

## Freelance Writing On The Side: From No Experience To A 4 Figure A Month Business In Less Than 30 Days

“ You will accept my proposal, Daria. You will become my wife. ” “ And what makes you so sure about your proposition? ” I said. God I wanted to knock that smug smile off his addictively handsome face. “ Because you have no choice. So why fight it? Besides, it ’ s only a year. What have you got to lose? ” Everything! I wanted to scream. My hopes. My dreams. Genuine affection. Real love. I ’ d be giving up all of that if I agreed to become his wife — even if it was only for one year. What would be left of me after? I had dreamed of being Glory Falkner ’ s wife a thousand times since I first met him at ten years old. But never once had my fantasy played out like this. And that ’ s because it is fantasy, a tiny voice whispered in my head. I turned around to face him. “ We all have choices Glory. ” “ In theory, yes. In reality, no. In your world, you may not have realized that fundamental truth. But you live in my world now. ” “ And what world is that? ” I asked, my arms folded across my chest. “ The real world, ” he said, reaching over and tucking a tendril of hair behind my ear. “ In the real world dearest Daria, only those with power have choices. ” I could feel the thumping of my pulse on the side of my neck where his hand had come to rest. He was so sure. So confident. And no wonder; tears stung the back of my eyes as I realized the truth of what he said. I don ’ t think I ’ ve ever hated another human being as much as I hated him at that moment. \*\*\* “ Alright Glory, you have yourself a wife. But if you ever lay a finger on me, you will regret it. That I can promise you, ” I finished, my eyes never leaving his. His thumb caressed the side of my neck, the pulsing of my vein mocking my words. “ I like my women ready, willing and able Daria. I don ’ t see you qualifying on any of those fronts. So don ’ t worry darling, your virtue is safe with me. ” \*\*\* I watched Glory ’ s broad, ram-rod straight figure disappear through the large glass door. I ’ d managed to save my beloved art gallery from bankruptcy, but at what cost? Would my heart pay the price for something much more valuable?

How To Sell More Kindle Ebooks In 7 Days I Believe Kindle Publishing Should Be Fun, Profitable And Very, Very Easy If you want your book to become a Kindle best seller I can show you how! In this best selling book with over 25,000 copies sold, you will learn how to: Increase Your Book's Amazon And Google Search Traffic By 423% In 30 Minutes If you're a self-published author without a large platform or following, you will never be able to promote more than the published authors with huge marketing budgets. But you can outrank them on Amazon search every time! Why? Because 99% of Kindle authors don't know how to increase their search engine rankings in Amazon and Google. But I do - and I'm going to show you how in this book (it won't cost you a dime to implement these strategies). Most authors (even the ones with publishers and big marketing budgets) have no idea how to do keyword research, tag their book, add the right search keywords when they publish their book or insert keywords in their book description without it sounding like it was written by a robot. For New Authors: Step-By-Step Instructions With Picture Tutorials If you're a first-time Kindle publisher or technologically challenged then this book is for you! I even had my Grandma Ann Knowles follow the instructions step by step and she gave it a big thumbs up for easy to use instructions. The playing field has been leveled with ebook publishing - and if my Grandma can do it I guarantee you can too! For Existing Authors: How To Sell More Books In 5 Days Than You Did Last Month I'm going to share with you my KDP Select Free Promotion Marketing Formula for getting tens of thousands of readers to download your book in just 5 days. All you have to do is read the Marketing Formula instructions and follow them (it takes about 3 hours of work to get thousands

