

The Soul Of Money: Transforming Your Relationship With Money And Life

How to break the vicious circle of 'never good enough' Perfectionism can be healthy but when it becomes unhealthy and turns into 'clinical perfectionism' (sometimes referred to as 'dysfunctional perfectionism') is can cause serious problems. It is associated with different mental health problems, including depression, anxiety, eating disorders and chronic fatigue syndrome. Those suffering from clinical perfectionism tend to judge themselves predominantly in terms of the pursuit and attainment of personally demanding standards and often feel unable to be flexible and change their goals, despite the significant negative impact that the pursuit of perfectionism may have on their quality of life. Includes: - Description of Clinical Perfectionism - Clinical Perfectionism and depression, anxiety, eating disorders, chronic fatigue - Identifying the problem and monitoring - Overcoming perfectionism - step-by-step self-help course based on CBT principles - Avoiding relapse - Case studies - Other treatments - an overview

If you could have a conversation directly with Money, what would it say to you? Love Money, Money Loves You is the answer to this question and the message is breathtakingly simple. Money is the powerful energy that underlies every form of exchange that takes place between human beings. It is an extraordinary system for dealing with the billions of financial and material requests that are made by humans every day - many of them hopelessly confused, often desperate. Money speaks to us directly through this book, explaining simply, often with a sense of humour, exactly how our financial requests are processed and delivered, why so many of them never arrive and why we get so many bills, especially when we are broke. This blueprint for making money is for people who haven't yet been able to afford the lifestyle of their dreams but still believe they will - and for anyone interested in exploring more deeply your relationship with money.

What is your truth? Have you ever felt like you're living a lie? Are you pretending to be someone you're not to fit in, or reaching for goals to meet the expectations of others, or settling for a life that doesn't feel good in your soul? By uncovering who you really are, what you really want, and what you're meant to do while you're here on earth, A New Way of Life offers simple and intuitive guidance for creating a life aligned with your truth. In A New Way of Life, author, mentor, and coach Leah Brathwaite shares her own journey of self discovery and walks you through 8 transformative steps that took her from living a lie to a life of purpose, passion, and joy. As you move through this book you will: - Identify the lies that are keeping you from the life you're meant to live. - Transform your relationship with yourself and the world around you. - Learn to free yourself from the habits and beliefs that limit your soul and your success. - Create a new way of life that leads you to your deepest desires and start living it NOW.

Wild Money: A Creative Journey to Financial Wisdom is a savvy, unconventional, emotionally brilliant exploration of your relationship with money.

The three steps of salvation in a nutshell are these - becoming a Christian; living the Christian life; and going to heaven. Theologians refer to these three steps as Justification, Sanctification, and Glorification. The first and third steps are instantaneous experiences, but the second step (sanctification) is a life long process whereby the Holy Spirit works in the believer's life to bring about practical holiness and transform his character into the likeness of Christ. It is this second step of salvation with which the believer struggles, because it requires putting to death the deeds of the body (saying "no" to our sin nature), and obeying the promptings of the Holy Spirit (saying "yes" to God) - this is the essence of spiritual warfare. Sadly, most churches in the West today pretty much ignore the issue of Sanctification, and just focus on Justification - either out of ignorance about what Scripture teaches, or out of fear that living a holy life is essentially "legalism." But living a life of obedience to Christ in the power of the Holy Spirit has nothing to do with legalism - legalists think they "gain favor with God" by being good, but believers obey Christ out of gratitude because they already "have favor with God!" The "key" to sanctified living is gratitude! The Bible emphatically describes God as being both loving and holy, yet western Christianity primarily focuses on God's love, and says almost nothing at all about His holiness. As such, the central message of most churches is one of love and forgiveness, with scarcely a word being said about holiness and death to sin and self. Satan is thrilled with our one dimensional Christianity, because it essentially leaves believers lukewarm, impotent and ineffectual. This book presents God's blueprint for spiritual development and portrays the "transformational experiences" every believer goes through in life - they include ups and downs, highs and lows, peaks and valleys, joy and suffering, victory and defeat - these experiences are the "norm" for every believer; none of us get a painless, trouble-free road to glory. Incidentally, the material presented in this book reflects the teachings of the most respected Christian theologians since the reformation - individuals the evangelical community has long recognized as being "pillars of the faith." To our lamentable regret, however, these teachings no longer have a prominent place in the vast majority of churches in the West. It is time for believers in America today to reconsider the fullness of God's call upon their lives. Donald W. Ekstrand is a retired pastor, adjunct professor, and author. Dr. Ekstrand holds degrees in finance, business education, theology and divinity, and is a graduate of Arizona State University, Talbot School of Theology, and Western Seminary. He has served as pastor, teacher, ministry consultant, and executive administrator for more than 40 years. Don and his wife, Barbara, have two grown daughters and reside in Phoenix, Arizona

