

## Freilach Clarinet Klezmer

In this landmark of musical scholarship, the leading 20th-century authority on Jewish music describes and analyzes its elements and characteristics, and chronicles its development from the earliest appearance of Semitic song 2000 years ago to the early 20th century. Liberally illustrating every type of music discussed, the book examines the music as a tonal expression of Judaism, Jewish life and the spiritual aspects of Jewish culture.

(Tara Books). These arrangements are based on recordings from between 1910 and 1940 of Eastern European immigrant musicians who played traditional Jewish dance music for weddings and other celebrations. Many of these pieces were transcribed to help teach klezmer styling to participants of the biennial Midwest klezmer workshop. The arrangements have been prepared to accommodate different ensemble instrumentation, with many parts partially or completely doubling each other. The score edition includes a full performance CD of all 10 tracks.

(LKM Music). This rhapsodic fantasy in a single movement shifts from a lively kli zemer tempo through rubato passages with quasi-improvisational cadenzas and ends with an uptempo "Freilach."

Commissioned by Noah Bendix-Balgley.

(Tara Books). Covers all the moves for musicians ready to tackle Klezmer arrangement. Klezmer style, instrument combinations, orchestration, phrasing, and more for band or small ensemble. 8-1/2 x 11 . Shpil offers an expansive history of klezmer, from its medieval origins through the present era. Individual chapters concentrate on the most common instruments found in a typical klezmer ensemble: violin, clarinet, accordion, bass, percussion, and even voice. Contributors include a cast of musicians who have recorded, performed, and studied klezmer for years. Each chapter concludes with a selection of three songs that illustrate and exemplify the history and techniques already described. Shpil includes a "klezmer glossary" of mostly musical terms and a discography of both classic and new klezmer and Yiddish recordings, all designed to guide readers in the appreciation of this remarkable musical genre and the art of playing and singing klezmer tunes.

The author explores the phenomenon of the Jewish culture in Europe. In this book she

*askes in what way do non-Jews embrace and enact Jewish culture and for what reasons. Klezmer! is the fascinating story of survival against the odds, of a musical legacy so potent it can still be heard despite assimilation and near annihilation. The scratchy, distant sound of the early recordings discovered and studied by Henry Sapoznik have formed a soundtrack for an entirely new generation of performers.*

The music of clarinetists Naftule Brandwein and Dave Tarras is iconic of American klezmer music. Their legacy has had an enduring impact on the development of the popular world music genre.

This book tells the story of Berlin's dynamic klezmer scene, tracing the ongoing dialogue between traditional Yiddish folk music and the creativity and modern urbanity of the German capital. It reveals how contemporary

klezmer has become not only a product but also a producer of the city.

Investigates American klezmer music: its roots, evolution and the revival that began in the 1970s.

In this vivid musical ethnography, Timothy Rice documents and interprets the history of folk music, song, and dance in Bulgaria over a seventy-year period of dramatic change. From 1920 to 1989, Bulgaria changed from a nearly medieval village society to a Stalinist planned industrial economy to a chaotic mix of capitalist and socialist markets and cultures. In the context of this history, Rice brings Bulgarian folk music to life by focusing on the biography of the Varimezov family, including the musician Kostadin and his wife Todora, a singer. Combining interviews with his own experiences of learning how to play, sing and dance Bulgarian folk music, Rice presents one of the most detailed accounts of traditional, aural learning processes in the ethnomusicological literature. Using a combination of traditionally dichotomous musicological and ethnographic approaches, Rice tells the

story of how individual musicians learned their tradition, how they lived it during the pre-Communist era of family farming, how the tradition changed with industrialization brought under Communism, and finally, how it flourished and evolved in the recent, unstable political climate. This work—complete with a compact disc and numerous illustrations and musical examples—contributes not only to ethnomusicological theory and method, but also to our understanding of Slavic folklore, Eastern European anthropology, and cultural processes in Socialist states.

Another great addition to the Avrahm Galper Clarinet Series, here Avrahm presents 42 fantastic Klezmer tunes to add to your repertoire. All arranged for clarinet and B-Flat instruments in easy to read notation, all on single pages to avoid awkward page turns. Intermediate in difficulty.

Klezmer presents a lively and detailed overview of the folk musical tradition as practiced in Philadelphia's twentieth-century Jewish community. Through interviews, archival research, and recordings, Hankus Netsky constructs an ethnographic portrait of Philadelphia's Jewish musicians, the environment they worked in, and the repertoire they performed at local Jewish lifestyle and communal celebrations. Netsky defines what klezmer music is, how it helped define Jewish immigrant culture in Philadelphia, and how its current revival has changed klezmer's meaning historically. Klezmer also addresses the place of musicians and celebratory music in Jewish society, the nature of klezmer culture, the tensions between sacred and secular in Jewish music, and the development of Philadelphia's distinctive "Russian Sher" medley, a unique and masterfully crafted composition. Including a significant amount of musical transcriptions, Klezmer chronicles this special musical genre from its heyday in the immigrant era, through the mid-century period of its decline through its revitalization from the 1980s to today.

