

The Vikings' Thrall

Can enemy warriors become your friends? A story of adventure in a new land
When Vikings raid and destroy a small coastal village, Hekja and her dog, Snarf, are captured and taken to Greenland. In this harsh and cold land, Hekja becomes a thrall - a slave - to Freydis Eriksdottir, daughter of the infamous Erik the Red. Hekja's fiery determination earns her the respect of her mistress. But Hekja's journey was just the beginning, as she and Snarf and other colonists join their leader, Freydis, on a voyage to Vinland to establish a new settlement where more perilous adventures await them...
Ages 10-14

Leif Ericsson, also known as “LEIF THE LUCKY”, was the second son of Erik the Red and certainly displayed the Viking spirit of action, adventure and exploration. As a young man Leif Ericsson visited Norway, where he converted to Christianity. He was charged with returning to Greenland to convert the populace, but instead sailed further west and is believed to have landed somewhere in Nova Scotia. He spent a year in North America before returning home to Greenland, where he served as governor. THE Anglo-Saxon race was in its boyhood in the days when the Vikings lived. For every heroic vice, the Vikings laid upon the opposite scale an heroic virtue. They plundered and robbed, but where they raided, they traded, as most men did in the times when “Might made Right.” Yet the heaven-sent instinct of hospitality was in the marrow of their bones. No beggar went from their doors without alms; no traveller asked in vain for shelter. As cunningly false as they were to their foes, just so superbly true were they to their friends. Above all, they were a race of conquerors, whose knee bent only to its proved superior. Their allegiance was not given to the man who was king-born, but to the man who showed himself their leader in courage and their master in skill. The film The Viking (1928) was based on this novel, which has, to some extent, been based on Viking history. 10% of the publisher’s profit from the sale of this book will be donated to Charities.

Working as a servant in a Saxon village comes to an end for Farah when the place is attacked by Viking hordes. Even though she's excited to be out of bondage, there's still the matter of being taken captive by the Norsemen. She knows that if she is impregnated by a Viking, by law the Vikings can't keep her captive in wartime, and she thinks of a crazy but effective plan.

Knowing the men won't be able to resist after a year of fighting, she leaves herself exposed, and soon finds herself in the dominant possession of a rugged man who wants everything she has to give him. This is an explicit viking erotic romance with themes of breeding and domination.

Devil's Thrall

Architecture, Society, and Ritual in Viking Age Scandinavia

Book 1 of the Viking Kind Series

Sigurd Marsson has returned home to find his family and village in shambles. With the death of his father he is now in charge of his village of Asar. A trip to the spring market reveals not only an upcoming war, but also the opportunity for love. Astrid of Nyborg was beautiful, spirited and defiant and has caught the eye of the Jarl of Asar. Despite how he treats her they are not alone, in private he reveals himself to be a man of depth, perhaps even a man to be trusted. But Astrid has a secret that might destroy any chance she has at finding love with her fierce Viking commander. Will Astrid's secret ruin their chance at love? Or will Sigurd prove that love forgives all things—even betrayal? Sensitivity Warning: This book may leave some readers uncomfortable. If you are sensitive, please use caution.

