The Bible has faced opposition from Satan’s world since the beginning, from supposed “friend” and foe alike. An innumerable number of faithful followers of God have paid with their lives to bring us the Bible in our language today. Even today, there is much pressure from the so-called Christian community and the scholarly world to be faithful to man as opposed to being faithful to God and the original language text when translating the Bible. The closing chapters will deal with that, for now, let’s look at the hazardous duty of Bible translation and the lives of three great men. TRANSLATING TRUTH will deal with the process of going from the original language critical text to the Bible translation in English. Also, it will address the differences as well, so the reader can know which translations are to be most trusted. There are rules and principles to Bible translation that will give the reader the closest English equivalent of what God’s Word had said in the original language of Hebrew, Aramaic, and Greek. It is art to be balanced in the application of these rules and principles. While Bible translators are no longer hung or burned at the stake, there is still enormous pressure on their lives. If a translator does not color within the lines of certain groups, they can be ostracized to the point of being unable to work. They are privately and publicly mocked. For example, the literal translators are wrongly viewed as knuckle-dragging Neanderthals who cannot give up the dated way of translating the Word of God by the modern idealist way of carrying out the work of Bible translation by the dynamic equivalent, interpretive translators. Modern-day scholars and many within the so-called Christian community will treat the translator who is faithful to God and the original text with contempt, scorn, mockery, and derision, even outright hostility. The final section of chapters could never be exhaustive as to what could be said about the trustworthiness of our Bible but it is more than enough to give you a sense that what we have today is the closest to what we have ever had when it comes to our literal translations being a mirrorlike reflection of the originals in English.

This Bible uses the full text of the New International Reader’s Version® written at the third-grade reading level — the youngest reading level of any translation. Like the NIV on which it is based, the NirV combines great accuracy and readability. It simply goes further to make the Bible understandable, even to those as young as age six. It’s the perfect chance for beginning readers to embark on their exploration of the Bible. Special features include: Book Introductions—provide the main theme of the book and an outline of the contents; Dictionary—to key Bible words for quick reference; Reading Plan—150 famous Bible stories providing a great overview of Scripture.

Faith, Obedience, and Sacrifice...as Inspired by the Holy Spirit

During a season of life when grandmothers appear to lose so much—our hair, our health, even our pets—God gifts us with a child. We have another opportunity to view life through the eyes of a child, and as a result, each new day overflows with possibilities. This time around, we are not new moms, perched on the edge of a sometimes frightening and challenging path into the unknown. Now, we are life veterans. We bring wisdom, experience and a clear sense of what is important. A gift of time to a grandchild becomes a gift we give ourselves, and the season of grand parenting also ushers in a new stage of our personal journey with Jesus. Faith Footprints with My Grandchild provides inspirational Scriptures, devotional thoughts, and prayers for grandmothers, along with simple Christian lifestyle activities to do with a grandchild. Let your faithwalk leave footprints in the sand for your grandchild to follow. Better yet, walk beside your grandchild and grow in faith together.

Do you know an impulsive child? One who is full of exaggerations, quick to respond, careless with words, and acts without thinking. Do you have a child who gets out of his seat regularly while he’s not suppose to, interrupts conversations, or jumps to the front of the line uninvted? Impulsiveness is the quick, natural response for these kids. They might do all these things and more (keep in mind, they generally do them rapidly). Nevertheless in the very same breathe, impulsive kids can be quick to defend, remorseful for poor decisions, and able to leap over obstacles in a single bound. There’s a gift for us to discover in impulsiveness. The disciple, Peter, emulates both the strengths and weaknesses of impulsive behavior. Impulsiveness had Peter rushing into the water to meet Jesus, while also quickly cutting off a soldier’s ear. He was quick to defend, responded without thinking, and passionate beyond words. His impulsiveness allowed him to experience the miracle of walking on water, while everyone else watched him from inside the boat. The beauty of Peter’s impulsiveness is displayed within his life. Peter’s impulsiveness allowed him to experience close encounters with God. He’s authentic and real. He’s growing and he’s a challenge. But in the end, he’s solid, and the guy others wanted to follow. Discovering the gift of impulsiveness begins in the life of Peter.

The reader will receive eight small introductory books in this one publication. Andrews’ intention is to offer his reader several chapters on eight of the most critical subject areas of understanding and defending the Word of God. This will enable the reader to lay a solid foundation for which he can build throughout his Christian life. These eight sections with multiple chapters in each cover biblical interpretation, Bible translation philosophies, textual criticism, Bible difficulties, the Holy Spirit, Christian Apologetics, Christian Evangelism, and Christian Living.

Life in the Spirit isn’t about cushioned pews and easy living—it’s about adventure, risk, daring, and the pursuit of wisdom. It’s about letting the awesome power of God work through you to do things you never thought possible. In this brand-new full-text Bible, you’ll learn the highest, truest, and most rewarding way to a life of wisdom, apprenticing with the Ultimate Master himself—Jesus Christ. Features include: 24 full-color pages of content on the marvel of God’s creation and the meaning of faith Vibrant outer space imagery Compelling, metallic-embellished cover The complete text of the New International Reader’s Version (NirV) of the Bible

After seven miscarriages and three failed adoptions, where do you find the strength to pursue your dream of parenthood? Bethanee Syversen’s deeply personal debut, Mustard Seed Faith: A Journey through Infertility, Miscarriages, Adoption, and Faith, is a story of believing in a God who is powerful enough—and generous enough—to do the impossible. Bethanee always wanted to be a parent. When the doctors gave their prognosis, she had to decide where her strength would come from. She and her husband chose to trust in God. Each negative pregnancy test, each unexpected loss, and each adoption delay would test her heart’s resolve. However, through every blow, Bethanee discovered that God doesn’t give up. He never goes away. And He never leaves His children unrestored. Now a mother of six, Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption. Much of Mustard Seed Faith comes from Bethanee’s blog, which captured the raw emotion of her story as it unfolded. In part one, Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages. In part two, she recounts the physical toll and emotional extremes of adopting. For many, Bethanee’s fourteen-year journey is all too familiar, but it is her uncommon faith in God’s good and sovereign plan that inspires readers to keep hoping, keep praying, and keep believing.