Originally published in hardcover in 2002.

"Klezmer" is a Yiddish word for professional folk instrumentalist—the flutist, fiddler, and bass player that made brides weep and guests dance at weddings throughout Jewish eastern Europe before the culture was destroyed in the Holocaust, silenced under Stalin, and lost out to assimilation in America. Klezmer music is now experiencing a tremendous new spurt of interest worldwide with both Jews and non-Jews

recreating this restless volatile, and vibrant musical culture. Firmly centered in the United States, klezmer has paradoxically moved back across the Atlantic as a distinctly "American" music, played throughout central and eastern Europe, as well as in many other parts of the world. Fiddler on the Move places klezmer music squarely within American music studies, cultural studies, and ethnomusicology. Neither a chronology nor a comprehensive survey, the book describes a variety of approaches and perspectives for coming to terms with the highly diverse array of activities found under the klezmer umbrella. Bringing to his subject the insights of an accomplished ethnomusicologist, Slobin addresses such questions as: How does klezmer overlap with, and differ from, the many other contemporary "heritage" musics based on an assumed connection with a group identity and links to a tradition? How do economics, artistic expression, and the evocation of the past interact in motivating klezmer performers and audiences? In what kinds of environment does klezmer flourish? How do stylistic features such as genre, form, and ornamentation help to define the technique, affect, and aesthetic of klezmer? Featuring a music CD with many of the archival and contemporary recordings discussed in the text, this fascinating study will interest scholars, students, musicians, and music lovers

*From Ani DiFranco to Bob Dylan to Woodie Guthrie, American folk music comprises a truly diverse and rich tradition—one that's almost impossible to define in broad terms. This book explains why folk music is still highly relevant in the digital age. \* Interviews with key figures in folk music including Janis Ian, Nora Guthrie (Woody's daughter), Jonathan Edwards, Tom Paxton, David Bromberg, and others \* 25 photos of various personalities and instruments, all taken by the author, an award-winning photo journalist. Cover photo of Pete Seeger is also by the author \* Foreword by Jibjab co-founders Gregg and Evan Spiridellis \* More Folk, an appendix of selected Resources (a comprehensive guide to books, Web sites, instructional materials, camps, radio, children's material, record labels, organizations, museums, etc.) \* Listening Space, an appendix identifying 75 influential or representative recordings spanning the history of folk from the author's perspective*

*You can hear it in the hottest clubs in New York, the hippest rooms in New Orleans, Chicago, and San Francisco, and in top concert halls around the world. It's a joyous sound that echoes the past. It's Old World meets New World. It's secular and sacred. It's traditional and experimental. It's played by classical violinist Itzhak Perlman (his all-klezmer album in his all-time best-seller!), the hypno-pop band Yo La Tengo, and avant-gardist John Zorn. It made the late great Benny Goodman's clarinet wail. It's klezmer and it's hot! The Essential Klezmer is the definitive introduction to a musical form in the midst of a renaissance. It documents the history of klezmer from its roots in the Jewish*

*communities of medieval Eastern Europe to its current revival in Europe and America. It includes detailed information about the music's social, cultural, and political roots as well as vivid descriptions of the instruments, their unique sounds, and the players who've kept those sounds alive through the ages. Music journalist Seth Rogovoy skillfully conveys the emotional intensity and uplifting power of klezmer and the reasons for its ever widening popularity among Jews and Gentiles, Hasidim and club kids, grandparents and their grandkids. A comprehensive discography presents the "Essential Klezmer Library," extensive lists of recordings, artists, and styles, as well as an up-to-the-minute resource of music retailers, festivals, workshops, and klezmer Web sites. The Essential Klezmer is as entertaining as it is enlightening.*

*Experiencing Jewish Music in America: A Listener's Companion offers an easy-to-read and new perspective on the remarkably diverse landscape that comprises Jewish music in the United States. This much-needed survey on the art of listening to and enjoying this dynamic and diverse musical culture invites listeners curious about the many types of music in its connection to Jewish life. Experiencing Jewish Music in America is intended to encourage further reading about, listening to, and viewing of this portion of America's musical heritage, and provide listeners with the tools to understand and appreciate this body of work. This volume is designed to appeal to listeners of all stripes, regardless of ability to read music, and of religious or cultural background. Experiencing Jewish Music in America offers insights into an extensive range of musical genres and styles that have been central to the Jewish experience, beginning with the arrival of the first Jewish immigrants in the sixteenth century and the chanting of the Torah, to the sounds of pop today. It lays the groundwork for the*

