

Skye Pocket Map: The Perfect Way To Explore Skye (Maps)

This title contains 40 on- and off-road cycle routes throughout the spectacular Scottish Highlands and Islands.

Officially launched in 2017, the Hebridean Way offers walkers the opportunity to experience the magic of Scotland's Outer Hebrides in one inspirational journey. The waymarked route stretches 247km (155 miles) from Vatersay to Stornaway, linking ten major islands of the archipelago by means of causeways and two ferry crossings: Vatersay, Barra, Eriskay, South Uist, Benbecula, Grimsay, North Uist, Berneray, Harris and Lewis. Suitable for most walkers with a moderate level of fitness, it can be completed in 8-14 days and is rich in natural, historical and cultural interest. This guidebook presents the Hebridean Way in 10 stages of 16-35km (10-22 miles), plus two additional stages to extend the route to the Butt of Lewis in line with future plans. Detailed route description is accompanied by 1:50,000 OS mapping, stunning photography to whet your appetite and a wealth of information about local points of interest. The introduction offers an overview of the islands' geology, history, plants and wildlife as well as comprehensive practical advice for walking the route, such as when to go, how to get there (and back) and what to take. Accommodation listings can be found in the appendices. The route is a celebration of the diverse landscapes of the Hebrides, from dazzling white shell beaches to wild moorland and flower-strewn machair. It visits Neolithic and Bronze Age remains, ruined forts and castles and monuments commemorating Bonnie Prince Charlie and the Highland Land Struggle. The islands are also a great location to spot seabirds, raptors and a number of migratory species.

Skye's wonderfully varied and beautiful landscape is perfectly captured in this photo essay. This revised edition is complete with new advice on Paterson's personally developed walking route and provides a stunning journey through peaks, sunsets, and "the garden of Skye." Includes over a hundred large format color pictures, maps, and route details. The new edition of this leisure and tourist map of Skye and Lochalsh gives detailed coverage of the area's road network at a scale of approximately 2.25 miles to 1 inch. The map shows places of tourist and historic interest, including castles, camping sites, country parks, galleries, gardens, golf courses, marinas, museums, nature trails, historic sites, sports venues, theatres, theme parks, wildlife parks and zoos. An index to principal places of interest is also featured. In a convenient folded format, this single-sided sheet map is ideally suited for both leisure and business use, whether by locals or visitors.

Paw Patrol Pocket Library

Handy little full colour map of the Western Isles of Scotland. Detailed mapping and tourist information for the islands of Lewis, Harris, Uist, Benbecula, Barra and St Kilda.

Excellent value and very detailed for its size. Main features of this map include: - Clear mapping at a scale of 3.2 miles to 1 inch- Tourist attractions located and described- Ideal for touring with sights, places to stay, cafe/restaurant, things to do all on the map- Transport links map showing how to get to and depart the islands- Index to places of interest and place names Essential for those planning a trip around the Western Isles.

Features tales of monsters who dwell in lakes, of small people who trap humans in earthen mounds where time stands still; of dark, shape-shifting spirits whose cloak of human form is betrayed by the sand and shells which fall from their hair. This work takes us far beyond Christian times to the edge of the Iron Age.

Handy little full colour map of the Northern Scotland. Detailed mapping and tourist information ideal for any road trip. Main features of this map include: - Clear mapping- Tourist attractions located and described- Ideal for touring with sights, places to stay, cafe/restaurant, things to do all on the map- Index to places of interest and place names Essential for those planning a trip around Northern Scotland.

Philip's Navigator Scotland is part of a series of Navigator regional road atlases. The Navigator maps provide highly detailed coverage of the region's road network, including minor country lanes and rural tracks. In this atlas, much of the Central Lowlands and Scottish Borders are shown at 1.5 miles to 1 inch, while the rest of Scotland is shown at 3 miles to 1 inch. There is an abundance of other detail, including hundreds of individually named farms, houses and hamlets. Also shown are airports, airfields, stations, ferries, canals, marinas, and a wide range of places of interest. There are also useful details of many services that may be needed while travelling, such as tourist information centres. The atlas has a comprehensive index and includes indexed town plans of major regional centres. The front of the atlas contains a 15-page guide to regional leisure with full details of places of interest, such as castles, houses, cathedrals and museums, plus guides to nature reserves, parks and gardens, and listings of a wide variety of activities from abseiling to yachting. The atlas is designed with the leisure user particularly in mind, and is ideal for touring with its large scale and wealth of travel information. The exceptional detail also makes the atlas ideal for local business use, such as planning and delivery driving.

