

The Faithful Spy: Spy Thriller (John Wells Book 1)

A John Wells thriller and the first Headline title from NYT #1 bestseller Alex Berenson. Those in power always need an unofficial option. Meet John Wells. Saudi Arabia's King Abdullah fears he is fast losing control of his family and his people. A series of terrorist attacks has put his kingdom on edge and, with powerful factions turning against him, the king must turn to the one man he has been told will make the difference. Ex-CIA operative John Wells knows all too well how covert internal battles can undermine a nation. With the stability of a powerful Middle Eastern country at stake, he goes undercover to investigate King Abdullah's claims. But as Wells begins to unravel the conspiracy, it takes an unexpected twist. The plotters want more than the fall of a monarch. Their objective is to spark the final bloody conflagration between Islam and the West. Has time finally run out for John Wells?

#1 New York Times Bestseller Winner of the Edgar® Award Drawing from his experience as a correspondent in Iraq, Alex Berenson exploded onto the thriller scene with this perfectly crafted, highly-acclaimed debut novel—"a timely reminder of the extremely precarious way we live now" (The Washington Post). Years ago, John Wells was an all-American boy from Montana. Now, he is roaming the mountains of Pakistan as a member of al Qaeda. After a decade away from home, he despises the United States for its decadence. He hates America's shallow, mindless culture of vice and violence. He is a devout Muslim. He is a brave warrior for Allah. He is a CIA operative. And he is coming home...

Justice has a new name ... Revenge. After a covert operation in Australia goes terribly wrong and reeling from a devastating loss, Justin and his ever-faithful partner, Carrie O'Connor, are dispatched to Saudi Arabia suspecting a connection. But a seemingly friendly meeting with one of the Saudi princes turns into an international incident with potentially fatal consequences for both Justin and Carrie, that connection is sealed. But is someone realizing they are getting too close? Split apart and assigned different operations, Justin and Carrie find themselves in the crosshairs of professional assassins. Barely able to escape with their lives and relying on unusual allies, the agents must battle on separate fronts to discover the truth about who is relentlessly hunting them. How will Justin and Carrie survive a fight to the finish that has never been more explosive or more personal? Reviews ★★★★★ "My highest recommendation! A stupendous read!" ★★★★★ "This author never fails to provide the story with the details, the action and suspenseful sticky operations for his star character, Justin Hall! From #1 New York Times bestselling author and Edgar Award winner Alex Berenson comes a supercharged thriller about marriage and the dangerous secrets spouses keep. Rebecca and Brian Unsworth appear to have it all. A nice house in the suburbs of Washington, DC. Two well-behaved, healthy teenage children. Important government jobs—Rebecca working in counterterrorism for the Federal Bureau of Investigation, Brian serving as a coder for the National Security Agency. Their lives stand to improve even more as Brian, in his off-hours, has just developed and sold a highly profitable app. However, the Unsworths' marriage isn't as perfect as it seems. After two decades together, they've drifted apart, talking little and having sex even less. Seeking to revive their strained relationship, they decide for their twentieth wedding anniversary to take their two kids, Kira and Tony, on a European getaway. They have a blast...until one night in Barcelona when Kira doesn't come home from a dance club. She's gone. Abducted. Over the course of a single weekend, the Unsworths will do everything possible to find her—as Kira herself discovers just how far she'll go to break free of the trap that's been set for her. And even as Rebecca and Brian come together for Kira, they realize their marriage is more tenuous than they realized. The Power Couple is both a fast-paced, globe-trotting espionage novel full of surprising twists and a nuanced look at modern marriage—the challenges of balancing career, parenthood, sex, and love.

Len Deighton's classic first novel, whose protagonist is a nameless spy - later christened Harry Palmer and made famous worldwide in the iconic 1960s film starring Michael Caine.

A killer is on the loose . . . In 2009, the CIA officers in Afghanistan's Kabul Station received information from a reliable source regarding the whereabouts of Osama bin Laden. But when they followed the informant to bin Laden's apparent location, they discovered it was a deadly trap. The man blew himself up, taking the chief of station and several senior officers with him. Two years later, the station still hasn't recovered and the situation has deteriorated. Every initiative meets with failure. No one knows who to trust. In desperation, John Wells' old CIA bosses ask him to go over and investigate. Reluctantly, Wells agrees but what he finds when he gets there is more than a station in disarray. There is a full-blown military drug-smuggling operation underway, and worse, a traitor is leaking information to the Taliban. Americans are dying, and an American is responsible - and this is just the beginning. Only Wells stands in the traitor's way . . . for now.

