A classic work on how women think about sex, from the New York Times–bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday's groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women's sexual fantasies, detailing how women's erotic lives have changed—and remained the same. "This absorbing, titillating and empowering feminist book is also a ribald bedside companion." —Publishers Weekly

Popular opinion suggests that information has become a distinguishing feature of the modern world. Where once economies were built on industry and conquest, we are now instead said to be part of a global information economy. In this new and thoroughly revised edition of his popular book, author Webster brings his work up-to-date both with new theoretical work and with social and technological changes - such as the rapid growth of the internet and accelerated globalization - and reassesses the work of key theorists in light of these changes. This book is essential reading for students of contemporary social theory and anybody interested in social and technological

change in the post-war era.

*A Most-Anticipated Selection by Vogue * Refinery29 * Vulture * BuzzFeed * Harper's Bazaar * O, The Oprah Magazine * The Millions * Literary Hub * The Rumpus * Publishers Weekly and more A scathingly funny, wildly erotic, and fiercely imaginative story about food, sex, and god from the acclaimed author of The Pisces and So Sad Today. Rachel is twenty-four, a lapsed Jew who has made calorie restriction her religion. By day, she*

maintains an illusion of existential control, by way of obsessive food rituals, while working as an underling at a Los Angeles talent management agency. At night, she pedals nowhere on the elliptical machine. Rachel is content to carry on subsisting—until her therapist encourages her to take a ninety-day communication detox from her mother, who raised her in the tradition of calorie counting. Early in the detox, Rachel meets Miriam, a zaftig young Orthodox Jewish woman who works at her favorite frozen yogurt shop and is intent upon feeding her. Rachel is suddenly and powerfully entranced by Miriam—by her sundaes and her body, her faith and her family—and as the two grow closer, Rachel embarks on a journey marked by mirrors, mysticism, mothers, milk, and honey. Pairing superlative emotional insight with unabashed vivid fantasy, Broder tells a tale of appetites: physical hunger, sexual desire, spiritual longing, and the ways that we as humans can compartmentalize these so often interdependent instincts. Milk Fed is a tender and riotously funny meditation on love, certitude, and the question of what we are all being fed, from one of our major writers on the psyche—both sacred and profane.

*The fourth collection from award-winning poet Rachel Rose, *Marry & Burn* is a journey through a troubled relationship and a troubled city, charting the territory of love and addiction, and the stories we tell ourselves about ourselves. Inspired by struggles both personal and global, these are not gentle poems—they probe deep into comforting personal and cultural myths, rending them to pieces even as they expose the beauty in the bright shards that remain. Although the language of blazing passion resonates throughout the discussion of love, longing and addiction, the driving rhythms often resemble more closely the relentless pounding of the ocean: “The sky’s cauldron / tips a black storm to swarm the harried / hawk, call, Shame! Shame! Dawn has come / in flame.” The golden glow of the ancient world, the dark sweetness of fairy tales, overlay these harsh contemporary moments of rape and addiction, loneliness and poverty, casting them in the richer light of another era. The pain of letting go, whether of love, old habits or cherished personal myths, permeates the collection. But these poems insist that once the dike has broken, once the myths have crumbled, the possibility emerges of building something new.*

*This collection of thoughtful, courageous, and honest essays explores the intersections of class background, social status, and “queerness,” challenging the often narrow and rigid definition of gay and lesbian community. *Queerly Classed**

Sultzbach's book provides a wide-ranging investigation into how the works of Forster, Woolf, and Auden helped shape our environmental imagination.

A detailed, analytical study of the life and times of this brilliant but bizarre personality (and the sexually erotic times he lived in), containing the essence of all his writings, based on research by Bloch in private archives of the French Government, and Bloch's discovery of de Sade's unpublished manuscript of 120 Days of Sodom in Marseilles. The work contains a precis of the 120 Days of Sodom, the first attempt systematically to catalog and describe abnormal sexual behavior -- 100 years before Krafft-Ebing. A serious academic study of France during de Sade's time, its sexual morality, de Sade's works, and the role of sadism in literature, etc., this biography precedes de Beauvoir's *Faut-il Brûler de Sade?* and began the resuscitation and modern study of De Sade. This volume is an anthology of articles written by some 30 female scholars and writers. Each woman draws upon mastery of her discipline and on a commitment to eliminating the social and personal costs of sexism; and also the arguments from current social customs and "Nature" that the editors feel lock both men and women into life-denying stereotypes of masculinity and femininity.

Lady Chatterley's Lover is a novel by D. H. Lawrence written in 1928. Printed privately in Florence in 1928, it was not printed in the United Kingdom until 1960 (other than in an underground edition issued by Inky Stephensen's Mandrake Press in 1929). Lawrence considered calling this book *Tenderness* at one time and made significant alterations to the original manuscript in order to make it palatable to readers. It has been published in three different versions. The publication of the book caused a scandal due to its explicit sex scenes, including previously banned four-letter words, and perhaps because the lovers were a working-class male and an aristocratic female. The story is said to have originated from events in Lawrence's own unhappy domestic life, and he took inspiration for the settings of the book from Ilkeston in Derbyshire where he lived for a while. According to some critics the fling of Lady Ottoline Morrell with "Tiger", a young stonemason who came to carve plinths for her garden statues, also influenced the story.

