'Seeing Voices is both a history of the deaf and an account of the development of an extraordinary and expressive language' – Evening Standard  
Imaginative and insightful, Seeing Voices by Oliver Sacks offers a way into a world that is, for many people, alien and unfamiliar – for to be profoundly deaf is not just to live in a world of silence, but also to live in a world where the visual is paramount. In this remarkable book, Sacks explores the consequences of this, including the different ways in which the deaf and the hearing impaired learn to categorize their respective worlds – and how they convey and communicate those experiences to others.

In 1862 Charles Lutwidge Dodgson, a shy Oxford mathematician with a stammer, created a story about a little girl tumbling down a rabbit hole. Thus began the immortal adventures of Alice, perhaps the most popular heroine in English literature. Matte Cover 8.5x11' Can be used as a coloring book

Barbapapa's Voyage

When Gunnar Huttunen turns up in a small village to restore its run-down mill, its inhabitants are wary. Gunnar is big. He's a bit odd. And strangest of all, he howls wildly at night. If Gunnar is different, then he must be mad, the villagers decide. Hounded from his home, he must find a way to survive the wilds of nature and the greater savagery of civilization. The Howling Miller is a dark fairytale of community, conformity and our place in the world.

Per l'agente Pia Kirchhoff tre settimane di vacanza in Cina con Christoph, l'uomo che da tre anni le provoca ancora lo stesso «piacevole eccitante formicolio», sono state un vero toccasana. Archiviato lo stress degli ultimi casi e dimenticate la pioggia e la nebbia della Germania centrale, ora si sente finalmente pronta per tornare al lavoro. Peccato che il volo da Shanghai sia arrivato con nove ore di ritardo, che la valigia spunti per ultima sul nastro trasportatore e che ad aspettarla non ci sia la sua migliore amica, bensì il patologo Henning, suo collega e soprattutto, ex marito. Perciò, quando l'agente Oliver von Bodenstein la chiama per informarla che è stato appena rinvenuto il cadavere di un uomo e la sua presenza sarebbe gradita sul luogo del delitto, Pia guarda con tristezza la tintarella di Christoph e realizza che la vacanza è davvero finita. La vittima è il guardiano notturno della WindPro, un'azienda che sta realizzando un parco eolico alle pendici di un piccolo paesino dell'Assia. La morte si direbbe accidentale: l'uomo era un bevitore, un solitario, niente di più plausibile di una caduta dalle scale. Pia e Oliver si lanciano un'occhiata. A loro quella storia non convince. Si apre così una nuova indagine dell'eccentrica coppia di agenti del Taunus che, sulle orme di cacciatori infuriati, cittadini che inneggiano alla rivoluzione e manager doppiogiochisti e senza scrupoli, scoprono che una guerra è già in atto: da una parte l'associazione ambientalista, di cui fa parte anche il padre di Oliver, che non vuole che il bosco della vallata venga raso al suolo dalle ruspe; dall'altra, la WindPro, che se non concluderà il lavoro dovrà dichiarare fallimento. Come se la situazione non fosse già abbastanza ingarbugliata, il nostro saggio e riflessivo Oliver von Bodenstein prende una sbandata per una donna scomparsa dal nulla che lo allontana dalle indagini, lasciando Pia da sola, con il caso più complesso della sua carriera. Tra corruzioni e omicidi, ricatti e vendette personali, Chi semina vento è «uno straordinario eco-thriller» (Stern) che ci svela un paese in cui nessuno è realmente chi dice di essere, e conferma il leggendario talento della nuova regina del noir europeo. «Con questo straordinario eco-thriller Nele Neuhaus conferma il suo memorabile successo». Stern «Nele Neuhaus, una scrittrice che farà molta strada». Mauro Castelli, Domani - Il Sole 24 ore «Nele Neuhaus, la regina consacrata del giallo tedesco». Daniela Pizzagalli, Il Secolo XIX «Arriva dalla Germania il fenomeno del passaparola Nele Neuhaus». Maurizio Bono, la Repubblica