Famous as the basis for several films, including the brilliant 1935 version directed by Alfred Hitchcock, *The Thirty-Nine Steps* is a classic of early twentieth-century popular literature. Richard Hannay has just returned to England after years in South Africa and is thoroughly bored with his life in London. But then a murder is committed in his flat, just days after a chance encounter with an American who had told him about an assassination plot that could have dire international consequences. An obvious suspect for the police and an easy target for the killers, Hannay goes on the run in his native Scotland where he will need all his courage and ingenuity to stay one step ahead of his pursuers.

Agent John Wells is back in Washington. His wounds have healed, but his mind is far from clear. He is restless, careless with his safety, uneasy in his skin. When the CIA finds evidence of a surge in Taliban activity backed by an unknown foreign power, it takes little to convince him to return to Afghanistan to investigate.

THE NEW YORK TIMES BESTSELLER Interfering with the presidential election was just the first step. The Russians don't just want to influence American elections--they want it all. Former CIA agent John Wells confronts a plot of astonishing audacity as New York Times-bestselling author Alex Berenson goes beyond today's headlines to tomorrow's all-too-real threats. It was supposed to be a terrorist sting. The guns were supposed to be disabled. Then why was there so much blood? The target was the American Airlines Center, the home of the Dallas Mavericks. The FBI had told Ahmed Shakir that his drug bust would go away if he helped them, and they'd supply all the weaponry, carefully removing the firing pins before the main event. It never occurred to Ahmed to doubt them, until it was too late. When John Wells is called to Washington, he's sure it's to investigate the carnage in Dallas, but it isn't. The former CIA director, now president, Vinnie Duto has plenty of people working in Texas. He wants Wells to go to Colombia. An old asset there has information to share--and it will lead Wells to the deadliest mission of his life, an extraordinary confluence of sleeper cells, sniper teams, false flag operations, double agents high in the U.S. government--and a Russian plot to take over the government itself. If it succeeds, what happened in Texas will be only a prelude.

England, 1585. In Christopher (Kit) Marlowe's last year at Cambridge, Queen Elizabeth's spymaster approaches him with an unusual career opportunity: going undercover to prevent Mary Stuart, Queen of Scots, from plotting her way to the English throne. Spying on Mary turns out to be more than Kit bargained for, but his salary allows him to mount his first play, and over the following years he becomes the toast of London's raucous theater scene. But when Kit finds himself drawn back into the world of espionage, he realizes one wrong move could make everything he's worked so hard to attain -- including the trust of the man he loves -- vanish in an instant. Pairing modern language with period detail, Allison Epstein brings the lavish Tudor court, the colorful world of Elizabethan theater, and the squalid streets of sixteenth-century London to vivid, teeming life. At the center of the action is Kit Marlowe himself -- an irrepressible, irreverent force of nature -- Cover page 4.

Unable to prevent the assassination of a CIA station chief by Iranian hostiles who are allegedly plotting a nuclear attack on the United States, John Wells goes undercover to discern the truth on an assignment that takes him from Guatemala and Thailand to Hong Kong and Istanbul.

CIA agent John Wells refuses to let a privileged businessman walk away from a crime in this novel of modern suspense from the #1 New York Times bestselling author. John Wells has just barely managed to stop an operation designed to drive the United States and Iran into war, but the instigator himself disappeared behind an impenetrable war of security. Now it’s time for him to pay, and Wells has made it his personal mission. There are plenty of crosscurrents at work, though. The White House doesn’t want anybody stirring the pot; his old CIA bosses have their own agendas; other countries are starting to sniff around, sensing something unusual. It is when Russia and China enter the mix, however, that the whole affair is set to combust. With alarming speed, Wells is once again on his own...and the wolves are closing in.

When members of a secret American interrogation squad that was running a black site in Poland in 2007 and 2008 and had since been disbanded are murdered, John Wells is asked. Enquiries lead him to discover that while the squad came up with some very valuable intel, its tactics were questionable at best...

The Nephilim were on the earth in those days Genesis 6:4 When Sister Evangeline finds mysterious correspondence between Mother Innocenta of the Saint Rose Convent and leger Rockefeller, it confirms Angels walked among us - and their descendants, the cruel Nephilim, still do. Indeed, the Nephilim are hunting for artefacts concealed by Abigail Rockefeller of World War - objects that will ultimately allow them to enslave mankind - and have so far been prevented from reaching their apocalyptic goal by one, clandestine organisation: The Angelologists. Angelologists are to stand any chance of winning this new battle in the ages-old war, they must find the artefacts first. But their fate rests in the hands of innocent Sister Evangeline as she unlocks Abigail Rockefeller's hiding places... and whose own destiny may yet find her prey to the terrifying Nephilim army, with horrifying consequences for humanity.

