*The Little Lion Storybook Bible is an adorable age 2-5 can call their own. Throughout Little Lion learns that he is loved and cared for by God as he hears about God's faithfulness in stories from the Old and New Testaments of the Bible.*

*Yes you can understand the Bible! Discovering the Miracle of the Scarlet Thread in Every Book of the Bible takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself. The author provides exciting biblical background. An interesting survey of each book in the Bible. Each book's master theme, Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread.*

*Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word!*

*Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize Finalist Lydia Millet's sublime new novel—her first since the National Book Award long-listed Sweet Lamb of Heaven—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate, the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. A Children's Bible is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.*

*Crabby Pond's white sugar shores and clear blue water call to children and bears of all ages. But watch out for the crabs of Crabby Pond! Take your picnic basket, your Legos, and, of course your best friend!*

*God's Masterpiece*

*Family Heritage Edition*

*The Brave Queen*

*Baby's Hug-a-Bible*

*The Bible has played a critical role in the story of Judaism, modernity, and identity. Penny Schine Gold examines the arena of children's education and the role of the Bible in the reshaping of Jewish identity, especially in the United States in the 1920s and 1930s, when a second generation of Eastern European Jews engaged the task of Americanizing Jewish culture, religion, and institutions. Professional Jewish educators based in the Reform movement undertook a multifaceted agenda for the Bible in America: to modernize it, harmonize it with American values, and move it to the center of the religious school curriculum. Through public schooling, the children of Jewish immigrants brought America home; it was up to the adults to fashion a Judaism that their children could take back out into America. Because of its historic role in the development of Judaism and its cultural significance in American life, Gold finds, the Bible provided Jews with vital links to both the past and the present. The ancient sacred texts of the Bible, transformed into highly abridged and amended "Bible tales," was brought into service as a bridge between tradition and modernity. Gold analyzes these American developments with reference to the intellectual history of eighteenth- and nineteenth-century Europe, innovations in public schooling and social theory, Protestant religious education, and later versions of the Bible in the United States and Israel. She shows that these seemingly simple children's books are complex markers of the pressing concerns of Jews in the modern world.*

*The Gospels and Acts are composed of writings from St. Matthew, St. Mark, St. Luke, St. John and the Book of Acts. The purpose of which is to give you the spiritual lens that will enable you to see clearly what you fail to see using your physical lens. As you read this collection, try to see the three spiritual themes to it. Get a copy today.*

*An adorable story Bible for kids 6 and under written by bestselling author Sally Lloyd-Jones. Tiny Bear's Bible is a warm reminder of how God loves his children. Together with their friend Tiny Bear, children discover eleven Bible stories wherever they go. The closing story leaves us with this loving reminder: "No matter what, no matter where, God is with us, Tiny Bear." Sally Lloyd-Jones presents some of the most familiar Bible stories to children, which provides parents and grandparents lots of teachable moments as they explore God's love together. Sally Lloyd-Jones is a leading writer of inspirational books for children, with an expertise in conveying biblical truth to young children. She is the author of three bestselling children's Bibles, including the Gold Book Award-winning Baby's First Bible and The Jesus Storybook Bible. She has written many picture books for children, including Handbag Friends and Time to Say Goodnight. A native of England, Sally lives in New York City.*

*YEHOVAH gave us the holy Law for a purpose. That purpose is to create a righteous people who will draw close to Him. When YEHOVAH created the nation of Israel He created a Common Wealth with a Law to govern it. While on earth, Yeshua was anointed to become both King and Priest over Israel. Now, instead of the sons of Aaron and the sons of David, Yeshua presides over the Law of Israel. Initially the Law was weak in that it could not change the nature of man nor would continue to sin. Through the resurrection, Yeshua was able to correct the weakness in the Law allowing man's sinful nature to be corrected. The Church has skewed the Gospel message by doing away with the Law, but the Law is actually an integral part of the Gospel. In order to understand why Christianity abandoned the Law Church's history will be explained in the light of Bible prophecy. Many of the arguments for doing away with the Law will be dispelled and many sacred-pillars will be cast down. The Kingdom of YEHOVAH, like all kingdoms, is a Kingdom of Law. If we are going to be part of His Kingdom then we have to be a lawful people embracing His Law, not doing away with it.*

*Making the Bible Modern*

*The Beginner's Bible*

*Timeless Children's Stories*

There is a paradox in American Christianity. According to Gallup, nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God. At the same time, surveys have revealed gaps in these same Americans' biblical literacy. These discrepancies reveal the complex relationship between American Christians and Holy Writ, a subject that is widely acknowledged but rarely investigated. The Bible in American Life is a sustained, collaborative reflection on the ways Americans use the Bible in their personal lives. It also considers how other influences, including religious communities and the Internet, shape individuals' comprehension of scripture. Employing both quantitative methods (the General Social Survey and the National Congregations Study) and qualitative research (historical studies for context), The Bible in American Life provides an unprecedented perspective on the Bible's role outside of worship, in the lived religion of a broad cross-section of Americans both now and in the past. The Bible has been central to Christian practice, and has functioned as a cultural touchstone from the broadest scale imaginable, national survey data about all Americans, down to the smallest details, such as the portrayal of Noah and his ark in children's Bibles. This book offers insight and illumination from scholars across the intellectual spectrum. It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment.

