

Re Nourish: A Simple Way To Eat Well

An expert's guide to re-nourishing your mind and body through nutrition by London's leading Harley Street Nutritionist, Rhiannon Lambert (@Rhitrition on Instagram). 'With the rising trend of 'healthy eating' many of us have lost touch with the true meaning of nutrition. I want to take us back to basics with my simple approach to eating well, free from dieting and restriction. Food should be a positive aspect of life, offering enjoyment, fuel and happiness for both the mind and body.' Grounded in scientific evidence, in this part handbook and part cookbook, Rhiannon shares her food philosophy to inform, inspire and help you fall back in love with food. Following the structure of a consultation with Rhiannon at her Harley Street clinic, Rhitrition, discover the foundations for a happy, healthy relationship with eating once and for all - and learn how to create delicious, nourishing meals with ease, from her simple Re-Nourish Menu which is adaptable for a vegan and vegetarian diet alike. Re-Nourish also includes sections on Weight and the Gut; Fuelling Fitness; A Balanced Plate; Blood Sugar; Food and Mood; Mindful Eating and Sleep. 'In a world full of confusing nutritional advice, Rhiannon Lambert is a beacon of sense' - the Independent

In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, “You can make someone want to do what you want them to do by seeing the situation from the other person’s point of view and arousing in the other person an eager want.” You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, “let the other person feel that the idea is his or hers” and “talk about your own mistakes before criticizing the other person.” This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve Ways to Win People to Your Way of Thinking

- 1. The only way to get the best of an argument is to avoid it.***
- 2. Show respect for the other person's opinions. Never say "You're wrong."***
- 3. If you're wrong, admit it quickly and emphatically.***
- 4. Begin in a friendly way.***
- 5. Start with questions to which the other person will answer yes.***
- 6. Let the other person do a great deal of the talking.***
- 7. Let the other person feel the idea is his or hers.***
- 8. Try honestly to see things from the other person's point of view.***
- 9. Be sympathetic with the other person's ideas and desires.***
- 10. Appeal to the nobler motives.***
- 11. Dramatize your ideas.***
- 12. Throw down a challenge.***

We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: *How to reject diet mentality forever *How our three Eating Personalities define our eating difficulties *How to feel your feelings without using food *How to honor hunger and feel fullness *How to follow the ten principles of Intuitive Eating, step-by-step *How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

Understand the science and the impact your diet can have on pregnancy and prepare for all the stages--from pre-pregnancy up to weaning--with practical advice and recipes from a leading nutritionist. After becoming pregnant with her first child, Rhiannon Lambert realized there was a

vacuum of information available from nutritional experts, like herself, to guide her through her pregnancy. The only information that is easily accessible is from a variety of conflicting internet sources with a wide range of credibility attached to them. Apart from the consistent and standard advice of don't drink, don't smoke, and don't put on too much weight, there's very little trustworthy information on nutrition for conception, pregnancy, and early motherhood. Written by a nutritionist specializing in pre- and postnatal nutritional care, Deliciously Healthy: Pregnancy is the thoroughly researched and myth-busting antidote to a gray area that has previously been regarded as taboo. The book is split into two halves with the first half exploring the stages of pregnancy and being a new mum. Starting with the pre-pregnancy stage the book delves into specific diets and how best to eat for fertility for both men and women. The book then addresses the changes in your diet once you receive a positive pregnancy test and start experiencing pregnancy symptoms. Following on from the theory, the second half is the practical side with 80 flavor-packed recipes split up into the three trimesters of pregnancy, what to eat when breastfeeding, and finally menus and recipes for weaning your baby. Whilst accepting there's no 'right way' for everyone, Rhiannon's practice is based

on the latest scientific research and backed up with practical advice, tips, and recipes.

