

The Paper Doll's House Of Miss Sarah Elizabeth Birdsall Otis, Aged Twelve

Kristine has experienced difficult years. Since her husband's death, she has nothing. Nora said things were not easy for them: Torvald was sick and they had to travel to Italy so that he could recover. Kristine explained that when her mother was sick, she had to take care of her brothers, but now that they have grown up, she feels that her life is "simply empty". Nora promised to talk to Torvald about finding a job. Christine gently told Nora that she was like a child. Nora is offended, so she makes fun of her idea of getting money from "some admirers" so they can travel to Italy to improve Torvald's health. She told Torvald that her father had given her money, but in fact, she managed to borrow money illegally without her knowledge, because women could not do any financial things, such as signing checks without a husband. For many years, she has been working secretly and saving to pay off debts.

Bring the White House to your house! Kids will love this true-to-life, fun Welcome to the White House fold-out play set with three different White House scenes! Decorate the Perfect Doll's House With 25 Stylish Projects

Open all four sections, tie back the two blue ribbons, and a fully constructed eight-room dollhouse emerges from between the two slim covers. An affordable taste of the Victorian era, A Victorian Dollhouse is perfect for anyone who cherishes Victorian ephemera.

One of the best-known, most frequently performed of modern plays, A Doll's House richly displays the genius with which Henrik Ibsen pioneered modern, realistic prose drama. In the central character of Nora, Ibsen epitomized the human struggle against the humiliating constraints of social conformity. Nora's ultimate rejection of a smothering marriage and life in "a doll's house" shocked theatergoers of the late 1800s and opened new horizons for playwrights and their audiences. But daring social themes are only one aspect of Ibsen's power as a dramatist. A Doll's House shows as well his gifts for creating realistic dialogue, a suspenseful flow of events and, above all, psychologically penetrating characterizations that make the struggles of his dramatic personages utterly convincing. Here is a deeply absorbing play as readable as it is eminently playable, reprinted from an authoritative translation. A selection of the Common Core State Standards Initiative.

An Edwardian Doll's House

This is the instructions of ifunwoo dollhouse paper model. model name : B-002

A Doll's House is a three-act play in prose by Henrik Ibsen. The play is significant for its critical attitude toward 19th century marriage norms. In the central character of Nora, Ibsen epitomized the human struggle against the humiliating constraints of social conformity. Nora's ultimate rejection of a smothering marriage and life in 'a doll's house' shocked theatergoers of the late 1800s and opened new horizons for playwrights and their audiences.

A three-dimensional book that opens to reveal two stories and eight rooms of a Victorian home, with decorative details, pop-up furniture, and press-out pieces. Covers can be tied with attached ribbons to allow the book to stand on its own.

Activity Book for Girls Ages 4-8 The PAPER DOLL

a beautifully illustrated, three-dimensional Victorian doll's house book is comprised of individual foldout sections, movable figures, and clever paper engineering to ensure that tables pop up from the floor and bookcases spring from the walls.

Furnish your own doll houses with cut and paste furniture. This book is designed to improve hand-eye coordination, develop fine and gross motor control, develop visuo-spatial skills, and to help children sustain attention.

Generations of young readers have taken the characters of Little Women to their hearts, and this collection of paper dolls offers a delightful continuation of the tradition. Six dolls depict the March sisters — Meg, Jo, Beth, and Amy — plus their mother, Marmee, and their neighbor, Theodore "Laurie" Lawrence. The dolls' wardrobes not only reflect their unique personalities but also the styles of 1860s New England. Outfits include everyday dresses and formal wear as well as nightgowns, coats, and hats. A full-color background scene appears on the inside covers.

1st Manip. Paper Doll House with Ladder

Dolls houses are wonderful, traditional toys for young children that also make for charming decorations and family treasures. However, dolls houses can often be expensive and hard to come by. This vintage book contains a complete guide to making your very own dolls house using only paper and cardboard, complete with further directions for making miniature furniture, dolls, clothing, decorations, and much more. Contents include: "Fireplaces", "Beds", "Bookshelves and Books", "Other Articles", "The Inhabitants", "Dressing Dolls", "Dolls Dinner Parties", "Dolls' Flats", "Materials", "Chairs", "Chestnut Chairs", "Sofas", "Tables", "Materials", "Beds", "Dressing Tables", "Wash-hand Stands", "Wardrobes". "Towel-Horse", "Clothes Basket", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.
