

Life Debt: Aftermath (Star Wars)

In the Zombie apocalypse the last Vampire on Earth has a hell of a time keeping his food alive. Coburn's been dead now for close to a century, but seeing as how he's a vampire and all, it doesn't much bother him. Or at least it didn't, not until he awoke from a forced five-year slumber to discover that most of human civilization was now dead—but not dead like him, oh no. See, Coburn likes blood. The rest of the walking dead, they like brains. He's smart. Them, not so much. But they outnumber him by about a million to one. And the clotted blood of the walking dead cannot sustain him. Now he's starving. And nocturnal. And more pissed-off than a bee-stung rattlesnake. The vampire not only has to find human survivors (with their sweet, sweet blood), but now he has to transition from predator to protector—after all, a man has to look after his food supply.

Han Solo and Chewbacca the Wookiee team-up for an all-new adventure in this thrilling upper middle grade novel. Set between *Star Wars: A New Hope* and *Star Wars: The Empire Strikes Back*, the story follows everyone's favorite pair of smugglers as they fly the Millennium Falcon on a top-secret mission for the Rebellion. Hidden in the story are also hints and clues about the upcoming film, *Star Wars: The Force Awakens*, making this a must-read for fans old and new!

The Sunday Times Bestseller Following *Star Wars: Aftermath* and *Star Wars: Life Debt*, Chuck Wendig delivers the exhilarating conclusion to the bestselling trilogy set in the years between *Return of the Jedi* and *The Force Awakens*. As the final showdown between the New Republic and the Empire draws near, all eyes turn to a once-isolated planet: Jakku. The Battle of Endor shattered the Empire, scattering its remaining forces across the galaxy. But the months following the Rebellion's victory have not been easy. The fledgling New Republic has suffered a devastating attack from the Imperial remnant, forcing the new democracy to escalate their hunt for the hidden enemy. For her role in the deadly ambush, Grand Admiral Rae Sloane is the most wanted Imperial war criminal—and one-time rebel pilot Norra Wexley, back in service at Leia's urgent request, is leading the hunt. But more than just loyalty to the New Republic drives Norra forward: her husband was turned into a murderous pawn in Sloane's assassination plot, and now she wants vengeance as much as justice. But Sloane, too, is on a furious quest: pursuing the treacherous Gallius Rax to the barren planet Jakku. As the true mastermind behind the Empire's devastating attack, Rax has led the Empire to its defining moment. The cunning strategist has gathered the powerful remnants of the Empire's war machine, preparing to execute the late Emperor Palpatine's final plan. As the Imperial fleet orbits Jakku, an armada of Republic fighters closes in to finish what began at Endor. Norra and her crew soar into the heart of an apocalyptic clash that will leave land and sky alike scorched. And the future of the galaxy will finally be decided.

Luke Skywalker's game-changing destruction of the Death Star has made him not only a hero of the Rebel Alliance but a valuable asset in the ongoing battle against the Empire. Though he's a long way from mastering the power of the Force, there's no denying his phenomenal skills as a pilot—and in the eyes of Rebel leaders Princess Leia Organa and Admiral Ackbar, there's no one better qualified to carry out a daring rescue mission crucial to the Alliance cause. A brilliant alien cryptographer renowned for her

ability to breach even the most advanced communications systems is being detained by Imperial agents determined to exploit her exceptional talents for the Empire's purposes. But the prospective spy's sympathies lie with the Rebels, and she's willing to join their effort in exchange for being reunited with her family. It's an opportunity to gain a critical edge against the Empire that's too precious to pass up. It's also a job that demands the element of surprise. So Luke and the ever-resourceful droid R2-D2 swap their trusty X-wing fighter for a sleek space yacht piloted by brash recruit Nakari Kelen, daughter of a biotech mogul, who's got a score of her own to settle with the Empire. Challenged by ruthless Imperial bodyguards, death-dealing enemy battleships, merciless bounty hunters, and monstrous brain-eating parasites, Luke plunges head-on into a high-stakes espionage operation that will push his abilities as a Rebel fighter and would-be Jedi to the limit. If ever he needed the wisdom of Obi-Wan Kenobi to shepherd him through danger, it's now. But Luke will have to rely on himself, his friends, and his own burgeoning relationship with the Force to survive.