A healthy cookbook to share with a partner, featuring more than 100 recipes designed to nourish your bodies and souls. An Epicurious Best Cookbook for Spring • “Healthier Together focuses on real whole foods and bringing community together.”—Kelly LeVeque, celebrity nutritionist and bestselling author of Body Love Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not

only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and sautéing onions together eventually led the couple to marriage—proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner—near or far—and get ready to get healthy. Praise for Healthier Together "This cookbook is one you'll be reaching for time and time again when you need healthy food that is satisfying and delicious."—Tieghan Gerard "Liz Moody offers heaps of tasty recipes packed with great ingredients."—Real Simple "Healthier Together is a brilliant concept! Cooking with a friend/partner/mom is so much better than cooking alone, plus having a partner will keep you both accountable on your healthy

eating journey.”—Gina Homolka “Liz does an amazing job helping you make delicious food in a way that is both feasible and fun.”—Rachel Mansfield “Liz’s book overflows with food made to share, healthy but with all the comfort and flavor that brings happy people around the table.”—Daphne Oz “Liz’s message is profound, yet so simple . . . you need to have both whole foods and whole, real relationships to truly be healthy and happy. This book makes eating healthy a celebration, not a sacrifice, and it brings an arsenal of fresh and flavorful recipes that are fun to make and eat!”—Jeanine Donofrio

Trust in nature. Believe in balance. Eat the rainbow! Andrea Hannemann, aka Earthy Andy, presents a guide to plant-based eating that is simple, delicious, and fun. INCLUDES A 30-DAY PLANT OVER PROCESSED CHALLENGE Andrea Hannemann, known as Earthy Andy to her more than one million Instagram followers, believes that food is the fuel of life, and that consuming a nourishing, plant-based diet is the gateway to ultimate health. Andy’s mantra, “plant over processed,” embodies the way she eats and feeds her family of five in their home in Oahu, Hawaii. But it wasn’t always this way. Andy was once addicted to sugar and

convenience foods and suffering from a host of health issues that included IBS, Celiac disease, hypothyroidism, asthma, brain fog, and chronic fatigue. Fed up with spending time and money on specialists, supplements, and fad diets, she quit animal products and processed foods cold turkey, and embarked on a new way of eating that transformed her health and her body. In Plant Over Processed, Andy invites readers to join her on a “30-Day Plant Over Processed Challenge” that will detox the body, followed by a long-term plan for going plant-based without giving up your favorite dishes. Packed with gorgeous photography and mouth-watering recipes—from smoothies and bliss bowls to plant-based comfort and decadent desserts—this life-changing guide takes you to the North Shore of Hawaii and back, showing you how easy it is to eat plant-based, wherever you are.

“The Yoga Plate brings us compassion and living right for our families, our planet and our animals—a beautiful offering for good all around.” —Julie Piatt and Rich Roll, bestselling authors, wellness leaders, chefs, and podcast hosts Discover 108 nourishing and delicious vegan recipes in the first modern cookbook to marry yoga’s principle of ahimsa with nutrition. We take a lot of care when it comes to choosing the proper clothing for yoga, the right accessories, the best studio—but primary to these considerations is an often overlooked yet vital component of practice: our diet. How we eat might be the most important aspect of an effective practice. How we eat is a huge component to the practice because it represents how we treat and nourish ourselves. By changing the way we eat physically and consciously, we can put ourselves on the path to greater well-being. In *The Yoga Plate*, LA-based yoga power couple Tamal and Victoria Dodge introduce readers to the philosophy of yoga as it is reflected in our eating choices. The 108 recipes are designed according to the concept of ahimsa, or non-harm. “Consciously or not, we can cause a lot of harm with our eating habits,” explain the authors. “Living with ahimsa means we try to cause the least harm possible to all living creatures.” Each

recipe takes you through your daily practice of yoga, starting with “Morning Meditations,” where you’ll find smoothies and breakfasts to fuel and power you through the day; “A Plate Full of Prana,” with snacks, soups, and salads to revitalize your system; “A Bowl Full of Yin,” with recipes to help cultivate a centered mood; and “Sweet Savasana” for restorative and beneficial dessert options. A well-rounded yoga practice includes a conscious approach to the things we eat. With *The Yoga Plate*, readers can make each meal a sacred activity to support both our practice and well-being.