## Download Free Freelance Writing On The Side: From No Experience To A 4 Figure A Month Business In Less Than 30 Days

of new readers). How To Sell On Kindle Using Your Book Description If you think your book is going to sell itself think again! If you're a fiction author or novelist, you have to show your readers the story and engage them in it or they won't buy a book from an unknown author. And if you're a non-fiction author, you have to tell potential readers how your book is going to help them solve their problem fast or they'll click away without buying. I'm going to show you the Show And Tell system for selling more books on Kindle by giving you readers what they want and overcoming objections in your book description! Kindle marketing isn't about having a big marketing budget or publisher behind you - but you still need exposure and a great offer. This book will help you with get more exposure with Amazon search and other great marketing tips. You also have to make buying your book an irresistible offer so that when browsers get done reading your book description they say, "I have to buy this book!" You can't do that without a strategic plan and a well-written book description. Bonus! Video interviews with best-selling Kindle authors as they share their coveted book marketing strategies. About The Author My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012. Since then, I've sold tens of thousands of ebooks on Kindle and now earn a full-time income as a part-time Kindle author. I've since helped hundreds of self-published authors like myself sell more books on Kindle. If I can do it you can too! Learn how to sell more books on Amazon today. Scroll up and grab your copy today.

Whether as a full-time job or for supplemental income, ghostwriting can be quite lucrative. In *The Professional Ghostwriter's Handbook*, J.S. Menefee takes you step-by-step through the process of becoming a successful ghostwriter. Written in his straight-forward conversational style, he calls on his own twenty-plus years as a freelance writer to show you exactly: What is ghostwriting is How to avoid ethical and financial pitfalls Where to find clients How to write a winning proposal How to get those very important referral jobs Step-by-step checklist to launch your ghostwriting career! Whether you are a novice just starting out, or a professional wishing to improve your business, this book has what you need. His friendly, mentoring style makes it easy to get the most out of his lessons. From the back cover If you can write a book, you can ghostwrite. In the *Professional Ghostwriter's Handbook*, I intend to show you exactly what to do, step by step, so that you can get started in ghostwriting. I want you to be able to earn a living doing this while you work on your own novels or pick up the skills you will need to do so.

Thankfully, ghostwriting can pay the bills and make you a better writer at the same time. Get paid to learn. Learn to write. And write for money—which you can then use to publish your own novels. If you intend to become a mid-level author (at the least!) who earns a living through your own novels, then the *Professional Ghostwriter's Handbook* is the book for you. What people are saying C.C. Sullivan “ *The Ghostwriting Handbook* is an enlightening and informational book which delves into the step-by-step process of learning the skills to becoming a successful ghostwriter. I truly enjoyed reading this handbook, and learned a lot from it! ” C. Daily “ It has a LOT of very good information in it! It truly is informational and an excellent guide. ” Debbie Willette “ *Jeremy Menefee's Professional Ghostwriting Handbook* breaks down the process of ghostwriting in a methodical, easy-to-understand way, from start to finish. Perfect for writers wanting to expand their career! ” Patt O'Neil “ Have you ever wondered if you could be a Ghost Writer, or even what a Ghost Writer is? Then this is the book for you. Mr. Menefee explains the field using clear definitions and personal experience. When you read this book, it will feel like you have a mentor at your side. ” Song Palmese “ *Jeremy's book* gives a