*listener's understanding of music in its relation to Jewish studies by exploring the wide range of venues in which this music has appeared, from synagogue to street to stage to screen. Each chapter offers selected case studies where these unique forms of music were—and still can be—heard, seen, and experienced. This book gives readers unique insights into the challenges of classifying Jewish music, while it traces its history and development on American soil and outlines “ways of listening” so readers can draw clear connections to Jewish culture. The volume thus brings together American Jewish history, the story of American and Jewish music, and the roles of the individuals important to both. It offers the reader tools to identify, evaluate, and appreciate the musical genres, and reflect the growing interest of the past decade in the academic study of Jewish music.*

*More than a pattern book, this lays out the theory behind the use of pentatonic scales in jazz, and follows with transcribed solos and exercises. Still a favorite after 14 years, this book has become a standard in the field.*

***A unique collection of 66 fiddle tunes illustrating the major regional styles found across America and Canada. This book contains rare vintage photographs, player's biographical profiles, historical and performance notes, bowing***

***indications, and information on cross-tunings and the American institution of fiddle contests. the authors have collaborated brilliantly on this labor of love to produce a definitive volume of tunes transcribed from recordings by many of the best fiddlers in North America. Exemplary tunes are included from the Northeast, Southeast and Western regions, plus various widespread ethnic styles including Cajun, Irish, Scandinavian, Klezmer, and Eastern European styles.***

***This text and DVD package helps you to introduce students to a variety of dances without having to leave the classroom! It includes 39 dance performances and resources for 21 more dance forms.***

***Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published What to Listen for in Music, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update***

***Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop. Johann Joachim Quantz's On Playing the Flute has long been recognized as one of the primary sources of information about eighteenth-century performance practice. In spite of its title, it is not simply a tutor for the flute, but a fully-fledged programme for training musicians of all types, with***

***detailed information on intonation, ornamentation, dynamics, the 'duties' of the various accompanying performers, including the leader of the orchestra, and the principal forms and styles (French, Italian and German) of the time. Although Quantz is most often identified as the teacher of Frederick the Great, his musical roots were in Dresden, the most brilliant musical establishment in Germany; and his travels and studies in Italy, France and England gave him direct experience of most phases of European musical life in the 1720s and 30s. This reissue of the second edition provides a wonderfully complete and detailed picture of musical taste and performance practice in the 18th century, and includes a new introduction by Professor Reilly, drawing attention to recent research on Quantz. Whether you want to learn to play the flute and be taught by the teacher of Frederick the Great, or just to gain a first-hand insight into the history of classical music, On Playing the Flute is an essential and entertaining read.***

***In response to many requests for a simplified***

***version of his highly acclaimed Klezmer Collection, Stacy Phillips has compiled a selection of pieces for beginning instrumentalists from that classic book. Klezmer music originally came from the Jewish ghettos of Eastern Europe of the 19th and early 20th Centuries. the style reflects its mix of heritages from Europe, Near East and Gypsy. These arrangements are based on some of the earliest classic recordings in Europe and America. As such, they are a great introduction to this music which is now a world-wide phenomenon. Each number is arranged for C, Bb, Eb and bass clef instruments. Brass, reed, piano, flute, and string players can receive instant gratification from these entry level arrangements. the accompanying CD demonstrates ensemble versions of all the music, performed at slow tempos, by world class Klezmer artists on clarinet, violin, guitar and bass. (Woodwind). This collection of traditional hornpipes, ballads and jigs includes a CD of performance tracks.***

***Klezmer is the first comprehensive study of the musical structure and social history of klezmer music - the music of the Jewish musicians' guild of Eastern Europe. Emerging in 16th century Prague, the klezmer became a central cultural feature of the largest transnational Jewish community of modern times - the Ashkenazim of Eastern Europe-until the decades following World War I. Author Walter Zev Feldman treats the major sources in relevant languages - principally Russian, Yiddish, Hebrew,***

***and Romanian - from the 16th to the 20th centuries, including interviews with authoritative European-born klezmerim, conducted over a period of more than thirty years in America, Eastern Europe and Israel. Including musical analysis, the book draws upon the foundational collections of the late Tsarist and early Soviet periods, plus rare cantorial and klezmer manuscripts from the late 18th to the early 20th centuries. Klezmer reveals the artistic transformations of the liturgy of the Ashkenazic synagogue in klezmer wedding melodies, and presents the most extended study available in any language of the relationship of Jewish dance to the rich and varied klezmer music of Eastern Europe. The complex of speech, dance, and musical gesture is deeply rooted in Jewish expressive culture, and reached its highest development in Eastern Europe. Much of the musical and choreographic history of the Ashkenazim is embedded in the klezmer repertoire, which functioned as a kind of non-verbal communal memory.***

***An invention of the Industrial Revolution, the accordion provided the less affluent with an inexpensive, loud, portable, and durable "one-man-orchestra" capable of producing melody, harmony, and bass all at once.
