints for the Beginner

When Matthew has nothing for show-and-tell one day, he tells the class that he has a lion living at his house, but when his classmates want to come see it, he must decide what to do.

After learning in school about the tall, proud Masai people of Africa, a young girl imagines herself living in a circle of huts in a tiny village among giraffes and zebras on the plains of Africa.

Xan, a young boy who lives on a ranch in rural South Africa, befriends an orphaned cheetah cub who becomes the family pet, but when tragedy strikes, Xan is forced to return Duma to the wild. Original.

How to Survive and Thrive When Opportunity Roars

*Over 100,000 copies sold! Quit playing it safe and start running toward the roar! When the image of a man-eating beast travels through the optic nerve and into the visual cortex, the brain sends the body a simple but urgent message: run away! That's what normal people do, but not lion chasers. Rather than seeing a five-hundred-pound problem, they see an opportunity for God to show up and show His power. Chase the Lion is more than a catch phrase; it's a radically different approach to life. It's only when we stop fearing failure that we can fully seize opportunity by the mane. With grit and gusto, New York Times best-selling author Mark Batterson delivers a bold message to everyone with a big dream. This is a wake-up call to stop living as if the purpose of life was to simply arrive safely at death. Our dreams should scare us. They should be so big that without God they would be impossible to achieve. Quit running away from what you're afraid of. Chase the lion! Change the world! What is your five-hundred-pound dream? In this highly anticipated sequel to his best-selling In a Pit with a Lion on a Snowy Day, Mark Batterson invites lion chasers everywhere to chase dreams so impossible that victory demands we face our fears, defy the odds, and hold tight to God. These are the kind of dreams that will make you a bigger person and the world a better place. Based upon 2 Samuel 23, Chase the Lion tells the true story of an ancient warrior named Benaiah who chased a lion into a pit on a snowy day—and then killed it. For most people, that situation wouldn't just be a problem...it would be the last problem they ever faced. For Benaiah, it was an opportunity to step into his destiny. After defeating the lion, he landed his dream job as King David's bodyguard and eventually became commander-in-chief of Israel's army under King Solomon. Written in a way that both challenges and encourages, this revolutionary book will help unleash the faith and courage you need to identify, chase, and catch the five-hundred-pound dreams in your life.*

*Five-year-old Saroo fell asleep in a train one evening as he waited for his elder brother to fetch him. When he awoke, he found himself amidst unknown faces, lost in faraway Calcutta. Poor, unable to read or write, Saroo struggled to survive alone on the streets of the crowded metropolis, before he was adopted by an Australian couple. Years later, Saroo met students from India at his college in Canberra and embarked on what appeared an impossible search for his childhood town. He began to piece together the bits he had carefully memorized, poring over satellite images in Google Earth. Eventually, twenty-five years after he had got lost, Saroo was able to trace his home town to Khandwa, Madhya Pradesh, where he set off to look for his mother. Lion is an inspiring true story of the power of hope and what the human will can achieve in the face of insurmountable odds.*

*Unbroken Will reveals the extraordinary depth of an ordinary man's inner strength. Locked in a life-and-death struggle, Leopold Engleimer faces and triumphs over Nazi wrath. Leopold Engleimer, born in 1905, grew up in a poor farming family in the years leading up to World War I. Engleimer, afflicted with a deformed spine, is a thoughtful and gentle man, a hard worker with a sharp wit and an indomitable spirit. When the Nazis enter Austria, they encounter this ordinary man and assume he will break like so many before him. Engleimer would soon show them how wrong they were. Engleimer was one of Jehovah's Witnesses and his account sheds light on the little-known story of this Christian group and their struggle to stay true to their beliefs despite Nazi brutality. Some 2,000 Witnesses died during the Nazi era. Engleimer survived, and now in his tenth decade of life, he shares his unforgettable story with future generations.*

Sparkling with humor and brilliantly visualized, Fish Girl's story will resonate with every young person facing the challenges and rewards of growing up.***

