experiences of an established Power Seller. Everything is covered; from the practical concerns of international sales to the purchase of packing materials. With a fresh, common sense approach to selling, the book includes many hints, tips and personal recommendations that can be applied to all of your eBay activities. One of the most valuable sections is the one dedicated to finding stock to sell. Where traders obtain their stock is a closely guarded secret and often finding where to buy can be quite daunting. This guide tells you where to look, how to buy from different sources and, perhaps the most interesting of all, how to use eBay as a source of goods. Discover how

The Absolutely Essential Guide To Selling On eBay

"You might be doing a lot of the Right things when running your retail business. It only takes a few of the Wrong things for the business to turn against you." eBay. A household brand, an online destination as famous as Amazon or maybe even more so because it has that "intriguing factor": auctions, rare, unusual or collectable items; and people will immediately remember about buying or selling on eBay when it comes to pretty much anything you might be thinking of. The Internet is supersaturated with information

about why, when and how to sell on eBay, for every level of user experience - beginner, established or expert/professional. We have chosen a combination between many, many years of experience and day by day acclimatisation to what's new; happening right now as you read. Our intention is to always lower the volume, supply you with real life data and, quality before quantity. Over the years we have come to understand that success or being a successful businessperson is not just for the privileged few - huge corporations, already well-established businesses, big brands - but it can also be achieved by anyone with the right vision over today's world ever changing demand