Introduce young children to stories of God's Word.

**Esther**

**The Gospels and Acts Book 2**

*When the world says, "Let your emotions lead you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence, and past experiences to give us a new vision of the weighted tension between letting loose or holding on to our feelings or cringing up and ignoring them altogether. As human beings, we are created with emotional dimension, and within Christ, we are called to surrender these feelings, using them in a healthy and biblical way.*

*La Biblia para niños – Historias de Jesús edición bilingüe cuenta la historia que subyace detrás de todas las otras historias de la Biblia. ¿Qué hace que la Biblia para niños – Historias de Jesús sea diferente de cualquier otra Biblia para niños? Mientras que otras Biblias para niños contienen historias del Antiguo y del Nuevo Testamento, este maravilloso libro cuenta la historia que hay detrás de todas las historias de la Biblia, señalando a Jesús como nuestro Salvador. Desde el Antiguo Testamento hasta el Nuevo Testamento, a medida que se desarrolla la historia, los niños verán claramente que Jesús está en el centro de la gran historia de salvación de Dios... y en el centro de la historia de ellos también. La Biblia para niños – Historias de Jesús: Incluye texto bilingüe en inglés y español*

*Está bellamente escrita por la autora best seller del New York Times, Sally Lloyd-Jones e ilustrada por el galardonado artista Jago Contiene 21 historias del Antiguo Testamento y 23 historias del Nuevo Testamento Da vida visualmente a las Escrituras para los niños, compartiendo cómo Jesús está en el centro de nuestra historia Presenta las historias más queridas de la Biblia en un formato fácil de entender Es la Biblia para niños perfecta para cualquier edad hasta el sexto grado, así como para el ministerio de la iglesia Es un regalo ideal para Navidad, Pascua u otras ocasiones especiales Otros títulos de la colección Biblia para niños – Historias de Jesús son Historias bíblicas de Jesús para niños Historias bíblicas de Jesús para niños audiolibro narrado por el reconocido actor cubano, Tony Plana The Jesus Storybook Bible The Jesus Storybook Bible in the special bilingual edition tells the story behind all the other stories in the Bible in English and Spanish. *Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-image Celebrate the power and beauty of womanhood. God has given you permission to change the world!y being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!*

Discovery in the Desert is the first book in Tom Thiele's Discovery Series. When asked about religious affiliation, do you describe yourself as a Christian? Do you wonder about heaven? When someone knows that they are a good person, does that mean that they are a heaven-bound Christian? That is exactly how David Hart saw himself before his discovery in the desert. David Hart, a young, bright NASA physicist is chosen to join a team of other NASA scientists assigned to a Classified Military Project. The team is formed to bring a new, cutting edge technology to the United States military-Time Travel. Initially great strides are made in developing a time travel capsule, and then the team hits a brick wall. Once the obstacle becomes common knowledge at NASA, the project transforms from one of prestige and glamor to one of embarrassment. The slowed progress grows on David's patience. Then he decides to do the unthinkable! Join David on this adventure of a lifetime as he realizes that not only has he been chosen to be on this NASA team, but he has been chosen for a much more significant task. A task, that once accomplished, will change David's life forever.

Early Americans have long been considered "A People of the Book" Because the nickname was coined primarily to invoke close associations between Americans and the Bible, it is easy to overlook the central fact that it was a book-not a geographic location, a monarch, or even a shared language-that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture. Few books can lay claim to such powers of civilization-altering influence. Among those which can are sacred books, and for Americans principal among such books stands the Bible. This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions. It takes seriously the fact that the Bible is both a physical object that has exercised considerable systemic power, as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy. This Handbook brings together a number of established scholars, as well as younger scholars on the rise, to provide a scholarly overview--rich with bibliographic resources--to those interested in the Bible's role in American cultural formation.

Looks at more than two hundred miracles in every book of the Bible from the beginning of the Old Testament to the end of the New Testament.

With an eye-catching cover that gleams with foil, this is the perfect baptism, birthday, Christmas, or Easter gift to start children on a lifelong journey towards a love of God's Word. Featuring the vibrant art and engaging text that parents trust and kids remember, and that has made The Beginner's Bible the bestselling Bible storybook of our time.

**The Berenstain Bears Storybook Bible for Little Ones: Simple, scripturally-based text Traditional Berenstain art Eight stories from the Old and New Testaments**

**Children's Bibles have been among the most popular and influential types of religious publications in the United States, providing many Americans with their first formative experiences of the Bible and its stories. In Children's Bibles in America, Russell W. Dalton explores the variety of ways in which children's Bibles have adapted, illustrated, and retold Bible stories for children throughout U.S. history. This reception history of the story of Noah as it appears in children's Bibles provides striking examples of the multivalence and malleability of biblical texts, and offers intriguing snapshots of American culture and American religion in their most basic forms. Dalton demonstrates the ways in which children's Bibles reflect and reveal America's diverse and changing beliefs about God, childhood, morality, and what must be passed on to the next generation. Dalton uses the popular story of Noah's ark as a case study, exploring how it has been adapted and appropriated to serve in a variety of social agendas. Throughout America's history, the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful, angry God who might destroy children at any time to that of a friendly God who will always keep children safe. At the same time, Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking. Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies, the history of religion in America, religious education, childhood studies, and children's literature.**

**This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.**