7 Simple Steps to Start Your Freelance Writing Business and Earn Your First \$1,000

After I Stop Lying

The Six-Figure Freelancer

*In the competitive world of video game writing and narrative design, developers are losing permanent positions, while freelancing careers are on the rise. Many developers don't understand how to seize these freelancing opportunities, such as understanding the business of freelancing, how to go about finding work, how to establish strong relationships with clients, and how to sustain themselves as freelancers. Freelance Video Game Writing: The Life & Business of the Digital Mercenary for Hire offers developers guidance on achieving their freelancing goals as telecommuters. Dr. Toiya Kristen Finley presents practical insight into the profession and how to further enhance your freelancing business, whether you are a newcomer in the field or an experienced freelancer. Key Features: Two sections covering the life of the freelancer and the freelance business. Fifteen interviews from narrative designers, game writers, and other developers on topics from maintaining a healthy work-life balance to figuring out your rates to working a full-time job and freelancing on the side. A comprehensive list of definitions with which freelancers need to be familiar. Exercises to help augment your understanding of freelancing and improve your business. Biography Nashville native Toiya Kristen Finley, Ph.D., has been a freelancing writer and editor her entire adult life. She earned a doctorate in literature and creative writing from Binghamton University. Over her career, she has published more than 80 works of fiction, nonfiction, comics/manga, and games, and has over 20 years of experience writing in a range of genres, tones, styles, and voices. She gained editorial experience interning at Henry Holt's imprint, Owl Books. At Binghamton, she founded the literary journal Harpur Palate and served as its managing/fiction editor. In 2011, she cofounded the Game Writing Tutorial at GDC Online with Tobias Heussner and served as an instructor in 2011 and 2012. In videogames, she has worked as a game designer, narrative designer, game writer, editor, and diversity/narrative consultant (or some combination of the five) on everything from AAA titles to mobile games to games for children to small indie projects. Recent work includes writing visual novel Siren Song (Stardust Works), copyediting for Destiny 2 (Bungie), and developmental editing on Insecure: The Come Up Game (Glow Up Games). A presenter at conferences throughout the year, she has lectured on freelancing and storytelling and led workshops on narrative design and game design. She is a member of the IGDA Game Writing Special Interest Group's Executive Board. The Game Narrative Toolbox (CRC Press), a book on narrative design she coauthored with Jennifer Brandes*

*Hepler, Ann Lemay, and Tobias Heussner, was published in 2015. Narrative Tactics for Mobile and Social Games: Pocket-Sized Storytelling (CRC Press), which she edited and contributed to, was published in 2019. Of late, she has been working on her own visual novel series, beginning with Incarnō: Everything Is Written.*

*Imagine being paid to do something you love -- writing. As a freelance writer, you can work at home and be your own boss. But before you set up as an entrepreneurial writer, you need to consider the business side of writing. Writing is a business, and to be successful at it, you have to be an effective self-promoter, an able negotiator, a tireless researcher, and a talented writer. This book will help you decide whether a career as a freelance writer is for you as it guides you step by step toward success. Includes: -- Networking successfully -- Coauthoring and ghostwriting -- Setting rates and getting paid Offers a step-by-step guide to launching a successful freelance career.*

*TODAY...Begin Making Thousands of Dollars Online--- For The Price OF A Starbucks Drink! So you want to learn how to make money on the internet but don't quite know how or where to start? This is the perfect book for you. Why? This is the book that will lay the proven fundamental online money making approaches, so you can decide on your best path. There's literally an infinite number of ways to earn online, and knowing the basic ways will open doors to the more sophisticated ones. You will likewise learn about the different platforms such as Amazon, book publishing, affiliate marketing, social media marketing, youtube, ebay and more. This book is written straight from personal experience in my journey to financial freedom in the online world for more than a decade! In your first week you will be able to earn your first dollars even without prior experience, no technical expertise and ZERO investment! This is for the absolute beginner (or kids) who haven't earned their first hundred dollars online yet. The internet can be a confusing place. This book will help clarify the most important and consistent ways to make money FAST online -- so you won't have to waste hundreds of hours on the wrong approaches. All you need is a computer and good internet connection -- there's bound to be something for you so you can consistently earn, even if you're a child, person with disability or a stay at home housewife. You can make money from home online, period. You can earn active and passive income while surfing at the beach if you choose to. Resources will be provided, so you'll know exactly where to go when you're ready to start your journey. Setup doesnt take long at all. In some cases you can literally be up and running making money within a couple of hours. One word of caution. This is NOT a get rich scheme! Although once you find a good method, and understand automation and scaling? You can make money pretty fast without any added effort! But only till then, and not before. You can "realistically" make thousands of dollars or more in your first year. That's possible because softwares, robots, websites do the grunt work for you. Your job is to find a working method, automate and scale! Things not possible with standard, brick and mortar businesses which can't be automated easily and inexpensively. They require large inventories, capital or a lot of new employees etc. The information contained here won't be outdated anytime soon. You can re-read this book in 5 years, and the methods will still work -- thought minor alterations would probably be needed. If you've always dreamed of making a living as a writer, this book will take you where you want to go. Starting Your Career as a Freelance Writer, Second Edition, demystifies the process of becoming a writer and gives aspiring writers all the tools they need to become successful freelance writers, get their names in print, and start earning a healthy income from writing. Completely revised and updated, the second edition includes an entirely new section on the "online writer," discussing how to set up your own website, whether you need a blog, how to effectively participate in social networking sites, and information on electronic publishing, POD and more. New chapters provide guidance on writing for international markets and other writing opportunities such as ghostwriting, speech-writing, technical writing, copyediting, teaching, etc. This indispensable resource walks writers through the process of developing marketable ideas and then finding appropriate markets for those ideas. It includes effective tips on how to set writing goals; make time for writing; hone research and interview techniques; create outlines and first drafts, approach editors (online and offline), and prepare and submit material. Writers will also discover the vital business issues of freelancing such as rights and contracts, plus how to manage income, expenses, and taxes. Author Moira Allen has more than 30 years experience both as a freelance writer and as an editor; her tips come from a keen understanding of what works from both sides of the desk. Whether readers are looking to support themselves as full-time freelancers or supplement an existing career, no one wanting to make money as a writer can afford to be without this book. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply

