How does this ménage à trois story sound? Carol and Her Husband Took Me! (My First Time Ever and It Was with Both My Employers!) A Younger Woman/Older Couple FFM Ménage à Trois Erotica Story by Tara Skye I was leaving for college and that meant I wouldn't be able to sit for Carol and her husband anymore. She surprised the hell out of me with the way she said goodbye! She kissed me and before I knew it she had me naked. That wasn't it, though. Before I knew it her husband joined in. It was a crazy night of first experiences because I had my first sex ever! I also was with a woman for the first time, and I even had my first anal sex. That's just one of the sexy tales you'll find in this collection. Click now and you can have it on your Kindle device in just seconds. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, first lesbian sex, lesbian seduction, group sex, and more. Only mature adults who won't find that offensive should read this collection. 2. Doing Dana An MFF Threesome Erotic Call Girl Sex Short by Marilyn More Dana is the best call girl she knows. She's plainer than the competition, and she has curves instead of the anorexic skinny look that so many men want. She doesn't mind the surprised looks when she shows up at the door, though, because she knows that the moment she gets her mouth on a man, he's hooked. When her favorite client asks for a ménage à trois, she obliges, and the results are Hot! 3. My Threesome with Heidi and Her Boyfriend (How I Had My First Anal Sex) An FFM Ménage à Trois Erotica Story by Kitty Lee I'd watched enough porn to know this whole situation was about as cliché as could be. Heidi caught me masturbating and joined me for my first lesbian experience. That was crazy enough. Then her boyfriend showed up and it turned into a threesome! Hell, it was cliché but that doesn't mean I didn't love it! Of course, I never expected Tyler would end up at my back door and that Heidi would encourage him! 4. Pegging Drew (Because My Girlfriend Is Het-Curious) A Husband and Wife FFM Ménage à Trois Erotica Story by Andi Allyn Maddie was surprised when her lesbian lover asked for a threesome. Sabrina wasn't bisexual. She was lesbian, gay, homosexual, or whatever word that made it clear men were off limits. She was also curious. She'd never experienced sex with a man, and Maddie's husband seemed like a good choice. Maddie was willing to help her het-curious friend and, of course, her husband was more than willing to help, even if it means Maddie using a sex toy on him to control the pace. This story is stunningly erotic and just as touching and sweet as it is explicit. 5. Threesome with My Best Friend and a Stranger (In a Dressing Room for Heaven's Sake!) An FFM Ménage à Trois in Public by Francine Forthright My friend and I were just hanging around catching rays at the water park when she made an offhand comment about becoming lesbian so she wouldn't have to deal with men anymore. It would have just been a joke if the hot stranger hadn't shown up. It still wouldn't have led to anything if she hadn't been stunned by his good looks. It probably wouldn't have involved me if she hadn't grabbed my wrist and pulled me along with him to the dressing room. It still wouldn't... oh who the hell am I kidding? I had my first lesbian sex and a ménage à trois, and I did it all out in public!

How do you like the sound of this tale of lesbian awakening? My Lesbian Awakening with Lully (When My Best Friend and I Became More) A First Lesbian Sex Erotica Story by Marilyn More It all happened kind of accidentally. We were watching a scary movie and ended up in each other's arms with every scary thing that happened. Before long, the hugs were lasting longer, and then it just happened. It was my first time with a girl, and I wouldn't have wanted it to be anyone other than Lully. That's just one of the steamy lesbian sex stories you'll find in this collection. Click now and the girl/girl fun can be on your Kindle device in seconds. How are romantic and erotic relationships between women represented in the literature of the long eighteenth century? How does Sapphism surface in other contemporary discourses, including politics, pornography, economics and art? After more than a generation of lesbian-gay scholarship that has examined identities, practices, prohibitions and transgressions surrounding same-sex desire, this collection offers an exciting and indispensable array of new scholarship in gender and sexuality studies. The contributors - who include noted writers, critics and historians such as Emma Donoghue, George E. Haggerty, Susan S. Lanser and Valerie Traub - provide varied and provocative research into the dynamics and histories of lesbianism and Sapphism. They build on the work of scholarship on Sapphism and interrogate the efficacy of such a notion in describing the varieties of same-sex love between women during the long eighteenth century. This groundbreaking collection, the first multi-authored volume to examine lesbian representation and culture in this era, presents a diversity of theoretical and critical approaches, from close literary analysis to the history of reading and publishing, psychoanalysis, biography, historicism, deconstruction and queer theory.