Are you overwhelmed and frustrated with all the different information on diets and don't know where to begin? It's completely okay to be confused! The truth is that one diet plan does not fit all because we are not all designed the same way. This book is not about the latest diet or any quick fixes. It's about a lifestyle and a way to approach what and how you eat. All of this is explained in an extremely simple manner! Here is a preview of what you will learn: The importance of real, unprocessed food and how to eat mindfully How to shop and incorporate real, whole foods into your routine How real food has the power to heal your body and mind. Food is medicine. How you can make simple changes to your current eating habits so that eating healthy foods becomes automatic for you A fun challenge that you can try with a friend or family member to build small habits Simple healthy recipes for breakfast, lunch, and dinner Eat Well & Feel Great will help you discover your best life! All you have to do is start!

an author, I understand how difficult it can be to prioritise food and eating well. I wanted to create a collection of beautiful recipes that are not only nutritious and great tasting, but super quick and simple to make, using only a handful of ingredients. The Fuel Up section is designed for just that - it is where you will find my recipes for grab-and-go breakfasts, lunches on the run and dinners that take less than 30 minutes to satisfy you after a long day at work! However, I truly believe that when we do have the time to cook a meal, bake some bread and sit down with friends and family to share some food, we should totally embrace those moments. This is where the Power Down section comes in: for when you're not in a hurry, I have included my chosen recipes for lazy weekend brunches, family dinners, breads and teatime treats. This is a cookbook that will help you fall in love with cooking and improve your relationship with food, so that you approach it not only as a source of nutrients, but also happiness, satisfaction and health. Hazel x Includes more than 100 recipes PLUS: - 10 'no recipe recipes' for emergency snacks + meal prep hacks for maintaining a healthy lifestyle when you're busy - an introduction to Hazel's five store-cupboard saviours, including 10 ways to cook with each one - a key for special dietary requirements including vegetarian, vegan, gluten-free and low sugar - nutritional advice covering the basics of nutrition, how to meet your 5-a-day and special nutritional requirements for a plant-based diet - features on how to live well for optimum health, with information on sleep, meditation, mindfulness and mindful eating

Isn't your desire to overeat really spiritual hunger? "I can stop in the middle of a

candy bar and have no desire to eat the second half if my stomach is not calling for it.” - Gwen Shamblin Do you eat and eat and never feel full? Rise above the magnetic pull of the refrigerator and turn to the bounty offered to thousands who have embraced a liberating weight-reduction program in churches across America. The Weigh Down Diet gives new hope to millions who have failed on conventional diets and guides readers to the richer satisfaction that comes not from food, but from faith. Gwen Shamblin’s The Weigh Down Diet is a groundbreaking approach to weight loss. People who have known no end to their hunger and who have no control over their late-night binges have learned through the Weigh Down Workshop that they can remove the irresistible desire for food. This is not a diet like others, because it is not food-focused. It contains chapters such as “It’s Not Genetics or Your Mother’s Fault,” “I Feel Hungry All the Time,” and “How to Eat Potato Chips and Chocolate.” So, as you can see, here is a very different approach to weight loss. Weigh Down gives back hope to dieters who will learn that God did not put chocolate or lasagna on Earth to torture us – but rather for our enjoyment!

Winner of the 2018 Hearst Big Books Award (Women's Health and Wellbeing) East by West is the first solo cookbook from bestselling author, cook and TV presenter Jasmine Hemsley, co-founder of Hemsley + Hemsley. Featuring 140 delicious recipes from around the world, East by West champions the ancient Ayurvedic philosophy of eating to nourish, sustain and repair for ultimate mind-body balance. Jasmine continues her passion for balancing body, mind and spirit amidst the challenges of our fast-paced day-to-day lives, through real food and tasty home cooking. With a focus on listening to your body, eating when you're hungry, being conscious of what you're eating when you're eating it and choosing foods that are right for your mood from day to day, East by West is a modern take on the Ayurvedic principles. With classic Ayurvedic comfort dishes from Golden Milk to Kitchari and great family sharing dishes Sesame Roast Chicken to Saffron Millionaire Cheesecake, the book has something for every taste (bringing to life store cupboard basics to create dishes) from super simple to simply special. A global range of recipes, together with simple mindful rituals and a classic cleanse to revisit when your energy levels need a boost help the book bring Ayurveda to life in a fresh and friendly way. Packed with beautiful colour photography and inspired by Jasmine's personal journey