And much, much more!***

***Yes, it is possible to thrive as a well-paid freelance writer instead of bidding on low paying jobs, or writing on spec. From her own experience, Sandra Shillington spells out exactly how to start making money quickly by starting your own freelance business from scratch. Learn the exact tactics she has used to earn as much as \$95 per hour, with nothing more than a computer and internet connection. It takes very little money to start, and you don't need prior experience. Plus, you can get up and running quickly so you can make money right away. It's not a get-rich-quick scheme, but a realistic guide for becoming a consistently paid freelance writer. Shillington simplifies the hype and busts the myths of the starving writer by answering the most pressing questions: How do I find clients? How can I break into freelance writing if I have no experience? How can I get paid well as a writer? With the book, you'll receive copy/paste templates and worksheets in The Business Startup Kit for Writers for FREE with the purchase of this book (\$25 value). For 5 days, you'll complete a set of To-Do List items for each day. By the end of 5 days, you'll be ready to get started making money from home as freelance writer. The Mighty Writers Field Guide will teach you a simple system for building income that allows you to: Work where you want and when you want. Set your own hours and build a business of your own. Earn as much or as little as you want, depending on how much time you put into it. Choose the type of projects to work on and exactly what hours you want to work from anywhere in the world. Get paid well, rather than earning pennies per word. In today's gig economy, the opportunities for freelance writers are endless. Whether you want to start a side hustle to supplement your income, or run a full-time business, you can get started making money from home as a freelance writer - and getting paid well - to***

career Starting Your Career as a Freelance Writer offers freelancers the tools and information they need to understand this business from the inside out and to become successful freelance writers.

In **AFTER I STOP LYING**, women confront the mundane and strive for the sacred. One lonely student reaches out to touch a statue of Jesus. A new mother sees, for the first time, the beauty in the overhead lights of a grocery store. A sexual adventurer claims her dance with Apollo. Bacharach takes on pivotal moments in a woman's life-trying to conceive, leaving a child at day care, considering breast cancer-and does so with honesty, clarity, and intensity.