In this groundbreaking book, David H. Rosen, M.D., offers depressed individuals, their families, and therapists a lifesaving course in healing the soul through creativity. This is a book about transforming depression and its powerful pull toward suicide into a meaningful alternative. In Transforming Depression, Dr. Rosen applies Carl Jung's method of active imagination to treating depressed and suicidal individuals. Having dealt with depression in his own life and the suicides of loved ones, Dr. Rosen shows that when people learn to confront the rich images and symbols that emerge from their struggles, they can turn their despair into a fountain of creative energy. He details the paths of four patients whose work in painting, pottery, and dance -- in conjunction with psychotherapy -- led them from depression to a more meaningful life. Their dramatic paintings illustrate the text. Part One presents an overview of the biological, psychological, sociological, and spiritual factors involved in the diagnosis of depression. Part Two provides a new therapeutic approach to treating depression, focusing on the symbolic death and rebirth of the ego (ego-cide) as an alternative to suicide. Part Three presents in-depth case studies from Dr. Rosen's practice. Part Four discusses how we can recognize crisis points and how creativity can transform depression. The author pays particular attention to the problem of teen suicide.

'A very important book' Paulo Coelho 'The Seat of the Soul changed the way I see myself. It changed the way I view the world' Oprah The Seat of the Soul has sold millions of copies around the globe and is a #1 New York Times bestseller. This fully updated edition contains celebratory prefaces by Oprah Winfrey and Maya Angelou, a new Foreword by the author, as well as an extensive study guide to help readers find deeper meaning and fulfillment in their lives. This iconic book encourages you to become the authority in your own life. It will change the way you see the world, interact with other people, and understand your own actions and motivations. In it, Gary Zukav takes you on a penetrating exploration of the new phase that humanity has entered: one where harmony, cooperation, sharing and reverence for life become more important than the ability to manipulate and control. Using his scientist 's eye and philosopher 's heart, Zukav shows us how to participate fully in this evolution, enlivening our everyday activities and all our relationships with meaning and purpose.

Healing That Reaches Beyond the Self In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

A Spiritual Guide to Financial and Personal Fulfillment

Home boy is a unique mammal which exists on the continent of Africa. He never gave much thought about his existence only that he exist from a falling Star that created him. He did not read or write and was considered ignorant. After being subjected by others thought to be more intelligent and good looking. he relocates to America to obtain that thing call education. He learns about God and spiritual matters concerning his existence. Here he knows that he is a Man not Mankey as others proclaims he is. He writes I am A Man!

Ken Honda–Japan's #1 bestselling personal development guru–teaches you how to achieve peace of mind when it comes to money with this instant national bestseller. Too often, money is a source of fear, stress, and anger, often breaking apart relationships and even ruining lives. We like to think money is just a number or a piece of paper, but it is so much more than that. Money has the ability to smile, it changes when it is given with a certain feeling, and the energy with which it imbues us impacts not only ourselves, but others as well. Although Ken Honda is often called a “money guru,” his real job over the past decade has been to help others discover the tools they already possess to heal their own lives and relationships with money. Learn how to treat money as a welcome guest, allowing it to come and go with respect and without resentment; understand and improve your money EQ; unpack the myth of scarcity; and embrace the process of giving money, not just receiving it. This book isn't to fix you, because as Ken Honda says, you're already okay!

Are you searching for the kind of authentic happiness that makes your heart beam with joy? Have you felt a gentle nudge recently to listen to the call of your soul? Do you want to gain the sort of wisdom and insight that will help you have more clarity in life? Then this book is for you. Kylie Riordan, author of When Soul Is Life, lovingly presents life-transforming soul wisdom that inspires you to live a life of authentic happiness in the here and now by using practical real-life virtues such as kindness and love. Are you brave enough to listen to the call of your soul? Are you ready to enter into a sacred contract with love? Once you open this book and embrace the wisdom of your soul, there is no turning back. If you are courageous enough to take the first step, you can be sure that the final destination will be love. When do you know you have obtained authentic happiness? When soul is life!

