"Intimate, challenging, and so very smart. Want Me is a gift." —Rebecca Traister, New York Times bestselling author of Good and Mad Tracy Clark-Flory grew up wedged between fizzy declarations of "girl power" and the sexualized mandates of pop culture. It was "broken glass ceilings" and Girls Gone Wild infomercials. With a vague aim toward sexual empowerment, she set out to become what men wanted--or, at least, understand it. In her moving, fresh, and darkly humorous memoir, she shares the thrilling and heartbreaking events that led to discovering conflicting truths about her own desire, first as a woman coming of age and then as a veteran journalist covering the sex beat. Tracing her experiences on adult film sets, at fetish conventions, and during an orgasmic meditation retreat (to name just a few), Clark-Flory weaves in statistics and expert voices to reckon with our views on sexual freedom. Want Me is about looking for love, sex, and power as a woman in a culture that is "freer" than ever, yet defined by unprecedented pressures and enduring constraints. This is a first-hand example of one woman who navigated the mixed messages of sexual expectation, only to discover the complexity of her own wants and our collective need to change the limitations of that journey. Crime boss Danny Black leaves Miami for St. Lucia to keep Rose Cassidy safe, but James Kelly convinces him to come out of hiding, both to avenge Kelly's family's death and to protect Beau Hayley.

A few words about Dostoevsky himself may help the English reader to understand his work. Dostoevsky was the son of a doctor. His parents were very hard-working and deeply religious people, but so poor that they lived with their five children in only two rooms. The father and mother spent their evenings in reading aloud to their children, generally from books of a serious character. Though always sickly and delicate Dostoevsky came out third in the final examination of the Petersburg school of Engineering. There he had already begun his first work, "Poor Folk." This story was published by the poet Nekrassov in his review and was received with acclamations. The shy, unknown youth found himself instantly something of a celebrity. A brilliant and successful career seemed to open before him, but those hopes were soon dashed. In 1849 he was arrested.

If you were asked to write about your father, what would you say? Florence Welch, Paul Weller, Nina Stibbe and the sons and daughters of Ian Dury, Johnny Ball, Roy Castle, Leonard Cohen and many others relate the quirks, flaws and quiet heroisms of their dads. By turns funny, tender and heartbreaking, My Old Man offers a unique opportunity to reflect on our own relationships with our dads - who they really are, and how we come to understand ourselves through them.
