The Opera: Volume III: Magazine For Classic Contemporary Nude Photography (Opéra)

The Opéra2012 Magazine for Classic and Contemporary Nude Photography
The magazine for classic and contemporary nude photography returns with a vibrant compilation of the most beautiful works from the field of the most intimate form of portrait photography.In selecting the works, it was important to the editor Matthias Straub to curate a bridge between the traditional approach to the human body and new, unusual perspectives.In the current edition, there are therefore both abstract works and also very classical nude studies.The familiar structuring of the magazine into the five acts of the opera, according to Gustav Freytag, guides viewers through the photos selected as a content-related leitmotiv.

The Gentleman's Magazine
The first volume of this work, covering the period from 1741-1850, was issued in 1931 by another publisher, and is reissued now without change, under our imprint. The second volume covers the period from 1850 to 1865; the third volume, the period from 1865 to 1885. For each chronological period, Mr. Mott has provided a running history which notes the occurrence of the chief general magazines and the developments in the field of class periodicals, as well as publishing conditions during that period, the development of circulations, advertising, payments to contributors, reader attitudes, changing formats, styles and processes of illustration, and the like. Then in a supplement to that running history, he offers historical sketches of the chief magazines which flourished in the period. These sketches extend far beyond the chronological limitations of the period. The second and third volumes present, altogether, separate sketches of seventy-six magazines, including The North American Review, The Youth's Companion, The Liberator, The Independent, Harper's Monthly, Leslie's Weekly, Harper's Weekly, The Atlantic Monthly, St. Nicholas, and Puck. The whole is an unusual mirror of American civilization.
The eighth edition of the provocative periodical offering an international perspective on contemporary nude photography Those in search of the essence of humanity will discover beauty and ugliness, light and shadow on the way toward it. In their diverse works, the numerous photographers from all over the world once more share the same curiosity to explore human emotions. All of them, some reluctant and observing, others delightedly engaged and orchestrated, act out the great spectacle that is human existence. "A beautiful tribute to the power of good teachers."--Terry Gross, Fresh Air "One of the most inspiring stories I've come across in a long time."--Pamela Paul, New York Times Book Review Ryan Speedo Green had a tough upbringing in southeastern Virginia: his family lived in a trailer park and later a bullet-riddled house across the street from drug dealers. His father was absent; his mother was volatile and abusive. At the age of twelve, Ryan was sent to Virginia's juvenile facility of last resort. He was placed in solitary confinement. He was uncontrollable, uncontainable, with little hope for the future. In 2011, at the age of twenty-four, Ryan won a nationwide competition hosted by New York's Metropolitan Opera, beating out 1,200 other talented singers. Today, he is a rising star performing major roles at the Met and Europe's most prestigious opera houses. SING FOR YOUR LIFE chronicles Ryan's suspenseful, racially charged and artistically intricate journey from solitary confinement to stardom. Daniel Bergner takes readers on Ryan's path toward redemption, introducing us to a cast of memorable characters--including the two teachers from his childhood who redirect his rage into music, and his long-lost father who finally reappears to hear Ryan sing. Bergner illuminates all that it takes--technically, creatively--to find and foster the beauty of the human voice. And Sing for Your Life sheds unique light on the enduring and complex realities of race in America.
In a world full of confusion and debates about human identity, one truth always remains: human beings remain bound to their bodies. In this sense, The Opéra volume VII launches a search for the constraints on human corporeality, and how they might be overcome through acts of fantasy and knowledge. The numerous photographs and portraits gathered here strive to provide viewers' powers of imagination with inspiring impulses, in which the experience of being human is given fresh and unconventional perspectives. The photographers featured in this issue of The Opéra include Agnes Lenglet, Anna Ritsch, Dario Salamone, Eric Kellermann, Gonzalo G. Benard, Marius Budu, Pola Esther, Julia SH, Thomas Sing and many others.

Nude photography: the most direct portrait of a person is once again the focus of the second edition of The Opéra magazine - presenting the body at once as performer and stage.In numerous intimate encounters, international photo artists document and direct the wealth and individual aesthetic of the human body. They retain the histories of the people depicted in the images in an almost physically palpable way.In this second edition, editor Matthias Straub gets a step closer to these people without losing the deferential distance between object and artist.

Excerpt from Masters in Music, 1904, Vol. 3: A Monthly Magazine Favorable as were the effects of work upon him in these posts, however, he had fallen under an influence in Prague that still longer delayed his reaching any thorough emotional tranquillity. The story of his infatua tion with Therese Brunetti is a most distressing one. She was a dancer, and the wife of a dancer, at the opera; a common, scheming, mercenary, and thoroughly unprincipled woman who did not hesitate to take advan tage of Weber's susceptibility for her own ends. For a long while she kept him in a fever of passion; now smiling upon him, now treating him with utter indifference; accepting his gifts, listening to his avowals of love, and boasti of her conquest of the maestro to her com anions of the chorus. But t 's was the last of Weber's follies. Fortunate y for him, he fell in love with Caroline Brandt, a singer at the Prague opera, a modest and intelligent girl. After several years of waiting, they were married in 1817 and the match proved a most happy one. The composer gained from it that sheltered atmosphere, that sense of quiet and stability, which seem to have been essential to his doing satisfactory work.
