Only those who understand the key to creation could know how to destroy it. The Iranian nuclear blast is a demonstration of this understanding. Soon David and Monique realize their desperate search for Michael is also a desperate race to stop the horrific power of the theory from being unleashed. jealousy and the profound chaos it can cause. Paralleling jealousy back to the motivation that caused Lucifer to fall, this story reveals not only how abusive events were manipulated by Lucy, the jealous, older sister, but how they worked together for the good in the younger sister regardless of the original intent. Alongside the chaos is the joy of having a best friend, with good events happening in that relationship despite the trouble at home. The heaven story is a continuation of the good events, and so much more as Korle explores its wonders and never-ending possibilities with his friend Nagee, whom he later finds out is his earthly guardian angel. The rest of the story, told from heaven's point of view, deals with hell's creation and existence, end-time events on earth, and the final war that ends Satan's power over the earth and its inhabitants. Interwoven throughout the story is the story of Jesus and the salvation offered through his death and resurrection. Fascinating and spellbinding, THE TWINKLING appeals to young and old alike.

An entire American town has been wiped off the map: not by nuclear strike, but rather a space-borne particle cannon capable of reducing the entire

nation to dust in hours. But who pulled the trigger? Was it the Russians, making a final bid for world domination? Or was it a third power—some aspiring conqueror hoping to pit the superpowers against each other? It's up to Blaine McCracken to find out. An old flame has contacted the rogue op, begging for help protecting her father, a jeweler who has just been robbed of five rare stones—five rubies that could mean life or death for the United States. This ebook features an illustrated biography of Jon Land including rare photos from the author's personal collection.