This shamanic journey of self-discovery, healing and empowerment shares teachings and practices to help you rediscover your inner shaman and find spiritual connection in modern life. Shamans are no longer isolated healers in faraway places. Their spirit has returned and is infusing the work of teachers, artists and activists, leaders in business and people throughout all areas of our societies. We all have an inner shaman and this book is for you if you: · recognize there's untapped power inside you that you want to learn how to harness · want to feel a deeper connection to your own nature, your ancestors, your community and the intelligence of life itself · care about the future of life on our planet and wish to redress the balance between humanity and nature · know your purpose is to co-create a world that is built on justice and sustainability There is a shaman in you who was born to play a powerful role in our collective awakening for our future on Earth.

Healing the Soul Through Creativity

The Picture of Dorian Gray by Oscar Wilde from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. “Those who find ugly meanings in beautiful things are corrupt without being charming. This is a fault. Those who find beautiful meanings in beautiful things are the cultivated. For these there is hope. They are the elect to whom beautiful things mean only Beauty. There is no such thing as a moral or an immoral book. Books are well written, or badly written. That is all.” ? Oscar Wilde, The Picture of Dorian Gray A man sells his soul for eternal youth and scandalizes the city in Oscar Wilde's The Picture of Dorian Gray.

“At the core, Hit Refresh, is about us humans and the unique quality we call empathy, which will become ever more valuable in a world where the torrent of technology will disrupt the status quo like never before.” – Satya Nadella from Hit Refresh “Satya has charted a course for making the most of the opportunities created by technology while also facing up to the hard questions.” – Bill Gates from the Foreword of Hit Refresh The New York Times bestseller Hit Refresh is about individual change, about the transformation happening inside of Microsoft and the technology that will soon impact all of our lives—the arrival of the most exciting and disruptive wave of technology humankind has experienced: artificial intelligence, mixed reality, and quantum computing. It’s about how people, organizations, and societies can and must transform and “hit refresh” in their persistent quest for new energy, new ideas, and continued relevance and renewal. Microsoft’s CEO tells the inside story of the company’s continuing transformation, tracing his own personal journey from a childhood in India to leading some of the most significant technological changes in the digital era. Satya Nadella explores a fascinating childhood before immigrating to the U.S. and how he learned to lead along the way. He then shares his meditations as a sitting CEO—one who is mostly unknown following the brainy Bill Gates and energetic Steve Ballmer. He tells the inside story of how a company rediscovered its soul—transforming everything from culture to their fiercely competitive landscape and industry partnerships. As much a humanist as engineer and executive, Nadella concludes with his vision for the coming wave of technology and by exploring the potential impact to society and delivering call to action for world leaders. “Ideas excite me,” Nadella explains. “Empathy grounds and centers me.” Hit Refresh is a set of reflections, meditations, and recommendations presented as algorithms from a principled, deliberative leader searching for improvement—for himself, for a storied company, and for society.

There are pivotal moments in the lives of all seekers when we realize that we’ve been traveling on our path of growth toward happiness and fulfillment, but, simply put, we want to go faster. How we have been living, working, and loving just isn't enough or even acceptable anymore. We know we’re being called to something more significant and expanded—we can feel it. At these times what’s needed is not simply more change or an adjustment in our outer life, but profound transformation. We don’t just want to rearrange the pieces of ourselves so that they look better temporarily. We want nothing less than rebirth. We are ready for Soul Shifts. Soul Shifts is the groundbreaking new book from New York Times best-selling author and renowned transformational teacher Barbara De Angelis, Ph.D. Now, in her most powerful offering yet—and the culmination of her life's work—Dr. De Angelis offers a practical handbook for awakening, and a brilliant revisioning of the journey of personal and spiritual transformation that will inspire and enlighten longtime seekers as well as new arrivals to the path of growth. Soul Shifts are radical, vibrational internal shifts that spontaneously and inevitably transform the way you relate to yourself, to others, and to the world. For transformation to be real and lasting, it must originate from the inside out, so that instead of trying to constantly micromanage everything, you operate from true mastery at the deepest level of who you are—the soul level. When you learn how to make these Soul Shifts on the inside, everything on the outside of your life shifts. Places where you've felt stuck or confused become illuminated with new clarity and understanding. Obstacles turn into possibilities, dead ends transform into doorways, and challenges convert into astonishing maps leading you to exciting new territories . . . all because you have made a Soul Shift. A masterful and moving teacher, Dr. De Angelis will offer you illuminating guidance and invaluable techniques for living a life of practical spirituality and making your own personal Soul Shifts. Written with Barbara De Angelis’s trademark eloquence, keen insight, and compassionate wisdom, Soul Shifts takes you on nothing less than a sacred inner journey to emotional and spiritual rebirth and lasting attainment. Reading it will leave you truly and authentically uplifted and transformed.