USA Today Bestseller. Book 2 of Cassandra & Logan's story. It wasn't his fault she lay broken and battered. He wasn't

responsible for the injuries covering her bruised body. Her heart, however, told a different story. She endured the pain of its jagged edges as it shattered against her chest, ripping through the hope she once held. Her spirit was broken, and only one man was to blame for that. Cassandra Clarke had known better than to trust her all to a man like Logan West. She'd thought he was different—a better man than he'd portrayed to others. A man worth risking it all for. But she was wrong, and would never make that mistake again. What happens when you question everything you longed to believe—deny all emotions you still hold for a man unworthy of them? Faced with Logan's persistence, Cassandra must find the strength to keep her guard up or risk falling again for the one man her body feels...is irreplaceable. Meeting Barbapapa for the very first time is a magical moment - every child will adore this loyal, gentle, friendly creature who can change into any shape and solve any problem for his family and friends. In this story, Barbapapa searches the world and beyond for a Barbamama to share his life.

Moving away from the dark tone of her more recent masterpieces, Joyce Carol Oates turns the tale of a family struggling to cope with its fall from grace into a deeply moving and unforgettable account of the vigor of hope and the power of love to prevail over suffering. The Mulvaney family of High Point Farm in Mt. Ephraim, New York, are a large and fortunate clan, blessed with good looks, abundant charisma, and boundless promise. But over the twenty-five year span of this ambitious novel, the Mulvaney family will slide, almost imperceptibly at first, from the pinnacle of happiness, transformed by the vagaries of fate into a scattered collection of lost and lonely souls. It is the youngest son, Judd, now an adult, who attempts to piece together the fragments of the Mulvaney family's former glory, seeking to uncover and understand the secret violation that occasioned the family's tragic downfall. Each of the Mulvaney family members endures some form of exile--physical or spiritual--but in the end they find a way to bridge the chasms that have opened up among them, reuniting in the spirit of love and healing.

*A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate,*

generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of *The Grammar of Fantasy* is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, *The Grammar of Fantasy* gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

NOW A MAJOR MOTION PICTURE from director Ridley Scott, starring Lady Gaga and Adam Driver The sensational true story of murder, madness, glamour, and greed that shook the Gucci dynasty, now fully updated with a new afterword On the morning of March 27, 1995, four quick shots cracked through Milan's elegant streets. Maurizio Gucci, heir to the fabulous fashion dynasty, had been ambushed, slain on the steps to his office by an unknown gunman. Two years later, Milan's chief of police entered the sumptuous palazzo of Maurizio's ex-wife, Patrizia Reggiani--nicknamed "the Black Widow" by the press--and arrested her for the murder. Did Patrizia kill her ex-husband because his spending was wildly out of control? Did she do it because he was preparing to marry his mistress? Or is it possible Patrizia didn't do it at all? The Gucci story is one of glitz, glamour, and intrigue--a chronicle of the rise, near fall, and subsequent resurgence of a fashion dynasty. Beautifully written, impeccably researched, and widely acclaimed, *The House of Gucci* is a page-turning account of high fashion, high finance, and heartrending personal tragedy.

There was an old woman in China who had supported a monk for over twenty years. She had built a little hut for him and fed him while he was meditating.

Finally she wondered just what progress he had made in all this time. To find out, she obtained the help of a girl rich in desire. "Go and embrace him," she told her, "and then ask him suddenly: 'What now?'" The girl called upon the monk and without much ado caressed him, asking him what he was going to do about it. "An old tree grows on a cold rock in winter," replied the monk somewhat poetically. "Nowhere is there any warmth." The girl returned and related what he had said. "To think I fed that fellow for twenty years!" exclaimed the old woman in anger. "He showed no consideration for your need, no disposition to explain your condition. He need not have responded to passion, but at least he could have evidenced some compassion." She at once went to the hut of the monk and burned it down.