with food and healthy living, East by West represents a delicious evolution of the ideas explored in Hemsley + Hemsley bestsellers Good + Simple and The Art of Eating Well.

A revolutionary prescription for healing depression and anxiety and optimizing brain health through the foods we eat, including a six-week plan to help you get started eating for better mental health. Depression and anxiety disorders are rising, affecting more than fifty-eight million people in the United States alone. Many rely on therapy and medications to alleviate symptoms, but often this is not enough. The latest scientific advances in neuroscience and nutrition, along with our understanding of the mind-gut connection, have proven that how and what we eat greatly affects how we feel—physically, cognitively, and emotionally. In this groundbreaking book, Dr. Drew Ramsey helps us forge a path toward greater mental health through food. Eat to Beat Depression and Anxiety breaks down the science of nutritional psychiatry and explains what foods positively affect brain health and improve mental wellness. Dr. Ramsey distills the most cutting-edge research on nutrition and the brain into actionable tips you can start using today to improve brain-cell health and growth, reduce inflammation, and cultivate a healthy microbiome, all of which contribute to our mental well-being. He explores the twelve essential vitamins and minerals most

critical to your brain and body and outlines which anti-inflammatory foods feed the gut. He helps readers assess barriers to self-nourishment and offers techniques for enhancing motivation. To help us begin, he provides a kick-starter six-week mental health food plan designed to mitigate depression and anxiety, incorporating key food categories like leafy greens and seafood, along with simple, delicious, brain nutrient-rich recipes. By following the methods Dr. Ramsey uses with his patients, you can confidently choose foods to help you on your journey to full mental health.

You might be wondering what Ronnie O'Sullivan is doing writing a book like this. What do I know about eating healthy, right? I'm a champion snooker player, not a personal trainer or a chef and although I've always loved running, I've come to realise that any success in sport is directly related to my attitude towards food as well as fitness. Snooker is all about sharpness, focus, and concentration - how can I do any of those things if I'm not eating well and treating my body right? My game is only

Download Ebook Re Nourish: A Simple Way To Eat Well

as good as I am, so making that link between my mental and brain health and my physical fitness was a lightbulb moment for me and I hope this book will be a wake-up call for you too. We hear lots about mindfulness and self-care these days, but really good physical health starts with the best computer any of us could ever hope for - our noggin (aka our brains!). Written with top celebrity nutritionist Rhiannon Lambert, *Top of Your Game* is about showing you how to eat, think, and work your way to being your very best - and staying there.

With so many crazy and extreme diets on the market, it's hard to know what to eat and how to maintain a healthy regime. We have lost our way when it comes to diet and succumb to extreme measures that promise short term rewards. In spite of our extreme attempts to get in shape, we are still unsatisfied with how we look. *The Harley Plan* puts an end to these extreme behaviours that are making us fat and tells you exactly how to achieve your best physique in just 15 days. Get ready to press the proverbial 'reset' button on your metabolism and exercise regime and prepare to revise your entire outlook on health. The Plan is comprised of three phases, each lasting five days. Weight loss begins on day one of 'Phase I' and in all three phases, you will eat five times daily - thus igniting your metabolism to run more efficiently. Furthermore, the plan will show you how to make simple, healthy meals that can be prepared in less than five minutes. Finally, you'll learn just how easy it is to exercise an optimal amount, so as not to trigger your appetite. It is so simple and you'll be able to maintain this program for the rest of your life. In just 15 days, you will lose weight with ease and can expect to lose 5 inches in just 5 days.

