A course on the Scottish legal system is a compulsory part of undergraduate degrees in Scots Law. The Scottish Legal System sets out to present the 'legal system and law of Scotland as a unique and constantly changing human enterprise' and places the Scottish legal system in its broader political and social contexts. This is achieved by covering not only the central aspects of the system, such as the courts and the legal profession, but also the border areas with constitutional law and jurisprudence. This new sixth edition includes new case law on devolution and human rights issues in Scotland. This well established text provides an up-to-date treatment of all significant developments affecting the Scottish legal system.

The fourth edition of Constitutional and Administrative Law: Text with Materials provides a wealth of essential materials drawn from a wide range of sources and integrated with lively commentary. It enables students to gain a full understanding of public law by explaining the context of its historical development and current political climate.

This text provides the perfect foil for students preparing for examination in both the specialism that is contract law and all those courses for which there exists an element of contract law. It provides clear and concise analysis of the subject and contains all the necessary information required for the development of a basic understanding of the subject as pertaining to Scotland.

Delictual Liability, 6th edition is a highly respected account of the principles of delict in Scots law and is the standard introductory textbook on the subject. Business Law I Essentials

Land law is now under the legislative competence of the Scottish Parliament. With the abolition of feudal tenure under the Land Tenure Reform (Scotland) Act 2000, this is once a area. Reference is made to reforms and also to recommendations from the Scottish Law Commission, and areas such as management and use of common property, statutory protection boundaries and liferents are covered.

This practical guide is an introduction to crofting law for those with an interest in it or who may touch upon it, whether that is lawyers, law students, land agents, crofters, landlords else with an interest in it. It covers the main issues briefly and concisely, aiming to highlight the complexity of crofting law and the pitfalls and traps that await the uninitiated. The readers will, as a result, be better versed in the basics of crofting law. ABOUT THE AUTHOR Brian Inkster is a solicitor specialising in crofting law. He is the Hon Secretary of the Crofters' Association of Scotland.

Group, a member of the Crofting Group of Scottish Land & Estates, the Cross-Party Group on Crofting at the Scottish Parliament, the Scottish Government Crofting Stakeholder Forum, the Crofting Register Stakeholder Forum and the Scottish Government Crofting Bill Group. Brian blogs about crofting law at the Crofting Law Blog (croftinglawblog.com) and regularly writes articles for The Crofter (the trade magazine of the Scottish Crofting Federation). He also provides comment and articles to local and national newspapers and magazines such as The Highland Free Press, The Shetland Times, The Oban Times, The Northern Times, The Scotsman, The Herald, The Press & Journal, The Scottish Farmer, Scottish Legal News and The Journal of the Law Society of Scotland. Brian also gives talks on crofting law to universities and at conferences, workshops and seminars. He has provided detailed submissions to the Scottish Government on proposed crofting law reform. Brian has been interviewed about crofting law on BBC Alba, BBC Reporting Scotland and Sunday Politics Scotland. He has also been interviewed about crofting law on local and national Scottish radio news programmes. Brian was born and brought up in Shetland. He is the son of a fisherman rather than a crofter. He studied law at the University of Edinburgh before moving to Glasgow in 1991 to undertake his legal traineeship. Following conclusion of his traineeship Brian continued to practice law in Glasgow where he founded his own law firm, Inksters, in 1999. Inksters now also have offices in Aberdeen, Edinburgh, Forfar, Inverness, Lerwick, Portree, Thurso and Wick. Inksters provide a free legal advice helpline on crofting law to members of the Scottish Crofting Federation. Brian provides tutoring on Acquiring and Evaluating a Croft / Crofting Law Basics to the Accessible Crofting Toolkit Course run by the Scottish Crofting Federation. Brian also has a speciality in the law of servitudes (easements) having acted for the pursuers in *Moncrieff v Jamieson*. This case was ultimately decided in the House of Lords and has been described by Professor Roddy Paisley as "one of the most important cases on servitudes in the last 100 years". It established for the first time in law that, in certain circumstances, you can have a servitude right to park a car ancillary to a right of access. Brian obtained the distinction of being named Solicitor of the Law Awards of Scotland in 2006. He was called "a one man Scottish legal institution" in the Recommended Law Firm Guide 2010. At the Law Awards of Scotland in 2014 he was named as Managing Partner of the Year. Brian has an active interest in entrepreneurship, marketing, technology and corporate social responsibility in relation to running a law firm. He is often invited to speak on these topics at conferences, summits and retreats.

Butterworth's Data Protection Law Handbook is an essential addition to your legal library, and is part of LexisNexis' popular and successful Handbook series. It provides an invaluable source collection of UK primary and secondary legislation, as well as European and international materials in one manageable volume. Butterworth's Data Protection Law Handbook is presented in 5 easily accessible parts: Part 1: Data protection Part 2: ePrivacy Part 3: Freedom of Information and Environmental Information Part 4: Cybersecurity Part 5: Human rights. *Care for the Mental and Spiritual Health of Black Men* examines that sensitive topic in conjunction with reflections on race, gender, sexuality, and class to offer a hopeful and constructive framework for care and counseling, particularly for Black men. These are not separate from spiritual health and growth, as well, but both are integral to holistic, dynamic wellbeing. In this, the author provides a careful and critical analysis of spiritual hope and healing as ingredient to individual and communal flourishing. As such, this volume will be a vital resource for health practitioners, spiritual caregivers, and providers of community care who serve to bolster the mental wellbeing of Black men.