**PROLOGUE** "You know what your problem is?" Gatlin bit out. "You're too damn naïve. Not everything in life is all butterflies and sunshine Kylie." "And do you know what your problem is?" Kylie shot back. "You're too damn jaded. You wouldn't know happiness if it bit you in the ass," she continued. "You're content being miserable — and I'm going to leave you to that because it has no place in my world of butterflies and sunshine," she ended, storming past Gatlin. His arm snaked out and grabbed her. "Let go ... of ... me," Kylie bit out as she fought against her rising tide of passion. Gatlin's heat-seeking tongue melted her last bit of resistance. Kylie dug her hands into his thick, dark hair. Gatlin slowed his assault on her mouth, moving to the golden column of her neck. "No, no, no ... stop. Stop Gatlin," her words slowly penetrated his aroused state. "This doesn't solve anything," she said, tears rolling down her cheeks. It's never been our problem ... and it won't be our salvation." Shaking off his desire to focus as best as he could, Gatlin responded, "It's a damn good place to start," and reached for her again. "Gatlin stop!" Kylie yelled. "Don't you see? This is just another way for you to not deal with your real feelings. ... I'm looking for real, lasting, soul-connecting love; not some casual roll in the hay!" "You know you mean more to me than just a roll in the hay," Gatlin said. "I really care about you Kylie." "I love you Gatlin. And I know it's not something a modern woman is supposed to say so early in a relationship. But there it is. And I don't expect you to do anything or say anything. I just wanted you to know where I'm coming from." "In my world, love is not complicated. Difficult at times? Yes. But hard? No. You're absolutely right, I do believe in butterflies and sunshine. I believe in love — and I won't let anybody make me feel bad about that or take that away from me." "The thing is, I know you love me too. But you just won't let yourself trust that what we have is real. And I refuse to spend my life trying to prove it to you." ### "Stop hitting my mom!" Gatlin yelled, jumping in front of his mother to prevent his father from landing another blow. "This is between your mother and me boy!" his father said in his drunken slur. "Go to your room. I'm ok honey." "I'm not leaving you," Gatlin cried, his seven-year-old voice cracking with fear as he tried to drag his mom from the room. As his father prepared to land another blow, Gatlin kicked him in the groin. He doubled over in pain, shouting, "You miserable little piece of shit! I'll kill you for this!" Gatlin's mother ran to his side. "Honey are you alright?" she said, wiping blood from the side of her lip with one hand while she consoled his father with the other. ### Gatlin had mentally catalogued hundreds of these memories from his childhood. But this particular one stuck with him vividly. He realized why when Kylie said, "I believe in love and I won't let

anybody take that away from me." When his mother had gone to his father to comfort him, instead of coming to him, a frightened 7-year-old, he realized the power of love. His mother had loved his father beyond all rhyme and reason — even beyond her child. He didn't realize it, but that had been the moment he'd stopped believing in love. Love hurt. It was cruel. It wasn't kind. It was loyal to the wrong people. ### Can Kylie trust that what's between them will blossom into everlasting love, or will Gatlin's painful past always be a barrier to their happily ever after? ### african american romance, contemporary romance, interracial romance, bwwm romance, multicultural romance, drama romance, short romance, steamy romance, suspense romance

The Freelance Writer's E-Publishing Guidebook

Write, Get Paid, Repeat

Prime Your Freelance Writing Career for Success! So you want to be a freelance writer. Great! But now you're faced with a laundry list of questions: Should I freelance full time or part time? Should I write for magazines, newspapers, or online markets? How do I dream up the perfect article idea, and how do I pitch it successfully? How do I negotiate contracts, foster relationships with editors, and start getting steady work while avoiding financial panic attacks and unpleasant ulcers? The Essential Guide to Freelance Writing answers all of these questions--and much more. From breaking in to navigating the basics of the business, this book is your road map to a fruitful and rewarding freelance life. You'll learn how to: • Dig into various markets, including consumer magazines, trade journals, newspapers, and online venues. • Make your digital mark and build your writing platform. • Pitch like a pro and craft solid query letters that get responses. • Conduct professional interviews in person, by phone, or by e-mail. • Write and structure various types of articles, from front-of-the-book pieces to profiles and features. • Quit your lackluster day job, and live the life you've always wanted. Filled with insider secrets, candid advice, and Zachary Petit's trademark humor and blunt honesty, The Essential Guide to Freelance Writing won't just show you how to survive your freelancing writing career--it will teach you how to truly thrive.

