

Jim Elliot: He Is No Fool (Torchbearers)

Tells the stories of ten girls who remained strong in their faith and changed the world.

The story of Nate Saint, a missionary pilot, who was killed along with four others while bringing God's Word to the elusive Auca tribe in Ecuador. Hard times come for all in life, with no real explanation. When we walk through suffering, it has the potential to devastate and destroy, or to be the gateway to gratitude and joy. Elisabeth Elliot was no stranger to suffering. Her first husband, Jim, was murdered by the Waoroni people in Ecuador moments after he arrived in hopes of sharing the gospel. Her second husband was lost to cancer. Yet, it was in her deepest suffering that she learned the deepest lessons about God. Why doesn't God do something about suffering? He has, He did, He is, and He will. Suffering and love are inexplicably linked, as God's love for His people is evidenced in His sending Jesus to carry our sins, griefs, and sufferings on the cross, sacrificially taking what was not His on Himself so that we would not be required to carry it. He has walked the ultimate path of suffering, and He has won victory on our behalf. This truth led Elisabeth to say, "Whatever is in the cup that God is offering to me, whether it be pain and sorrow and

suffering and grief along with the many more joys, I'm willing to take it because I trust Him." Because suffering is never for nothing. There may be no more powerful desire in the human heart than to be loved. And not just loved, but loved anyway. In spite of what we've done or left undone, in spite of the ways we have failed or floundered. We long for an unconditional, lavish love that we know intrinsically we don't deserve. If you are tired, sad, yet always longing, bestselling author Jared C. Wilson has incredible news for you: that kind of love actually exists, and it is actually something you can experience--whether or not you're in a romantic relationship. In his signature reflective, conversational, and often humorous style, Wilson unpacks 1 Corinthians 13 to show us what real love looks like. Through engaging stories and touching anecdotes, he paints a picture of an extravagant God who not only puts the desire for love into our very souls but fulfills those desires in striking, life-changing ways.

Ten Girls who Changed the World

End of the Spear

A biography of the Dutch woman who survived imprisonment in Nazi concentration camps to become a Christian missionary. Their paths to God's purpose led them together. Many know the heroic story of Jim Elliot's violent death in 1956, killed along with four other missionaries by a primitive Ecuadorian tribe they were seeking to reach. Many also know the prolific legacy of Elisabeth Elliot, whose inspiring influence on generations of believers through print, broadcast, and personal testimony continues to resonate, even after her own death in 2015. What many don't know is the remarkable story of how these two stalwart personalities—single-mindedly devoted to pursuing God's will for their young lives, certain their future callings would require them to sacrifice forever the blessings of marriage—found their hearts intertwined. Their paths to God's purpose led them together. Now, for the first time, their only child—daughter Valerie Elliot Shepard—unseals never-before-published letters and private journals that

capture in first-person intimacy the attraction, struggle, drama, and devotion that became a most unlikely love story. Riveting for old and young alike, this moving account of their personal lives shines as a gold mine of lived-out truth, hard-fought purity, and an insider's view on two beloved Christian figures.

Curriculum guide for use with the author's Jim Elliot: one great purpose.

All Christians are called. Called to love God with all that we are. Called to serve Him. Called to reach out to the lost. However, if we are honest, the majority of us would admit that we find this last calling the most difficult. While we gladly support the evangelistic ministries of others, many of us feel discouraged by our own attempts at witnessing because our memorized approaches don't seem to work. This biblical study of evangelism gracefully reminds us that the New Testament model of witnessing is not a one-size-fits-all methodology. With compassion for the lost filling every page, Jerram Barrs shows the variety of

approaches used in the New Testament-where the same uncompromised Gospel was packaged as differently as the audience-and calls you to follow its example. You can learn to witness comfortably in your particular circumstances so that sharing Christ doesn't feel like a chore. And as you watch God work in the lives of others and see the great blessings He brings, you'll discover what a privilege it is to live out the heart of evangelism: truly loving others to Christ.

steamy jungle in Ecuador. They were brutally killed by an unreached tribe they had worked long and hard to reach with God's love. Many thousands of individuals have come to know Christ in a personal and living way and thousands of others have altered the direction of their lives as a result of the shocking massacre and the many articles and books written about it. Even the Auca Indians who thrust those fatal spears have seen a significant portion of their number come to know Jesus Christ.