NEW YORK TIMES BESTSELLER * Set between the events of Return of the Jedi and The Force Awakens, the never-before-told story that began with Star Wars: Aftermath continues in this thrilling novel, the second book of Chuck Wendig's bestselling trilogy. It is a dark time for the Empire. . . . The Emperor is dead, and the remnants of his former Empire are in retreat. As the New Republic fights to restore a lasting peace to the galaxy, some dare to imagine new beginnings and new destinies. For Han Solo, that means settling his last outstanding debt, by helping Chewbacca liberate the Wookiee's homeworld of Kashyyyk. Meanwhile, Norra Wexley and her band of Imperial hunters pursue Grand Admiral Rae Sloane and the Empire's remaining leadership across the galaxy. Even as more and more officers are brought to justice, Sloane continues to elude the New Republic, and Norra fears Sloane may be searching for a means to save the crumbling Empire from oblivion. But the hunt for Sloane is cut short when Norra receives an urgent request from Princess Leia Organa. The attempt to liberate Kashyyyk has carried Han Solo, Chewbacca, and a band of smugglers into an ambush--resulting in Chewie's capture and Han's disappearance. Breaking away from their official mission and racing toward the Millennium Falcon's last known location, Norra and her crew prepare for any challenge that stands between them and their missing comrades. But they can't anticipate the true depth of the danger that awaits them--or the ruthlessness of the enemy drawing them into his crosshairs. Praise for Aftermath: Life Debt "Star Wars: Aftermath: Life Debt has found its place at the top of all the new canon works. Dr. Aphra teams up with Darth Vader himself in the original script to the audiobook production—an expanded adaptation of the critically acclaimed Marvel comics series. Dr. Chelli Lona Aphra, rogue archaeologist, is in trouble again. A pioneer in the field of criminal xenoarchaeology, Aphra recognizes no law, has no fear, and possesses no impulse control. To her, the true worth of the galactic relics she discovers is found not in a museum but in an arsenal. This viewpoint has led to a lot of misunderstandings. After her latest plan goes horribly wrong, Aphra's roguish ways are on the verge of catching up to her. That's when suddenly Darth Vader, terror of the galaxy, swoops in with his lightsaber and . . . saves her life? Don't get her wrong—it's not like she's ungrateful. Sure, her new boss is a lord of the Sith. And okay, she may have just become a pawn in a deadly game being played by him and his boss, who happens to be the Galactic Emperor. And yes, the life expectancy of anyone who disappoints Vader can be measured in seconds. But she's back doing what she does best. She's got a ship to fly, a heist to pull, and two unorthodox but effective metal buddies: Triple-Zero, a protocol droid specializing in etiquette, customs, translation, and torture; and BT-1, an astromech loaded with enough firepower to take down a battlecruiser. Together, they might just find a way to get the job done and avoid the deadly performance review that waits at its conclusion. Just kidding. She's doomed.

_ A family returns to their hometown - and to the dark past that haunts them still - in this masterpiece of literary horror by the New York Times bestselling author of Wanderers When Nate's father dies, he leaves behind a final gift for his son: his childhood home. Married now, Nate decides to move in with his wife, Maddie, and their son, Oliver, seeking peace from the chaos of the city. But it doesn't take long before things get strange in the night and even stranger by day. Because Nate was a child being abused by his father, and has never told his family. Because Maddie was a little girl who saw something she shouldn't have. Because something sinister, something hungry, walks in the tunnels and the mountains and the coal mines of this town in rural Pennsylvania... And now, what happened all those years ago is happening again, and this time, it is happening to Oliver. When he meets a strange boy with secrets of his own and a taste for dark magic, he has no idea that what comes next will put his family at the heart of a battle of good versus evil.

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. "I have sensed a disturbance in the Force." Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor's favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it's not the first time Vader and Thrawn have joined forces. And there's more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth'raw'nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

A thrilling prequel to Star Wars: The Force Awakens, set roughly six years before the events of the film.

Journey to Star Wars: The Force Awakens with this exclusive ebook short story set shortly before the events of the film, featuring a quick-witted mercenary who takes big risks for bigger rewards—and now faces the challenge that will take her to the edge. There are plenty of mercenaries, spies, and guns for hire in the galaxy. But probably none as dangerous and determined as Bazine Netal. A master of disguise—and lethal with a blade, a blaster, or bare handed—she learned from the best. Now it's her turn to be the teacher—even if schooling an eager but inexperienced recruit in the tricks of her trade is the last thing she wants to do. But it's the only way to score the ship she needs to pull off her latest job. An anonymous client has hired Bazine to track down an ex-stormtrooper and recover the mysterious package he's safeguarding. Payment for the mission promises to be astronomical, but the obstacles facing Bazine will prove to be formidable. And though her eager new sidekick has cyber skills crucial to the mission, only Bazine's razor-sharp talents will mean the difference between success or failure—and life or death. Discover Captain Pasma's mysterious history in the official prequel to The Last Jedi, the highly anticipated blockbuster film directed by Rian Johnson. One of the most cunning and merciless officers of the First Order, Captain Pasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Pasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins—and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the Battlecruiser Absolution, a captured Resistance spy