The Isle of Skye

Road Atlas Europe 2021 Essential: A4 Spiral (Collins Road Atlas)

This guidebook describes 87 of the best walks and scrambles on the Isle of Skye. Not only limited to the popular routes on the Black Cuillin or Skye's 12 Munros, the guide offers a comprehensive selection of routes in all areas of the island; in Sleat and South-East Skye, Strath, Minginish, Duirinish, Waternish and Trotternish. The routes range in length from 2 to 23km, so while there are opportunities for novice walkers, routes can also be combined for longer trails and difficult scrambles. Skye can delight walkers and scramblers at every turn, from sea stacks to fell tops; corries to rugged cliffs and plenty in between. Walkers on Skye should be prepared for strenuous trails and wilderness, as well as changeable weather, navigation, and - depending on the route - scrambling skills. Alongside detailed descriptions and OS maps for every route, the guidebook also includes practical information essential to making the most out of a visit to Skye. From travel to and around the island, to advice on accommodation, where to stock up on supplies and who to call in emergencies. The result is an excellent companion to exploring the best of Skye.

"Gorgeous and richly imagined."—Sara Raasch, New York Times bestselling author of the Snow Like Ashes series "Teeming with hidden magic and fiery romance."—Sabaa Tahir, #1 New York Times bestselling author of An Ember in the Ashes Perfect for fans of Shadow and Bone and Red Queen, The Crown's Game is a thrilling and atmospheric historical fantasy set in Imperial Russia about two teenagers who must compete for the right to become the Imperial Enchanter—or die in the process—from debut author Evelyn Skye. Vika Andreyeva can summon the snow and turn ash into gold. Nikolai Karimov can see through walls and conjure bridges out of thin air. They are enchanters—the only two in Russia—and with the Ottoman Empire and the Kazakhs threatening, the tsar needs a powerful enchanter by his side. And so he initiates the Crown's Game, an ancient duel of magical skill—the greatest test an enchanter will ever know. The victor becomes the Imperial Enchanter and the tsar's most respected adviser. The defeated is sentenced to death. Raised on tiny Ovchinin Island her whole life, Vika is eager for the chance to show off her talent in the grand capital of Saint Petersburg. But can she kill another enchanter—even when his magic calls to her like nothing else ever has? For Nikolai, an orphan, the Crown's Game is the chance of a lifetime. But his deadly opponent is a force to be reckoned with—beautiful, whip smart, imaginative—and he can't stop thinking about her. And when Pasha, Nikolai's best friend and heir to the throne, also starts to fall for the mysterious enchantress, Nikolai must defeat the girl they both love . . . or be killed himself. As long-buried secrets emerge, threatening the future of the empire, it becomes dangerously clear . . . the Crown's Game is not one to lose.

Described by Virginia Woolf herself as 'easily the best of my books', and by her husband Leonard as a 'masterpiece', To the Lighthouse, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay's promise to take a trip to the lighthouse the next day - a promise which isn't to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf's prose, with her delicate handling of the complexities of human relationships, To the Lighthouse has earned its reputation - frequently appearing in lists of the best novels of the twentieth century, it has lost not an iota of brilliance.

ad's new guide to the Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra, by experienced writer and journalist Mark Rowe is the only full-size guide to focus solely on the islands of Lewis, Harris, St Kilda, North Uist, Benbecula, South Uist, Eriskay, Barra and Vatersay. Masses of background information is included, from geography and geology to art and architecture, with significant coverage of wildlife, too, as well as all the practical details you could need: when to visit, suggested itineraries, public holidays and festivals, local culture, plus accommodation and where to eat and drink. Walkers, bird-watchers, wildlife photographers, beach lovers and genealogists are all catered for, and this is an ideal guide for those who travel simply with curious minds to discover far-flung places of great cultural, historical and wildlife interest. The Outer Hebrides is an archipelago of 15 inhabited islands and more than 50 others that are free of human footprint. Huge variations in landscape are found across the islands, from Lewisian gneiss, which dates back almost three billion years, to rugged Harris with its magnificent sands running down its western flanks and the windswept, undulating flatness and jagged sea lochs of the Uists. This is a land where Gaelic is increasingly spoken and ancient monuments abound, where stunning seabird colonies and birds of prey can be watched, and where the grassy coastal zones known as the machair are transformed into glorious carpets of wildflowers in late spring and summer. Whether visiting the Standing Stones of Callanish, the Uig peninsula, Barra's Castle Bay, or historic St Kilda, or if you just want to experience the romance of the Sound of Harris, one of the most beautiful ferry journeys in the world, Bradt's Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra has all the information you need.

