Hail To The Chief (Ellis The Elephant)

In the New York Times bestseller, Sweet Land of Liberty, Ellis the Elephant learned why America is the greatest country on Earth. Now Ellis is back and ready to learn about the birth of our great nation in Ellis and the 13 Colonies. Written and illustrated by Callista Gingrich and Susan Arciero, Ellis once again educates and entertains kids as he goes back to the library to learn about the original thirteen colonies. Starting with Jamestown, Ellis journeys through each colony and learns about the different founders, each colony's unique characteristics, and more! From the Pilgrims and the Indians to New Amsterdam and New Netherlands, kids will discover well-known and little-known facts about America and her first settlers. Perfect for children ages 5-8 years old, Ellis and the 13 Colonies will delight young and adult readers alike while teaching kids about America's roots and early history.

*A visit from the President of the United States always brings with it excitement. In Maine, perhaps part of that excitement stems from the fact that presidents rarely visit the state-only 18 of the 45 presidents have visited Maine in the nation's 244-year history. Many of these visits came at significant points in a presidency; and some visits had controversy, conflict, and ironic twists. For example: * During George Washington's visit, Maine was not even Maine, it was part of Massachusetts. * President Ulysses S. Grant was the hero of the recently ended Civil War. * President Richard Nixon was met with protests that saw Mainer battle Mainer. * President Carter spent the night of his visit with a common, ordinary Maine family, in their modest home.*

** President Trump's visit came in the middle of a global pandemic. Each of Maine's presidential visits left us with great stories, and a detailed view of Maine's lively history.*

Ellis the Elephant dives back into history! In Yankee Doodle Dandy, the third installment of this New York Times bestselling series, America's favorite time traveling pachyderm is back, teaching kids (and parents!) about the American Revolution. In Sweet Land of Liberty and Land of the Pilgrims' Pride, Ellis the Elephant explored pivotal moments that shaped American history. Now Ellis is back, and eager to learn about America's most beloved patriots and their courageous fight for independence. Traveling through time, Ellis the Elephant encounters the Sons of Liberty, Patrick Henry, Paul Revere, the Founding Fathers, Betsy Ross, and more. Authored by Callista Gingrich and illustrated by Susan Arciero, Yankee Doodle Dandy educates and entertains as Ellis the Elephant experiences the American Revolution. With beautiful illustrations and charming rhymes, Yankee Doodle Dandy is a must read for young and old alike who want to know how America became a free and independent nation.

The Identification of Behavioral, Geographic and Temporal Patterns of Preparatory Conduct

Report of the Chief Signal Officer, United States Army, to the Secretary of War

Harold Pendergast is one important guy. He works 18-hour days as the legislative assistant to the biggest ego in the Great Commonwealth of Virginia: Lieutenant Governor Stratton Ellis. Some people collect stamps, Harold collects political victims. The number of victims each legislative session is generally equal to the number of holes the nervous Harold has plucked in his trousers. It all works out. Or did, until a group of citizens launches a website all about the nefarious machinations of Harold's egomaniacal boss. Harold's list of political victims swells alarmingly as he frantically tries to quash the uprising. But efforts to save Stratton Ellis spiral wildly out of control, and eventually Harold is forced to choose between becoming a snitch for the FBI and spending quality time in a prison cell - and really, how would that look on his resume?

Today's political scene looks nothing like it did thirty years ago, and that is due mostly to Reagan's monumental reshaping of the Republican party. What few people realize, however, is that Reagan's revolution did not begin when he took office in 1980, but in his failed presidential challenge to Gerald Ford in 1975-1976. This is the remarkable story of that historic campaign-one that, as Reagan put it, turned a party of "pale pastels" into a national party of "bold colors." Featuring interviews with a myriad of politicos, journalists, insiders, and observers, Craig Shirley relays intriguing, never-before-told anecdotes about Reagan, his staff, the campaign, the media, and the national parties and shows how Reagan, instead of following the lead of the ever-weakening Republican party, brought the party to him and almost single-handedly revived it.

Utilizing new primary source material from the Papers of GeorgeWashington, a documentary editing project dedicated to thetranscription and publication of original documents, A Companionto George Washington features a collection of original readingsfrom scholars and popular historians that shed new light on allaspects of the life of George Washington. Third series

"A history of plotters, would-be assassins, and individuals who have threatened the lives of American presidents from Washington to Hoover and the story of the guards, agents, and officers who protected them"--