"A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now." –Brené Brown, Ph.D., author of the #1 New York Times bestseller Rising Strong This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. The Soul of Money now includes a foreword from Jack Canfield and a new introduction by Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

The Presence of the Soul

When you hear a riveting story, does it thrill your heart and stir your soul? Do you hunger for truth and goodness? Do you secretly relate to Belle's delight in the library in Beauty and the Beast? If so, you may be on your way to being a book girl. Books were always Sarah Clarkson's delight. Raised in the company of the lively Anne of Green Gables, the brave Pevensis children of Narnia, and the wise Austen heroines, she discovered reading early on as a daily gift, a way of encountering the world in all its wonder. But what she came to realize as an adult was just how powerfully books had shaped her as a woman to live a story within that world, to be a lifelong learner, to grasp hope in struggle, and to create and act with coura

She's convinced that books can do the same for you. Join Sarah in exploring the reading life as a gift and an adventure, one meant to enrich, broaden, and delight you in each season of your life as a woman. In Book Girl, you'll discover: how reading can strengthen your spiritual life and deepen your faith, why a journey through classic literature might be just what you need (and where to begin), how stories form your sense of identity, how Sarah's parents raised her to be a reader—and what you can do to cultivate a love of reading in the growing readers around you, and 20+ annotated book lists, including some old favorites and many new discoveries. Whether you've long considered yourself a reader or have dreams of becoming one, Book Girl will draw you into the life-giving journey of becoming a woman who reads and lives well.

"It's All Under Control is the gift your soul has been desperately seeking—to feel how His arms of love are under you, carrying you though it all." —Ann Voskamp, New York Times bestselling author of The Broken Way and The Greatest Gift It's time to get our control under control. Jennifer Dukes Lee never thought she struggled with control. As long as everything was exactly the way she wanted it to, she was totally flexible. But then Jennifer discovered what happens when you try to wrap your arms around everything, thinking it's all on you: You get burned out on hustle. You toss and turn more at night, and you laugh less during the day. You're so busy—caring, serving, working, and trying so hard—that you can't even hear God's voice anymore. It's All Under Control is a book for every woman who is hanging on tight and trying to get each day right—yet finding that life often feels out of control and chaotic. Join Jennifer on the journey of learning how to: Overcome the anxieties and worries that burden your heart Prioritize your busy life so you can make choices that align with God's best for you Find freedom through a new "Do, Delegate, or Dismiss" approach to your daily tasks Let go of what God has not asked you to do, so you can shine at what he has Discover a new way of living that will free you to be you, and finally experience the peace of knowing a God who truly has it all under control.

When women are empowered with money, they become "difference makers": They transform not only their own lives but also those of their children, their families, and their communities at large. Author Meriflor Toneatto, an award-winning leadership and coaching executive, shows you how to extend your limits and create the life of your dreams, one that is rich and fulfilling in every way — financially, spiritually, and emotionally. This powerful book explains how money is "emotional currency": and prescribes eight Holistic Principles that help you overcome deep-seated blocks, "pay forward"; your own successes, and live the life of your dreams.