***“Until the lion has its own storyteller, tales of the lion hunt will always glorify the hunter.”—Zimbabwean proverb In 2015, an American hunter named Walter Palmer shot and killed a lion named Cecil. The lion was one of dozens slain each year in Zimbabwe, which legally licenses the hunting of big cats. But Cecil’s death sparked unprecedented global outrage, igniting thousands of media reports about the peculiar circumstances surrounding this hunt. At the center of the controversy was Dr. Andrew Loveridge, the zoologist who had studied Cecil for eight years. In Lion Hearted, Loveridge pieces together, for the first time, the fascinating life and murky details of this beloved lion’s slaying. In the tradition of Born Free and Gorillas in the Mist, Lion Hearted chronicles Loveridge’s long acquaintance with a host of charismatic lions that his team has tracked, often from birth to death. Born and raised in Zimbabwe, Loveridge learned to love predators at the knee of his father, an eminent herpetologist who stored baby crocodiles in the family bathtub. After earning his doctorate at Oxford, he seized an invitation to study the lions of Zimbabwe’s Hwange National Park. There he meets Stumpy Tail, who, despite her name, has the dignity of the Queen of the Animal Kingdom; Dynamite, a venerable coalition leader who, muscled out by younger males, sets off on an incredible thirty-seven-day, 137-mile journey to find a new home; and Kataza, who escapes another lion’s claws, and whom Loveridge twice saves from death at the hands of humans. And, of course, there is Cecil. Dethroned in an epic battle, he forms an alliance with a former rival. He also becomes a favorite of photographers and tourists—until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal. Loveridge unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world. Despite their ruthless reputation, lions can form deep emotional bonds—females live in prides, a sisterhood of mothers, daughters, sisters, and aunts that can exhibit military precision when hunting in formation; males band together in coalitions to vie for control of territory and the female prides. They also display a wide range of emotional behavior, including mourning the loss of their mates, partners, and cubs. Africa’s lion population is estimated to have shrunk by 43 percent in the last twenty years. There may now be as few as 20,000 wild lions across the entire continent—far fewer than the number of elephants. While deploring the killing of lions for sport, Loveridge does not believe that banning trophy hunting, by itself, will halt the decline of Africa’s lion populations. He sees greater threats in human population growth, the loss of habitat to agriculture, and the illegal trade in lion body parts for use in traditional medicines. And he offers concrete proposals for averting the lion’s extinction. More than a gripping detective story, Lion Hearted is an exploration of humanity’s relationship with the natural world and an attempt to keep this majestic species from disappearing. “Lions are one of the most beloved animals on the planet,” Loveridge observes. “They are the national symbol of no fewer than fifteen countries. . . . Surely, we can think of a better way to save the wild animals we love besides killing them.”***

***“In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe has neither the look nor the voice of divinity, and is scorned and rejected by her kin. Increasingly isolated, she turns to mortals for companionship, leading her to discover a power forbidden to the gods: witchcraft. When love drives Circe to cast a dark spell, wrathful Zeus banishes her to the remote island of Aiaia. There she learns to harness her occult craft, drawing strength from nature. But she will not always be alone; many are destined to pass through Circe's place of exile, entwining their fates with hers. The messenger god, Hermes. The craftsman, Daedalus. A ship bearing a golden fleece. And wily Odysseus, on his epic voyage home. There is danger for a solitary woman in this world, and Circe's independence draws the wrath of men and gods alike. To protect what she holds dear, Circe must decide whether she belongs with the deities she is born from, or the mortals she has come to love. Breathing life into the ancient world, Madeline Miller weaves an intoxicating tale of gods and heroes, magic and monsters, survival and transformation.” --Publisher.***

Joseph Lemasolai Lekuton gives American kids a firsthand look at growing up in Kenya as a member of a tribe of nomads whose livelihood centers on the raising and grazing of cattle. Readers share Lekuton's first encounter with a lion, the epitome of bravery in the warrior tradition. They follow his mischievous antics as a young Maasai cattle herder, coming-of-age initiation, boarding school escapades, soccer success, and journey to America for college. Lekuton's riveting text combines exotic details of nomadic life with the universal experience and emotions of a growing boy.

Simone Arnold is an ordinary French schoolgirl - spirited and stubborn. Then the Nazis march in, demanding complete conformity. Friends become enemies. Teachers spout Nazi propaganda. School officials recruit for the Hitler Youth. Simone's family refuses to heel Hitler as Germany's savior. This inspiring story of a young girl standing up for her beliefs in the face of society's overwhelming pressure to conform is a potent reminder of the power of remaining true to one's beliefs.