The first mention of Christian Latin hymns by a known author occurs in the writings of St. Jerome who states that Hilary, Bishop of Poitiers (c. 310-366), a noted author of commentaries and theological works, wrote a Liber Hymnorum. This collection has never been recovered in its entirety. Hilary's priority as a hymn writer is attested by Isidore of Seville (d. 636) who says: Hilary, however, Bishop of Poitiers in Gaul, a man of unusual eloquence, was the first prominent hymn writer. More important than his prior claim is the motive which actuated him, the defense of the Trinitarian doctrine, to which he was aroused by his controversy with the Arians. A period of four years as an exile in Phrygia for which his theological opponents were responsible, made him familiar with the use of hymns in the oriental church to promote the Arian heresy. Hilary wrested a sword, so to speak, from his adversaries and carried to the west the hymn, now a weapon of the orthodox. His authentic extant hymns, three in number, must have been a part of the Liber Hymnorum. Ante saecula qui manens, "O Thou who dost exist before time," is a hymn of seventy verses in honor of the Trinity; Fefelit saevam verbum factum te, caro, "The Incarnate Word hath deceived thee (Death)" is an Easter hymn; and Adae carnis gloriosae, "In the person of the Heavenly Adam" is a hymn on the theme of the temptation of Jesus. They are ponderous in style and expression and perhaps too lengthy for congregational use since they were destined to be superseded. In addition to these the hymn Hymnum dicat turba fratrum, "Let your hymn be sung, ye faithful," has been most persistently associated with Hilary's name. The earliest text occurs in a seventh century manuscript. It is a metrical version of the life of Jesus in seventy-four lines, written in the same meter as that of Adae carnis gloriosae.

Ellis the Elephant is back, and he's headed to the White House! In Hail to the Chief, the sixth in Callista Gingrich's New York Times bestselling series, Ellis meets some of America's greatest presidents and discovers how they have led our country throughout American history. In preceding books, including Sweet Land of Liberty, Land of the Pilgrims' Pride, Yankee Doodle Dandy, From Sea to Shining Sea, and Christmas in America, Ellis learns about the pivotal moments that have shaped our nation. Now, in Hail to the Chief, this adorable pachyderm explores the fascinating lives of those who have held the nation's highest office. Authored by Callista Gingrich and illustrated by Susan Arciero, Hail to the Chief will delight young and old alike with a glimpse of the leaders who helped make America an exceptional nation.

Plotting to Kill the President

Finding Harold

The work covers military signaling and the weather service. The latter brand was transferred in 1890, to the Weather Bureau, organized under the Dept. of Agriculture.

A cult classic, adapted into a film starring Christian Bale. Is evil something you are? Or is it something you do? Patrick Bateman has it all: good looks, youth, charm, a job on Wall Street, reservations at every new restaurant in town and a line of girls around the block. He is also a psychopath. A man addicted to his superficial, perfect life, he pulls us into a dark underworld where the American Dream becomes a nightmare. . . . With an introduction by Irvine Welsh, Bret Easton Ellis's American Psycho is one of the most controversial and talked-about novels of all time. A multi-million-copy bestseller hailed as a modern classic, it is a violent black comedy about the darkest side of human nature.

Not the White House Oval Office but a near-exact replica was built in Longview, Texas in 2005. Ronald Ellis Wade had previously worked with and known seven United States Presidents and when he thought about a location in his home for an exact replica of the Oval Office Resolute Desk, he decided to build his own Oval Office. This would be built to house his collection of original White House furniture and gifts he had received from Presidents he had known. Since 2005 thousands of people have toured the replica in Longview. Wade never charges for admission and has had visitors from countries all over the world. He has hosted many school group tours each year and even has an annual visit from a group from Paris, France. This is the story of the process Wade and the builders went through to make exacting copies of all the details of the office, from the intricate moldings in the office to lighting and other fixtures. When shown a large photograph of the replica by Ron, former President George W. Bush said that Wade had gotten it all just right. Former official White House photographer Eric Draper on visiting Wade said it was the best replica he'd seen. Presidential Libraries have replicas but this is the only known replica which is actually oval and includes all the details found in the original. Enjoy this book to see how it was built and the resulting beauty.

Ellis the Elephant is back and ready for another adventure in American history! In From Sea to Shining Sea, the fourth installment of Callista Gingrich's New York Times bestselling series, Ellis explores the early years of the United States and heads west into uncharted territory with Lewis and Clark. In previous books, Sweet Land of Liberty, Land of the Pilgrims' Pride, and Yankee Doodle Dandy, Ellis learned about pivotal moments that have shaped America. Now, in From Sea to Shining Sea, America's favorite time-traveling pachyderm discovers a new and growing nation along with George Washington, Thomas Jefferson, Lewis and Clark, Sacagawea and others. Authored by Callista Gingrich and illustrated by Susan Arciero, From Sea to Shining Sea will delight those who want to know how brave Americans forged a growing nation and spread freedom from coast to coast.

What do George and Laura Bush have in common with Dick and Jane? Well, both hail from prototypical WASP families. And, perhaps more to the point, both exhibit a natural resistance to moral complexity (i.e., reality). That's the premise of this hilarious new primer-style book in which George, Laura, and the entire Bush family communicate with uncharacteristic expressiveness, conveying shades of of feeling and nuances of meaning that plain old English can't deliver -- by peppering their conversatuon with Yiddishisms. See George's mother. Her name is Bar. She wears a lot of pearls and is a farbisseneh. "You are late, George," Bar says. "Of course I am late," George says. "I am the President of the United States. I am a big macher." Like all good primers, Yiddish with George and Laura tells a simple story -- and, in the end, important life lessons are imparted.