Real Change is Truly Possible, Right Now... We can end the threats to our environment, and aid dramatically in its restoration. We can help provide meaningful work for all, with opportunities that enhance and replenish the world around us. We can effectively address fundamental urban and rural concerns and the many diverse and often divergent needs of developing and developed nations alike. We can create a better world where life and all living systems flourish. This is not an idealistic dream, but is rather a pragmatic attainment, achievable within our very own lifetime. So write Bernard Lietaer and Stephen Belgin, authors of the much anticipated book New Money for a New World. Mr. Lietaer is a principal architect of the euro, and author of the acclaimed international best seller The Future of Money, which has been translated into sixteen languages. Mr. Belgin is the founder and president of Qiterra Press and author of the upcoming City of Light Chronicles. New Money for a New World examines a previously unexamined culprit for the many issues we face today—the monopoly of our current monetary system. This book also provides many ways and means that are now readily available to stop the current juggernaut towards global self destruction. Many of the solutions offered within this book are more than theory. Communities from around the world have successfully addressed a myriad of issues without the need to raise taxes, redistribute wealth, or depend upon enlightened self interest from corporate entities. Rather the improvements were realized simply and effectively by rethinking money. With such a shift everything is possible.

** Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to change your relationship to money and how to transform your life at the same time. You will also learn : the negative effects of a society whose main value is money; that, contrary to appearances, money does not bring happiness; why you probably use your money in the wrong way; how to get more satisfaction from what you already have; how to be more authentic and give more meaning to your life. Money is the invention that made possible the development of commerce and civilization. As such, it is a necessary tool, which must be respected at its true value. However, today's society has lost sight of its exact role and has erected it as a fundamental and dominant value. No doubt you too think that you don't have enough money and that you would like to earn more. This state of mind is normal and difficult to avoid, because no one really teaches you how to have a healthy relationship with your money. However, living for the "more" doesn't mean "always better". Lynne Twist, who has been actively involved in the fight against world hunger for more than 40 years, has worked with both the richest and the poorest. Are you ready to find out what no one has told you about money? *Buy now the summary of this book for the modest price of a cup of coffee!*

A fully revised edition of one of the most influential books ever written on personal finance with more than a million copies sold “The best book on money. Period.” –Grant Sabatier, founder of “Millennial Money,” on CNBC Make It "This is a wonderful book. It can really change your life." -Oprah For more than twenty-five years, Your Money or Your Life has been considered the go-to book for taking back your life by changing your relationship with money. Hundreds of thousands of people have followed this nine-step program, learning to live more deliberately and meaningfully with Vicki Robin’s guidance. This fully revised and updated edition with a foreword by "the Frugal Guru" (New Yorker) Mr. Money Mustache is the ultimate makeover of this bestselling classic, ensuring that its time-tested wisdom applies to people of all ages and covers modern topics like investing in index funds, managing revenue streams like side hustles and freelancing, tracking your finances online, and having difficult conversations about money. Whether you’re just beginning your financial life or heading towards retirement, this book will show you how to:

• Get out of debt and develop savings • Save money through mindfulness and good habits, rather than strict budgeting • Declutter your life and live well for less • Invest your savings and begin creating wealth • Save the planet while saving money • ...and so much more! "The seminal guide to the new morality of personal money management." -Los Angeles Times

A revolutionary program that can free your financial energy, increase your wealth, and help you achieve personal life goals “Money is congealed energy,” said Joseph Campbell. And releasing it releases life's possibilities. . . . Thousands of people worldwide have learned how to build a powerful new relationship with their money and bring their dreams to fruition through Dr. Maria Nemeth's dynamic workshops. Now you can, too. In The Energy of Money, Dr. Nemeth—who received an Audio Publishers Award for her Sounds True series on which this book is based—draws upon her more than twenty years' experience in synthesizing spiritual and practical techniques for managing yourself and your work. Combining a complete self-help and self-discovery regimen with proven methods of money management, this powerhouse guide to prosperity presents twelve principles that will help you to

• Uncover the hidden landscape of beliefs, patterns, and habits that underlie and sometimes subvert your everyday use of money and personal resources • Tame the dragons of driven behavior and busyholism • Defuse fears of deprivation and scarcity • Embrace and work through paradox and confusion • Consciously focus your money energy • Clear yourself to receive the energy and support of others and the universe • Develop and stay on your personal path to abundance Through easy-to-follow exercises and meditations, effective worksheets, and other interactive processes, Dr. Nemeth will guide you to financial success and help you manifest your special contribution to the world.

Money Detox is the complete guide to Tammy Lally's signature "Money Detox" process, a seven-step journey that allows anyone to achieve financial freedom and joy. During this powerful and life-changing book, you will learn to conquer your own money shame, redefine your sense of wealth and worth, and take back control of your life.