In the dead of night, concubine Zahira is stolen from her Master's harem by Vikings intent on revenge. Leif Svensson, leader of the raiders and chieftain of his village, soon decides he wants the beautiful, exotic girl for himself. Bit by bit he claims her, body and soul. Soon, she discovers that perhaps her notions of freedom are not as clear-cut as she'd thought... and that maybe she can find fulfillment in serving the right master. This 13,000 word erotic romance contains descriptions of graphic sex acts, reluctant and rough sex, bondage, discipline, domination/submission, and slavery themes. He roughly grabbed her then, and bent her over his knee. He pushed her down with ease, so that her body was prone over his lap, her head hanging down. “What—” She began, panicked. Then she felt his rough hand slide up her leg, under her skirt. She had told herself over and over not to resist, to just give him what he wanted. She had prepared herself for it while pacing his room. Or, she thought she had. Now, with his hands on her and her body helplessly laying over him, her instinct took over and she began to struggle. “You have to learn your place.” He growled. His hand continued its journey up her thigh. Then he lifted her skirt, throwing it over her back and exposing her backside. “No!” She wailed, and kicked hard, trying to get free of his hands. She flailed her arms, trying to find purchase. He made an angry sound, and grabbed her wrists in one hand, crushing them together as he effortlessly held her arms still, right above her head. His other hand suddenly left her thigh, and then there was a shock of pain and a loud SLAP as his palm came down hard on her bare ass. Zahira cried out, her body jerking. Tears sprung to her eyes. The skin of her backside began to sting and burn, heat rising in the area. “I’m sorry!” She cried. He put his hand back on her, and she flinched, but he just cupped the cheek of her ass, and slowly massaged it. As he firmly kneaded, the sting started to subside. “You may have been some pretty, pampered ornament in your previous life,” Leif said mildly, “But you are my thrall now. You will learn your place.” She bit her trembling lip, and tried to concentrate on anything but the distracting feeling of his hand massaging and caressing her ass. Suddenly, he took his hand away, and it fell on her again, with the same SLAP and shock of pain. “Answer me!” He shouted. “Yes, My Lord!” She gasped. “I will try to please you. I’m sorry!” She squeezed her thighs together, writhing in pain and anguish. “Good...” He said, and began massaging her again. He kneaded the burning flesh, and stroked it gently, until most of the pain had receded. Zahira closed her eyes, anticipating another slap. Suddenly, she could feel him pressing underneath her. She knew what it was - his manhood was hard and pushing up into her belly. She shivered, a curious bolt of excitement coursing through her. He was enjoying this. He wanted her. Her breath was coming in short gasps, her body tingling with energy and alertness. She felt his hand move lower, and squeeze between her thighs. She didn't dare protest or even make a sound, as he forced her legs slightly apart and ran a finger down between them. She could feel the wetness between her legs as he traced it lightly. She tried to squeeze her thighs around his hand, to stop him, but he continued as though he hadn't even noticed, his strong fingers invading her, touching where no man had ever touched. “Mmmmm...” He purred. “It seems you like me after all, no matter what you prefer.”

We are delighted to publish this classic book as part of our extensive classic literature collection. This book is a reproduction of an important historical work. Unlike some other reproductions of classic texts, We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. Also in books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. We use state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.THE Anglo-Saxon race was in its boyhood in the days when the Vikings lived. A Viking Saga

Revenge

Vikings' Thrall

A TIMES BOOK OF THE YEAR 2020 ‘As brilliant a history of the Vikings as one could possibly hope to read’ Tom Holland The ‘Viking Age’ is traditionally held to begin in June 793 when Scandinavian raiders attacked the monastery of Lindisfarne in Northumbria, and to end in September 1066, when King Harald Hardrada of Norway died leading the charge against the English line at the Battle of Stamford Bridge. This book, the most wide-ranging and comprehensive assessment of the current state of our knowledge, takes a refreshingly different view. It shows that the Viking expansion began generations before the Lindisfarne raid, and traces Scandinavian history back centuries further to see how these people came to be who they were. The narrative ranges across the whole of the Viking diaspora, from Vinland on the eastern American seaboard to Constantinople and Uzbekistan, with contacts as far away as China. Based on the latest archaeology, it explores the complex origins of the Viking phenomenon and traces the seismic shifts in Scandinavian society that resulted from an economy geared to maritime war. Some of its most striking discoveries include the central role of slavery in Viking life and trade, and the previously unsuspected pirate communities and family migrations that were part of the Viking ‘armies’ - not least in England. Especially, Neil Price takes us inside the Norse mind and spirit-world, and across their borders of identity and gender, to reveal startlingly different Vikings to the barbarian marauders of stereotype. He cuts through centuries of received wisdom to try to see the Vikings as they saw themselves - descendants of the first human couple, the Children of Ash and Elm. Healso reminds us of the simultaneous familiarity and strangeness of the past, of how much we cannot know, alongside the discoveries that change the landscape of our understanding. This is an eye-opening and surprisingly moving book.

While this story can be read as a standalone title, you don't want to miss the exciting beginning of Sigurd and Aoife's relationship in "In Thrall - Captured by the Viking", out now! Days after being taken on a ship bound for Sigurd's home. With little else to do, the two come closer together as the ship moves farther and farther away from the life Aoife once knew.

And as the Viking ship battles through rough seas, Aoife seeks comfort in Sigurd's strong arms. But when a rogue wave threatens the ship and everyone on it, many among the crew turn against Sigurd, blaming him and his thrall for their misfortune. Now Aoife's life hangs in the balance, and his only hope for survival is Sigurd. But to save his thrall, he must turn against the very men he leads. This 10,000 word short story contains explicit coupling, multiple partners, humiliation, and scenes of historical violence that might upset some readers.

