I was done with love. When I opened my heart, it was for the men I couldn't have. The unattainable ones. The ones who would hurt me. A vicious cycle I couldn't seem to stop. But I had a new resolve. Focus on my career. Stay single. And then I met him. Jace Montgomery. A wounded widower with two young kids. He was exactly everything I was avoiding. So I did my best to stay away. But then he kissed me. And I fell. Hard. Hard for a man who would never be mine... A man who was broken beyond repair. A man who would break me.

I knew it was wrong, but I did it anyway. I fell for him. Hard. His half smiles and those blue eyes that pulled me deeper, threatening to drown me. But he was never mine to keep. Like all good and rare things, it came to an end. And I erected a wall around my heart to prevent suffering that pain again. Dimples and gray eyes changed all that. He smashed through my defenses and stole what was left of my heart. Until my past returns. Now my heart is a war zone, past and present battling for my forever. They say lightning doesn’t strike the same place twice. I have the burns to prove that isn’t true. Who knew falling in love could hurt so much?

****A BARACK OBAMA BOOK OF THE YEAR** **2018 National Book Awards Finalist**** In these vigorous stories, Lauren Groff brings her electric storytelling to a world in which storms, snakes and sinkholes lurk at the edge of everyday life, but the greater threats are of a human, emotional and psychological nature. Among those navigating it all are a resourceful pair of abandoned sisters; a lonely boy, grown up; a restless, childless couple; a searching, homeless woman; and an unforgettable conflicted wife and mother. The stories in this collection span characters, towns, even centuries, but Florida - its landscape, climate, history and state of mind - becomes the gravitational centre. With shocking accuracy, Groff pinpoints the connections behind human pleasure and pain, hope and despair, love and fury - the moments that make us alive. 'Restorative fiction for these urgent times.' New York Times 'A blistering collection ... lyrical and oblique.'

Raised by criminals, I was molded to fit into a world without morals. And I had never given cared about anything until the night I watched a man drop dead at the feet of my little killer. Everything inside me demanded that I take her, possess her-own her. She called to my depravity, and I called to hers. People like us are monsters, and we shouldn't be worthy of love. But obsession? Now, that's another story...

With The Great Gatsby, Fitzgerald made a conscious departure from the writing process of his previous novels. He started planning it in June 1922, after completing his play The Vegetable and began composing The Great Gatsby in 1923. He ended up discarding most of it as a false start, some of which resurfaced in the story "Absolution." Unlike his previous works, Fitzgerald intended to edit and reshape Gatsby thoroughly, believing that it held the potential to launch him toward literary acclaim. He told his editor Maxwell Perkins that the novel was a "consciously artistic achievement" and a "purely creative work — not trashy imaginings as in my stories but the sustained imagination of a sincere and yet radiant world." He added later, during editing, that he felt "an enormous power in me now, more than I've ever had." The Great Gatsby takes place in 1922, during the Roaring Twenties, a time of prosperity in the United States after World War I. It is widely regarded as a "Great American Novel" and a literary classic, capturing the essence of an era. Francis Scott Key Fitzgerald (1896 - 1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century.

The appropriate response to pain is not to escape it, but to embrace and conquer it. The infamous preacher, Joseph Seed, illustrates this lesson in two ways: showing success with strength over pain, but also, caution, when one isn't strong enough.

A Dark Romance Novel

Absolution by Murder (Sister Fidelma Mysteries Book 1)

The Master and Margarita

Would you tell your deepest secrets to a relative stranger? And if you did, would you feel vulnerable? Cleansed? Or perhaps even worse than you did before? Confession has always performed a complex role in society, always created mixed feelings in its practitioners. As an acknowledgement of sinfulness, it can provide immense psychological relief; but while aiming to replace remorse with innocence, its history has become inextricably intertwined with eroticism and shame. The Dark Box is an erudite and personal history; Cornwell draws on his own memories of Catholic boyhood, and weaves it with the story of confession from its origins in the early church to the current day, where its enduring psychological potency is evidenced by everything from the Vatican's 'confession app' to Oprah Winfrey's talk shows. Since the 16th century, seclusion of two individuals in the intimate 'dark box', often discussing sexual actions and thoughts, has eroticised the experience of confession. When, in 1905, Pius X made confession a weekly, rather than yearly ritual, the horrific cases of child abuse which have haunted the Catholic church in the twentieth century became possible. John Cornwell's impassioned treatise on the dangers of confession is now available in paperback.

ABSOLUTION BY MURDER is the brilliant and evocative first novel in Peter Tremayne's Sister Fidelma series, bringing 7th-century Ireland vividly to life. PRAISE FOR ABSOLUTION BY MURDER: 'In the simultaneously sharp-tongued and full womanly figure of Sister Fidelma, Tremayne has created a heroine whom many readers will willingly follow. Even Brother Cadfael might have tolerated her' Kirkus Reviews As the leading churchmen and women gather at the Synod of Whitby in 664AD to debate the rival merits of the Celtic and Roman Churches, tempers begin to fray. Conspirators plot an assassination, while mysterious, violent death stalks the shadowy cloisters of the Abbey of St Hilda. When the Abbess Etain, a leading speaker for the Celtic Church, is found murdered suspicion inevitably rests on the Roman faction. Attending the Synod is Fidelma, of the community of St Brigid of Kildare. As an advocate of the Brehon Court, she is called on to investigate the murder with Brother Eadulf, of the Roman faction. However, the two are so unlike that their partnership is described as that of a wolf and a fox - but which is which? More gruesome deaths follow and the friction among the clerics could end in civil war. Can the solution to the mysteries avert such a conflict? What readers are saying about ABSOLUTION OF MURDER: 'Superb storytelling from a usually neglected era. Read this and you will certainly want to read the rest of this excellent series' 'I was transported back in time; Peter Tremayne brought the location and characters to life' 'The story moves forward with Fidelma weaving her way through to the end with skill and intelligence. Well worth reading' Offers a guide to the video game "Far Cry 4" that includes game walk-throughs and detailed instructions for completing the game without missing any hidden content.

Far Cry Absolution

The Master and Margarita (Russian: Мэ́стер и Маргарита́) is a novel by Mikhail Bulgakov, written between 1928 and 1940, but unpublished in book form until 1967. The story concerns a visit by the devil to the fervently atheistic Soviet Union.

Many critics consider it to be one of the best novels of the 20th century, as well as the foremost of Soviet satires.

The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to "bad people." In doing so, she moves our national discussions forward. This is a necessary book for all people invested in societal change' Claudia Rankine Anger. Fear. Guilt. Denial. Silence. These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction.

Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is here to show us how it serves to uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in White Fragility lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, New Yorker 'A vital, necessary, and beautiful book' Michael Eric Dyson

Far Cry: Rite of Passage #3

THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. _____

'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian _____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, My Body marks the debut of a fierce writer brimming with courage and intelligence.
