

Shadow's Edge: Psychic Detective Mysteries

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

Had she finally met the man she longed for...or was she dreaming? Marlie Keen was trying to lead a quiet, ordinary life. She thought the knowing -- the clairvoyance that allowed her to witness crimes as they happened -- had been destroyed in the nightmare of her past. Then one night it returned with a vengeance, and she desperately needed to find someone to make it stop. Detective Dane Hollister of the Orlando police department had never met anyone like Marlie. He had doubts about her clairvoyance, but there was no doubt how much he desired her. Her soft, sweet scent set his blood afire, and he wanted to wrap her in his arms and chase the sadness from her eyes. To Marlie, Dane was all heat and hard muscle, and he made her body come alive as it never had before. But not even she could foresee where their passion would lead: a hungry quest for the elusive, dreamy ecstasies of love...and a dangerous journey into the twisted mind of a madman who would threaten their happiness and their lives....

Sometimes, real life can be far stranger than fiction. In this entertaining volume, author William Nelson Taft combines the best elements of true crime and detective fiction, crafting a collection of tantalizing mysteries based on solved and unsolved cases and crimes. It's a must-read for fans of both genres.

Dare County Sheriff Martin Tate and his ex-detective friend Paul Treadwell chase a vindictive serial killer menacing North Carolina's Outer Banks in this debut thriller. When authorities find the body of a woman in her ransacked home the crime scene looks like a robbery that went terrifyingly out of control. However, there are several items left behind in plain view that appear to be totally out of place to Marty Tate, a seasoned investigator. Tate decides that he'd like another opinion on the case, so he enlists advice from former Northeast Ohio detective, Paul Treadwell, now the owner of the Brown Pelican Restaurant in Duck. Two years ago, Paul and his wife, Megan, a former nurse, won a sizable fortune in the Ohio Lottery. After careful consideration, they decided to relocate and become permanent residents of the Outer Banks. When Paul finds another piece of unusual evidence at the ransacked cottage, Tate's original suspicions are confirmed. A homicide has been committed here disguised as a robbery gone horribly wrong. Together with other highly trained and motivated law enforcement personnel they forge ahead in order to identify and apprehend a deadly intruder to these shores who meticulously continues his killing spree as the tourist season rolls along. The good guys know that there is no such thing as a "perfect" homicide. Even the craftiest of killers makes a mistake or two. Nothing new there. The problem for the good guys is that their killer hasn't gotten the memo on that one. He's good. He's exceptionally good at killing people and getting away with it.

Victor Bayne, the psychic half a PsyCop team, is a gay medium who's more concerned with flying under the radar than in making waves. He hooks up with Jacob Marks, a non-psychic (or 'Stiff') from an adjacent precinct and it seems like his dubious luck has improved, when a serial killer with a gruesome M.O. surfaces--and no one agrees what he looks like. Explicit gay content.

Enemies to Lovers. Blade Carr and Wyatt Smith are bodyguards from rival agencies who can't stand each other. Blade is a younger omega who thinks, Wyatt, a slightly older alpha, is arrogant and disrespectful. Wyatt believes Blade is nothing but a cocky punk. But when Wyatt receives a death threat, his boss decides the last place anyone will look for him is at Blade's house. Both men dread spending time together and are shocked when, despite their dislike of one another, they are suddenly physically attracted to each other. When they give into their lust one night, Blade just wants to pretend the perplexing night of passion never happened, but when the younger omega discovers he's pregnant, the two men are forced to form a closer bond as they try to find a way to come together for the child. This is a heartwarming, but steamy, 55,000 word story featuring a non-shifter Alpha/Omega world and contains mpreg (male pregnancy). This is a standalone fated-mate, gay for you story and Book One in the: Bodyguards and Babies mpreg series.

I assumed the worst I'd have to endure at a boring birthday party was cheap champagne, and dull conversation. Murder never crossed my mind. After three months of struggling to fit into the small town of Rainy Dale, Texas, Maxwell Thornton is once again thrown into the middle of a murder investigation. While attending Mayor Penelope Granger's birthday party, he and Royce are witnesses to the cold blooded murder of her father. Seeing as he's sheriff, Royce has no choice but to get involved in solving the murder, but he'd prefer Maxwell stay at a safe distance. Maxwell would prefer that too, but when an

attempt in made on his life, he's unwillingly sucked into the case. When Maxwell moved to Rainy Dale, he'd hoped for a new beginning. But after two attempts on his life, and his unnerving emotional attachment to Royce, more and more Maxwell wonders if staying in Rainy Dale is the logical choice. Perhaps it's time to run back to Los Angeles, where he can keep his body, and his heart, safe.

