The Bastards face their hardest challenge yet Sometimes it takes facing a formidable adversary to truly know one's worth. The Bastards of Pizzofalcone may have found just that: when the brutal murder of a baker rattles the city, they are ready to investigate. There's nothing they wouldn't do to prove themselves to their community. But this time the police are divided: for the special anti-mob branch, the local mafia is doubtlessly responsible for the crime, but the Bastards are not so sure and think there may be another reason for the murder of the renowned artisan, whose traditionally baked bread attracted

In this fascinatingly complex thriller, two people, each shattered by their past, team up to solve a series of killings and abductions—unspeakable crimes that turn out to be merely the surface of something far more sinister. When a woman is beheaded in a park outside Rome and her six-year-old son goes missing, the police arrest the woman's husband and await his confession. But the city's Chief of Major Crimes has his doubts and assigns two of Italy's top analytical minds to the case: Deputy Captain Colomba Caselli, a fierce, warrior-like detective still reeling from

Now Dante and Colomba must travel down a number of dark tunnels, both literal and figurative, as they confront the question that may solve it all: what lies beneath the water in a remote Italian quarry? This book offers a highly readable translation of the twenty books of the Etymologies, one of the most widely known texts for a thousand years from Isidore's time.
