Experience the world of The Demon Cycle to its fullest with a collection that brings together, for the first time, all of the short stories and novellas in Peter V. Brett's bestselling series.

As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon attacks will dare the impossible, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Together, they will stand against the night. Look for Peter V. Brett's complete Demon Cycle: THE WARDED MAN | THE DESERT SPEAR | THE DAYLIGHT WAR | THE SKULL THRONE | THE CORE

The Royal Road to Romance is the travel classic in which a happy, young romanticist goes laughing and beating and fighting his vagabond way into the glamorous corners of the world. When Richard Halliburton graduated from Princeton, he chose adventure over a career, traveling to far away places. This vivid book tells what happened, from a break-through Matterhorn mountain ascent in the Alps to being jailed for taking forbidden pictures on Gibraltar. "One of the most fascinating books of its kind ever written." In 1939 the swashbuckling author was lost at sea in the Pacific.

The Deliverer has returned, but who is he? Arlen Bales, formerly of the small hamlet of Tibbet's Brook, learnt harsh lessons about life as he grew up in a world where hungry demons stalk the night and humanity is trapped by its own fear. He chose a different path; chose to fight inherited apathy and the corelings, and eventually he became the Painted Man, a reluctant saviour. But the figure emerging from the desert, calling himself the Deliverer, is not Arlen. He is a friend and betrayer, and though he carries the spear from the Deliverer's tomb, he also heads a vast army intent on a holy war against the demon plague... and anyone else who stands in his way.

Humankind has ceded the night to the Corelings, demons that rise each day at dusk, killing until dawn. The world's few surviving humans hide behind magical wards, praying that the magic will see them through another night. But there are three stubborn children who know that there is more to the world than what they've been told, if only they can risk leaving the safety of the wards to find it.