Among the wealth of new material in this edition, you'll find amazing testimonials from men and women who are losing weight and feeling fit the SUGAR BUSTERS! way; frequently asked questions and helpful answers; the latest on diabetes-and how SUGAR BUSTERS! can help prevent it; essential facts on women, weight loss, and nutrition; and new tips, updated charts, and practical exercise suggestions. So arm yourself with the facts and get the figure you've always wanted. When it comes to optimal wellness on the SUGAR BUSTERS! program, it's survival of the fittest-a way of life in which everybody wins! Alice shares a fabulous selection of over 100 recipes in her new book, guiding you to be the best version of yourself with a range of meals, smoothies, sweets and treats that are

easy to make and perfect for life on the go. Embrace the ancient healing power of plants with more than 100 whole-food, plant-based, gluten-free herbal recipes, designed around the most common health concerns of modern women. Did you know you have access to the most potent, sophisticated, and scientifically-proven apothecary cabinet--right in your own kitchen? Plants, specifically herbs and spices, have been used for centuries among holistic healing traditions around the world to promote health, longevity, and beauty. And as more people become afflicted with chronic stress-based conditions, from inflammation and food allergies to anxiety and depression and menstrual irregularities, a whole new generation is rediscovering nature's power for long-term wellness. In Root & Nourish, wellness experts Abbey Rodriguez and Jennifer Kurdyla teach women how to incorporate herbalism into their busy lives to restore and maintain their unique state of health. Expanding the herbal repertoire beyond teas and tinctures to include wholesome breakfasts, satisfying mains,

indulgent desserts, and, yes, a full menu of teas and beverages for day and night, it's the first cookbook of its kind to pair everyday herbal cooking with women's health concerns--specifically related to digestion, mental health, and female reproductive hormonal health. As you come to learn which herbal ingredients offer you the nourishment you need, whether in the moment or to support chronic conditions, you'll curate an evolving personal herbal apothecary that will serve you for a lifetime. Alongside these affordable, seasonal, and sustainable recipes, Root & Nourish features mindfulness and holistic lifestyle practices drawn from yoga and Ayurveda that will help incorporate wellness into every part of the day. Once you discover how good you feel when you eat the right foods, at the right time, and in the right way, you will understand your body--and yourself--as you never have before: the way nature intended.

This guide outlines Bill Phillip's fitness programme, comprising weight training, aerobic exercise, and a careful diet. In addition, it addresses the reader's own personal goals and encourages personal transformation mentally, not just physically. The Body for Life programme reveals: how to lose fat and increase your strength by exercising less, not more; how to tap into an endless source of energy with Bill's power mindset; how to trade hours of aerobics for minutes of weight training - with dramatic results; how to feed your muscles and starve your fat with the provided eating plan; and how resistance training can significantly increase your metabolic rate allowing you to burn fat and change the shape of your body.

An evidence-based, practical resource that explores the many benefits of a plant-based diet and provides parents with the tools they need to feed their families for health and with joy. While nearly all parents agree that a nutritious diet is important for children to thrive, most feel that their children are not eating a healthy diet. This is not surprising, given the demands of busy families and confusing, conflicting research about what diet is really best for health. Nourish offers the solution parents have been waiting for when it comes to deciding what and how to feed their families. Authors Reshma Shah, MD, a plant-based pediatrician and affiliate clinical instructor at Stanford University School of Medicine, and Brenda Davis, RD, a world-renowned expert and pioneer in plant-based nutrition, will empower parents to become the experts of nourishing their families. Parents will learn: How a diet centered around plants can optimize health, prevent chronic disease, care for our planet, and be an act of radical compassion. Nutrition specifics for all the stages of childhood—from pregnancy and breastfeeding all the way through adolescence. Tips,