When Cassie runs away from her dreary boarding school, in search of her missing mother, she ends up in the magical village of Hedgely and discovers she comes from a family of witches - women who protect Britain from the denizens of Faerie, who are all too real and far more frightening than the story books suggest.

When there is a problem in Adventure Bay, PAW Patrol is there to save the day!

James Cook never laid eyes on the sea until he was in his teens. He then began an extraordinary rise from farmboy outsider to the hallowed rank of captain of the Royal Navy, leading three historic journeys that would forever link his name with fearless exploration (and inspire pop-culture heroes like Captain Hook and Captain James T. Kirk). In *Farther Than Any Man*, noted modern-day adventurer Martin Dugard strips away the myth of Cook and instead portrays a complex, conflicted man of tremendous ambition (at times to a fault), intellect (though Cook was routinely underestimated) and sheer hardheadedness. When Great Britain announced a major circumnavigation in 1768 -- a mission cloaked in science, but aimed at the pursuit of world power -- it came as a political surprise that James Cook was given command. Cook's surveying skills had contributed to the British victory over France in the Seven Years' War in 1763, but no commoner had ever commanded a Royal Navy vessel. Endeavor's stunning three-year journey changed the face of modern exploration, charting the vast Pacific waters, the eastern coasts of New Zealand and Australia, and making landfall in Tahiti, Tierra del Fuego, and Rio de Janeiro. After returning home a hero, Cook yearned to get back to sea. He soon took control of the *Resolution* and returned to his beloved Pacific, in search of the elusive Southern Continent. It was on this trip that Cook's taste for power became an obsession, and his legendary kindness to island natives became an expectation of worship -- traits that would lead him first to greatness, then to catastrophe. Full of action, lush description, and fascinating historical characters like King George III and Master William Bligh, Dugard's gripping account of the life and gruesome demise of Capt. James Cook is a thrilling story of a discoverer hell-bent on traveling farther than any man.

From sipping scotch and sampling haggis to touring castles and historic museums, make the most of your Scottish adventure with Moon Edinburgh, Glasgow & the Isle of Skye. The Penderwicks: four sisters, as different as chalk from cheese, yet as close as can be. The eldest, Rosalind, is responsible and practical; Skye, stubborn and feisty; dreamy, artistic, budding novelist, Jane; and shy little Batty, who doesn't go anywhere without her butterfly wings. And not forgetting Hound, their large lumbering lovable dog. The four girls and their absent-minded father head off for their summer holidays, but instead of the cosy tumbledown cottage they expect, they find themselves on a huge estate called Arundel, with magnificent gardens ripe for exploring. It isn't long before they become embroiled in all sorts of scrapes with new-found friend, Jeffrey - but his mother, the icy-hearted Mrs Tifton, must be avoided at all costs. Chaotic adventures ensue, and it soon becomes a summer the sisters will never forget...

Up-to-date spiral bound road atlas of Europe. Contains clear, large-scale, detailed road mapping, perfect for touring the Mediterranean, Iberian peninsula, Scandinavia and all European tourist destinations. Scale of main maps 1:1,000,000 (1 cm to 10 km / 1 inch to 16 miles). Euroroutes and motorways are easily distinguished. The maps also show international road classifications, road distances in kilometers and relief is shown by attractive layer tints. Guide to international road signs, route maps of 64 major cities, more detailed road maps extending from Amsterdam to Munich. Mapping extends from the North Cape (Norway) to Gibraltar and from Ireland to east of Moscow. Includes Iceland and Cyprus.

