What makes this book of "spot the differences" puzzles so unique? Simply put: the quality of the photographs. Every one of the pictures comes from the acclaimed George Eastman House archive, with some dating back to the 1800s. So they make stunning art as well as absorbing brainteasers. In every case, you'll get two versions of the picture side by side; they'll look almost alike, but one is slightly different from the other. It's up to you to search the images and find the variations. The puzzles come in three levels of difficulty: easy with five differences, medium with six, and hard with seven. The photos encompass historical figures, famous buildings, stunning landscapes, and engaging animals and many are iconic works by renowned photographers. The most famous include "The Migrant Mother" by Dorothea Lange; Lewis W. Hine's "Power House Mechanic"; and the amazing portrait of Abraham Lincoln taken by the celebrated Civil War photographer Matthew Brady.

Twenty puzzles take kids on an international sightseeing junket, where they'll take a close look at the Taj Mahal, Eiffel Tower, Parthenon, and other famous landmarks. Includes captions and solutions.

With no fewer than 40 sets of almost identical pictures, this 'Spot The Difference' book provides hours of fun for kids of all ages. It is however best suited to kids over the age of 6. Each set of pictures contains 10 differences, and finding them helps your child to develop a range of skills including observation, attention and concentration, as well as providing an excellent way to improve the memory. On the first page for each set of puzzles the two pictures will be shown, one on top of the other. Look carefully at both pictures and mark the differences by adding a light pencil ring to the lower picture to show where each of the 10 differences appears. Once you have found all 10 differences, turn over the page and check your answers. By carefully marking the differences lightly and in pencil, you can erase your rings when you are finished, so that someone else can try the puzzle. You can also of course come back and complete the book yourself again at a later date. The pictures in this book are in black and white, and the differences between the pictures in each set are not dependent on color. However, if you would like to try these puzzles in full color, then why not pick up the Kindle edition of the book.