Intuitive eating is a non-diet approach to healthy eating that focuses on unlearning diet cultures toxic messaging so you can build a healthier relationship with food and your body and focus on health promoting behaviors as opposed to weight loss. There is a common perception that intuitive eating approaches are also anti-nutrition, but that's simply not the case. In this book, registered dietitian Rachael Hartley looks at the role of gentle nutrition in intuitive eating. She

explores why diets don't work – and make you eat less healthfully, why weight doesn't equal health, and how to approach nutrition in a flexible way, with the goal of promoting wellbeing, not reaching for an arbitrary number on the scale. *Gentle Nutrition: A Non-Diet Approach to Healthy Eating* focuses on the big picture rather than getting wrapped up in minor details that can make nutrition seem confusing or overwhelming. Hartley makes it practical as well by offering science-based, straightforward strategies for building healthy habits. In *Gentle Nutrition*, she explains how to plan satisfying meals and snacks that nourish the body throughout the day while honoring the need to pleasure in food. The book includes more than 50 nutritious and delicious recipes for breakfasts, main dishes, snacks, and desserts. There are many people who don't want to diet, but do want to better understand how to take care of their bodies with food. This approachable guide brings to light how nutrition fits into the context of intuitive eating. When we leave diet culture behind and remove the assumption that weight equals health, we can focus on truly honoring our health and well-being.

Help your child eat normally again Parents are the first to know when their child starts behaving differently. Has your son stopped eating his favorite food, or does he refuse to eat out with friends? Has your daughter drastically increased her exercise regimen, or become obsessed with health foods? These are among the telltale signs that your child, like millions of others, may have an eating disorder (ED). In this essential guide, registered dietitians Casey Crosbie and Wendy Sterling introduce an all-new strategy you can use to help your child at home. The Plate-by-Plate approach is rooted in family-based treatment (FBT)—the leading psychological therapy for EDs. Unlike complicated “exchange” systems, this is simple: Crosbie and Sterling coach you through every aspect of meeting your child's nutritional needs, using

just one tool—a ten-inch plate. Paired with therapy, this intuitive, visual method is the best way to support your child on the path to recovery. Plus, the authors cover how to talk about diet and weight, what to do while traveling, what to expect from your child’s doctor, and much more. The #1 international bestseller—now available in an updated American edition. Ditch fad diets forever and achieve lasting weight loss and vibrant health with this simple and proven ten-step plan from the nutritional therapist and celebrity consultant who is taking the world by storm. Plagued by a host of health issues throughout her twenties—including severe fatigue, skin problems, and excess weight—Amelia Freer struggled to make it through her busy day as the personal assistant to the Prince of Wales. When she discovered that what she ate had a major impact on how she felt, she made simple yet radical changes to her diet—no more sugar, dairy, or processed foods—and began feeling better almost immediately. Improving her health inspired her to transform her life: She quit her job, went back to school, and became a nutritionist. In *Eat. Nourish. Glow.*, Amelia shares the simple changes that have helped her, as well as her famous clients such as Sam Smith and Boy George, achieve dramatic results. In ten easy steps, *Eat. Nourish. Glow.* shows you how to gradually wean yourself off of gluten, sugar, and dairy; quit the snack habit; cut back on caffeine and alcohol; and incorporate nutrient-rich foods into your daily diet. Amelia also offers twenty-five delicious and simple recipes for every meal—including dessert—to ensure that your cravings for delicious foods are more than satisfied. Written in her gentle, friendly, and humorous voice, this essential guide feels like an in-person consultation with Amelia—readers will feel supported, not scolded. With gorgeous color photos and beautiful design throughout, *Eat. Nourish. Glow.* will inspire you to shift your food habits and get healthy, once and for all.

Great-Tasting Recipes that Keep You Lean!

