

What Was The First Thanksgiving?

Describes the voyage of the Mayflower and the difficulties encountered by the Pilgrims during their first year in the New World, and recounts how they celebrated their first harvest.

Describes how the colonists aboard the Mayflower founded New Plymouth and celebrated their first harvest with a feast of thanksgiving.

I shall a litle returne backe and begine with a combination made by them before they came ashore, being ye first foundation of their govermente in this place; occasioned partly by ye discontented & mutinous speeches that some of the strangers amongst them had let fall from them in ye ship-That when they came a shore they would use their owne libertie; for none had power to comānd them, the patente they had being for Virginia, and not for New-england, which belonged to an other Government, with which ye Virginia Company had nothing to doe. And partly that shuch an acte by them done (this their condition considered) might be as firme as any patent, and in some respects more sure.

In this festive Caldecott Honor-winning picture book, Alice Dalgiesh brings to life the origin of the Thanksgiving holiday for readers of all ages. Giles, Constance and Damaris Hopkins are all passengers aboard the crowded Mayflower, journeying to the New World to start a new life. Things get a little more cramped when their baby brother Oceanus is born during the passage. However, when they arrive, there are even worse challenges to face as the Pilgrims are subjected to hunger, cold, and sickness that put their small colony in great danger. With the help of the Native Americans though, they might just be able to survive their first year in this strange land—and have a November harvest to celebrate for generations!

The Pilgrims Didn't Celebrate the First Thanksgiving

The Name of War

What Was the First Thanksgiving?

1940 Edition

Pete the cat learns about the Pilgrims and the first Thanksgiving when he takes part in a school play on the topic.

Discover the real Thanksgiving through photographs from a recreation of the true Thanksgiving by Plimoth Plantation.

This is not a book about a holiday. It's about people and what happened to them in their first year at Plymouth. A comprehensive prologue details why they left Europe, and two chapters provide information about the native people who helped the Pilgrims.

Every student grows up hearing about the first Thanksgiving, celebrated by the Pilgrims and Native Americans in 1621. However, that wasn't the first Thanksgiving! It wasn't even the first one celebrated by European settlers! This is just one myth debunked in this valuable look at colonial American history. Readers will feel like real historians unearthing the truth behind the legends.

Beautiful images and fun fact boxes will add to their interest.

A Selection from Mayflower (Penguin Tracks)

What the Real Story Tells Us About Loving God and Learning from History

Dramatic and defining moments in American history come vividly to life in the Cornerstones of Freedom series.

Veteran historian Robert Tracy McKenzie sets aside centuries of legend and political stylization to present the mixed blessing that was the first Thanksgiving. Like good narrative history, McKenzie's critical account of our Pilgrim ancestors confronts us with our own unresolved issues of national and spiritual identity.

What do you know about the thanksgiving feast at Plimoth? What if you lived in a different time and place? What would you wear? What would you eat? How would your daily life be different?

Scholastic's If You Lived... series answers all of kids' most important questions about events in American history. With a question and answer format, kid-friendly artwork, and engaging information, this series is the perfect partner for the classroom and for history-loving readers.

What if you lived when the English colonists and the Wampanoag people shared a feast at Plimoth? What would you have worn? What would you have eaten? What was the true story of the feast that we now know as the first Thanksgiving and how did it become a national holiday? Chris Newell answers all these questions and more in this comprehensive dive into the feast at Plimoth and the history leading up to it. Carefully crafted to explore both sides of this historical event, this book is a great choice for Thanksgiving units, and for teaching children about this popular holiday.

How to Unlock Flavor in 50 of our Favorite Ingredients

The Pilgrims' First Thanksgiving

Tomie dePaola's simple text and bright illustrations perfectly capture the joy of this special holiday. Young readers will love learning more about the traditional celebrations of the day.