Katelyn was a mother of three. She thought she had her life figured out. She thought she had settled. Her energies went into raising her children. Romance? Please. There was no room for that anymore in her life. Least of all with her husband. It just wasn't working anymore. Something had changed in her life. She was different. But she never expected to feel fully alive, to have all her senses to ignite when she first laid eyes on Hayley. The young college student was gorgeous, and there was something about her that drew Katelyn in. But this was wrong... and more to the point, Katelyn wasn't a lesbian. So why was it that she felt undeniably attracted to the bubbly Hayley? Why was it that she lay awake at night fantasizing about her? And would happen to Katelyn's life if she ever let her guard down? Let herself get close? Let herself experience something new... something pleasurable... ...just one time?

Here is the first story in this explicit erotica anthology: The Slumber Party My First Night at the Dorm (Five Girls, Lesbian Awakening, and Me) A Lesbian Group Sex Erotica Story by Karla Sweet On my first night of college there were five of us in the dorm room because of a facilities mix up. It was almost like before college, a slumber party filled with giggling girls and gossip and fun with my new dorm mate and our three new neighbors. It was fun and even a little bit exciting, and the best part was that I learned they were all like me. We were all eighteen and filled with hope, excitement, and more. And then everyone started taking their shirts off. There are also four more, so what are you waiting for? Click to download and you can start reading in seconds! Please do not download this book unless you are legally able to download and view explicit sexual content in your area. In addition, if explicit language and sexual situations offend you, this anthology is not for you. ELENA SEDUCES ME (A First Lesbian Experience Erotica Story) by Nancy Brockton I ' d had dinner with Elena before, but this night was different. This was the night that felt like a date, not like a couple of friends together for kicks. I was nervous. Was I ready? Was I really going to do it? Would I let her kiss me, touch me, hold me? Was I ready to let Elena practice her perfect art of lesbian seduction on me? Would I let her give me my first lesbian sex experience? 3. Me, Melissa and her Chocolate A Tale of First Lesbian Sex by Angela Ward Melissa was the perfect roommate. She was beautiful and baked the best brownies, so what else is there? I had fantasized about her many times and I was about to discover that my first lesbian sex with her was going to be just as sweet as her baking! 4. Karen is Beautiful (My Lesbian Awakening with My Best Friend) A First Lesbian Sex Erotica Story by Marilyn More I suppose I should have realized a very long time ago just how beautiful my best friend was but it was on an Autumn Saturday that her loveliness occurred to me. I ' d known her my entire life so I wasn ' t prepared to suddenly desire her the way I did. I couldn ' t help myself, though. She was... well, she was everything I could have wanted. She felt the same way about me, I discovered, and before long that Saturday became the Saturday on which I had my very first experience with another woman, and it was just as beautiful as Karen. 5. Poolside Licks A First Lesbian Stranger Sex in Public Erotica Story by April Styles I couldn ' t believe how the lovely blonde just started touching me and kissing me. I was outdoors for Heaven ' s sake! I couldn ' t help myself, though. I found myself responding to her fingers and then her lips and then her whole body. I had my first lesbian sex while I was on vacation and the whole time somebody could have walked to the pool and seen us! It was beautiful and sensual and incredible and when it was over, all I could think about was when my second lesbian experience would occur.