Increase Strength, Boost Energy, Perform at Your Best

Junior Doctor, personal trainer and Instagram hit Dr Hazel Wallace's first book brings you over 70 nutritional recipes to look and feel amazing whilst debunking the diet myths. 'I'm a girl who juggles two jobs, who loves to lift, who adores real food - and can't resist chocolate. As a junior doctor and a personal trainer, I know that we all feel our best when we are free of illness, full of energy and at a healthy weight - and I know it can be done, even if you lead the busiest of lives! I want to debunk the myths that are out there surrounding dieting and instead offer solid, evidence-based advice. I want to bridge the gap between mainstream medicine and nutrition and help you take full control of your fitness and wellbeing, so you will never have to diet again. I want to show you that eating the most natural, unrefined and unprocessed wholefood ingredients can be enjoyable, uncomplicated and easy to incorporate into a busy lifestyle. I

want this book to change your life.' Hazel x

The very existence of stress generates more stress. The more of it that piles up, the less we're able to cope. It's time to take back control. For Dr Chatterjee, the key to solving the problem of stress is about addressing the underlying causes of our anxieties in four main areas: Body, Mind, Relationships, and Life. Pairing the science of what happens in our brains and our bodies when we become stressed, with personal accounts and patient cases, Dr Chatterjee provides easy to implement solutions for the whole spectrum of stressors we face on a daily basis. From identifying our 'Micro Stress Doses' - those individual portions of stress we encounter moment to moment, and our 'Macro Stress Doses' - those big adverse life events that can have long-lasting impact; Dr Chatterjee will take you on a journey to regain control over your stress, rather than it having control over you. Introducing a new way of thinking about health, The Stress Solution will help you to live a happier, more fulfilling and stress-free life. Are you aware you should be taking care of your gut, but don't know where to start? Feel like you eat a balanced diet but constantly suffer from food comas and bloating? Or perhaps you're just interested in finding out the best way to eat for optimal health? Dr Megan Rossi finally uncovers the answers to these most Googled gut-health questions in her debut book,

The Gut Health Doctor. Drawing from the latest scientific research, Dr Rossi shows us how understanding your gut can help with successful weight management, improved mood and fitness levels, healthier skin and boosted immunity. Busting myths around good gut health and even offering advice on how to check your poo, Dr Rossi shows how sleeping, relaxing and exercising will have a surprising impact on your gut health, offering easy hacks to super-charge your digestive health and beat the bloat. Packed with delicious gut-boosting meal ideas, tips for how to assess your own gut health and advice on how to diagnose food intolerances and deal with common gut complaints, take home this easy-to-digest bible of gut health that promises to make you happier and healthier from the inside out.

HOW A PLANT-BASED DIET IMPROVES PERFORMANCE - AND HOW TO DO IT YOURSELF 'A fantastic resource for any plant-based athlete looking to get stronger or fitter' James Wilks, winner of The Ultimate Fighter and producer of The Game Changers 'Well-written, well-researched, highly recommended!' Gene Stone, co-author of How Not to Die 'Whether you're looking to kickstart a healthier lifestyle or take your training to the next level, this book has you covered' Plant-Based Health Professionals UK The scientific evidence overwhelmingly shows that a plant-based diet is one of the most effective ways to improve both long-term health and to see

immediate results in terms of energy, recovery and performance. But what can you do to ensure your diet boosts your performance in your sport or training? In The Plant-Based Power Plan, registered elite sports nutritionist TJ Waterfall uses the cutting-edge research he applies with his clients - ranging from Premiership rugby players, competitive weightlifters and professional boxers, to Premier League footballers and ultra-distance triathletes - to bust the myths and explain how a well-planned plant-based diet can take your health and performance to the next level. With simple but comprehensive practical guidance - from maximising muscle protein synthesis and improving your recovery, to tweaking nutrition timing and getting enough energy to fuel highly active training schedules - TJ gives you everything you need to bring your A-game. He also shows you just how simple it is to incorporate the most important nutrients into your diet with a selection of 30 easy and delicious recipes. 'A definite "must read"' Fiona Oakes, four-time world-record-holding marathon runner 'Brim full of the information you need to eat your way towards your full potential' Etienne Stott MBE, London 2012 canoe slalom gold medallist 'A holistic lifestyle guide, from a scientist not a guru' Dale Vince OBE, Chairperson, Forest Green Rovers FC, the world's first vegan football club 'Every athlete, coach, trainer and medical practitioner in all sporting organisations should read

this book and utilise the insights it offers' Les Kiss, Head Coach, London
