The most awesome news ever in 2019: Wine Folly merges with Global Wine Database. We tooted about this earlier this year, and it’s still true! Wine Folly and Global Wine Database are working together! In all our past efforts to educate the world about wine, we’ve seen a consistent theme of poor information across our industry.

A Year of Wine in Review (2019) | Wine Folly
The Society's buyers provide recommended drink dates for all of our wines to help members decide the right time to pop the cork. As a general rule, most everyday white wines are best enjoyed within a year of purchase, and most everyday reds within two years. Certain fine wines, however, those with the right structure and balance, have the ability to evolve over time and gain complexity and finer nuances of flavour.

The Wine Society
Years like 1947, 1976, 1990 and 2003 will be remembered for their hot summers and great wines, years like 1965, 1972, 1991 and 1987 were lost to excessive rain and rot in the vineyards. As the grapes ripen, the sugar level and potential alcohol level rises as the acidity falls, making the decision about when to pick crucial.