endures brutal interrogation at the hands of a crimson-armored stormtrooper—Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Pasma's past—and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won't surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Pasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it—and once his adversary unleashes the full measure of her fury.

This thrilling Young Adult novel gives readers a macro view of some of the most important events in the Star Wars universe, from the rise of the Rebellion to the fall of the Empire. Readers will experience these major moments through the eyes of two childhood friends--Ciena Ree and Thane Kyrell--who have grown up to become an Imperial officer and a Rebel pilot. Now on opposite sides of the war, will these two star-crossed lovers reunite, or will duty tear them--and the galaxy--apart? *Star Wars: Lost Stars* also includes all-new post-*Star Wars: Return of the Jedi* content, as well as hints and clues about the upcoming film *Star Wars: The Force Awakens*, making this a must-read for all Star Wars fans.

IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING PRIORITIES The chaos god Asag has been quiet since the destruction of the City of Monsters, but Monster Hunter International know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. But before the stone can be handed off, it is stolen by a mysterious thief with ties to MHI and the Vatican's Secret Guard. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is, there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the publisher's request, this title is sold without DRM (Digital Rights Management). When rebels clash with renegades, it's the Empire that may claim the final victory. Times are desperate for the Rebel Alliance. Harassment by the Empire and a shortage of vital supplies are hindering completion of a new secret base on the ice planet Hoth. So when Mid Rim merchants offer much-needed materials for sale, Princess Leia Organa and Han Solo lead an Alliance delegation to negotiate a deal. But when treachery forces the rebel ship to flee into territory controlled by pirates, Leia makes a shocking discovery: the fierce marauders come from Leia's homeworld of Alderaan, recently destroyed by the Death Star. These refugees have turned to pillaging and plundering to survive—and they are in debt to a pirate armada, which will gladly ransom the princess to the vengeful Empire . . . if they find out her true identity. Struggling with intense feelings of guilt, loyalty, and betrayal, Leia is determined to help her wayward kinspeople, even as Imperial forces are closing in on her own crippled ship. Trapped between lethal cutthroats and brutal oppressors, Leia and Han, along with Luke, Chewbacca, and a battle-ready crew, must defy death—or embrace it—to keep the rebellion alive. “[A] rollicking Star Wars adventure . . . a book that keeps you eagerly turning pages.”—Roqoo Depot

Even the fastest ship in the galaxy can't outrun the past. . . . THEN: It's one of the galaxy's most dangerous secrets: a mysterious transmitter with unknown power and a reward for its discovery that most could only dream of claiming. But those who fly the Millennium Falcon throughout its infamous history aren't your average scoundrels. Not once, but twice, the crew of the Falcon tries to claim the elusive prize—first, Lando Calrissian and the droid L3-37 at the dawn of an ambitious career, and later, a young and hungry Han Solo with the help of his copilot, Chewbacca. But the device's creator, the volatile criminal Fyzen Gor, isn't interested in sharing. And Gor knows how to hold a grudge. . . . NOW: It's been ten years since the rebel hero Han Solo last encountered Fyzen Gor. After mounting a successful rebellion against the Empire and starting a family with an Alderaanian princess, Han hasn't given much thought to the mad inventor. But when Lando turns up at Han's doorstep in the middle of the night, it's Fyzen's assassins that he's running from. And without Han's help, Lando—and all life on Cloud City—will be annihilated. With the assistance of a young hotshot pilot, an Ewok slicer prodigy, the woman who might be the love of Lando's life, and Han's best and furriest friend, the two most notorious scoundrels in the New Republic are working together once more. They'll have to journey across the stars—and into the past—before Gor uses the device's power to reshape the galaxy.