**ABOUT THE BOOK** So, you want to become a professional writer? It might seem to be a daunting task, but luckily, it's more attainable than you think. Many publications, websites, and companies, from niche magazines to large corporations, hire professional writers. Much of the writing you read on the web, in fact, is done by professionals. If you have a flair for words, a responsible attitude, and persistence, this is a great way to develop your career or earn extra money on the side. If you're a skilled writer, getting professional writing work is not difficult; it's just a matter of knowing where to look for assignments, understanding how to get them, and delivering what you promise. **MEET THE AUTHOR** professional writer Vivian Wagner has wide-ranging interests, from technology and business to music and motorcycles. She writes features regularly for ECT News Network, and her work has also appeared in American Profile, Entrepreneur,

**Bluegrass Unlimited, and many other publications. She is also the author of Fiddle: One Woman, Four Strings, and 8,000 Miles of Music (Citadel 2010). For more about her, visit her website at [www.vivianwagner.net](http://www.vivianwagner.net). EXCERPT FROM THE BOOK professional writers just starting out are likely to make a few common mistakes. Here are a few you'll want to avoid: Expecting too much too soon It will take time to develop your professional career, just as it takes time to develop any career. For a while, you'll just be establishing your professional identity, and then you might get a little work here and there. It won't be enough to pay the bills, at least at first, but that's to be expected. Stay committed and be persistent, and your professional writing will eventually pay dividends. Lacking confidence You might be afraid to start because you don't think you're qualified. You'll need to conquer that fear, however, and develop confidence in yourself and your abilities. As professionalr Anne Wayman argues in "6 professional Writing Careers and How to Overcome Them," on her site About professional Writing, "the bottom line is if you want to be a successful writer you've got to quit giving into your fears. You've got to write and submit or market and write. It simply won't get done any other way." Buy a copy to keep reading!**

**Written by two freelancers who broke the rules to win the game, this handbook contains a wealth of information for writers who are frustrated by the seemingly limited ways to operate in the freelance market. A suite of appendixes cover topics such as contract procedures, getting paid, services for freelancers, generating ideas, and doing research. Earn six figures as a freelance content marketing writer with this comprehensive how-to-guide. Jennifer shares her proven ideas, step-by-step processes and templates for writers of all career stages. Hundreds of writers (including Jennifer, herself) have used these methods to find high-paying clients, increase their income and create businesses they truly love.**

This guide walks students of any kind (high school, college, and graduate students) through how to make money from freelance writing online. We discuss everything from how to find a niche (and which niches are best for students), how to set up a profile and website, how to contact clients, and how to raise your rates over time until you are making much more than you would make from most part-time jobs. Freelance writing is an excellent way for students to make money on the side without having to work a part-time job with rigid hours. And there's no limit on how much you can make! I have over eight years of experience worked (and tens of thousands of dollars earned) from writing as a freelancer while also being a full-time student. I wrote this how-to guide leveraging the experience I've gained from almost a decade of experience charging high rates and finding clients happy to pay my asking price. Here's to getting started!

The definitive guide to becoming a successful freelance writer, now in an updated and expanded third edition *Secrets of a Freelance Writer* has long been the authoritative guide to making big money as a commercial freelance writer. In this new edition, you'll

## Download Free Freelance Writing On The Side: From No Experience To A 4 Figure A Month Business In Less Than 30 Days

find out how to make \$100,000 a year—or much more—writing ads, annual reports, brochures, catalogs, newsletters, direct mail, Web pages, CD-ROMs, press releases, and other projects for corporations, small businesses, associations, nonprofit organizations, the government, and other commercial clients. You'll also learn how to start out as a freelancer, market yourself to clients, create a successful personal Web site to cull more sales leads, follow up on potential customers to build your practice, and run your business on a day-to-day basis. *Secrets of a Freelance Writer* is the definitive guide to building a successful and lucrative freelance writing practice. *Writing On The Edge* is a trip through various worlds I came to know in depth from the inside: pro football, grand prix racing, French wine, bullfighting, *The New York Times*, opera, treasure diving, NY police headquarters, Hollywood, and, of course, France. These worlds are portrayed as I knew them, together with some of their major players with whom I became involved. So it's a memoir certainly, but it's also a primer for freelance writers: how to make a living at a tough trade—how I did it anyway. I had many successes and became what counts as a rich writer (meaning not very rich.) But there were many downs too—rejections, humiliations, and even lawsuits—but fewer of these as I learned to protect myself. A freelance writer is unemployed each time he finishes a contract. Where will next assignment come from? There is a certain amount of fear in any freelance life, and in this book too. My career brought big fees and fancy places, but not always. Not nearly.