Ahead of the 400th anniversary of the first Thanksgiving, a new look at the Plymouth colony's founding events, told for the first time with Wampanoag people at the heart of the story. In March 1621, when Plymouth's survival was hanging in the balance, the Wampanoag sachem (or chief), Ousamequin (Massasoit), and Plymouth's governor, John Carver, declared their people's friendship for each other and a commitment to mutual defense. Later that autumn, the English gathered their first successful harvest and lifted the specter of starvation. Ousamequin and 90 of his men then visited Plymouth for the "First Thanksgiving." The treaty remained operative until King Philip's War in 1675, when 50 years of uneasy peace between the two parties would come to an end. 400 years after that famous meal, historian David J. Silverman sheds profound new light on the events that led to the creation, and bloody dissolution, of this alliance. Focusing on the Wampanoag Indians, Silverman deepens the narrative to consider tensions that developed well before 1620 and lasted long after the devastating war--tracing the Wampanoags' ongoing struggle for self-determination up to this very day. This unsettling history reveals why some modern Native people hold a Day of Mourning on Thanksgiving, a holiday which celebrates a myth of colonialism and white proprietorship of the United States. This Land is Their Land shows that it is time to rethink how we, as a pluralistic nation, tell the history of Thanksgiving.

Nancy Davis recreates the excitement and wonder of the first Thanksgiving--how the pilgrims came to America and how the Native Americans taught them to plant and then joined them in a Thanksgiving feast. Parents can use the simple text and the bright, graphic illustrations of this lift-the-flap book to introduce a very young child to this holiday.

In Cook's Science, the all-new companion to the New York Times-bestselling The Science of Good Cooking, America's Test Kitchen deep dives into the surprising science behind 50 of our favorite ingredients--and uses that science to make them taste their best. From the editors of Cook's Illustrated, and the best-selling The Science of Good Cooking, comes an all-new companion book highlighting 50 of our favorite ingredients and the (sometimes surprising) science behind them: Cook's Science. Each chapter explains the science behind one of the 50 ingredients in a short, informative essay--topics ranging from pork shoulder to apples to quinoa to dark chocolate--before moving onto an original (and sometimes quirky) experiment, performed in our test kitchen and designed to show how the science works. The book includes 50 dynamic, full-page color illustrations, giving in-depth looks at individual ingredients, "family trees" of ingredients, and cooking techniques like sous vide, dehydrating, and fermentation. The 400+ foolproof recipes included take the science into the kitchen, and range from crispy fried chicken wings to meaty-tasting vegetarian chili, coconut layer cake to strawberry rhubarb pie.

The Cross in the Sand

We all know the story of Thanksgiving. Or do we? This uniquely American holiday has a rich and little known history beyond the famous feast of 1621. In Thanksgiving, award-winning author Melanie Kirkpatrick journeys through four centuries of history, giving us a vivid portrait of our nation's best-loved holiday. Drawing on newspaper accounts, private correspondence, historical documents, and cookbooks, Thanksgiving brings to life the full history of the holiday and what it has meant to generations of Americans. Many famous figures walk these pages—Washington, who proclaimed our first Thanksgiving as a nation amid controversy about his Constitutional power to do so; Lincoln, who wanted to heal a divided nation sick of war when he called for all Americans—North and South—to mark a Thanksgiving Day; FDR, who set off a debate on state's rights when he changed the traditional date of Thanksgiving. Ordinary Americans also play key roles in the Thanksgiving story—the New England Indians who boycott Thanksgiving as a Day of Mourning; Sarah Josepha Hale, the nineteenth-century editor and feminist who successfully campaigned for Thanksgiving to be a national holiday; the 92nd Street Y in New York City, which founded Giving Tuesday, an online charity established in the long tradition of Thanksgiving generosity. Kirkpatrick also examines the history of Thanksgiving football and, of course, Thanksgiving dinner. While the rites and rituals of the holiday have evolved over the centuries, its essence remains the same: family and friends feasting together in a spirit of gratitude to God, neighborliness, and hospitality. Thanksgiving is Americans' oldest tradition. Kirkpatrick's enlightening exploration offers a fascinating look at the meaning of the holiday that we gather together to celebrate on the fourth Thursday of November. With Readings for Thanksgiving Day designed to be read aloud around the table.

