Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

*- More than 500 appearances on national bestseller lists - #1 Wall Street Journal, New York Times, and USA Today - Won 12 book awards - Translated into 35 languages - Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?*

Therapeutic parenting is not your usual parenting style. It's a special, specific way to raise kids who have experienced trauma in their past, and requires a lot of commitment and determination - this is about far more than love and care. But where do you start? This book is the ideal first step for anyone who wants to understand how therapeutic parenting works. It offers simple summaries of the key ideas behind it, fully illustrated throughout with informative cartoons and graphics. Over 40 different issues are covered, from dysregulation and fear, to setting boundaries and parenting in the midst of trauma. The perfect introduction for new therapeutic parents, family members, teachers or other adults who need to help support you and your child, this Quick Guide will also be a source of inspiration for more experienced

parents.
SAVE A FORTUNE AND TRANSFORM YOUR LIFESTYLE IN 2022. If you're feeling the pinch after Christmas and worried about the rising cost of living then INSTAGRAM SENSATION MONEY MUM is here to help you SAVE THOUSANDS WITHOUT EVEN NOTICING. "Money Mum, here, coming to you, as always, with another money tip! You don't have to be wealthy or earn a huge salary to achieve all the things you want in life - and I'm here to show you how. Just by spending a little less on everyday small costs or being savvy with your choices, you will naturally have a little more for the finer things in life. My exciting new book will show you everything you need to know to save money and be truly happy forever. When you're trying to manage a busy family, it's easy to lose sight of the things that really matter and feel like you're drowning in worries while the pennies are drowning away. So many of us feel we have to pretend to be wealthier than we are and try to hide it when we can't afford something. Why though, when we are all sharing what we had for our tea and how many press ups we did that morning on social media, can't we be more honest about our finances? Why is there still so much shame and secrecy about being a bit strapped for cash, or in debt? I feel really strongly that it has got to change, and I'm here to get you through it.. I want to empower women and girls to take responsibility for their own financial futures. To have those difficult conversations and do the uncomfortable maths, because believe me one day you will be so glad you did. From starting small and making little changes to your everyday habits, through building a second income into your lifestyle, to going for the big goals in your life that you might think are out of your reach - this book will help you reboot your finances one money tip at a time. Because money isn't a secret recipe that only rich people know, it's a mindset and an attitude that anyone can have. And Money Mum is here, as always, to show you how. Now stick the kettle on, grab a pen and paper and let's start saving you some serious cash!" Inside you'll find: - My ultimate deals and tips, covering everything from shopping and bills to selling unwanted items - How to follow my weekly 'No Spend Day' and 'Make Money Day' - What your money mindset does to your anxiety levels and the impact social media has on your spending - Tips for getting the whole family talking about money from an early age - Spending tracker templates, charts and plenty of space for your own notes!

No other guide covers the complete retail picture like this exciting new volume. America's retail industry is in the midst of vast changes - superstores and giant discounters are popping up on major corners. Malls are lagging while "power centers" are surging ahead. Savvy firms are combining bricks, clicks and catalogs into multi-channel retail powerhouses. Which are the hottest retailers? What lies ahead? Our market research section shows you the trends and a thorough analysis of retail technologies, chain stores, shopping centers, mergers, finances and future growth within the industry. Included are major statistical tables showing everything from monthly U.S. retail sales, by sector, to mall sales per square foot, to the 10 largest malls in the US. Meanwhile, the corporate profiles section covering nearly 500 firms gives you complete profiles of the leading, fastest growing retail chains across the nation. From Wal-Mart and Costco to Barnes & Noble and Amazon, we profile the major companies that marketing executives, investors and job seekers most want to know about. NEW YORK TIMES BESTSELLER "A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with" - Reese Witherspoon Do you find yourself taking on the lion's share of all the thankless, invisible but time-consuming work in the home? FAIR PLAY is the first book that shows you that there can be a different way: a way to get more done, with less fuss, in a way that feels more balanced. Eve Rodsky is changing society one relationship at a time, by coming up with a 21st-century solution to an age-old problem: women shouldering the brunt of domestic responsibilities, the mental load, the emotional labour. Everything that is required to keep the fridge full, the children's homework in their bags, and the household running. The unequal division of all this invisible work in relationships is a recipe for disaster, but no one has offered a real solution to this dilemma, until now. Eve Rodsky was tired of always being the one who has to remember to buy loo roll, or to book the family's dentist appointments, or to send the thank you cards - all while working full time. So Eve decided to do what she does every day as an organisational management consultant: Organise. She conducted original research with more than 500 couples to figure out WHAT the invisible work in a family actually is and HOW to get it done effectively and all in a way that makes relationships even stronger. FAIR PLAY identifies the 100 main tasks in any relationship, and then divides those tasks fairly (not necessarily equally) so that both parties contribute their fair share. If we don't learn to rebalance our home life and reclaim some time to develop the skills and passions that keep us unique, then we risk losing our right to be interesting, not just to our partner, but to ourselves. Getting this right isn't a luxury, it's a necessity for a happy, lasting partnership. Part how-to guide for couples, part modern relationship manifesto, FAIR PLAY offers an innovative system with a completely original lexicon to discuss how relationships actually work ... and how we can make them work better.
