As parents, we all know that children can be notoriously difficult to cook for. Many of us fall into the habit of cooking over and over again, simply because we cannot bear the idea of scraping wasted food into the bin at the end of a meal. A child's formative years are when they learn to accept and like new foods, and it is therefore of great importance to introduce them with new tastes and different textures as often as you can. Hamlyn All Colour Cookbook: 200 Recipes for Kids has been written with this in mind, but also with the knowledge that children are generally fussy creatures and like their food to be simple and good. Each recipe has been photographed to show you exactly what you will be cooking (and what they will be eating) and each course has been tested for child-appeal. To prevent your children getting bored by the same meals, we have also added a variation at the end of each recipe.

Hamlyn All Colour Cookbook: 200 Classic Cocktails offers a wide range of cocktails to make at home, from martinis and daiquiris to larger punches and pitchers for everyone to share. With step-by-step instructions and full-colour photography, each recipe is easy to follow and even easier to enjoy!
