

confess his desire to dominate Miss Elizabeth - a proposition that she mistakes for a proposal. Already accused of less-than-gentlemanlike behavior, Darcy must find a way to win the submissive heart of a woman who abhors him. Described as "Pride and Prejudice meets 50 Shades of Grey," Pride and Punishment is not your mother's Austen. This is a deliciously different BDSM erotic romance written for ages 18+. The original dialogue has been kept intact when possible. Passages modified to fit this retelling are rife with subtext and laden with innuendo. The basic timeline is essentially the same as Pride and Prejudice, but the characters populating the pages now include Darcy's bisexual cousin Hugh, his dominant Aunt Catherine/Mistress Cat, his "little" cousin Anne, his submissive sister Georgiana, kinky defiler-of-virgins George Wickham, lesbian switch Caroline Bingley, and militiamen who see more action in their bunks than out. This erotic Regency romance includes MF relationships, MFM menage sexual congress, and BDSM activities and is written for adults only."

She could taste the sting. Max has been Casey's hero for years, ever since marrying Casey's mother. His only flaw is how rigid he is about the rules as long as Casey still lives at home. After missing curfew one night, he won't let her off lightly. She must choose between being grounded for the summer, or enduring a single spanking that will free her to enjoy her vacation. Casey makes her choice, but neither she nor Max are prepared for the domino effect a few smacks to her backside will have, or the dark secrets that will be revealed as a result. Max's past comes back to haunt him in a big way. Casey is a handful, but his old life as part of a two-man team of Doms provides the perfect skills to handle the curious, headstrong young woman with a taste for the taboo, and he and his best friend Rick are the perfect men to give Casey guidance and help her safely explore her dark cravings. But when Max betrays her and Rick refuses to touch her without Max's permission, Casey despairs that she'll ever have them both again. Casey's education into her new taboo lifestyle isn't over yet, but her two favorite Doms might need a little educating of their own. This complete 35k-word erotic trilogy is intended for adult audiences.