Wouldn't it be great to be part of that famous Thanksgiving feast at Plymouth Plantation back in 1621? Then join the Time-Traveling Twins as they sit down to an enormous FOUR-DAY feast, complete with puddings, pompions, pottages, and, of course, turkeys. Meet Squanto and the other Native Americans. Help with the harvest. Find out what it was like to be a Pilgrim. Once again, historian Diane Stanley's fun and impeccably researched text is brought to life by Holly Berry's accessible illustrations. Word balloons, engaging characters, and all sorts of wonderful details about the beginning of this American tradition await the lucky adventurer who journeys back with the Time-Traveling Twins.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The real story of the First Thanksgiving from the New York Times bestselling author Nathaniel Philbrick One of America's most acclaimed historians takes on the nation's First Thanksgiving, telling us the true story behind the tale we think we know so well. In this selection from the New York Times bestseller Mayflower Nathaniel Philbrick recounts in riveting detail the truth about relations between Plymouth Colony and the British crown and between the colonists and Native American tribes, shining a light on the courage, communities, and conflicts that shaped one of our country's most celebrated national holidays.

Exposing Myths About Colonial History

A Lift-the-Flap Book

A new look at Thomas Morton, his controversial colonial philosophy, and his lengthy feud with the Puritans Adding new depth to our understanding of early New England society, this riveting account of Thomas Morton explores the tensions that arose from competing colonial visions. A lawyer and fur trader, Thomas Morton dreamed of a society where Algonquian peoples and English colonists could coexist. Infamous for dancing around a maypole in defiance of his Pilgrim neighbors, Morton was reviled by the Puritans for selling guns to the Natives. Colonial authorities exiled him three separate times from New England, but Morton kept returning to fight for his beliefs. This compelling counter-narrative to the familiar story of the Puritans combines a rich understanding of the period with a close reading of early texts to bring the contentious Morton to life. This volume sheds new light on the tumultuous formative decades of the American experience. Learn more about the history of the feast that started off as a harvest celebration and has now become a national holiday. After their first harvest in 1621, the Pilgrims at Plymouth shared a three-day feast with their Native American neighbors. Of course, the Pilgrims and the Wampanoag didn't know it at the time, but they were making history. Describes how the first Thanksgiving celebration came to be.

Every year on the fourth Thursday of November, Americans celebrate with a Thanksgiving meal. But what is the origin of this tradition? Did it really begin when the Pilgrims and Native Americans got together in 1621 in Plymouth, Massachusetts? In her signature narrative nonfiction style, Penny Colman paints a fascinating picture of this cherished American holiday. She examines numerous Thanksgiving claims which were antecedents to the national holiday we celebrate today, raises the turkey question—does everyone eat turkey on Thanksgiving?—and shows Sarah Josepha Hale's instrumental role in establishing the holiday. Get ready to delve into the rich past of Thanksgiving in an enlightening history that uncovers the true story. Thanksgiving is a 2009 Bank Street - Best Children's Book of the Year.

King Philip's War and the Origins of American Identity

A New Look at Thanksgiving

Pete the Cat: The First Thanksgiving

The Biography of an American Holiday

The First Thanksgiving

America's Real First Thanksgiving

Young readers learn about the early traditions which have led to our present-day celebration of Thanksgiving.

Describes the circumstances that led to Spanish settlement in Florida in the sixteenth century, conditions in the region, and life in Spain and among the local Timucua Indians, and recounts the Thanksgiving celebration held there in 1565.

Describes how the Pilgrims at Plymouth shared a three-day feast with their Native American neighbors after their first harvest in 1621, establishing a tradition that would become a national holiday.

Winner of the Bancroft Prize King Philip's War, the excruciating racial war—colonists against Indians—that erupted in New England in 1675, was, in proportion to population, the bloodiest in American history. Some even argued that the massacres and outrages on both sides were too horrific to "deserve the name of a war." The war's brutality compelled the colonists to defend themselves against accusations that they had become savages. But Jill Lepore makes clear that it was after the war—and because of it—that the boundaries between cultures, hitherto blurred, turned into rigid ones. King Philip's War became one of the most written-about wars in our history, and Lepore argues that the words strengthened and hardened feelings that, in turn, strengthened and hardened the enmity between Indians and Anglos. Telling the story of what may have been the bitterest of American conflicts, and its reverberations over the centuries, Lepore has enabled us to see how the ways in which we remember past events are as important in their effect on our history as were the events themselves. Winner of the the 1998 Ralph Waldo Emerson Award of the Phi Beta Kappa Society