Nicole is desperate to continue her sexual education with Professor Vicki Berry. She stays behind after class, hoping for another taste of the pleasure Vicki awakened in her. Vicki invites Nicole to her house, promising a tantalizing surprise, and further education. Nicole is very eager to learn, but can she handle the things Vicki has in store for her? This 4,100+ word erotica short story features a lesbian, Professor/Student sexual relationship. Excerpt: Nicole lifted one of the glasses off the tray that Vicki held out for her, and lifted it to her nose. She breathed in the aroma of the wine. It smelled fruity and spicy to her. She took a sip and felt a rush of warmth flow through her body. "Mmm, that's lovely," she said. Vicki sat down on the rug next to her and set the tray down on the coffee table. "I'm glad you like it, I was saving it for a special occasion." "This is a special occasion?" Nicole asked, smiling. "Having you here with me is something I've been wanting since that first day. I saw you watching me that day as I walked from the parking lot into the Liberal Arts building. I could feel your eyes boring into me, and I knew then that I needed you." "Oh, I didn't think that you had even noticed me," Nicole said. "How could I not notice you? You're so beautiful, and you were

looking at me with such an innocent longing." Nicole blushed prettily at the compliment. "I love it when you blush like that," Vicki said, as she softly caressed Nicole's cheek.

A Stonewall Book Award Winner! "Little and Lion is beautifully insightful, honest, and compassionate. The woman's place of power within each of us is neither white nor surface; it is dark, it is ancient, and it is deep The revolutionary writings of Audre Lorde gave voice to those 'outside the

circle of this society's definition of acceptable women'. Uncompromising, angry and yet full of hope, this collection of her essential prose - essays, speeches, letters, interviews - explores race, sexuality, poetry, friendship, the erotic and the need for female solidarity, and includes her landmark piece 'The Master's Tools Will Never Dismantle the Master's House'. 'The truth of her writing is as necessary today as it's ever been' Guardian

So sad today? Many are. Melissa Broder is too. How and why did she get to be so sad? And should she stay sad? She asks herself these questions over and over here, turning them into a darkly mesmerising and strangely uplifting reading experience through coruscating honesty and a total lack of self-deceit. Sexually confused, a recovering addict, suffering from an eating disorder and marked by one very strange sex fetish: Broder's life is full of extremes. But from her days working for a Tantric nonprofit in San Francisco to caring for a severely ill husband, there's no subject that Broder is afraid to write about, and no shortage of readers who can relate. When she started an anonymous Twitter feed @sosadtoday to express her darkest feelings, her unflinching frankness and twisted humour soon gained a huge cult following. In its treatment of anxiety, depression, illness, and

instability; by its fearless exploration of the author's romantic relationships (romantic is an expanded term in her hands); and with its inventive imagery and deadpan humour, So Sad Today is radical. It is an unapologetic, unblinkingly intimate book that splays out a soul and a prose of unusual beauty. PRAISE FOR MELISSA BRODER 'Broder's essays often left me with a sharp sense of feminine recognition. I would read her accounts of heartbreak, sexual dissatisfaction, and alienation and think, Same ...' The New Yorker 'Her writing ... feels like a friend reaching out and saying "Hey, me too.'" i-D

This book is based on an expert group meeting entitled 'Male Roles and Masculinities in the Perspective of a Culture of Peace', which was organised by UNESCO in Oslo, Norway in 1997, the first international discussion of the connections between men and masculinity and peace and war. The group consisted of researchers, activists, policy makers and administrators and the aim of the meeting was to formulate practical suggestions for change. Chapters in the book consist of both regional case studies and social science research on the connections of traditional masculinity and patriarchy to violence and peace building. The Culture of Peace initiatives in this book show how violence is ineffective, and the book contests the views in the socialisation of boy-children that aggressiveness, violence and force are an acceptable means of expression. century British and Anglo-American culture. Reconsidering notions of the 'invisible' or 'apparitional' lesbian, Jodie Medd argues that lesbianism's representational instability, and the scandals it generated, rendered it an influential force within modern politics, law, art and the literature of modernist writers like James Joyce, Ezra Pound and Virginia Woolf. Medd's analysis draws on legal proceedings and parliamentary debates as well as crises within modern literary production – patronage relations, literary obscenity and cultural authority – to reveal how lesbian suggestion forced modern political, cultural and literary institutions to negotiate their own identities, ideals and limits. Medd's text will be of great interest to scholars and graduate students in gender and women's studies, modernist literary studies and English literature.