In 1999, Juliet Cutler leaves the United States to teach at the first school for Maasai girls in East Africa. Captivated by the stories of young Maasai women determined to get an education in the midst of a culture caught between the past and the future, she seeks to empower and support her students as they struggle to define their own fates. Cutler soon learns that behind their shy smiles and timid facades, her Maasai students are much stronger than they appear. For them, adolescence requires navigating a risky world of forced marriages, rape, and genital cutting, all in the midst of a culture grappling with globalization. In the face of these challenges, these young women believe education offers hope, and so, against all odds, they set off alone—traveling hundreds of miles and even forsaking their families—simply to go to school. Twenty years of involvement with this school and its students reveal to Cutler the important impacts of education across time, as well as the challenges inherent in tackling issues of human rights and extreme poverty across vastly different cultures. Working alongside local educators, Cutler emerges transformed by the community she finds in Tanzania and by witnessing the life-changing impact of education on her students. Proceeds from the sale of this book support education for at-risk Maasai girls.

*The inspiring classic that The New Yorker called "an exciting tale [with] top-notch writing," about one girl facing harsh conditions and huge responsibility as she brings her family to the American colonies. Featuring a heroine with faith, courage, and a great deal of grit, this acclaimed historical fiction novel portrays the realities faced by three children hoping to find a new home in an unknown land. Amanda Freebold doesn't know what to do. Her father left three years ago for the new colony of Jamestown in America, thousands of miles away. But now that her mother has died, Amanda is left to take care of her younger brother and sister all alone back in England. As the new head of the family, Amanda finally decides to take her brother and sister to America to find Father. The ocean crossing is long and hard, and the children don't know whom to trust. But with her father's little brass lion's head to guard them, Amanda knows that somehow everything will work out.*

*Fans of Michael Morpurgo will love this animal adventure story full of charming characters and a lion. Drina loves nothing more than spending time with the old retired lion from her family's circus. Their only animal acts are the horses, who have a wonderful life, and Ma's little dog, who loves showing off. When Drina takes her lion to the village of Twidings for the summer, she discovers a plan to turn the ruined castle into a hotel with a theme park attached. It will ruin the community and the landscape. And even worse, the evil man behind the plans, Mr Cravat, has his eye on Drina's lion to be one of the main attractions. Will Drina and her friends be able to stop him in time?*

*Her parents called her Lenya Lion because of her ferocious personality and hair that had been wild and mane-like since birth. When Kobie Krüger, her game-ranger husband and their three young daughters moved to one of the most isolated corners of the world - a remote ranger station in the Mahlangeni region of South Africa's vast Kruger National Park - she might have worried that she would become engulfed with loneliness and boredom. Yet, for Kobie and her family, the seventeen years spent in this spectacularly beautiful park proved to be the most magical - and occasionally the most hair-raising - of their lives. Kobie recounts their enchanting adventures and extraordinary experiences in this vast reserve - a place where, bathed in golden sunlight, hippos basked in the glittering waters of the Letaba River, storks and herons perched along the shoreline, and fruit bats hung in the sausage trees. But as the Krugers settled in, they discovered that not all was peace and harmony. They soon became accustomed to living with the unexpected: the sneaky hyenas who stole blankets and cooking pots, the sinister-looking pythons that slithered into the house, and the usually placid elephants who grew foul-tempered in the violent heat of the summer. And one terrible day, a lion attacked Kobus in the bush and nearly killed him. Yet nothing prepared the Krugers for their greatest adventure of all, the raising of an orphaned prince, a lion cub who, when they found him, was only a few days old and on the verge of death. Reared on a cocktail of love and bottles of fat-enriched milk, Leo soon became an affectionate, rambunctious and adored member of the family. It is the rearing of this young king, and the hilarious endeavours to teach him to become a 'real' lion who could survive with his own kind in the wild, that lie at the heart of this endearing memoir. It is a memoir of a magical place and time that can never be recaptured. Celebrating the twenty-fifth anniversary of the stunning, classic story of an unforgettable friendship with a glorious colour gift edition, fully illustrated by Christian Birmingham.