A Ghost in the Throat

Having a good relationship with money is tough—whether you have millions in the bank or just a few bucks to your name. Why? Because just like any other relationship, your life with money has its ups and downs, its twists and turns, its breakups and makeups. And just like other relationships, living happily with money really comes down to love—which is why love is the basis of money maven Kate Northrup's book. After taking the Money Love Quiz to see where on the spectrum your relationship with money stands—somewhere between "on the outs" and "it's true love!"—Northrup takes you on a rollicking ride to a better understanding of yourself and your money. Step-by-step exercises that address both the emotional and practical aspects of your financial life help you figure out your personal perceptions of money and wealth and how to change them for the better. You'll learn about thought patterns that may be holding you back from earning what you're worth or saving what you can. You'll learn how to chart your current financial life and create a plan to get you to where you want to be—whether that's earning enough to live in a penthouse in Manhattan or a cabin in the Rockies. Using client stories and her own saga of moving from \$20,000 of debt to complete financial freedom by the age of 28, Northrup acts as a guide in your quest for personal financial freedom. She'll teach you how to shift your beliefs about money, create a budget, spend in line with your values, get out of debt, and so much more. In short, she'll teach you to love your money, so you can love your life.

"Most of us will have many friends throughout our lifetimes—friends of all shapes, sizes, and callings. Many of these are wonderful, meaningful friendships. Some are difficult. But some magic few of these are connections that have gone right to our soul. These five or seven or ten friendships have been powerful keys to determining who we have become and who we will become. . . . These are the people I call Soul Friends." As the Senior Scholar-in-Residence for over 25 years at the renowned Kripalu Center, Stephen Cope has spent decades investigating—and writing about—the integration of body, mind, and spirit and the rich complexity of our relationships with others, and with ourselves. Perhaps the central truth that arises from his work is this: human beings are universally wired for one thing—vital connection with one another.Soul Friends invites us on a compelling journey into the connectivity of the human psyche, the study of which has fascinated scholars, philosophers, and thinkers for centuries. Cope seamlessly blends science, scholarship, and storytelling, drawing on his own life as well as the histories of famous figures—from Eleanor Roosevelt to Charles Darwin to Queen Victoria—whose formative relationships shed light on the nature of friendship itself. In his exploration, he distills human connection into six distinct yet interconnected mechanisms: containment, twinship, adversity, mirroring, identification, and conscious partnership. Then he invites us to reflect on how these forms of connection appear in our own lives, helping us work toward a fuller understanding of "who we have become and who we will become."Without a doubt, the journey to our most fulfilled selves requires us to look within. But in order to truly thrive, we must make the most of who we are in relation to one another as well. Unsparingly honest, deeply wise, and irresistibly readable, Soul Friends gives us a map to find our way.

A game-changing book offering a six-step approach on how to find and follow your true calling and redefine success from entrepreneur and soul coach Rha Goddess. Are you willing to believe in you? Every single one of us has a calling. For most it's the thing you have to force yourself not to do. When you try to ignore it, you can't stop thinking about it. It is the thing that both terrifies you and brings you the most joy. Already living yours? Great! How do you make the most of it? The Calling will provide readers with a road map, via 3 fundamental shifts, on how to stay true, get paid and do good. The steps that will help lead you there include: RECOGNIZING—it always begins with awareness. If you can't see it then you can't do anything about it. ACCEPTING—means embracing, and taking responsibility for yourself, your life, and the things that want or need to be changed. FORGIVING—yourself and others. AND MORE! The Calling will be the resource that people have been asking Rha to write for years, and there has never been a better time for her to share her proven method.

The difficult task of making peace with an often tumultuous world is made simple with this unique spiritual guide to the human soul. Through deeper understanding of the soul and its purpose, inherited beliefs can be understood and overcome. A number of practical exercises are provided to help cleanse the mind of these inhibiting loyalties. The novel process of connecting with the souls of ancestors is also explained in-depth and is shown to produce a remarkable healing power. Ultimately, a carefully transformed set of values will lead to an improved attitude towards life as a whole.