Within a month of buying a Palm Beach condo, Audrey and Nate Stevens meet the eccentric millionaire Vincent Xaveir Houten. Their friendship lasts fifteen years but is brought to an abrupt halt when Vincent is murdered by a point-blank gunshot to the head. Being the last to see the victim alive always makes you the first suspect. That's the case for the Stevens until they convince police they'd never commit such a gruesome act. Once they're cleared, their relationship with Vincent turns them into trusted advisors as a Palm Beach detective searches frantically for a lead. The investigation heads to Kansas City, Missouri, where Nate organizes funeral services for Vincent. Motives of greed and jealousy emerge as suspects visit the funeral, and a Kansas City detective joins the search for clues. Finding the suspects, though, is the easy part. There's more to the story, and that's what keeps the Stevens scratching their heads. If this is a murder of opportunity, who has the most to gain?

It's Christmas in New York City, and all antique shop owner Sebastian Snow wants is for his business to make money and to save his floundering relationship with closeted CSU detective, Neil Millett. But when Snow's Antique Emporium is broken into and a heart is found under the floorboards, Sebastian can't let the mystery rest. He soon finds himself caught up in murder investigations that echo the macabre writings of Edgar Allan Poe. To make matters worse, Sebastian's sleuthing is causing his relationship with Neil to crumble, while at the same time he's crushing hard on the lead homicide detective of the case, Calvin Winter. Sebastian and Calvin must work together to unravel the mystery behind the killings, despite the mounting danger and sexual tension, before Sebastian becomes the next victim. In the end, Sebastian only wants to get out of this mess alive and live happily ever after with Calvin.

Six severed arms are discovered buried in a forest clearing. They are arranged in a mysterious circle, and appear to belong to missing girls between the ages of eight and thirteen. But the rest of the bodies are nowhere to be found. Criminologist Goran Gavila is given the case. A dishevelled, instinctively rebellious man, he is forced to work with young female police officer Mila Vasquez. Lithe, boyish, answering to no one, Mila has a reputation as a specialist in missing children. She also has a tragic history of her own that has left her damaged, unable to feel or to relate to others. Theirs is a fiery but strangely affecting working relationship - and as they uncover more secrets about the dark secrets in the forest, their lives are increasingly in each other's hands... A gripping literary thriller that has taken Italy by storm, *The Whisperer* has been as sensational a bestseller in Europe as the Stieg Larsson novels. It is that rare creation: a thought-provoking, intelligent literary novel that is also utterly unputdownable.

Killing Rock

An M/M Mystery Romance Anthology

Allegra's visions lead the team on a trail across the world, to a disaster that is not all that it seems. The infamous Lord Langcourt hasn't given up on his quest to kill the last surviving Oracle of Delphi, and Allegra must evade his attempts, all while trying again to avoid an armageddon-like disaster event. When help does come, Allegra must decide if she can take the risk to trust. But in the bigger picture, such a leap of faith is minute, especially when considering Allegra also seeks the truth of who she is and when she comes from. Still, the truth is much stranger than it seems, and Allegra must gather both her strength and her team in order to see it to the end. No matter the cost.

LGBT Cozy Mystery Kip O'Connor lives a simple life in the little seaside town of Pearl Bay. Unless it's tourist season, things tend to be pretty peaceful. There is, however, one never-ending source of irritation in the form of Police Chief Merrick Dawson. Merrick is Kip's older brother's BFF, and nothing seems to bring Merrick more joy than nagging Kip about silly things. You'd think a Police Chief would have more important things to do than lecture Kip on parking tickets and picking up pet waste, but somehow Merrick always finds the time. When Kip decides to take an art class at the local community college, he's annoyed to find Merrick has also enrolled in the course. The instructor takes a shine to Kip, and soon they become friends outside of class. Merrick warns Kip of the dangers of blurring those lines and befriending his teacher, but Kip is flattered by the attention. When his art teacher is found stabbed through the forehead with a palette knife, Kip is determined to figure out who killed his new friend. Merrick naturally thinks Kip getting involved in the investigation is a horrible idea, but when has Kip ever listened to that irksome, pig-headed Merrick Dawson?

Gay Mystery If I could have put off meeting Thompson's family forever, I would have. But he made it crystal clear it was important to him, and I got the feeling if I blew it off again, I'd lose him. So, like a good boyfriend, I accompanied him to the rustic city of Big Bear, hoping for the best. I expected awkward moments, and funny looks from his family. What I didn't see coming was having to hang out with his perfect ex-lover, Alexander, and for dead bodies to start piling up. Working and living together, Thompson and I formed a bond I didn't think could be broken. But when he starts doubting my abilities, and pulling away, simply because he doesn't like what I'm saying, I start to realize maybe we were never as tight as I'd thought. Thompson needs to decide if he wants to protect the past, more than he wants to join me in the future. He thinks I'm just scared of commitment, and so I'm causing trouble. But the reality is, Thompson is the person with one foot out the door. This 50,000+ MM romance Mystery is the THIRD book in my Psychic Detective Mysteries Series. You will want to read book one *Shadow's Edge* and book two *Shadow's Return* first for optimal enjoyment.