Like heroes from an ancient tale, Aesa and Maeve plan to raid foreign shores, claiming gold and glory for their homeland. Young and in love, neither considers what will happen if one is chosen to be a warrior and the other is left behind. On a mist-shrouded island, Aesa meets Eli, a woman enslaved by an insidious curse. Maeve walks the path of dark magic and finds Lare, a woman well acquainted with pain. Together, they must break the magic surrounding Eli, an act that will force them to choose between their dreams, their homes, and the women they love.

FROM EXCITING ROMANCE AUTHOR ELVIRA BELL, Ari and Vidar are Viking warriors and blood brothers. Will handsome thrall Elric break their bond...or make it even stronger? When young Saxon Elric is sold to Norse slave traders, he thinks that his life is over. He is brought across the sea to the settlement of the Norsemen and becomes the chief's thrall, and neither the chief nor the warriors are lenient with him. Two of the elvirs are different, though—Ari and Vidar. Elric senses that their bond goes beyond mere friendship, and wishes that he himself had someone who would care for him. Ari and Vidar have been lovers for years, but they have to sneak away whenever they want to be together. Vidar is next in line to be leader, as the chief's nephew, but he's shy and insecure and only feels at home on the battlefield. Ari looks different than the other warriors, since his mother was of foreign descent, and he's had to learn how to stand up for himself. The two of them are blood brothers, linked together forever, but even though they are lovers they can't go against the taboo that prohibits free men from being passive during sex. Ari feels that something is lacking, and Elric's arrival gives him an idea—what if they invited Elric to join them in bed? The thought excites him, and Elric himself seems eager to please. The only question is how Ari is supposed to get Vidar to agree to letting another man into their relationship...

Viking Saga Book 1

Thrall: Beyond Gold and Glory

THRALL OF LEIF THE LUCKY A ST0

When Viking raiders attack a quiet Norse village, a small boy's life is ripped apart as he's carried away by sea and sold into a life of servitude. But when this young boy with veins full of fire and a head full of ideas comes of age, he is not what he seems to be. The events that follow propel Rowan on a journey that only the foolhardy or desperate would risk, leading him into the forest and up the mountain - into a whole world of secrets in itself. But this is only the beginning of his adventures. Something is stirring in the forest, something more ominous than the rising threat across the seas. Fearful travelers whisper of a darkness breathing in the forest, disturbing it, corrupting it. In the very heart of these stirrings, Rowan encounters that which defies belief, leaving him speechless with terror - and wonder.

Nerys Elen, a reluctant Christian novice, is taken by Vikings to the Danish village of Fonn after a raid on her monastery in Britain. Her captor, Halfdan, is a difficult and demanding man who wants more than just power in his life. Can Elen make peace with becoming a thrall to the Viking or will she pay the ultimate price in this power play?

A Viking Romance Fantasy Story “I have at last seen the rise of a new king in Isarfor and you will stand at his side as a seer, healer and adviser.” Raen is both confused and horrified by the seid-witch's prediction, because she is not a seer, nor a healer. But above all else, if she does as the crone commands, she will lose whatever chance she might still have to find Rao and become his wife. A king's adviser must marry whomever the king decrees. Should she follow her heart and sacrifice the lives of hundreds to be with the man she longs for? Or should she do as the witch commands and give up all that she loves to serve and protect her people? This is a sexy short story of love, desire, battle, magic and passion. A prequel to my new Viking Hearts series, historical erotic romance novels written for everyone who fantasizes about the dark but sensually rich world of the old Norse Warriors. This old world romance story is full of hot Viking romance, explicit erotic content and some non-sexual violence. If you enjoy Viking erotica, with a dash of old world paganism and adventure, this book is written for you! Theme: Vikings, magic, Norse Gods, witchcraft, pagans, erotic love, alpha warrior, alpha male, viking hero, explicit romance, viking series books

Looks at historical arguments made for slavery and abolition, slavery systems in various countries, related legal cases, slave rebellions, slave biographies, the history of the slave trade, and the teachings of various religions concerning slavery