In the aftermath of the destruction of the second Death Star and the

defeat of the Emperor and Darth Vader, Han Solo and Chewbacca set out to liberate the Wookiee's homeworld of Kashyyyk. Meanwhile, Norra Wexley and her band of Imperial hunters pursue the Empire's remaining leadership across the galaxy, bringing them to justice. Wexley abandons her official mission when she receives news that Chewie has been captured and Han has disappeared. Norra and her crew race toward the Millennium Falcon's last known location, but they can't anticipate the true depth of the danger that awaits them -- or the ruthlessness of the enemy drawing them into his crosshairs.

A decadent rock star. A deeply religious radio host. A disgraced scientist. And a teenage girl who may be the world's last hope. From the mind of Chuck Wendig comes "a magnum opus . . . a story about survival that's not just about you and me, but all of us, together" (Kirkus Reviews, starred review). **NOMINATED FOR THE BRAM STOKER AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • NPR • The Guardian • Kirkus Reviews • Publishers Weekly • Library Journal • Polygon** Shana wakes up one morning to discover her little sister in the grip of a strange malady. She appears to be sleepwalking. She cannot talk and cannot be woken up. And she is heading with inexorable determination to a destination that only she knows. But Shana and her sister are not alone. Soon they are joined by a flock of sleepwalkers from across America, on the same mysterious journey. And like Shana, there are other "shepherds" who follow the flock to protect their friends and family on the long dark road ahead. For as the sleepwalking phenomenon awakens terror and violence in America, the real danger may not be the epidemic but the fear of it. With society collapsing all around them—and an ultraviolent militia threatening to exterminate them—the fate of the sleepwalkers depends on unraveling the mystery behind the epidemic. The terrifying secret will either tear the nation apart—or bring the survivors together to remake a shattered world. They were followed on their quest by the shepherds: friends and family who gave up everything to protect them. Their secret destination: Ouray, a small town in Colorado that would become one of the last outposts of civilization. Because

the sleepwalking epidemic was only the first in a chain of events that led to the end of the world—and the birth of a new one. The survivors, sleepwalkers and shepherds alike, have a dream of rebuilding human society. Among them are Benji, the scientist struggling through grief to lead the town; Marcy, the former police officer who wants only to look after the people she loves; and Shana, the teenage girl who became the first shepherd—and an unlikely hero whose courage will be needed again. Because the people of Ouray are not the only survivors, and the world they are building is fragile. The forces of cruelty and brutality are amassing under the leadership of self-proclaimed president Ed Creel. And in the very heart of Ouray, the most powerful survivor of all is plotting its own vision for the new world: Black Swan, the A.I. who imagined the apocalypse. Against these threats, Benji, Marcy, Shana, and the rest have only one hope: one another. Because the only way to survive the end of the world is together.

The Battle of Endor shattered the Empire, scattering its remaining forces across the galaxy. But the months following the Rebellion's victory have not been easy. The fledgling New Republic has suffered a devastating attack from the Imperial remnant, forcing the new democracy to escalate their hunt for the hidden enemy. For her role in the deadly ambush, Grand Admiral Rae Sloane is the most wanted Imperial war criminal - and one-time rebel pilot Norra Wexley, back in service at Leia's urgent request, is leading the hunt. But more than just loyalty to the New Republic drives Norra forward: Her husband was just turned into a murderous pawn in Sloane's assassination plot, and now she wants vengeance as much as justice. But Sloane, too, is on a furious quest: pursuing the treacherous Gallius Rax to the barren planet Jakku. As the true mastermind behind the Empire's war machine, preparing to execute the late Emperor Palpatine's final plan. As the Imperial fleet orbits Jakku, an armada of Republic fighters closes in to finish what began at Endor. Norra and her crew soar into the heart of an apocalyptic clash that will leave land and sky alike scorched. And the future of the galaxy will finally be decided. -- from dust jacket.

When Atlanta Burns saves a pair of teens from bullies, another teen ends up dead by an apparent suicide, while Atlanta hopes to avoid further trouble by investigating the

killing of a local dog, which leads her to more bullies associated with a dogfighting ring.

Alphabet Squadron's hunt for the deadliest TIE fighters in the galaxy continues in this Star Wars adventure! News of the New Republic's victory still reverberates through the galaxy. In its wake, the capital ships of the newly legitimized galactic government journey to the farthest stars, seeking out and crushing the remnants of imperial tyranny. But some old ghosts are harder to banish than others. And none are more dangerous than Shadow Wing. Yrica Quell's ragtag Alphabet Squadron still leads the search for Shadow Wing, but they're no closer to their goal—and the pressure to find their quarry before it's too late has begun to shake them apart. Determined to finish the fight once and for all, Quell works with New Republic Intelligence's contentious Caern Adan and the legendary General Hera Syndulla to prepare the riskiest gambit of her starfighting career—a trap for Shadow Wing that could finish the chase once and for all. But in the darkness, their enemy has evolved. Soran Keize, last of the Imperial aces, has stepped into the power vacuum at the head of Shadow Wing, reinvigorating the faltering unit in their hour of need. Once adrift in the aftershocks of the war, Keize has found meaning again, leading the lost soldiers of his unit through to safety. The only thing standing in his way? The most mismatched squadron in the New Republic Navy, led by his former mentee: the traitor Yrica Quell.

