combination offer the complete package--read the concepts, see the video and hear the accompanying audio and really nail the concepts.

If you are an executive who has worked long hours, risen to every challenge, and built a strong reputation for yourself, then why haven't you reached the highest levels of leadership? Here's a reality check: Your business achievements and functional skills alone aren't enough to help you get where you want to go. What's likely missing is a skill that the world's best corporate leaders have developed—mastery of the people side of the equation. You must become a leader that others want to work for. How do you do that? Let go of being an expert. Become a leader of experts. If anyone knows what

clear and accessible manner, it covers:

Explanations of the process of test design Costing test design projects How to put the test into practice Evaluation of speaking tests Task types for testing speaking Testing learners with disabilities It also contains a wealth of examples, including task types that are commonly used in speaking tests, approaches to researching speaking tests and specific methodologies that teachers, students and test developers may use in their own projects. Successfully integrating practice and theory, this book demystifies the process of testing speaking

Download Free Speaking Pro: Build A Speaking Business From Scratch And Get Paid Speaking Gigs

and provides a thorough treatment of the key ethical and technical issues in speaking evaluation. Many books on persuasive speaking only teach you how to speak persuasively, but they don't teach you how to also think persuasively. Debaters tend to excel when they are put on the spot, because they know how to think fast, speak well, and win audiences. "Think, Speak, Win: Discover the Art of Debate" provides a first-of-its-kind comprehensive introduction to the basics of debating for young students as well as interested adults, in a light-hearted and interesting style. This book breaks

Download Free Speaking Pro: Build A Speaking Business From Scratch And Get Paid Speaking Gigs

down the skills of debating into simple, memorable, and easy-to-follow chapters, and even covers the basics of coaching a school team and judging a debate competition. The skills of debating can help you achieve greater success at work and school, and this book guides you through a memorable 6-step process to apply “Debate-Thinking” to situations such as interviews, essay writing, impromptu speeches, presentations, and even leadership and management. You will never be at a loss for words again!