Doors, Dwellings, and Domestic Space

A Viking MPreg

A Viking Warrior vows to protect his pregnant omega. Halvard is a renowned alpha viking. He lives for war, but in the midst of a raid, he finds a slave. In an instant, he knows he's found his mate. A man who heats his blood hotter than any battle. An omega slave chosen by Odin. Asgrim wasn't always a slave. He was the son of a Jarl but his destiny was ripped away from him. Yet, when the leader of a band of Viking raiders murders his captor, his journey to reclaim his birthright begins. The presence of his rescuer awakens a primal desire within, his first heat. Asgrim seeks his destiny. Their fate combined, the alpha and his omega set out to reclaim Asgrim's birthright. Halvard must fight for their lives and the life of their unborn child. Together, they storm a path to glory... Thrall is the first book in the Thorson Sagas and features vikings who are as sexy as they are brutal, a quest for glory, first times, knotty fun, mpreg (male pregnancy), an indulging alpha and a demanding omega. This is the first in a series, but these men find happiness by the end before the adventures continue in book two.

Excerpt from The Thrall of Leif the Lucky, Vol. 1: A Story of Viking Days For every heroic vice, the Vikings laid upon the opposite scale an heroic virtue. If they plundered and robbed, as most men did in the times when Might made Right, yet the heaven-sent instinct of hospi tality was as the marrow of their bones. No beggar went from their doors without alms; no traveller asked in vain for shelter; no guest but was well come*d with holiday cheer and sped on his way with a gift. As cunningly false as they were to their foes, just so superbly true were they to their friends. Above all, they were a race of conquerors, whose knee bent only to its proved superior. Not to the man who was king-born merely, did their allegiance go, but to the man who showed himself their leader in courage and their master in skill. And so it was with their choice of a religion, when at last the death day of Odin dawned. Not to the God who forgives, nor to the God who suffered, did they give their faith; but they made their vows to the God who makes men strong, the God who is the never-ying and all powerful Lord of those who follow Him. As a young man Leif Ericsson visited Norway, where he converted to Christianity.

Imagine a horde of muscular men without a woman in sight for many months and many miles, fighting every day. Imagine they finally get the chance to take a wet and willing woman rough, raw, and unprotected. Would the Vikings go easy on her? Would they pull out? Would they share her and love every minute of it? This historical viking erotica bundle will answer all the above questions and more. Sold To The Viking Warrior When a group of vikings attack her quiet seaside village and carry her off as a prize, Clarissa's life is changed forever. She expects the worse, but as she is brought onto their ship and she watches her village and the last remnants of her previous life fade into the distance, she is told the real reason she has been captured. Excepting a life as a thrall, she is shocked to be brought before King Bjord, the leader of the vikings who gives her a simple choice - submit to him and bear his child, or return to her village. Forced to choose, she decides she will take her chances as queen instead of returning to her village, even though it means she'll be impregnated by King Bjord. Dominated By The Viking Tamara is excited to be traveling on a merchant ship, finally on her way to re-union with her family. That is, until a ship is spotted in the distance bearing the black flag of the Vikings. It swifly catches up to the merchant ship and they board, pillage the wares, and make it clear they will throw anyone who objects overboard. It's only when they demand to be given all the gold on ship that the Captain decides to strike a deal. Spare the gold, and they can take Tamara with no repercussions. Although she's kidnapped, held captive, and afraid she finds that not only are they not the ruthless bastards she always imaged them as - she grows to like them, no matter how much she wants to hate them. It's only when she's called into the Captains cabin and enjoys a few swigs of rum that she does something she never thought she would - she gives in completely and lets the Captain use her body like a common whore. Will Tamara rebel against the situation she finds herself in or embrace an adventure unlike anything she ever imagined?

Now, she had two naked Viking warriors. Late one night, hard-working, curly graduate student Gwen follows her vivacious friend Morgan deep under the Rare Books Library, where there's a mysterious room full of very old books. The moment she opens one, she's whisked away - and she wakes up in medieval Scandinavia. Worse, she's been taken prisoner by a band of Vikings and when their warriors see her, he claims the curly brunette as his own! Luckily, Gwen also meets sexy, rugged Thor and his lover - and they're more than willing to show her the time of her life by taking her both at the same time! Vikings' Thrall is a super-steamy MMF bisexual menage story - where the men take her AND each other! Warning: this threesome novella is so explicit, hot, and steamy that it might set your ereader on fire!