When Amaya rescues a mysterious stranger from drowning, she fears her rash actions have earned her a longer sentence on the debtor ship where she's been held captive for years. Instead, the man she saved offers her unimaginable riches and a new identity, setting Amaya on a perilous course through the coastal city-state of Moray, where old-world opulence and desperate gamblers collide. Amaya wants one thing: revenge against the man who ruined her family and stole the life she once had. But the more entangled she becomes in this game of deception-and as her path intertwines with the son of the man she's plotting to bring down-the more she uncovers about the truth of her past. And the more she realizes she must trust no one? Packed with high-stakes adventure, romance, and dueling identities, this gender-swapped retelling of The Count of Monte Cristo is the first novel in an epic YA fantasy duology, perfect for fans of Sarah J. Maas, Sabaa Tahir, and Leigh Bardugo.

The first guide dedicated to this group of islands in many years: from the Isle of Skye in the north to community-owned Gigha in the south, 24 islands are covered, with full practical details of how to get to each one, what to do and

see while there, where to stay and where to eat. A dedicated wildlife section details interesting and rare species and where and when to see them, from whale-watching trips off Mull to RSPB hides and reserves and ongoing conservation programmes. Suggested routes and recommended packing lists are included for hikers, while history, myths and legends bring greater depth of understanding to present-day island life. The Inner Hebrides strike a perfect balance between feeling remote and being accessible on any budget. Accommodation options covered include hotels, self-catering cottages, guest houses, hostels, campsites and bothies, while transport options range from self-drive to public transport, cycling and walking. Whether dolphin-spotting or birdwatching, beach-combing or walking, whisky tasting or tucking into freshly caught seafood, making a pilgrimage to Iona or cheering on the Highland Games on Skye, Bradt's Inner Hebrides is the ideal companion for a successful visit.

Written by Skye residents Paul and Helen Webster, these walks reveal both the wild and gentler sides of this dramatic landscape.

The Island and Its Legends

20 Routes on the Winged Isle

Long-distance walking route through Scotland's Outer Hebrides

A Journey Through the Isle of Skye

This guidebook describes 37 day rides for all abilities, and 22 linking routes for more experienced cycle tourists, allow riders to visit all the essential sights in over 20 islands of the Hebrides and of the Firth of Clyde. Routes range from those suitable for short weekend breaks to a challenging 600-mile tour (includes the 200 mile Hebridean Way / NCR 780 along the length of the Outer Hebrides). Whether you're putting together a fortnight's tour or just enjoying a few day rides from a single base, this guide is packed with useful information to help you make the most of your trip. The Hebridean islands offer a wealth of wonderful scenery: the majestic Cuillin mountains on Skye; the otherworldly palm trees on Bute; the marvellous white shell sands on Tiree and Harris. This guidebook features detailed custom mapping and elevation profiles for all routes, and comprehensive information of ferry and transport routes, accommodation, food and drink, supplies, cycle spares and repairs. Island hopping in these islands is a magical experience. The guide visits over 20 of them and each has its own interesting history and wildlife. Reasonably fit cyclists can enjoy these routes at their own pace; experienced cycle tourists will eat up the miles.

Of all Scotland's islands none casts its spell quite as dramatically as the Isle of Skye. Celebrated in song and story, Eilean a'Cheo is a place of astonishing natural beauty and attracts climbers and walkers from all over the world. The 70-mile long Skye Trail connects two of the island's most extraordinary landscapes; the world-famous Cuillin, the most rugged mountain range in Britain, and the Trotternish ridge, a rolling escarpment of basalt hills that look over the sea to the tumbled landscapes of mainland Scotland. This long walk through the island, the 'Skitis' of the Celtic world, follows ancient byways, cattle drovers' routes, mountain footpaths and an old railway line, through a land where the first inhabitants sensed the presence of their gods in every nook and cranny, on every hill and crag, in every corrie and loch. Landscape and weather and an affinity with wild nature made up the very fabric of their lives. The route visits castles, takes in geological gems like the Quiraing and the Storr, follows rivers and loch-side paths and recalls those who were brutally removed from their homes during the Highland Clearances. It visits the site of the "last battle on British soil" and climbs Bla Bheinn, surely the finest mountain on this island of fine mountains. The route then takes its finale along the old Marble Line to Broadford, and the end of a magnificent island journey. The Skye Trail is destined to be one of the most popular long distance walks in Britain. Adopted by the Highland Council as an official long distance walk, it was brought to life by BBC Scotland's often repeated 'Skye Trail' presented by Cameron McNeish. This illustrated book is based on the broadcast and Cameron's experiences of the trail, the island, its people and its history and environment.