BESTSELLER Discover Thrawn's origins within the Chiss Ascendancy in the first book in an epic new Star Wars trilogy from bestselling author Timothy Zahn. Beyond the edge of the galaxy lies the Unknown Regions: chaotic, uncharted, and near impassable, with hidden secrets and dangers in equal measure. And nestled within its swirling chaos is the Ascendancy, home to the enigmatic Chiss and the Nine Ruling Families that lead them. The peace of the Ascendancy, a beacon of calm and stability, is shattered after a daring attack on the Chiss capital that leaves no trace of the enemy. Baffled, the Ascendancy dispatches one of its brightest young military officers to root out the unseen assailants. A recruit born of no title, but

adopted into the powerful family of the Mitth and given the name Thrawn. With the might of the Expansionary Fleet at his back, and the aid of his comrade Admiral Ar'alani, answers begin to fall into place. But as Thrawn's first command probes deeper into the vast stretch of space his people call the Chaos, he realizes that the mission he has been given is not what it seems. And the threat to the Ascendancy is only just beginning.

The official novelization of *Star Wars: The Force Awakens*, the highly anticipated blockbuster film directed by J. J. Abrams, hitting cinemas in December 2015.

Lost at the Con tells the tale of a drunken political journalist and his dangerous assignment to a science fiction and fantasy convention. Though he'd rather be at home drinking his liver to death, his spiteful editor delivers an ultimatum: take the assignment or lose the steady paycheck. Since Cobb can't afford to turn down the job, he heads to Atlanta and dives head first into the realm of Griffin*Con, renowned the world over as the Mardis Gras of geek conventions. There, he finds all of the science fiction, fantasy, and cosplay he would expect, but he also finds something more sinister: a seedy underbelly of geeky debauchery, slash fiction, booze, sex, and drugs. Can he make it through this assignment without snapping and winding up on the front page himself? Or will the entire experience change him in ways he never imagined possible? It's been called "A masterful blend of fictional Gonzo journalism and geek culture that is sure to please audiences inside and outside the geek community."

It's true - all of it! The blockbuster movie jumps from the big screen to the comic-book page! It's been three decades since the Rebel Alliance destroyed the Death Star and toppled the Galactic Empire - but now, on the remote planet Jakku, there is a stirring in the Force. A young scavenger named Rey...a deserting Stormtrooper named Finn...an ace pilot named Poe...and a dark apprentice named Kylo Ren... Their lives are about to collide as the awakening begins. Writer Chuck Wendig (*Star Wars: The Aftermath Trilogy*) and artist Luke Ross (*HERCULES*) take us back into the saga of a lifetime! Collecting **STAR WARS: THE FORCE AWAKENS ADAPTATION #1-#6**.

They are the galaxy's most elite fighting force. And as the battle against the Empire rages, the X-wing fighters risk life and machine to protect the Rebel Alliance. Now they must go on a daring undercover mission--as the crew of an Imperial warship. It is Wedge Antilles' boldest creation: a covert-action unit of X-wing fighters, its pilots drawn from the dregs of other units, castoffs and rejects given one last chance. But before the new pilots can complete their training, the squadron's base is attacked by former Imperial admiral Trigit, and Wraith Squadron is forced to swing into action--taking over an Imperial warship and impersonating its crew. The mission: to gain vital intelligence about Trigit's secret weapons, to sabotage the admiral's

plans, and to lure him into an Alliance trap. But the high-stakes gamble pits Wraith Squadron's ragtag renegades against the Empire's most brilliant master of guile and deception. Are they up to the challenge? If not, the penalty is instant death. Star Wars: Aftermath: Life Debt

New Dawn

(Book 1: Chaos Rising)