Some things are better left hidden. Tom Paretski's not just a plumber with a dodgy hip courtesy of a schoolboy accident. He also has a sixth sense for finding hidden things. Called in by the police to help locate a body near Brock's Hollow, he's staggered to encounter Phil Morrison, his old school crush--and the closeted bully whose actions contributed to Tom's accident. Phil's all grown up now, and Tom's unwilling attraction to him is back with a vengeance. Phil's now openly gay--and what's more, he's interested in Tom's personal charms as well as his psychic talents. As a private investigator called in by the dead woman's parents, Phil is sceptical about Tom's unusual gift, but nevertheless quick to spot its potential to aid him in his work. The further they go with the investigation, the less they can ignore their shared past, and the more the pressure and the heat build between them. But Tom isn't certain he wants to know the secrets he's helping to uncover, while there's a murderer on the loose who won't hesitate to kill again--and this uneasy couple is moving right into his sights. Smoke and Murders

What if you can enter a madman's cruel mind as he plans his vicious crimes? What if you can see the terrified face of his prey as he moves in for the kill—but you can't stop his frenzy once he strikes? Psychic Cassie Neill helps the L.A. police catch killers—until she makes a terrible mistake and an innocent child dies. Cassie flees to a small North Carolina town, hoping that a quiet life will silence the voices that invade her unwilling mind. But Cassie's abilities know few boundaries. And she's become certain—as no one else can be—that a murderer is stalking Ryan's Bluff. It's his fury that Cassie senses first, then his foul thoughts and perverse excitement. Yet she doesn't know who he is or where he will strike. The sheriff won't even listen to her—until the first body is found exactly where and how she predicted. Now a suspect herself, she races desperately to unmask the killer in the only way she knows: by entering his twisted mind. Her every step is loaded with fear and uncertainty . . . because if he senses her within him, he'll trap her there, so deep she'll never find her way out.

Things are spiraling out of control for our indelicate, but occasionally loveable, Doctor Thornton. His romantic life is already in turmoil, but when someone sets fire to his medical practice his finances are also in jeopardy. Sheriff Royce Callum offers Maxwell a safe place to stay, as he searches for the arsonist. Maxwell can easily rub people the wrong way, which makes it challenging for Royce to figure out if the attack on Maxwell's business was personal or random. When other fires begin to pop up in Rainy Dale, it becomes obvious there's a serial arsonist spreading terror through town. Things go from bad to worse when one of the fires turns deadly.

The Case of the Withered Hand

The snick of a lock. The squeak of door hinges. The creak of a floorboard... Nothing is more mysterious than footsteps in the dark. Are those approaching steps that of friend or enemy? Lover or killer? Authors L.B. Gregg, Nicole Kimberling, Josh Lanyon, Dal MacLean, Z.A. Maxfield, Meg Perry, C.S. Poe and S.C. Wynne join forces for Footsteps in the Dark, eight sexy and suspenseful novellas of Male/Male Mystery and Romance.

In Book Two, Psychic Liam Baker and Detective Kimball Thompson have embarked on a romantic relationship after battling the deadly and powerful psychic, Steven Pine months ago. They ended his brutal killing spree of young male prostitutes, and he's safely in jail. But when someone starts murdering young college girls, some disturbing clues seem to lead back to Steven Pine. But he's locked up and awaiting trial. There's no possible way he could be involved in the new murders. Yet Liam can't shake the chilling feeling that Pine has somehow figured out a way to reach out from his jail cell to continue murdering innocent victims.

Franklin has more than one secret-if possible, the second more hideous than the first. As a serial killer who murders young prostitutes in particularly gruesome ways, Franklin also works with a friend, who helps covers his tracks. The only compensation required from his friend is watching the killings . . . and taking a few pictures that he shares with a couple of his friends. In turn, those friends share their pictures and stories of other murders, creating a horrific network of murder used as entertainment. Detective Carl Peterson's first mistake in being assigned to the Kankakee serial killer case is thinking that he's simply looking for a serial killer . . . acting alone. When Carl seeks help from his computer statistician girlfriend, Laurie, she discovers that various murders in four different states have similarities that can't be ignored. Carl teams up with FBI profiler Bob Rathburn, and together they track down the killer. But then, the murders continue . . . And the more Carl discovers, the more the unthinkable connections become a staggering reality.