The only American ever to crack al Qaeda, John Wells has been undercover so long that the CIA is no longer sure he's loyal - or even alive. Now, on the orders of Omar Khadri - the mastermind behind the 9/11 attacks - Wells is coming home. And no-one knows what to expect.

De commandant van de Franse geheime dienst, Georges Picquart, vertelt hoe hij na de veroordeling wegens spionage van de joodse officier Alfred Dreyfus in 1895 ontdekt dat de echtgenote van Dreyfus moet zijn geweest en dat Dreyfus dus ten onrechte een levenslange gevangenisstraf uitzit.

After two high-risk missions, CIA special agent John Wells is living on the edge, his nights filled with disturbing dreams. He knows he has no time for rest - and he has made many mistakes. The next shocks him to the core. First, he is targeted by assassins sent by a psychotic arms dealer out for revenge. His girlfriend is left for dead. Then, in vengeful pursuit of his assailant, he uncovers a terrifying plot. Terrorists have successfully targeted Russia's nuclear complex and are planning an attack on America's shores. With the clock ticking, Wells realises that to stand up to them, he mustn't let a personal vendetta get in his way - the future of the West depends upon him.

Interweaving handwritten text and art in his signature style, John Hendrix tells the fascinating story of Dietrich Bonhoeffer and his fight against the oppression of the German people during World War II. Bonhoeffer was a German Lutheran pastor and theologian who was shocked to watch the German church embrace Hitler's agenda of hatred. He spoke out against the Nazi party and led a breakaway church that rebelled against racist and nationalist beliefs of the Third Reich. Struggling with how his faith interacted with his ethics, Bonhoeffer eventually became convinced that Hitler and the Nazi Party needed to be stopped--and he was willing to sacrifice anything and everything to do so.

In *The Night Manager*, John le Carré's first post-Cold War novel, an ex-soldier helps British Intelligence penetrate the secret world of ruthless arms dealers. 'Le Carré is the equal of any novelist now writing in English' Guardian 'A marvellously observed relentless tale' Observer At the start of it all, Jonathan Pine is merely the night manager at a luxury hotel. But when a single attempt to pass on information to the British authorities – about an international businessman at the hotel with suspicious dealings – backfires terribly, and people close to Pine begin to die, he commits himself to a battle against powerful forces he cannot begin to imagine. In a chilling tale of corrupt intelligence agencies, billion-dollar price tags and the truth of the brutal arms trade, John le Carré creates a claustrophobic world in which no one can be trusted. 'Complex and intense ... page-turning tension' San Francisco Chronicle 'When I was under house arrest I was helped by the books of John le Carré ... they were a journey into the wider world ... These were the journeys that made me feel that I was not really cut off from the rest of humankind' Aung San Suu Kyi 'One of those writers who will be read a century from now' Robert Harris 'He can communicate emotion, from sweating fear to despairing love, with terse and passionate conviction' Sunday Times (on *The Spy Who Came in from the Cold*) 'Return of the master . . . Having plumbed the devious depths of the Cold War, le Carré has done it again for our nasty new age' The Times (on *Our Kind of Traitor*)

The story of an anonymous Englishman who, in the spring of 1963, was hired by the Operations Chief of O.A.S. to assassinate General de Gaulle.

CIA agent John Wells has been undercover so long that his bosses are no longer sure he's still loyal – or even still alive. For years Wells has been building his cover in the mountains of Afghanistan, his existence known only to a few senior CIA officials. But now he's coming home – and no one, including his CIA minder Jennifer Exley, knows what to expect. He is a man alone, used by two adversaries and trusted by neither. And as terrorists prepare to unleash the most devastating attack in history, Wells knows he is the only man who can stop them. With or without the government's approval...

To unmask a CIA mole, John Wells must resume his old undercover identity as an al Qaeda jihadi—and hope he can survive it—in this cutting-edge novel from the #1 New York Times–bestselling author. It is the most dangerous mission of John Wells's career. Evidence is mounting that someone high up in the CIA is doing the unthinkable—passing messages to ISIS, alerting them to planned operations. Finding out the mole's identity without alerting him, however, will be very hard, and to accomplish it, Wells will have to do something he thought he'd left behind forever. He will have to reassume his former identity as an al Qaeda jihadi, get captured, and go undercover to befriend an ISIS prisoner in a secret Bulgarian prison. Many years before, Wells was the only American agent ever to penetrate al Qaeda, but times have changed drastically. The terrorist organizations have multiplied: gotten bigger, crueler, more ambitious and powerful. Wells knows it may well be his death sentence. But there is no one else.