For all of the millions of Americans who are out of work, soon to be out of work, or wishing to be freed from unrewarding work—here is the must-have book that will show you how you can make a living by working when, where, and how you want. Newly revised and updated, Barbara J. Winter's guide to successful self-employment is now more relevant than ever. Drawing on the techniques and ideas of her popular seminars as well as her own thirty years of business expertise and that of other successful entrepreneurs, Winter offers the practical, proven way to launch your own profitable venture. Her indispensable advice ranges from why creativity is more important than capital to how to avoid the most common pitfalls of self-employment and how to develop multiple profit centers. And for this new edition, she has added timely advice on topics including: •how to find opportunity in a chaotic economy •why smart, small and spunky is the 21st Century business model •using the Internet to open the door to fresh opportunities •the best resources to help you create and grow a business uniquely your own •how to leave Employee Thinking behind and build an Entrepreneur’s Mindset •and much more Here are all of the tools you need for getting the most profit out of life both professionally and personally.

New York Times best-selling author and comedian-turned-motivational speaker, Kyle Cease, shows how your obsession with money is actually preventing you from living the life of your dreams. "I can't afford that." "Now's not the right time. . . . I need to save up." "Quit my job? Are you nuts?!" Sound familiar? Money is one of the biggest excuses we make to not do what we really want. Our fixation with money--the desire for more of it, and the fear of not having enough of it--is often really just a longing to feel safe. But this obsession with money is coming at a much bigger cost: our sanity, our creativity, our freedom, and our ability to step into our true power. This book is about eliminating the need to seek safety through the illusion of money, and learning to see ourselves for the perfection that we are--so that we can bring our gifts to the world in an authentic way, and allow ourselves to receive massive, true abundance as a result. Kyle Cease has heard excuses like the ones above countless times at his live events, and he has shown people how to completely break through the illusion of Money, he shares his own experiences as well as practical tools to help readers understand their ingrained beliefs and attachments to money, and how they can tap into our infinite assets and talents. "After 25 years as a successful comedian, actor, transformational speaker, author and junior-league amateur bowler, I've experienced many times how money is not an effective way to create an abundant and fulfilling life. The most alive I've ever felt was after I left my comedy career at its peak to become a transformational speaker. I left tons of guaranteed money and so-called security for a complete unknown. It was terrifying--but what was on the other side of that terror was a completely different life, one that was more abundant financially, but has more freedom, more ease, more passion, more impact and more joy." -- Kyle Cease

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning from our trials, and, most importantly, to follow our dreams.

End the Shame Cycle of Money and Take Control of Your Life! If you've put off facing your personal finances because you're afraid of what you might discover, worry no more! A beautiful life of confidence, ease, and empowerment when it comes to money is waiting for you, right here, right now. What do the latest financial thinking and ancient spiritual teachings reveal to us about financial freedom? Top financial advisor Brent Kessel insists financial success and security is "not about the money." Rather, it's about what's inside us—first understanding your emotional relationship to money, and only then taking action. It's Not About the Money expertly and compassionately guides you along the path to financial security and true peace of mind. Kessel, founder of two top wealth-management firms, has the inside scoop on the higher wisdom of personal finances, and he wants to share it with you. Through extensive experience as a financial advisor and spiritual seeker, Kessel has discovered that people need to understand their core financial story in order to make meaningful changes. Some of us are savers or caretakers, says Kessel, while others are pleasure seekers and spend like Hollywood stars; some people are idealists who place greater value on creativity or compassion than on financial security; some of us innocently believe our finances will work out without effort; and others obsess about building empires with lasting value. It's Not About the Money will help you identify your money type, providing information and resources as well as exercises and meditations to inspire a fresh approach to your relationship with money that will change your life.

If we understood the true role of money in our lives, writes philosopher Jacob Needleman, we would not think simply in terms of spending it or saving it. Money exerts a deep emotional influence on who we are and what we tell ourselves we can never have. Our long unwillingness to understand the emotional and spiritual effects of money on us is at the heart of why we have come to know the price of everything, and the value of nothing. Money has everything to do with the pursuit of an idealistic life, while at the same time, it is at the root of our daily frustrations. On a social level, money has a profound impact on the price of progress. Needleman shows how money slowly began to haunt us, from the invention of coins in Biblical times (when money was created to rescue the community good, not for self gain), through its hypnotic appeal in our money-obsessed era. This is a remarkable book that combines myth and psychology, the poetry of the Sufis and the wisdom of King Solomon, along with Jacob Needleman's searching of his own soul and his culture to explain how money can become a unique means of self-knowledge. As part of the Currency paperback line, it includes a "User's Guide" an introduction and discussion guide created for the paperback by the author -- to help readers make practical use of the book's ideas.

