From the subversive to the antic, the uproarious to the disturbing, the stories of Bruce Sterling are restless, energy-filled journeys through a world running on empty--the visionary work of one of our most imaginative and insightful modern writers. They live as strangers in strange lands. In worlds that have fallen--or should have. They wage battles in wars already lost and become heroes--and sometimes martyrs--in their last-ditch efforts to preserve the dignity and individuality of humanity. A hack Indian filmmaker takes the pulse of a wounded and declining civilization--21st-century Britain. A pair of swashbuckling Silicon Valley entrepreneurs join forces to make a commercial killing--in organic underground slime and computer-generated jellyfish. A man in a Japanese city takes orders from a talking cat while pursuing a drama of danger and adventure that has become the very essence of his life. From "The Littlest Jackal", a darkly hilarious thriller of mercs and gunrunners set in Finland, to a stark vision of a post-atomic netherworld in his haunting tale "Taklamakan", Bruce Sterling once again breaks boundaries, breaks icons, and breaks rules to unleash the most dangerously provocative and intelligent science fiction being written today.

For fans of books by Jimmy Bullard, Paul Merson, The Sidemen and the F2 Freestylers Messi might be the most skilful, Ronaldo might have the best shot, but according to FIFA it's 16-stone Adebayo Akinfenwa who's the strongest footballer in the world. With a larger-than-life personality to match, it's no wonder 'The Beast' has become an icon, attracting millions of social media followers, launching his own clothing label, and still banging in the goals for Wycombe Wanderers. With such fame and adoration, it's easy to forget that Bayo is one of the hardest-working footballers around. His mental strength has had to be equal to his physical. Told by English clubs he was 'too big' to play football, he joined Lithuanian team FK Atlantas as a

teenager where he faced widespread racial abuse. A career of grafting in the lower leagues of English and Welsh football followed, with spells at Barry Town, Torquay, Swansea, Gillingham, Northampton and AFC Wimbledon. Bayo's charisma and knack of scoring vital goals made him a fan favourite at each. His last ever kick for the Dons was a penalty at Wembley to help win the club promotion. 'I think I'm technically unemployed,' he told an interviewer after the final whistle. 'So any managers hit me up on the WhatsApp and get me a job!' Inspiring, entertaining and full of character, this is the story of how Akinfenwa became a true cult hero and the never-give-up attitude that made him the biggest footballer on the planet.