Content This unique book contains transcripts of four messages given by Jim Elliot before leaving for the mission field. The first two messages are hard-hitting straightforward talks to seventh and eighth-grade students. The first is about "Spiritual Desire" including its nature and how to increase it. The second discusses "The Effects of Sin in a Christian." The third message, entitled "Peter," is an exposition of 1 Peter 1:3. The fourth, "God's Prophet," traces the concept and role of a prophet with the primary focus being Jesus Christ, the Father's ultimate Prophet. Robert Lloyd Russell grew up in the same local church as Jim Elliot and was a friend of the Elliot family for many years. Jim was one of his childhood Sunday School teachers

and there was a period of several weeks when Russell and his parents and siblings lived with the Elliots in their home. One of Jim's brothers, "Dr. Bob," officiated at Mr. Russell's wedding.

Elisabeth Elliot was a young missionary in Ecuador when members of a violent Amazonian tribe savagely speared her husband Jim and his four colleagues. Incredibly, prayerfully, Elisabeth took her toddler daughter, snakebite kit, Bible, and journal . . . and lived in the jungle with the Stone-Age people who killed her husband. Compelled by her friendship and forgiveness, many came to faith in Jesus. This courageous, no-nonsense Christian went on to write dozens of books, host a long-running radio show, and speak at conferences all over the world. She was a pillar of coherent, committed faith; a beloved and sometimes controversial icon. In this authorized biography, Becoming Elisabeth Elliot, bestselling author Ellen Vaughn uses Elisabeth's private, unpublished journals, and candid interviews with her family and friends, to paint the adventures and misadventures God used to shape one of the most influential women in modern church history. It's the story of a hilarious, sensual, brilliant,

witty, self-deprecating, sensitive, radical, and surprisingly relatable person utterly submitted to doing God's will, no matter how high the cost. For Elisabeth, the central question was not, "How does this make me feel?" but, simply, "is this true?" If so, then the next question was, "what do I need to do about it to obey God?" "My life is on Thy Altar, Lord—for Thee to consume. Set the fire, Father! Bind me with cords of love to the Altar. Hold me there. Let me remember the Cross." -Elisabeth Elliot, age 21

The Mind of a Missionary is your ammunition in the war against inaction. It is gasoline to set ablaze your missional zeal. Do you need an effective weapon to overcome the status quo? This is it. We all know that God fashioned you for greatness. He formed you for a purpose. God created you to know Him and to make Him known.

Help them or tell them? Be like Jesus or talk about Jesus? Social action or gospel proclamation? It seems the two are often pitted against each other, as if they are mutually exclusive. But the New Testament paints a different picture where both aspects are valued. In this plea for a renewed understanding of the Christian calling, Chester argues that faithfulness to the gospel necessitates a commitment to evangelism and social involvement. To that end, he structures the book around three basic theses: 1.) evangelism and social

action are distinct activities, 2.) proclamation is central, and 3.) evangelism and social action are inseparable. Responding to Christians in both camps, Chester helps people to talk the talk and walk the walk.

Readers of The Persuasive Christian Parent will learn: - Why parents are the most important influence in their children's lives- That truth should be a consistent topic of conversation with our children- That parents can have confidence in Christian truth and teach that to their kids- Why plausibility is important to a confident faith- How Christianity explains reality far more powerfully than anything else- How a hostile, secular culture can strengthen their children's faithBecause of this hostile, secular culture, many Christian parents fear for their children's faith. Must we stumble through sorrow and tragedy without understanding or is there a lighted way—a path—through suffering? Elisabeth Elliot plots the treacherous passage through pain, grief and loss a journey most of us will make many times in our life. Through it all, she says there is only one reliable path, and if you walk it, you will see the transformation of all your losses, heartbreaks and tragedies into something strong and purposeful. In this powerful moving book, Elisabeth Elliot does not hesitate to ask hard questions to examine tenderly the hurts we suffer and to explore boldly the nature of God whose sovereign care for us is so intimate and perfect that he confounds our finite understanding. "A Path through Suffering" is a book for anyone searching for faith, comfort and assurance.

