Islamic Guide To Sexual

Fulfilment of sexual desire and needs are key in sustaining a harmonious marital relationship.

However, in today's society, sexual boundaries

File Type PDF The Secret Of Flirting: Sinful Suitors 5

are being pushed further and further, and often, sexual deviance is openly practised. In such circumstances, there is a need to identify which sexual activities are

permissible in Shariah. Islamic Guide to Sexual Relations is a serious endeavour to tackle these sensitive matters in a clear and concise manner. While being respectful and

File Type PDF The Secret Of Flirting: Sinful Suitors 5

dignified in the language he employs, the author does not shy away from discussing sensitive issues. He records, in thorough detail, the guidance Islam provides

regarding sexual encounters with one spouse. The book covers a wide range of issues, and thus, answers many frequently asked questions on the topic of sexual