Island whiskies have long held a fascination and a powerful emotional draw on whisky drinkers the world over. Their special combination of heritage, mystique, and remote location captures the imagination; their highly distinctive flavours are often imitated but seldom bettered. There have been few books on island whisky and none written in recent years. But Whiskies Galore is not your average whisky book. It is not merely a catalogue of distilleries, but a story of discovery and adventure. Join Ian Buxton on a personal journey across Scotland's islands, where he learns to fish with high explosives, ends up hurling his dinner into the sea, and comes face to face with a basking shark. Combining an expert's knowledge of whisky with a travel writer's fondness for anecdote, and with a keen description of place, he provides a special treat for all who love the islands' magical

drams.

A follow-up to The Scottish Bothy Bible (50,000 copies sold) this photo travel guide this walking companion will share 28 of the best bothy experiences. Using the bothy as the reference point Geoff Allan guides the reader on a mix of day walks and multi-day adventures to his favourite bothies highlighting the incredible wildlife, geography, history and culture that you will find along your walk. Each walk contains an informative description of the route and bothy, a map highlighting the points of interest along the route and detailed route descriptions. Supported by beautiful photographs of the bothy, route and points of interest along the way.

Exploring Ireland's Wild Atlantic Way is essential reading for anyone planning to visit the Atlantic coast of Ireland. Whether looking for ideas for weekend adventures or visiting from abroad you will find everything you need within this guide. At over 2500km, The Wild Atlantic Way is the world's longest defined coastal touring route, travelling the full length of the west coast of Ireland, taking in some of the most breathtaking scenery imaginable. The route is alive with literature, music, stories, and surf. Its landscape, flora, fauna, and sheer size have inspired everyone from WB Yeats to John Lennon. Just a few highlights include the UNESCO World Heritage site Skellig Michael; the largest karst landscape in the world, The Burren; and the traditional Irish towns dotted along our western coast. This book's focus is on the outdoors - on getting out into the fresh air, the wind, the sun and the rain - and experiencing the incredible natural beauty found everywhere along the coast. It is full of spectacular photos, helpful maps and detailed information on the west coast's best sights, from the most famous landmarks to the hidden gems on this awe inspiring route.

Orkney: A Historical Guide is a marvelous companion to the fascinating Orkney islands, offering a broad overview of their history. Starting with the prehistoric period, from which survives the famous settlement of Skara Brae, it goes on to discuss the flowering of the Celtic Church in the sixth and seventh centuries and the subsequent invasion by the Vikings, who settled there in large numbers and established a powerful Norse earldom. This was perhaps the most dynamic period of Orkney's history, and is characterised in the famous Orkneyinga Saga, one of the major literary works of its time. Orkney lies only twenty miles north of mainland Scotland, yet for many centuries its culture was more Scandinavian than Scottish. Strong westerly winds account for the scarcity of trees on Orkney and for the tradition of well-constructed stone buildings. As a result, exceptionally well-preserved remains are to be found in the islands, providing a rounded view of society through the ages. Sites and remains to be explored include settlements from the stone age, stone circles and burials from the bronze age, iron-age brochs, Viking castles, the magnificent cathedral of St Magnus, Renaissance palaces, a Martello tower from the Napoleonic Wars and numerous remains from the Second World War. This new edition has been revised and updated, and includes a new chapter which sheds light on exciting and recent findings.

It's the ultimate travel guide packed with easy-to-read maps, tips, and tours to make your weekend trip or cultural break memorable. From London and Paris to Rome and the Lake District, explore the best of these travel destinations and many more! In February 2019, award-winning writer Alex Roddie left his online life behind when he set out to walk 300 miles through the Scottish Highlands, seeking solitude and answers. In leaving the chaos of the internet behind for a month, he hoped to learn how it was truly affecting him – or if he should look elsewhere for the causes of his anxiety. The Farthest Shore is the story of Alex's solo trek along the remote Cape Wrath Trail. As he journeyed through a vanishing winter, Alex found answers to his questions, learnt the nature of true silence, and discovered frightening evidence of the threats faced by Scotland's wild mountain landscape.