An all-new vivid, action-packed adventure across the African landscape in the tradition of Tony Park and Wilbur Smith, from Australian thriller writer, T.M. Clark. Hiding from the law, they never expected to be caught in the crosshairs of a hunter... After relocating to South Africa on the heels of scandal five years ago, Chloe and her invalid father, Mike, once wealthy Zimbabwean landowners, now have little. Away at university, Chloe has had to rely on her father's best friend Enoch and his son Xo to watch over Mike. When a violent confrontation puts Chloe in danger, Enoch steps in to help - with inadvertent fatal results. With increasing pressure from a right-wing group on the police to charge Enoch, this mismatched family have no choice but to flee back to Zimbabwe. But crossing the border will be dangerous and near impossible with their route taking them amid warring dissident armies and landmines, and their every footstep is stalked by a shadowy ring of hunters - whose trophies are taken from more than animals... Only with help from Nick, formerly a soldier under Mike's command, now a professional game ranger, will the fugitives have a chance of making it home. But Nick has long struggled to come to terms with his fellow soldiers' choices before their unit was abandoned. Will his past demons put them all at risk?

"God is a poet, paying exquisite attention, crafting the words to pull our heartstrings, connecting our pulse to the great pulse of life. God is a priest, intoning the chants that tie earth to heaven, invoking our prayers, summoning our spirits to reach beyond. God is a prophet, commanding our attention, provoking our outrage, channeling our best intentions." So writes author and scholar Carla Grosch-Miller for the last day of 2021 in this year's Fresh From The Word: The Bible for a Change. And indeed you will meet this God in the reflections of the writers in these pages. At turns poetic, priestly and theological, prophetic and inspiring, Fresh From The Word 2021 invites you to the discipline of daily Bible reading with readers around the world. Discipleship is the focus of Lent this year in Fresh From The Word 2021: discipleship as a way of following Jesus Christ 'into the unknown', growing, and facing challenges. Other themes include reading the Bible through the seasons, surprising women in the Bible, family tensions in Genesis, and riddles in the Bible, and more. The book also features continuous readings from the Gospel of Mark, the shorter epistles of the New Testament, Job, Galatians, Revelation, and the Minor Prophets. Fresh From The Word: The Bible for a Change 2021 will inspire your Bible reading in a time of change. Bringing together theologians, scholars, creative writers, church leaders, and activists from around the world, it offers notes, prayers, and further thought suggestions for every day of the year. Contributors this year include: Buenos Aires-based liturgist and activist Dafne Sabanes Plou on the mercy of God, prison chaplain and Pentecostal pastor Deseta Davis on God and prison life, blogger and playwright Aileen Quinn on growing with God, Shetland Methodist minister David Lees on numbers in the Bible, pioneer minister Tim Yau on Peter the church leader.

A Long Way Home

Through The Eyes Of A Lion

Leo the Lion lived in the jungle with his mom and Lion pride. As a young cub, he practices his roars and can't seem to roar like all the other lions. When he gets lost in the jungle, he has to be prepared for anything. When an unusual character finds him and helps him on his way, he has to look deep inside to find his roar.

Lion City tells the extraordinary story of Singapore - the world's most successful city state. In 1965, Singapore's GDP per capita was on a par with Jordan. Now it has outstripped Japan. After the Second World War and a sudden rupture with newly formed Malaysia, Singapore found itself independent - and facing a crisis. It took the bloody-minded determination and vision of Lee Kuan Yew, its founding premier, to take a small island of diverse ethnic groups with a fragile economy and hostile neighbours and meld it into Asia's first globalised city. Lion City examines the different faces of Singaporean life - from education and health to art, politics and demographic challenges - and reveals how in just half a century, Lee forged a country with a buoyant economy and distinctive identity. It explores the darker side of how this was achieved too; through authoritarian control that led to it being dubbed 'Disneyland with the death penalty'. Jeevan Vasagar, former Singapore correspondent for the Financial Times, masterfully takes us through the intricate history, present and future of this unique diamond-shaped island one degree north of the equator, where new and old have remained connected. Lion City is a personal, insightful and essential guide to the city, and how its remarkable rise is shaping East Asia and the rest of the world.