1. Threesome in My Cab: A Public Sex Erotica Story by Andi Allyn When I picked up the pretty young lady, it was going to be a really small fare, so I was pleasantly surprised when a young man asked to share the cab and begged to let him get to the airport first and she agreed. The Best Sex Stories for Lesbian People who Want to Explore and Act Out Their Fantasies with Their Partner!!!

When billionaire CEO Carlton Harris wants to meet with lowly office temp Nancy Ross, she suspects his motives are impure. What really surprises her is that he wants her to sleep with his wife, and he'll pay her for it! Nancy needs the cash, but she's never been with a woman before. When she meets the billionaire's sexy wife Gwen, Nancy is intrigued by her confidence and experience, but is unsure about her own feelings. Will she let the billionaire's wife seduce her or let this opportunity for experimentation pass? This 6200 word short story is for adults only. It contains bi-curious exploration, first time lesbian sex, oral sex (cunnilingus), and fun with a vibrating strap on! Excerpt: "So you work at Carl's company?" Gwen asked. "Not really. I'm just a temp. The assignment was only for a week." "Of course. And do you have a girlfriend?" "Oh, no. I uh, I've never been with a woman before." Gwen laughed out loud, startling Nancy. "That's wonderful. And what about your boyfriend? Is he jealous that you're here?" I shook my head. "No boyfriend." "Good. Men always--" her eyes rolled towards the ceiling as she searched for the words, "--complicate things." I just nodded, unsure of what to say. Gwen came up onto her knees, the fur falling apart a bit, revealing a hint of black lace panties. She crawled slowly across the bed towards me. I looked at the ground, my heart pounding as I realized this was really happening. "You seem tense," Gwen said as she came up on her knees behind me. Her hands were soft and warm as she started massaging my shoulders. "Relax," she whispered in my ear. Her breath sent a shiver down my spine. I closed my eyes, trying to focus on the gentle kneading of her hands. "There we go." Gwen's voice was soft and low. "Just like that." Her fingers tickled up my neck, stroking away the stress and the worry, then slid into my hair, pulling out the clip, letting my tresses topple over my shoulders. Gwen brushed my hair out of the way and lightly kissed my neck below my ear. I could smell her perfume, an intoxicating scent of pears and flowers. "I'll make you feel like a real woman," she whispered.

Annika's hands slid into Charlee's coppery curls and drew her lips close. For a long moment they hovered there as their gazes danced together. Then Annika pressed her mouth softly against Charlee's, drinking in its sweetness, slowly at first, then more urgently. Annika supported her as they slowly slid to their knees, their lips never parting. They knelt there in the sand, hands hungrily exploring each other's body. Charlee tentatively ran both hands along Annika's spine, thrilling in the feel of the tremble she created with her touch. Hungrily Annika pulled down the zipper of Charlee's jacket, surprised to find the other woman wore nothing underneath it. Sucking in a deep breath, she let her eyes drink in the sight of Charlee's bare melon-sized breasts. Soon Annika was using both

best friend, Amy. The conversation eventually turns to why Amy has been single for so long, which prompts a startling revelation about her sexuality. As they both approach the end of their stay, a job position becomes available. Their mentor, Dr Stevens, pits them against each other to find out who is most suitable for the job. However, her methods of assessment are rather unorthodox and go far beyond judging the breadth of their medical knowledge, culminating in a steamy three-way tryst late one evening in her office. 4. *Seduced by the Naughty Nurse - Lesbian First Time Sex / Vibrator Sex*: Jessie had always hated working the night shift at her hospital, as there was rarely anything to do. However, one dark winter's evening, she finds herself constantly at the service of one very amorous patient called Heather. She lavishes Jessie with increasingly suggestive comments and even tries to touch her whenever she gets close enough. Jessie ignores her flirty advances, but can't deny that she finds it oddly arousing. Late that night, she pays Heather a visit and gives her some very special care. This story is a work of fiction and contains sex scenes and is suitable for adults only. All characters are fictional and are over 18 years old.