Cornelia Knight (1757-1837) records her personal reminiscences, and political and historical observations from childhood to age 60. Born into an upper class family her father was Sir Joseph Knight, rear admiral, while her mother and stepmother are not named. Details of her childhood include attending primary school in Switzerland aged 5, and travelling with her mother to Italy and France. She records details of her mother's friendship with Thomas Gainsborough and Sir Joshua Reynolds, and memories of Samuel Johnson. She writes on Italian fashion and customs, the Italian common people's horror of the French Revolution, and the occupation of Rome by French troops. In 1812 she enters the service of Princess Charlotte (the Queen's daughter) at Warwick House, and she describes her personal experiences as lady companion to the princess.

Report of the Chief

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Every beginning guitarist needs a solid collection of melodies to expand their knowledge of music and make playing more fun. The Huge Book of Really Easy Melodies for Guitar in TAB features over 140 of the most recognizable melodies arranged for easy guitar. Arrangements are in simple keys and shown in both standard music notation and TAB to make learning quick and easy. Styles include folk, classical, holiday, patriotic, sacred, spiritual, international, and children's songs, and every arrangement includes chords so you can play along with friends or a teacher. Whether you play these songs in your lessons or learn them on your own, this collection is a must-have for all beginning guitarists.

Sweet Land of Liberty is Thomas J. Sugrue's epic account of the abiding quest for racial equality in states from Illinois to New York, and of how the intense northern struggle differed from and was inspired by the fight down South. Sugrue's panoramic view sweeps from the 1920s to the present--more than eighty of the most decisive years in American history. He uncovers the forgotten stories of battles to open up lunch counters, beaches, and movie theaters in the North; the untold history of struggles against Jim Crow schools in northern towns; the dramatic story of racial conflict in northern cities and suburbs; and the long and tangled histories of integration and black power. Filled with unforgettable characters and riveting incidents, and making use of information and accounts both public and private, such as the writings of obscure African American journalists and the records of civil rights and black power groups, Sweet Land of Liberty creates an indelible history.

A book to challenge the status quo, spark a debate, and get people talking about the issues and questions we face as a country!

Ellis the Elephant is headed back to the White House! In Remember the Ladies, the seventh in Callista Gingrich's New York Times bestselling series, Ellis meets some of America's greatest first ladies and discovers their many contributions to American history. In preceding books, including Sweet Land of Liberty, Land of the Pilgrims' Pride, Yankee Doodle Dandy, From Sea to Shining Sea, Christmas in America, and Hail to the Chief, Ellis learns about the pivotal moments that have shaped our nation. Now, in Remember the Ladies, this adorable pachyderm explores the fascinating lives of our first ladies. Authored by Callista Gingrich and illustrated by Susan Arciero, Remember the Ladies will delight young and old alike with a look at the first ladies who helped make America an exceptional nation.

With an introduction by the author of Circe and The Song of Achilles, Madeline Miller in Lucky Alice Sebold reveals how her life was irrevocably changed when, as an eighteen-year-old college freshman, she was raped and beaten inside a tunnel near her campus. In this same tunnel, a girl had been raped and dismembered. By comparison, Alice was told by police, she was lucky. Though Alice's friends and family try their best to offer understanding and support, in the end it is Alice's formidable spirit which resonates most in these pages. In a narrative both painful and inspiring,

Alice Sebold shines a light on the true experience of violent trauma. Sebold's redemption turns out to be as hard-won as it is real.

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1910 edition. Excerpt: ... AUTO-EBOTISM: A STUDY OF THE SPONTANEOUS MANIFESTATIONS OF THE SEXUAL IMPULSE. I. Definition of Auto-erotism--Masturbation only Covers a Small Portion of the Auto-erotic Field--The Importance of this Study, especially To-day--Auto-erotic Phenomena in Animals--Among Savage and Barbaric Races--The Japanese rin-no-tama and other Special Instruments for Obtaining Auto-erotic Gratification--Abuse of the Ordinary Implements and Objects of Daily Life--The Frequency of Hairpin in the Bladder--The Influence of Horse-exercise and Railway Traveling--The Sewing-machine and the Bicycle--Spontaneous Passive Sexual Excitement--Delectatio Morosa--Day-dreaming--Pollutio--Sexual Excitement During Sleep--Erotic Dreams--The Analogy of Nocturnal Enuresis-- Differences in the Erotic Dreams of Men and Women--The Auto-erotic Phenomena of Sleep in the Hysterical--Their Frequently Painful Character. By "auto-erotism" I mean the phenomena of spontaneous sexual emotion generated in the absence of an external stimulus proceeding, directly or indirectly, from another person. In a wide sense, which cannot be wholly ignored here, auto-erotism may be said to include those transformations of repressed sexual activity which are a factor of some morbid conditions as well as of the normal manifestation of art and poetry, and, indeed, more or less color the whole of life. Such a definition excludes the normal sexual excitement aroused by the presence of a beloved person of the opposite sex; it also excludes the perverted sexuality associated with an attraction to a person of the same sex; it further excludes the manifold forms of erotic fetichism, in which the normal

focus of sexual attraction is displaced, and voluptuous emotions are only aroused by some object--hair, ...