Jim Elliot had a loving wife, a beautiful little girl, and a reason for real joy. God had called him to bring the good news of Jesus Christ to the Auca Indians. The love of Christ not only thrilled him, but gave him peace. Jim would spend the rest of his life bringing Jesus to the lost Aucas ... but the rest of Jim's life was only a matter of months. Persecution and death are a reality for many Christians today.

Jim Elliot and four other young men died in the middle of doing God's work. The very people they had come to rescue came out against them with machetes and clubs. But Jim had realised for quite some time what serving God really meant. There is nothing that is worth more than Jesus - not even your life. 'He is no fool who gives up what he cannot keep to gain what he cannot lose.' This is the story of Jim's love for a fighting people and of his fight for a loving God. When his life ended, the work went on and many of the Auca Indians today have the same reason that Jim Elliot had for real joy. Includes: Thinking Further Topics Timeline Map

and martyrdom. It is the best-selling account of the martyrdom of Jim Elliot and four other missionaries at the hands of the Huaorani Indians in Ecuador. *2005 ECPA Retailer's Choice Award winner for best biography/autobiography! Steve Saint was five years old when his father, missionary pilot Nate Saint, was speared to death by a primitive Ecuadorian tribe. In adulthood, Steve, having left Ecuador for a successful business career in the United States, never imagined making the jungle his home again. But when that same tribe asks him to help them, Steve, his wife, and their teenage children move back to the jungle. There, Steve learns long-buried secrets about his father's murder, confronts difficult choices, and finds himself caught between two worlds. Soon to be a major motion picture (January 2006), *End of the Spear* brilliantly chronicles the continuing story that first captured the world's attention in the bestselling book, *Through Gates of Splendor*.*

*In January of 1956, five young evangelical missionaries were speared to death by a band of the Waorani people in the Ecuadorian Amazon. Two years later, two missionary women--the widow of one of the slain men and the sister of another--with the help of a Wao woman were able to establish peaceful relations with the same people who had killed their loved ones. The highly publicized deaths of the five men and the subsequent efforts to Christianize the Waorani quickly became the defining missionary narrative for American evangelicals during the second half of the twentieth century. *God in the Rainforest* traces the*

formation of this story and shows how Protestant missionary work among the Waorani came to be one of the missions most celebrated by Evangelicals and most severely criticized by anthropologists and others who accused missionaries of destroying the indigenous culture. Kathryn T. Long offers a study of the complexities of world Christianity at the ground level for indigenous peoples and for missionaries, anthropologists, environmentalists, and other outsiders. For the first time, Long brings together these competing actors and agendas to reveal one example of an indigenous people caught in the cross-hairs of globalization. Meals have always been important across societies and cultures, a time for friends and families to come together. An important part of relationships, meals are vital to our social health. Author Tim Chester sums it up: "Food connects." Chester argues that meals are also deeply theological—an important part of Christian fellowship and mission. He observes that the book of Luke is full of stories of Jesus at meals. These accounts lay out biblical principles. Chester notes, "The meals of Jesus represent something bigger." Six chapters in *A Meal with Jesus* show how they enact grace, community, hope, mission, salvation, and promise. Moving from biblical times to the modern world, Chester applies biblical truth to challenge our contemporary understandings of hospitality. He urges sacrificial giving and loving around the table, helping readers consider how meals can be about serving others and sharing the grace of Christ.

Although he never went abroad, Andrew Fuller was a zealous promoter of world missions, influencing countless missionaries, such as William Carey, and championing the importance of sound doctrine for the perseverance and fruitfulness of world evangelism. In this short biography, John Piper puts Fuller's movement-inspiring life and theology on display, calling all Christians to devote themselves to knowing,

guarding, and spreading the true gospel—even to the very ends of the earth.

Does the Reformation Still Matter? In 1517, a German monk nailed a poster to the door of a church, disputing key doctrines taught by the Roman Catholic Church in that day. This moment set in motion a movement that changed the entire trajectory of church history. But do the Reformers still have something to teach us? In this accessible primer, Michael Reeves and Tim Chester answer eleven key questions raised by the Reformers—questions that remain critically important for the church today.