Journey to Star Wars: The Force Awakens The second Death Star has been destroyed, the Emperor killed, and Darth Vader struck down. Devastating blows against the Empire, and major victories for the Rebel Alliance. But the battle for freedom is far from over. As the Empire reels from its critical defeats at the Battle of Endor, the Rebel Alliance—now a fledgling New Republic—presses its advantage by hunting down the enemy's scattered forces before they can regroup and retaliate. But above the remote planet Akiva, an ominous show of the enemy's strength is unfolding. Out on a lone reconnaissance mission, pilot Wedge Antilles watches Imperial Star Destroyers gather like birds of prey circling for a kill, but he's taken captive before he can report back to the New Republic leaders. Meanwhile, on the planet's surface, former rebel fighter Norra Wexley has returned to her native world—war weary, ready to reunite with her estranged son, and eager to build a new life in some distant place. But when Norra intercepts Wedge Antilles's urgent distress call, she realizes her time as a freedom fighter is not yet over. What she doesn't know is just how close the enemy is—or how decisive and dangerous her new mission will be. Determined to preserve the Empire's power, the surviving Imperial elite are converging on Akiva for a top-secret emergency summit—to consolidate their forces and rally for a counterstrike. But they haven't reckoned on Norra and her newfound allies—her technical-genius son, a Zabrak bounty hunter, and a reprobate Imperial defector—who are prepared to do whatever they must to end the Empire's oppressive reign once and for all.

Hook Your Audience with Unforgettable Storytelling! What do Luke Skywalker, John McClane, and a lonely dog on Ho'okipa Beach have in common? Simply put, we care about them. Great storytelling is making readers care about your characters, the choices they make, and what happens to them. It's making your audience feel the tension and emotion of a situation right alongside your protagonist. And to tell a damn fine story, you need to understand why and how that caring happens. Using a mix of personal stories, pop fiction examples, and traditional storytelling terms, New York Times best-selling author Chuck Wendig will help you internalize the feel of powerful storytelling. In *Damn Fine Story*, you'll explore:

- Freytag's Pyramid for visualizing story structure--and when to break away from traditional storytelling forms
- Character relationships and interactions as the basis of every strong plot—no matter the form or

genre • Rising and falling tension that pulls the audience through to the climax and conclusion of the story • Developing themes as a way to craft characters with depth Whether you're writing a novel, screenplay, video game, comic, or even if you just like to tell stories to your friends and family over dinner, this funny and informative guide is chock-full of examples about the art and craft of storytelling--and how to write a damn fine story of your own.

Desert Lake is a book combining artistic, scientific and Indigenous views of a striking region of north-western Australia. Paruku is the place that white people call Lake Gregory. It is Walmajarri land, and its people live on their Country in the communities of Mulan and Billiluna. This is a story of water. When Sturt Creek flows from the north, it creates a massive inland Lake among the sandy deserts. Not only is Paruku of national significance for waterbirds, but it has also helped uncover the past climatic and human history of Australia. Paruku's cultural and environmental values inspire Indigenous and other artists, they define the place as an enduring home, and have led to its declaration as an Indigenous Protected Area. The Walmajarri people of Paruku understand themselves in relation to Country, a coherent whole linking the environment, the people and the Law that governs their lives. These understandings are encompassed by the Waljirri or Dreaming and expressed through the songs, imagery and narratives of enduring traditions. *Desert Lake* is embedded in this broader vision of Country and provides a rich visual and cross-cultural portrait of an extraordinary part of Australia. In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

The Sunday Times Bestseller Go beyond the film with a novelization featuring new scenes and expanded material. As the shadows of the Empire loom ever larger across the galaxy, so do deeply troubling rumors. The Rebellion has learned of a sinister Imperial plot to bring entire worlds to their knees. Deep in Empire-dominated space, a machine of unimaginable destructive power is nearing completion. A weapon too terrifying to contemplate . . . and a threat that may be too great to overcome. If the worlds at the Empire's mercy stand any chance, it lies with an unlikely band of allies: Jyn Erso, a resourceful young woman seeking vengeance; Cassian Andor, a war-weary rebel commander; Bodhi Rook, a defector from the Empire's military; Chirrut İmwe, a blind holy man and his crack-shot companion, Baze Malbus; and K-2SO, a deadly Imperial droid turned against its former masters. In their hands rests the new hope that could turn the tide toward a crucial Rebellion victory—if only they can capture the plans to the Empire's new weapon. But even as they race toward their dangerous goal, the

specter of their ultimate enemy—a monstrous world unto itself—darkens the skies. Waiting to herald the Empire's brutal reign with a burst of annihilation worthy of its dreaded name: Death Star.