Proofreading is a highly marketable skill that makes for a great side-hustle or second income, especially for teachers. As more people write a variety of content across numerous industries, opportunities abound for professionals with above average language skills to bankroll their knack for words into a profitable home-based business. Now more than ever before, the stage is set for good writers, editors, proofreaders and teachers to sharpen their skills and promote their services. The field of freelance proofreading is wide open with potential clients everywhere. For the curious and the determined, *Start Your Proofreading Side-Hustle* answers the question, "How do I get started as a freelance proofreader?" From defining the job of proofreader to setting up a home office, and finding customers, this book clearly outlines what it takes to launch a freelance proofreading business.

FACT: Businesses Need Writers, and Will Pay Handsomely For Them...

Attention: Aspiring writers, career-changers, at-home Moms, journalists, staff writers, recent college grads, 55+ or anyone else interested in making a handsome living as a writer. Here's your roadmap to hourly rates of \$50-125+ – and a writing lifestyle most can only dream of – in the lucrative field of “commercial” freelancing! This is the updated compilation of the TWO Well-Fed Writer “standards” you've heard about forever! Why Commercial Freelancing? Writing drives business. In the course of communicating with its customers and employees, an average corporation generates an enormous volume of writing. Yet, in today's downsized business world, the catchword is outsourcing. Many companies are asking: “Why pay salaries and benefits when freelancers – offering a range of talent and fresh “outsider” perspectives – give us only what we need, and only when we need it?” In TFWW, you'll learn what those writing projects are, where they are, how to land them, and how to get hired again and again (even with less-than-brilliant writing ability...).

Surprisingly Accessible (and Lucrative) Writing Direction... With NO industry contacts, NO previous paid writing experience, and NO writing training, the author built a commercial writing business from fantasy to full-time in less than four months. Have an unusual niche? Live in a small town? Need to start part-time? Terrified of “sales and marketing”? It's all here. Follow this step-by-step blueprint for leveraging your background into a profitable writing practice that moves light years beyond “starving writing”! [www.wellfedwriter.com](http://www.wellfedwriter.com)

Do you want to make the jump from writing as a side hustle to full-time freelancer? Are you already a freelancer looking for ways to bring in new clients and revitalize your business? This book is for you! Follow the journey of author Jyssica Schwartz as she went from personal blogger to writing on the side to building a profitable business as a full-time freelance writer and editor. You will see exactly where she found clients, how she cold calls and direct messages companies, and read real examples of marketing strategies. It was 90 days almost to the day of getting her first paying client to making enough to quit her sales and business development career to be a writer. She shares personal details of her struggle with anxiety and feeling

isolated working from home to the mistakes and failures she has learned from - and hopes you can learn from, too! Share in her trials and tribulations on the journey to creating a profitable writing business in Write. Get Paid. Repeat.

**Start and Scale Your Freelance Business** The freelance portion of the workforce and the economy is growing at a rapid pace, but the lack of proper training or knowledge about how to run a freelance venture sets most freelancers up for failure. With this new workforce picking up speed, the need is real and the time is now for freelancers to learn how to take their businesses and their paychecks to the next level. **The Six-Figure Freelancer** is a proven path, a battle-tested guide that works for freelancers of all types and includes the author's five years of trial-by-fire lessons used to find, land, and amaze your clients. The book follows an outline of proven tactics to grow a business to the six-figure level and keep it there:

- Knowing the current phase of your freelance business
- Getting into the right mindset to shift your money power
- Knowing how to spot high-value, high-dollar clients
- Determining the structure of your six-figure business (solo or agency model?)
- Speeding your process up and structuring your ideal freelance workday
- Putting together a client benefit-focused marketing tools plan
- Raising your rates and transmitting value to prospective clients
- Avoiding those six-figure earner pitfalls

Throughout this book, readers will have guided action plans and checklists to customize their own specific freelance business.
