

***Stig Of The Dump
(A Puffin Book)***

One day, Barney, a solitary little boy, falls into a chalk pit and lands in a sort of cave, where he meets 'somebody with a lot of shaggy hair and two bright black eyes' - whom he names him Stig. And together they enjoy some extraordinary adventures. A much-loved classic story.

England, the first country to industrialise, now offers the world's most mature post-industrial terrain, and is still

falls into the pit and bumps his head. But where he lands is more than an old garbage dump: It's a home. There's a little hut built out of discarded junk, and more surprisingly, there's a boy, about Barney's age, inside. He speaks in grunts instead of English, wears a rabbit-skin loincloth, has shaggy black hair, and might be named something that sounds like "Stig." Barney befriends him immediately. Together, Barney and Stig go on all sorts of adventures, building a chimney for Stig's hut, joining a foxhunt,

stopping robbers, and catching a leopard escaped from the circus! Barney and Stig's escapades have been delighting children for more than fifty years, while addressing important topics such as bullying, recycling, and language barriers. This timeless classic is sure to captivate readers young and old with its wit, imagination, and sense of adventure.

Finding your confidence is a

lot like programming a computer? * Understanding photosynthesis can teach you about following your passions? * Peer pressure and Isaac Newton have more in common than you might think? Well, welcome to Dr Camilla Pang's scientific survival guide to growing up! As a child Camilla loved patterns and putting things in order. She was obsessed with Stephen Hawking. And the only language she really understood was science. Diagnosed with autism age 8, Camilla saw the world very differently. But with science

as her sidekick, she was able to translate ideas she could understand (like gravity, photosynthesis and algorithms) onto things she couldn't (like peer pressure, emotions and finding your voice). Today, Camilla is a scientist and an award-winning author, and she is here to share her scientific survival guide with you - so you can grow up with the courage to be yourself, no matter how different you feel or how tricky you might find it to connect. Because the hard part of growing up isn't dealing with other people

day he is lying on the edge of a disused chalk-pit when it gives way and he lands in a sort of cave. Here he meets 'somebody with a lot of shaggy hair and two bright black eyes' wearing a rabbit skin and speaking in grunts. He names him Stig. Of course nobody believes Barney when he tells his family all about Stig, but for Barney cave-man Stig is totally real. They become great friends, learning each others ways and embarking on a series of unforgettable adventures. Clive King was born in Richmond, Surrey, in 1924. When he was young his family moved to a village called Ash, near Sevenoaks in Kent, which is the setting for Stig of the Dump. He went to Downing

Iggy is different from the rest of his tribe, the Urks. He isn't interested in the usual things such as flint tools, hunting or boulder-rolling. He's always daubing on the walls of his cave or coming up with infuriating new ideas. According to his dad: 'We don't need new ideas - we have plenty of old ones.' Iggy's latest invention is a primitive scootalong or Stone Age skateboard. His parents don't want