"A book and an unexploded bomb may lay equally motionless, but their kinetic potential is vastly different. A bomb may kill hundreds of people, but a book can change millions—think of Common Sense, Das Kapital, Uncle Tom's Cabin, or The Gulag Archipelago. To that energizing company, add Transforming Terror. This practical, inspiring book cuts through moral relativism by defining terror according to how it affects its victims. It is a luminous collection of wisdom. You'll want many of these essays in your library forever. I needed to read it and you do, too." -Peter Coyote, actor and author of Sleeping Where I Fall "Only an anthology could create the mosaic that would display the profound paradigm shift offered here: defining terrorism according to the experiences of the victims—unarmed civilians who are violently attacked or threatened—and not by any ideology or purpose. Each tile in the mosaic offers a catalyst to radical transformation of the calamitously increasing scale of such assaults, from suicide bombers to state terrorism, and offers real hope for a way out of the death spiral. This should be read at military academies and defense departments as well as by teachers and religious leaders." -Deirdre English, Director, Felker Magazine Center, Graduate School of Journalism, UC Berkeley and former editor of Mother Jones "This collection of writings reveals a wealth of proposals for transforming the combustible conditions that often produce terror, as well as for the reconciliation and healing of terror's victims. This book is not only an inspired and singular achievement, it is a courageous and bold challenge to a world too often jaded and numbed by the omnipresence of violence to consider any creative alternatives. Here is a work that couldn't be more timely, relevant or persuasive in its call for us to transform the terror that bedevils us all, individuals and cultures alike." - Phil Cousineau, author of Beyond Forgiveness: Reflections on Atonement and A Seat at the Table: Huston Smith in Conversation with Native Americans on Religious Freedom "This volume brings together the wisest voices of our era to reveal the prevalence of terror in our world, and its unconsidered consequences. Until a behavior has a name, it cannot be challenged. This amazing collection of wise and beautiful voices challenges our received definition of terror, and moves us a step further toward a world of peace." - Marilyn Sewell, editor of Cries of the Spirit

Renowned astrologer, Debbie Frank, shares how to use astrology for personal development - discover how your soul was destined to grow, develop and evolve in this lifetime. Are you ready to discover who you really are on a soul level, and who you were born to be? The magic of astrology flows through every aspect of our lives - from our work and relationships to our inner power and creative inspiration - leaving signposts, messages and guidance to assist us on our soul journey. In this book, Debbie Frank reveals her secrets for turning the insights from your birth chart into incredible triggers for personal growth. You'll learn how to: • interpret your 'soul signs' - the positions and interactions of the planets and aspects in your chart • understand how the nodes reveal your soul path and soul connections with others • discover how your soul was destined to grow, develop and evolve in this lifetime Your birth chart is a sacred map encoded with all the information you need to find your true purpose, raise your vibration and transform your life.

A Journey of Letting Go, Hanging On, and Finding a Peace You Almost Forgot Was Possible

'The Minimalists show you how to disconnect from our conditioned material state and reconnect to our true essence: love people and use things. This is not a book about how to live with less, but about how to live more deeply and more fully.' Jay Shetty, #1 New York Times bestselling author of Think Like a Monk 'Joshua and Ryan have penned an urgent manifesto for the growing movement away from the material and towards the meaningful. An important book for our current moment.' Cal Newport, New York Times bestselling author of A World Without Email and Digital Minimalism AS SEEN ON THE NETFLIX DOCUMENTARIES MINIMALISM & LESS IS NOW How might your life be better with less? Imagine a life with less: less stuff, less clutter, less stress and debt and discontent - a life with fewer distractions. Now, imagine a life with more: more time, more meaningful relationships, more growth and contribution and contentment - a life of passion, unencumbered by the trappings of the chaotic world around you. What you're imagining is an intentional life. And to get there, you'll have to let go of some clutter that's in the way. In Love People, Use Things, Joshua Fields Millburn and Ryan Nicodemus move past simple decluttering to show how minimalism makes room to reevaluate and heal the seven essential relationships in our lives: stuff, truth, self, money, values, creativity and people. They use their own experiences?and those of the people they have met along the minimalist journey?to provide a template for how to live a fuller, more meaningful life. Because once you have less, you can make room for the right kind of more.
