the Squads mode allows teams of four players to enter into a match and work together as they battle against up to 96 other gamers. The Duos and Squads game play modes are permanent features built into the game, and they 've proven to be extremely popular, since Fortnite: Battle Royale is, for the most part, cross-platform compatible. Thus, someone experiencing the game on a PS4 can team up with a PC user, for example, to play against a random section of other gamers, in real-time. An Encyclopedia of Strategies for Fortnitters: Duos and Squads Strategies will be the first book in this unofficial strategy guide series to offer in-depth coverage of Fortnite: Battle Royale 's team-oriented game