Exploring identity development and gender orientation, *Lesbian Epiphanies: Women Coming Out in Later Life* contains firsthand information about the experiences and difficulties of women who discover and reveal their newfound lesbian sexuality in later life. Psychologists, social workers, counselors, and professors will find that *Lesbian Epiphanies* is the first book to extensively quote from interviews of lesbians and bisexuals who had entered into heterosexual marriages. Discussing the personal and societal standards which clouded early self-awareness for these women, *Lesbian Epiphanies* lifts the veil of confusion to clearly illuminate the issues at hand to assist you in understanding and helping your clients. From the case studies in this important book, you will learn how some women came to realize their same gender attractions and the barriers they faced, including negative attitudes toward lesbian women and the lack of strong role models. Helpful and informative, *Lesbian Epiphanies* explores the development of sexual identity in women in the United States today and provides you with essential information to help you improve your services to lesbian and bisexual clients by: examining how the role of marriage in American culture stifles a woman's self-awareness of her sexuality in order to help clients avoid the mistake of a heterosexual marriage before husbands and children are involved examining reasons behind the lack of valuable sexual information in America that limits a woman's general awareness of herself, her body, her sexuality, and her life options understanding the challenges that lesbians and bisexuals experience when attempting to establish their true identities to assist your clients in overcoming these barriers suggesting support groups for clients who are having a difficult time becoming used to the ideas and feelings of some same gender attractions This insightful book knocks down the sociological and psychological barriers that keep women from realizing or acknowledging their real sexual orientation by dispelling societal and cultural myths about what it means to be a woman in the United States. Backhaus A First Lesbian Group Sex Erotica Story When my friends and I got together to celebrate my birthday and for me to show them my new hot tub, I never expected things to go the way they did. It had been a tough road to the financial freedom our business created for us, and it was wonderful to celebrate, but Annie and Sylvie ended up making love right in front of me! Before I knew it, I was joining in for my very first lesbian experience! It was terrifying and wonderful. It was scary and beautiful. It was everything I could have wished for if it had ever occurred to me to make that wish! 2. I Got Caught! Didn't Get Punished! A First Lesbian Experience Erotica Story by Nancy Barrett Well, I'm not proud to admit it, but I'm kind of a masturbation addict. Every morning I get to work on myself, and it doesn't matter where I am or who might be around. I never thought I'd get caught by my best friend, but my hands were in the cookie jar, so to speak. I was horrified and terribly embarrassed, of course. Sylvia wasn't. As far as she was concerned, it was the perfect opportunity to do something she'd always wanted to do... give me my first lesbian sex experience! 3. Karen is Beautiful (My Lesbian Awakening with My Best Friend) by Marilyn More A First Lesbian Sex Erotica Story I suppose I should have realized a very long time ago just how beautiful my best friend was but it was on an Autumn Saturday that her loveliness occurred to me. I'd known her my entire life so I wasn't prepared to suddenly desire her the way I did. I couldn't help myself, though. She was... well, she was everything I could have wanted. I felt the same way about me, I discovered, and before long that Saturday became the Saturday on which I had my very first lesbian experience with another woman, and it was just as beautiful as Karen. 4. My First Time with Fila: First Lesbian Sex with a Stripper by Brianna Spelvin It was all spur of the moment, and I never expected to do anything like this. First, it was amazing to me that I would even go to a strip club! Then, I tipped the beautiful stripper a bunch of money! Then, I invited her back to my hotel room. Then, she did a private dance! What happened next deserves about a thousand exclamation points, my first lesbian experience! 5. Poolside Licks: A First Lesbian Stranger Sex in Public Erotica Story by April Styles I couldn't believe how the lovely blonde just started touching me and kissing me. I was outdoors for Heaven's sake! I couldn't help myself, though. I found myself responding to her fingers and then her lips and then her whole body. I had my first lesbian sex while I was on vacation and the whole time I thought somebody could have walked to the pool and seen us! It was beautiful and sensual and incredible and when it was over, all I could think about was when my second lesbian experience would occur.
