printed on thick, perforated pages that can easily detach to be displayed or gifted once a painting is completed. Paint a magical world with stickers (including glitter stickers)! Paint by Sticker Kids: Unicorns & Magic includes everything kids need to create ten vibrant images, including unicorns, a dragon, a princess, and more. Step 1: Find the sticker. Step 2: Peel the sticker. Step 3: Place the sticker. Add the next, and the next, and watch your enchanting paintings come to life! All the pages are perforated, making it easy to tear out each finished work to frame and share! The Real Buzz on Bees What a promise! Actually, promises. First, here's a book that teaches kids all about the fascinating world of bees. Second, fun exercises, activities, and illustrations engage the imagination

Download File PDF Paint By Sticker Kids: Beautiful Bugs

and offer a deeper understanding of bee life and bee behavior. Third, by following a few simple steps including removing the book's cover and taping it together, readers can transform the book into an actual living home for backyard bees. Fourth, added all together, *Turn This Book Into a Beehive!* lets kids make a difference in the world—building a home where bees can thrive is one small but critical step in reversing the alarming trend of dwindling bee populations. Written by Lynn Brunelle, author of *Pop Bottle Science*, whose gift for making science fun earned her four Emmy Awards as a writer for Bill Nye the Science Guy, *Turn This Book Into a Beehive!* introduces kids to the amazing mason bee, a non-aggressive, non-stinging super-pollinator that does the work of over 100 honeybees. Mason bees

Download File PDF Paint By Sticker Kids: Beautiful Bugs

usually live in hollow reeds or holes in wood, but here's how to make a home just for them: Tear out the perforated paper—each illustrated as a different room in a house—roll the sheets into tubes, enclose the tubes using the book's cover, and hang the structure outside. The bees will arrive, pack mud into the tubes, and begin pollinating all the plants in your backyard. Twenty experiments and activities reveal even more about bees—how to smell like a bee, understand the role of flowers and pollen, learn how bees communicate with each other through “dance,” and more. It's the real buzz on bees, delivered in the most ingenious and interactive way.

Paint by Sticker Kids: Dinosaurs
The Light Years is a joyous and defiant coming-of-age memoir set during one of the most turbulent times in American history Chris Rush was born into a prosperous, fiercely Roman Catholic, New Jersey family. But underneath the gleaming mid-century house, the flawless hostess mom, and the thriving businessman dad ran an unspoken tension that, amid the upheaval of the late 1960s, was destined to fracture their precarious facade. His older sister Donna introduces him to the charismatic Valentine, who places a tab of acid on twelve-

Download File PDF Paint By Sticker Kids: Beautiful Bugs

year-old Rush's tongue, proclaiming: "This is sacrament. You are one of us now." After an unceremonious ejection from an experimental art school, Rush heads to Tuscon to make a major drug purchase and, still barely a teenager, disappears into the nascent American counterculture. Stitching together a ragged assemblage of lowlifes, prophets, and fellow wanderers, he seeks kinship in the communes of the west. His adolescence is spent looking for knowledge, for the divine, for home. Given what Rush confronts on his travels—from ordinary heartbreak to

Download File PDF Paint By Sticker Kids: Beautiful Bugs

unimaginable violence—it is a miracle he is still alive. *The Light Years* is a prayer for vanished friends, an odyssey signposted with broken and extraordinary people. It transcends one boy's story to perfectly illustrate the slow slide from the optimism of the 1960s into the darker and more sinister 1970s. This is a riveting, heart-stopping journey of discovery and reconciliation, as Rush faces his lost childhood and, finally, himself.
